WORD OF EXPLANATION

COMMITTEE FINDS KNIGHTS OF COLUMBUS ORDER UPHOLDS LAWS OF COUNTRY

Editor News: We are all boosting for California, and so I ask you to please print the following communication to enlighten a few misguided ones:

"We hereby certify that by authority of the highest officer of the Knights of Columbus in the state of California, who acted under instructions from the supreme officer of the order in the United States, we were furnished a complete copy of all the work, ceremonies and pledges used by the order, and that we carefully read, discussed and examined the same. We found that while the order is in a sense a secret association, it is not an oath-bound organization and that its ceremonies are comprised in four degrees, which are intended to teach and inculcate principles that lie at the foundation of every great religion and every free state. Our examination of these ceremonials and obligations was made primarily for the purpose of ascertaining whether or not a certain alleged oath of the Knights of Columbus, which has been printed and widely circulated, was in fact used by the order and whether, if it was not used, any oath, obligation or pledge was used which was or would be offensive to Protestants or Masons, or those who are engaged in circulating a document of peculiar viciousness and wickedness. We find that neither the alleged oath nor any oath or pledge bearing the remotest resemblance thereto in matter, manner, spirit or purpose is used or forms a part of the ceremonies of any degree of the Knights of Columbus. The alleged oath is scurrilous, wicked and libelous and must be the invention of an impious and venomous mind. We find that the order of Knights of Columbus, as shown by its rituals, is dedicated to the Catholic religion, charity and patriotism. There is no propaganda proposed or taught against Protestants or Masons or persons not of Catholic faith. Indeed, Protestants and Masons are not referred to directly or indirectly in the ceremonials and pledges. The ceremonial of the order teaches a high and noble patriotism, instills a love of country, inculcates a reverence for law and order, urges the conscientious and unselfish performance of civic duty and holds up the constitution of our country as the richest and most precious possession of a Knight of the order. We can find nothing in the entire ceremonials of the order that to our minds could be objected to by any person.

MOTLEY HEWES FLINT, 33d Degree Past Grand Master of Masons of California.  
DANA REID WELLES, 32d Degree Past Grand Master of Masons of California.  
WM. RHODES HERVEY, 33d Degree Past Master and Master of Scottish Rite Lodge.  
SAMUEL E. BURKE, 32d Degree Past Master and Inspector of Masonic District.

Thanking you, dear editor, for your American spirit of fair play for all, your humble servant in Christ,  
JAMES S. O'NEILL.

NORTH GLENDALE

Tuesday evening a merry party assembled at the home of Miss Ruth Browne of 1620 Stocker street and enjoyed a most delightful evening together complimentary to Miss Browne, who leaves today for El Centro, where she will remain indefinitely. Music, games and a general good time were indulged in until a late hour. A dainty luncheon was served by the charming honoree, who is an especial favorite among the younger social set of North Glendale. Among the guests were Miss Barbara Mitchell, Miss Rae Davis, Miss Harriett Bayard, Mr. and Mrs. Ralph Bourne, Mr. Fred Farner, Mr. Frank Littell and Mr. Arthur Knight.

Mr. and Mrs. Walter Parsonage of 829 Lincoln place spent the weekend in South Pasadena as guests of Mr. and Mrs. Charles Austin of that place.

Miss Adrienne Dyer of 928 Randolph street was the house guest of Miss Janet Johnston of La Salle avenue, Los Angeles, during the past week.

Mrs. A. M. Hunt of 1201 Viola avenue entertained house guests from Los Angeles very recently.

Mrs. Carrie Murphy of 1648 Ruth street was the guest of her sister, Mrs. Philip Ballerino of 409 North Hoover street, Los Angeles, on Tuesday.

Mr. and Mrs. Allan Fairchild of 1321 Arden avenue were Los Angeles visitors Tuesday evening enjoying the pleasure of hearing Harry Lauder at the Majestic.

