Annual Plan Grants

Project Grants

To promote experiments and sustain ideas that work. Up to \$100,000 for 12 months. There will be different guidelines and support systems for experiments and established projects, but one application process. Applications accepted quarterly.

Rapid Grants

To provide quick support for opportunities throughout the year. Up to \$2000 for low-risk experiments and standard needs (meetups, etc) that do not need significant review to get started. Applications accepted at any time.

Conference and Travel Support

To support communities planning local, regional and thematic conferences and other events, and to provide scholarships for individuals to participate in non-movement events. Applications accepted at any time.

Annual Plan Grants

To support organizations with experience in developing and sustaining effective programs. Up to \$100,000 for 12 months through a simple process, and full process for larger or unrestricted grants. Simple applications accepted at any time; Full applications accepted twice a year.
