PREFACE

THIS, the initial Directory of Dunn, is published with a laudable pride. Proud that we have grown to merit a directory in these thirty years, proud of the most excellent portrayal of citizenship contained herein and of the fact that, all things considered, we live in "the livest town under the sun." All together for each other and the **Dunn Spirit**.

J. W. TURNAGE, Mayor

IN compiling this directory for Dunn, the author has exercised the greatest of care, knowing that in a few years to come, the author or those to follow him will have a perfect guide to correctness.

The directory is divided into four departments: Alphabetical, Miscellaneous, and Street Guide. The first department is given, as for example, — and Professional, classifies the heads.

The Street Guide name gives a description as to the

A department of Miscellaneous included, which gives data in the Governments, Churches, Schools

Thanks are extended to all who by their co-operation made the Directory of Dunn possible.