SUNSET'S POOR SERVICE

SUNSET TELEPHONE SERVICE IS POOR—NO INTEREST IN LOCAL AFFAIRS

The editor of the Evening News spent fifteen minutes this morning trying to learn the Sunset telephone number at the West Broadway school. Not finding Broadway school listed in the phone directory, and being aware there is a Sunset phone in the school, information was called, and the reply came back, "No such name listed. Can give information only on what is listed."

Upon calling Supt. White at the grammar school, we learned that the Broadway school is listed Fourth street school in the phone book.

Why in the name of common sense is not an intelligent telephone information able to answer such questions and further why does not the management get busy and have phones properly listed in the directory?

A supervisor or someone who holds a subordinate office said: "We charge 25 cents per name for making a correction." It would seem that a telephone company should be mighty glad to make corrections without charge. The official name of the school is Broadway, and not Fourth street, and why in the name of what is right does not a local telephone company have sufficient interest in local affairs to get names of public buildings properly listed?

MISSIONARY MEETING

The Woman's Home Missionary society of the First M. E. church held a meeting at the home of Miss Alice Marsh, 211 Cedar street, Tuesday afternoon and proved to be one of the most interesting meetings held for some time.

Mrs. Henry Johnston, who was delegate to the convention held in Los Angeles in September, gave a most enjoyable report and was extended a rising vote of thanks for the pleasure afforded.

At the conclusion of the business routine, the meeting was given over to "California dry" and the amendments were discussed by Mrs. Ruby Smart, president of the W. C. T. U., and Miss Litta Belle Hibben of Tropic, both of the speakers being enjoyed.

CONGREGATIONALISTS AND TEMPERANCE

That the Congregational churches are very much interested in "California dry" is shown by this resolution, which was unanimously and enthusiastically passed at the twenty-eighth annual meeting of the Los Angeles association of Congregational churches and ministers held at Pasadena last week:

"Whereas, the liquor traffic is one of the greatest enemies of religion and a blot upon our Christian civilization, and whereas, the moral and religious forces of our state are now engaged in a vigorous campaign for a "dry California."  
"Therefore, resolved that we record our hearty sympathy with this campaign for prohibition and that we urge our ministers and churches to use all legitimate means to bring victory to the hosts of temperance."

For some time in the Glendale Congregational church there has been held a meeting at which the cause of temperance has not been fostered.

Dr. Willisford was the first pastor of Glendale to speak on this question and has spoken a number of times for "California dry." Not a few who have heard these addresses by the pastor have pronounced them the equal if not the superior to those given at the high school.

Last Sunday morning an offering was taken for the Dry Federation.

ANNIVERSARY NUMBER GOING OUT

The anniversary numbers of the Glendale Evening News are now being mailed out in large quantities every day. There are hundreds of people in Glendale who are amply able to aid in sending copies to their friends, who will greatly appreciate them. If you have a desire to advertise Glendale in a favorable manner, mail one of these anniversary numbers to your old-home newspaper in the East, and the chances are such comment will be made that will bring the name Glendale before thousands of people who had never heard the name.

We want the assistance of only the loyal Glendale community boosters, and we feel sure there are many of them in this section of the valley.

Plant as many flowers as possible for 1915. California should impress the stranger as one vast floral border interspersed with homes and orchards and farm fields.

MONDAY EVENING'S SESSION OF CITY TRUSTEES

PALMIST DENIED PERMIT TO PRACTICE PROFESSION—FIFTEEN-YEAR-OLD BOY WANTS TO HUNT IN CITY—\$1700 IN TAXES COLLECTED TO DATE—MAYOR LANE GIVES REPORT OF WASH COMMITTEE—MUNICIPAL BAND CONTRACT—SALT LAKE R. R. REPRESENTATIVE ADDRESSES BOARD ABOUT INDUSTRIAL DISTRICT—OPENING OF ADAMS STREET—CITY ATTORNEY REPORTS ABOUT GAS COMPANY

The regular meeting of the board of trustees of the city of Glendale was held October 19, 1914, at the city hall. Those present were President O. A. Lane, Trustees Chas. Grist, A. W. Tower, J. S. Thompson and Geo. E. Williams; also T. W. Watson, city manager; J. C. Sherer, city clerk; G. B. Hoffman, city treasurer; W. E. Evans, city attorney; H. B. Lynch, manager of public service department; Edw. M. Lynch, city engineer, and Geo. H. Herald, the city marshal.

