James Vicks Sons,

Seedsman,

Rochester, N. Y.

APR 12 1906

Price List of Surplus Seedings

Gentlemen:-

We have an apparent surplus of seed stocks over and above our needs for the present season which we offer to the seed trade at the prices below, subject to prompt acceptance and previous sales, f.o.b. Rochester, terms net. These stocks are from reliable growers and are A-1 in every respect. No order amounting to less than \$10.00 or in quantities of less than 5 pounds or 5 bushels of any one variety accepted at these prices.

The first part of the document
 contains a list of names and
 their corresponding numbers.
 The list is organized in a
 table format with two columns.
 The first column lists the
 names, and the second column
 lists the numbers. The names
 are written in a cursive
 script, and the numbers are
 written in a simple, printed
 font. The list appears to be
 a record of some kind, possibly
 a list of students or
 employees. The names are
 arranged in alphabetical order.
 The numbers range from 1 to
 17. The list ends with the
 name "John Smith" and the
 number "17".

The second part of the document
 contains a list of names and
 their corresponding numbers.
 The list is organized in a
 table format with two columns.
 The first column lists the
 names, and the second column
 lists the numbers. The names
 are written in a cursive
 script, and the numbers are
 written in a simple, printed
 font. The list appears to be
 a record of some kind, possibly
 a list of students or
 employees. The names are
 arranged in alphabetical order.
 The numbers range from 1 to
 17. The list ends with the
 name "John Smith" and the
 number "17".

The third part of the document
 contains a list of names and
 their corresponding numbers.
 The list is organized in a
 table format with two columns.
 The first column lists the
 names, and the second column
 lists the numbers. The names
 are written in a cursive
 script, and the numbers are
 written in a simple, printed
 font. The list appears to be
 a record of some kind, possibly
 a list of students or
 employees. The names are
 arranged in alphabetical order.
 The numbers range from 1 to
 17. The list ends with the
 name "John Smith" and the
 number "17".

The fourth part of the document
 contains a list of names and
 their corresponding numbers.
 The list is organized in a
 table format with two columns.
 The first column lists the
 names, and the second column
 lists the numbers. The names
 are written in a cursive
 script, and the numbers are
 written in a simple, printed
 font. The list appears to be
 a record of some kind, possibly
 a list of students or
 employees. The names are
 arranged in alphabetical order.
 The numbers range from 1 to
 17. The list ends with the
 name "John Smith" and the
 number "17".
