GLAM Wiki Republika Srpska

- Galleries • Libraries • Archives • Museums
- Launched in 2015.

Within the framework of the Republic of Srpska, work on projects that fall into the GLAM category is handled by the Wikimedia community of the Republic of Srpska, which through its various activities, in cooperation with partners from the field of culture, supports cultural activity within the Republic and strives to combine the culture and cultural heritage of the Republic of Srpska with Wikimedia projects through its work.

In its work, the Wikimedia Community of Republika Srpska strives to, in addition to cooperation with primary institutions in the field of GLAM, extend cooperation to other organizations whose primary purpose of existence is to act in the sphere of culture.