An application was received from H. V. Ellis in Verdugo canyon for a permit to sell milk. The same having the sanction of the milk inspector, was granted.

An application was received from Elishaca, 1928 East Seventh street, Los Angeles, for a permit to carry on a profession of palmistry in Glendale, which was denied.

An application signed by Joseph R. Walters for a permit to hunt, with a recommendation by H. M. Merrill, was granted on condition that before the permit is issued he procure the consent of the owners of the land; also the consent of his grandparents, his guardians, on account of his youth.

A letter received from G. Mayo, librarian of the municipal ownership Library of New York, asking for reports of the municipal activities of the city of Glendale in the several departments, was referred to the city manager.

Albert Searl, in a letter dated Oct. 16th, informed the city clerk that he could not be present at the hearing of the protest in the matter of the proposed protection work on Opechee way set for Tuesday, Oct. 20th, at 8 p. m., and asked that his objections to the work be considered as originally entered. On motion the letter was received and placed on file.

The weekly report of the tax collector was received and placed on file, about \$1700 being collected to date.

On motion of Trustee Thompson bids for the work of the improvement on a portion of Broadway were ordered opened, examined and publicly declared.

Bids as follows were opened, examined and referred to the city engineer:

Fairchild-Gilmore-Wilton Co., bond \$1000.  
Gutter, per square foot, 22 cents.  
Paving, per square foot, 22 cents.  
Curbs and appurtenances, completely installed, \$1400.

Mr. O. A. Lane, chairman of the board, gave an account of the meeting of the city officials and committees with the board of supervisors of Los Angeles county to view the district of the storm water course. He said they looked up conditions in Sycamore canyon; from there they went as far as La Crescenta, then down the Verdugo wash to the Central avenue bridge, and after talking over the situation, at the suggestion of Mr. Pridham, a meeting with the board of supervisors at their office by the Glendale and Tropic people was arranged for Wednesday, Oct. 21, at 10 o'clock a. m. He said the protest entered against the plan by so large a number of people had some effect upon the board, but the urgency of the case being evident, a compromise might be arrived at, possibly, by a modification of the boundary lines. It was arranged that Glendale be represented by a committee of seven, viz: T. W. Watson, H. P. Coker, W. E. Evans, City Engineer Lynch, O. A. Lane, J. C. Sherer and J. A. Pirtle.

The city manager stated that the library building committee desired the grounds of the new library leveled, now that the retaining wall is completed. On motion of Trustee Thompson, the street department was ordered to level the lot.

BROADWAY DEFEATS INTERMEDIATE

In the midst of class yells and all kinds of jubilee noises, the Broadway baseball nine defeated the Intermediate nine in a game with a score of 19 to 13.

Broadway was represented by Raymond Carmargo, pitcher; Joe Acosta, catcher; Edward Carmargo, first base; Mike Carmargo, short stop; Henry Anderson, second base; Emanuel Acosta, third base; Andrew Nelson, center field; Harry Speck, right field; Theodore Marcus, left field. Broadway will play West Glendale next Wednesday.

The city manager presented a draft of a contract to be entered into between the city of Glendale and its municipal band. He said the band had asked for a compensation of \$42 per month for the coming year, for which they would agree to give six concerts between June 15th and Sept. 15th, that they should be subject to call by the board of trustees; provided, however, that their expenses be paid when called to go out of the city.

On motion of Trustee Tower the band was allowed \$25 per month for twelve months, from October 1, 1914, on condition that they give the number of concerts designated in the contract and four extra concerts between the middle of June and the middle of September.

Mr. Jessup, a representative of the Salt Lake R. R., appeared before the board with reference to the location of an industrial district for Glendale. He said he would like to keep in touch with the movement in the interest of Glendale freight traffic. The board assured him that he would be informed as soon as anything might develop.

