MEMO FOR RECORD:

SUBJECT: Monthly Reports of the Kobe Fish and Vegetable Market

Ref: Ltr, Kinki GAR, file BG 319.1, dated 9 Jan 51, subject as above.

1. Mr. Rhodes, ESS/PD was contacted and he expressed interest in subject reports to make comparative studies between Kobe and Tokyo fish and vegetable markets. He also stated that if these reports can be obtained without too much trouble on our part he would like a copy of them monthly.

2. Mr. Frazee was contacted and he stated that forwarding these reports does not require special effort on his part since the report is made out by the Fish and Vegetable Market even without GARs request - all he has to do is to request an extra copy.

3. Recommended action - Send reports to ESS/PD for information on check sheet.
