N presenting our pricc-list for the Fall, Winter and Spring of 1893-94, we wish to thank our patrons for past favors and call careful attention to the very low prices at which we are offering our stock, and respect fully solicit your further orders. All orders received have our personal and prompt attention and we guarantee reasonable satisfaction in every case. GEORGE AND FRED WIRT,

Alpha, Illinois.

Please Read the following Directions, Terms, etc., before Making up your Order.

Prices are for the quantities named, but 6 will be furnished at dozen rates; 50 at 100, and 500 at 1,000.

SHIPPING.—We have a special express rate under which we send every thing, except heavy stock, unless otherwise ordered.

OUR TERMS are cash, but goods will be sent C. O. D. if desired, provided one-third of the amount is sent with the order.

FAST FREIGHT — Late in the Fall or early in the Spring, stock can be sent by fast freight, at very small expense; on large orders where there is no great hurry this is a good way to ship.

PACKING is donc with the utmost care; special pains is taken to pack light, thereby reducing the expense of transporting; everything packed tree; if we are out of anything ordered we will substitute others of equal or greater value, unless otherwise ordered, in which case we will fill as far as possible and return balance of the money.

PLANTS BY MAIL.—We pack and prepay postage so as to go to any address safely, at the following rates: 5 cents per dozen; 25 cents per 100 for Strawberries. 5 cents each; 10 cents per dozen; 40 cents per 100 for Raspberries, Blackberries, Currants, Grapes, Gooseberries, Roses, etc. 5 cents per dozen; 20 cents per 100; \$1.50 per 1,000 for apple grafts.

All stock priced in this list is well rooted, one year old, unless otherwise stated. Varieties are warrawted true to name, with the understanding that if any should not prove so, we will return the money paid or replace with other stock. Our stock is grown on strong, black soil so parties can depend upon getting large, fine plants.

FROST.—If stock should get frozen on route. do not unpack at once, but put it in a cool, damp place until it is thoroughly thawed, and then it will be in almost as good shape as if it had never been frozen. **Crescent** P—Medium size, bright scarlet, continues a long time in fruit, plant very vigorous, productive and hardy; 15c per dozen; 50c per 100; \$2.50 per 1,000.