On motion, the city treasurer was instructed to transfer from the general fund to the electric light fund the sum of \$500 loaned from the lighting department some time ago.

On motion of Trustee Thompson, ordered that the board of trustees meet at the city hall Tuesday, Oct. 20th, at 8 o'clock.

On motion an ordinance of the board of trustees declaring its intention to order the laying out and opening of Adams street was taken up for the first and second reading, and on motion was laid over until the next regular meeting.

The city attorney reported that final judgment in the Doran street opening and widening was entered Saturday, Oct. 17th.

The city attorney also reported he has had a consultation with the attorneys for the Southern California Gas company with respect to an agreement proposed to be entered into according to which the citizens of Glendale were to receive a refund of all sums paid to the gas company in excess of any gas rate the courts might adjudge, and fix as proper. He said the attitude of the gas company, so far as he could discern, is rather unfriendly, and that they are not inclined to enter into such an agreement, claiming their rate to be more than fair, and that they further contend that even a rate fixed by the courts for next year might not be in force two or three years hence. He suggested that the only thing for the board to do was to fix the rate by ordinance, unless it concludes to await the court's decision on the subject. Or they might await the result of the fall election, for if the new amendment to be voted on carries, all the power of fixing rates will be conferred on the railroad commission.

The question as to whether or not the board of trustees has jurisdiction in the enforcement of building restrictions, having been referred to the city attorney, he reported in the case of the proposed building at the corner of Maryland and Fifth streets that so long as the building is erected in compliance with the city ordinances, the board would be obliged to issue a building permit; that building restrictions as such are matters between owners of property only.

Demands were referred to the finance committee and demands previously referred were reported favorably by said committee and warrants ordered drawn.

On motion of Trustee Tower ordered that the Pacific Electric Railway company observe the ordinance restricting the stopping of cars on the near side of the street within the Glendale city limits.

CANNADAY DANCING SCHOOL

Mrs. Nanno Woods of 1222 Milford street, together with her husband and son and some twenty intimate friends, married and single, form one of the merriest "bunches" at the Cannaday dancing school every Saturday evening. Mrs. Woods' two girls, Dorothy and Kathleen, have joined the Cannaday Saturday afternoon juvenile class. Indeed, Mrs. Woods plays chaperone to several young folks in her immediate neighborhood, and kindly offers to include a few more children in her party, if the parents find themselves unable to accompany their children.

MORE KIND WORDS

EX-NEWSPAPER MAN SPEAKS HIGHLY OF ANNIVERSARY EDITION OF NEWS

Mr. F. H. Vesper, president of the Bank of Glendale, received a letter under date of October 17 from his old friend, R. B. Warren of the Empire Printing company, Spokane, Wash. The letter reads as follows:

"I am writing this to thank you for the copy of the souvenir edition of your Glendale paper, which came to hand yesterday, and to say that it is a splendid edition, reflecting much credit upon the efforts of the editor, and of the business men of your town, who seem to appreciate a good thing by a liberal patronage."

"There are not many places of ten thousand people where a paper of that character could be issued."

"You may say to Mr. Cowan that I, as an old newspaper man, knowing the labor involved in getting out such a paper, pronounce it a capital piece of work. I note many improvements in the equipment of his office over what it seemed to be a year or so ago when I first saw a copy of The News. Such enterprise ought to be rewarded by a liberal patronage on the part of your people, and no doubt it will be."

DOUBLE BIRTHDAY CELEBRATION

In compliment to Mr. Harry L. Howe and Mr. S. W. Corwin, both of whom were birthday celebrators, as it were, Mrs. Harry L. Howe of 1546 Burchett street entertained informally but very delightfully at dinner and cards in her home recently.

A color scheme of yellow and white prevailed throughout, with here and there attractive Hallowe'en suggestions introduced. Following an elaborate course dinner, the twenty-four guests repaired to the card rooms, where Five Hundred helped the evening to pass most pleasantly.

