The Committee (Dr. Patterson, Professor Frazer, and Mr. Downes), to whom had been referred Mr. Sears C. Walker's paper on the planet Neptune, read 19th February, 1847, reported, recommending its publication in the Transactions of the Society, which was ordered accordingly.

Dr. Patterson read a letter from Mr. Walker, dated Washington, 31st March, 1847, containing some observations concerning the identity of the planet lately discovered, with that of Leverrier.

Dr. Ludlow, from the Committee appointed to consider the propriety of amending the laws regulating nominations for membership, made a report, which was laid on the table.

Mr. Ord presented a letter, directed to C. W. Bacon, Esq., from Alexander Ray, of Washington City, asking that an examination might be made of the papers of the late Chas. Pettit, now in the Library of the Society, in order to discover whether there are among them any documents illustrative of certain claims for revolutionary services.

Whereupon leave was granted to Mr. Bacon to examine the said papers, under the direction of the Librarian.
