Dear Sir:-

Yours of the 1<sup>st</sup> is received. We owned 125 sets of Romanina and have placed nearly one half of them from the price you offer them to us we are inclined to think you are retailing them very cheap.

We think we have been very fair customers to you. Our purchases from you and the subscription we have given your sales we believe to be in excess of any other dealer.

We return you the enclosure from which the 20<sup>th</sup> had been extracted and duplicate the amount here.

In reply to your favor of the 22<sup>nd</sup> inst., we beg to say that it is impossible for us to allow you 40% discount on single orders of the kind. Our only reason for allowing such a discount is to get rid of some stock at a loss.

The new assurance watermarks etc. will be ready about the 1<sup>st</sup> of Feb. It is our intention to have references for the new issues as they appear; there are extra guards against counterfeiting of the new issues from \$5.00 on up.

My dear Messrs Chapman:

I get coin requests all the time & have been wondering if some would be of any use to you. If so, you are welcome to some. Enclose a few samples.

I have also a dozen or so verbal inquiries a week all of whom I direct to you. Many of them may be a nuisance, but I thought there might be some business in them. Hope so anyway.