Mrs. M. E. Brown and Mr. H. V. Henry scored for prizes and the guests who enjoyed Mrs. Howe's hospitality were members of the Thursday Evening Five Hundred club, who will be entertained with a Hallowe'en party by Mrs. R. C. Lane in her home, 1220 Doran street, next Thursday evening.

VALLEY VIEW

H. C. Toman and wife of 1606 West Seventh street, returned last week from a stay of eleven months near Casey, Ills., their former home.

Rev. Geo. O. Dodd and wife have moved here from Hemet and occupy the house at 1613 Vine street. Rev. Dodd is a retired Methodist minister.

Mrs. J. W. Utter of Corona, wife of the former pastor of the Christian church, visited her daughter, Mrs. Roy Scantland, 121 Park avenue, Tropic, last week. Misses Grace and Evelyn Utter visited there over Sunday also.

Mrs. J. C. May and two children of 1571 Penn street arrived at home recently from Shamrock, Texas, where they spent two months with Mrs. May's mother. Mrs. May says conditions are most distressing in that part of Texas, where the people depend for their living mostly on cotton and cattle raising. There was a fair crop of cotton, but no sale for it, and the feed crop was a failure, so the cattle industry is at a standstill.

Elder Francis spoke at the Christian church last Sunday morning from the text, "Lo, I Stand at the Door and Knock." He read the narrative of John the Revelator concerning the denunciation of the church at Laodicea and drew from it the lesson of the necessity of aggressive work to show where we stand. He said that the Savior is constantly knocking at the door of the sinner and will enter if bidden. In the evening Dr. Durfee spoke on the dry campaign, reading as a scripture lesson the story of Jesus casting out the legion of demons from the afflicted Gadarene and then allowing the demons to enter and destroy the swine. He compared the liquor advocates to the legion of demons and the Gadarenes, who thought nothing of the healing of a lost soul, but deplored the loss of the swine, to those today who see only the loss to the whisky manufacturers and sellers in the triumph of the dry advocates, and regard not the salvation of the countless number of drunkards. The Sunday school had an attendance of one hundred and ninety-two.

Mr. E. W. Lyon of 232 South Louise street is rejoicing over the arrival of his brother, Mr. J. E. Lyon, who has come to Glendale with his family to locate permanently. At present Mr. and Mrs. Lyon are domiciled at 319 North Maryland avenue.

STEPHENS WILL LECTURE

The Dry Federation will hold one of the series of mass meetings in the high school Thursday evening of this week at 8 o'clock. This meeting will be somewhat different from those held in the past.

Rev. Frank Stevens of the Lake avenue Methodist church, Pasadena, will address the audience on the dry issue and is a most able speaker and a man whom you will be pleased to hear.

There will be other numbers of special interest—orchestra music, chorus numbers and a general good program.

Come and bring your friends. Rally to the support of the committee in charge of this Federation work. Make no other engagements for Thursday evening, October 22, at 8 o'clock.

MISS ISABEL BARRETT,  
Secretary.

NEW SCHOOL FOR WESTSIDE

At 8:30 o'clock this morning between twenty-five and thirty interested citizens in the near vicinity of the site for the new Pacific avenue grammar school witnessed the breaking of ground ceremonies which are the culmination of three years of diligent enterprises on the part of several for a public school in that vicinity.

Mrs. Lucy Durham, the leader, as it were, who has been exerting every effort to obtain this end, was extended the honor of turning the first spade of earth, later giving a most interesting and impressive address relative to her interests in school work and the benefit to be derived therefrom by the children, property owners and the church in that locality. Quite naturally much joy and happiness prevailed and everyone is now anxiously awaiting the day when May Brothers, the contractors, turn over the building entirely complete.

SURPRISE PARTY

Of recent enjoyment in local affairs was the surprise party given in honor of the seventeenth birthday of Miss Anna Glosser by her mother, Mrs. William Glosser, of 614 South Brand boulevard.

The rooms given over for the occasion were brightened by clusters of yellow and white chrysanthemums and fern, a combination further carried out in the delicious refreshments served.

Music and song were the chief features of the evening, although the opening of many prettily tied gifts that were presented to the honored guests afforded much surprise and pleasure.

