Podcasting about Wikimedia in your language

Saturday, August 13 (07:10-07:25 UTC)

Jan Ainali
Wikimedian since 2006, administrator on Swedish Wikipedia. Former Executive Director for Wikimedia Sverige and currently mostly active in Wikimedians for Sustainable Development. Does weekly streams of editing Wikidata and host a podcast about Wikipedia in Swedish.
Information richness paradox

It’s on Meta...

Podcasting about Wikimedia in your language
Why podcasts?
Why your local language?
How to get started
You don’t need expensive equipment. A basic microphone, even the one in an external web camera, will get you far. Headphones will help.
This is almost the most important resource. Try to find places that are silent and without echo for recording.
Audacity!
Recording remotely

Test, test, test
What type of podcast?