Out-of-town guests for the evening were Mr. and Mrs. George Drensen and Mr. and Mrs. Van McMillan.

In walking or driving, turn to the right. It prevents annoyance and averts many an accident.

**THE TOWN PUMP OR DRINKING FOUNTAIN**

A good place to feel the pulse of civic life is at the public drinking trough. The ebb and flow of animal life, as it quenches its thirst at the public fountain gives us an estimate of the wealth, population and prosperity of the community; the character, habits and occupations of its people, and the utility, pleasure and hardships of its citizens. There is no

better place to study the progress of the community than at the town pump.

Every village in California should have a town pump and every city with waterworks should have a drinking fountain where a stream of pure running water freely dispenses "Adam's ale" to the thirsty populace. Pure water and plenty of it is a good community builder.

**THE AUTO IN THE FIELD**

It is quite a common sight in California to see farmers drive to the harvest field in automobiles. It takes a solemn sum of money to buy an automobile and it takes good roads, as well as gasoline, to run them.

A joyride in the harvest fields of this state is one of the most exhilarating experiences that is available on this continent, and one that would charm a tourist and convince a homeseeker. A speedway lined with growing crops and blooded stock is a landscape that one seldom tours in a lifetime. In mapping out automobile routes, the California harvest fields should be given prominent position. Why not a "see rural America first" campaign?

This is the most rigidly censored war ever fought.

**BELGIANS WOULD MAKE GOOD CITIZENS**

One of the notable features of the counties convention held in Santa Rosa last Friday was the suggestion by Gavin McNab that California offer refuge to the thousands of Belgians who have lost their homes through the ravages of war. The suggestion appears to be a good one on its face. These people have shown a heroic spirit through all the frightful trials of the past three months. It is true they have been obliged to yield, but it was only after a struggle against overwhelming force which was in itself sufficient stamp of their manhood. They have been the best of Belgians, they would make the best of Americans. They are an industrious and frugal people who could not fail to grow into speedy independence in the midst of California's opportunities.

There is ample room for thousands of them in this state. Wide areas of the most fertile country on earth lie barren or are but partially tilled because of a lack of the right men. The introduction of these skilled farmers who have intimate knowledge of the best intensive cultivation on earth, would add wonderfully to the total wealth of the state in a few years. California could well afford to assist some thousands of these people in securing a foothold here and trust to their thrift and enterprise for ample returns on the investment. No one knows whether any of them would come or not, but if they are willing and the way can be found, they should be given every possible encouragement.—Pasadena News.

**TRUE GIFT FOR FICTION**

In a New Brunswick village a town character who preferred emphasis to the verities was a witness in a petty trial involving an auger. He positively identified it as the property of the parties to the suit.

"But," asked the attorney for the other side, "do you swear that you know this auger?"

"Yes, sir."

"How long have you known it?" he continued.

"I have known that auger," said the witness impressively, "ever since it was a gimlet."—Everybody's Magazine.

**CALIFORNIA'S MOUNTAINS**

Few regions on earth have the mountain majesties that California has. Elemental forces have eroded, heaved up, carved out and smoothed down the lofty heights in this state, until almost every variety of mountain scenery may be found. As lofty and as sublime as the Alps; not so lofty as the Himalayas, but far more accessible, and with a grandeur more centralized; not so high as the Andes, but much nearer the traveled ways pursued by globe-trotting sightseers—the California Sierras and their sister ranges are a composite of the world's most notable mountain beauties, majesties, sublimities and grandeur.

**WHAT'S A MAN TO DO?**

"Confidentially," said the undertaker's wife, "Mr. Smith hasn't paid the bill for his wife's funeral yet."

"Isn't that scandalous?" exclaimed Mrs. Gable. "I should think he'd be ashamed to let people see how little he thought of his wife."

"Yes, and his brother John, when his wife was buried, paid the very next day."

"Huh! Looked as if he was glad to get rid of her, didn't it?"

**WHY WE HAVE TO WAIT**

Mrs. A. (meeting friend)—"Why, Alice, how you are rushing! What is up?"

Mrs. B.—"I promised to meet my husband at 1 o'clock."

Mrs. A.—"Well, it's only half-past. What's the need of hurrying so?"

## MUNSON SAYS

Dozens of the kiddies in Glendale have entered the contest, in which I give five valuable prizes to the boys and girls under high school age who make the most words from the letters in "Munson, the Drug Man." There's still plenty of time to enter the contest. Come in and ask about it.

When down on Brand Blvd., we call your attention to the new theater building. The workmen are rapidly completing this beautiful playhouse, and it won't be many weeks until we'll have a chance to see high-class vaudeville and pictures right here in Glendale. That reminds us that we have a line of candies that are fine to take along when you go to a show. Besides our usual big stock of bulk and box candies, we've added the famous Morse line of chocolates.

Meet your friends at our fountain. We've specials every day that would do justice to a fountain in a city ten times the size of Glendale.

Glendale is really becoming quite a "classy" town. Besides the new high school buildings, the new theater and the wondrously strange fact that the P. E. are actually paying their right-of-way, a number of "society folks" of Los Angeles are moving here. One of the late comers is a young married lady whose husband has given her a new electric and a footman to match. So the other day she said to the footman: "John, we'll drive out and make a few calls. I shall not get out of the car; you will therefore take the cards that are on my dressing table and leave one at every house at which we stop."

"Very good, ma'am," answered John, as he ran upstairs to fetch the cards. After they had motored about a considerable time and had left the cards at many houses, the lady remarked:

"Now we must call on the Dales, the Framptons and Grahams."

"We can't do it," broke in the footman in alarm. "I've only the ace of spades and the ten of clubs left." Having used up the playing cards, the lady came here for more. As the evenings are now long, you may be interested in looking over our extensive line of playing cards.

Don't forget No. 170 for your cough.

Get the habit of meeting on the corner.

### WHY YOU

should do business with the **BANK OF GLENDALE**

California's laws regulating this bank are among the strongest in the United States.

In these laws are defined just what loans a bank may make.

Regular examinations are made by the State Banking Superintendent, and as a further protection to our depositors and to ourselves, we secured connection with the Los Angeles Clearing House and are examined by the Clearing House Examiner.

The funds are protected by a good screw-door safe in a vault fortified with electric burglar alarm, in addition to being insured against burglary and hold-up.

All officers are bonded. The Bank of Glendale makes no loans to any of its officers.

Disinterestedness in those having care of your money is thus assured.

Keep in mind that we do a Commercial and Savings Bank business; that we are provided with all that is desired in safety and service.

Mr. MacRae praises the people in the above locality most highly for the manner in which they are taking hold of the Y. M. C. A. work and the progress they have made.

From the war reports, it seems that all the belligerent nations are winning and not one of them is ashamed or too modest to acknowledge it.

There is much artistic temperament in this European war. A number of great singers, violinists and pianists are on the firing-line.

## EAGLE ROCK

Mrs. J. H. Moshier and Mrs. C. Roberts were delegates from here who attended the Congregational society of the Los Angeles district held at Pasadena Tuesday.

Mrs. J. Johnston of North Central avenue enjoyed a visit with relatives in Highland Park one day last week.

Last Thursday morning at 10 o'clock at the college assembly Prof. Hubert Gibson Shearin, new head of the English department of Occidental college, gave a public talk on "American Folklore."

Robert Law began Monday on the grading and oiling of West Eagle avenue.

Mr. and Mrs. C. W. Young and daughter Amber, who have spent several months in the East and in Northern California visiting old friends and relatives, have returned to their home.

Mrs. Chatfield and son Benton of Bridgehampton, L. I., have rented J. A. Crouch's house on Noble street. Mrs. Chatfield is a cousin of Mrs. Jas. Robinson.

W. K. Cowan is contemplating building a bungalow on Ridgeway avenue near his large house, which is occupied by the Owl and Key fraternity of Occidental college.

Mr. and Mrs. Roberts have returned from their honeymoon and have taken up their abode at the home of the latter's mother, Mrs. M. Robinson of Acacia avenue.

The Episcopal church on Valley drive and Eagle avenue is rapidly nearing completion.

A Christian Endeavor society was organized Sunday evening at the Presbyterian church. The following officers were chosen: President, Geo. Gilchrist; vice-president, Ruth Sanburn; secretary, Lois Candee; treasurer, Theodore Koethen.

Mrs. J. H. Moshier and Mrs. F. Gee were hostesses to the O. F. F. club last Saturday evening at Mrs. Gee's home on Ellenwood drive. After the business meeting was over, Avery Hoyt, Howard Henderson, Harry Phinney, J. H. Moshier and Fred Truman arrived as honored guests for the evening. Five Hundred was the pastime for the remainder of the evening, Miss Burck and Mr. Truman capturing the prizes. A delicious luncheon was served.

The spacious residence of Mr. and Mrs. T. C. Mason on Ridgeway avenue was the gay scene on last Friday evening of a very enjoyable "rally social," given by the ladies of the Presbyterian church to welcome the students and faculty of Occidental college. Mrs. Mason was assisted in receiving by Mrs. Candee and Mrs. Chandler and Mrs. Post had charge of the social part of the evening. A mix-up football scrimmage served to effectually break up any ice that might have existed, and Prof. Chandler's team captured the cake. While preparations were being made behind the screen for Mrs. Jarley's "wax works," the audience was favored by two beautiful solos given by Mr. W. McConnell, accompanied by Mr. W. S. Young, both of Occidental college. The curtains were drawn and Mrs. Jarley appeared (in the person of Mrs. Elizabeth Miller) to introduce her collection of wax figures. Many of Dickens' characters were shown. Refreshments were served in the beautifully illuminated patio.

Sunday afternoon was the opening

of the new Methodist church of Eagle Rock. So thoroughly has the old building been overhauled and remodeled that it has been changed from an unattractive, inconvenient church to a modern, convenient and beautiful edifice that we are compelled to call "new." The program given in the afternoon and evening also was of unusual interest to all, and the attendance was large. Several pastors from out of town were present. They were Rev. Hughes of Pasadena, Dr. Wilson of Highland Park, Rev. Smith of Tropic, Dr. Soper of Casa Verdugo and Rev. Mather of Pasadena. A number of pastors living in this city were also present. In the evening a stringed orchestra from Los Angeles, under direction of Mrs. F. Moll, rendered some beautiful selections. The following is the program: 2:30 p. m.—Prelude, "Cavalleria Rusticana" (Mascagni), Mrs. G. R. Kingdon; hymn No. 666, congregation; prayer, Dr. Julius Soper; response, choir; solo, "Abide With Me," Mr. W. L. Miller; address, Dr. Matt Hughes, First M. E. church, Pasadena; anthem, "Saviour, Source of Every Blessing" (Flotow); hymn No. 661, congregation; benediction, Rev. W. Smith; postlude, Op. 40, No. 1 (Chopin). Union services, 7:30 p. m.—Prelude, "Minuet in G" (Beethoven), stringed orchestra; hymn No. 53, congregation; prayer, Rev. Hoyt, Congregational pastor; solo, Mr. Wright; selection, orchestra; sermon, "The Canaanitish Woman," Rev. Smith; hymn No. 55, congregation; benediction. League services were held at 6:30. A. A. House was leader and the topic was "Temperance." Miss Olive Moe sang a solo.

### PINK PARTY

All the appointments of the afternoon party given recently by Mrs. C. B. Wilde in her home, 238 North Louise street, were in pink and white, the occasion of this festive fray having been in compliment to her little daughter Lucille, who celebrated her fourth birthday.

After the usual frolic, the little tots scampered into the dining-room, where a beautiful table of goodies awaited them. Dainty and profuse were the decorations of pink enchantress carnations, ferns and ribbons; also in pleasing contrast were the beautiful candle-studded cakes and individual favors used.

Assisting the hostess was Mrs. T. J. Keleher and the little guests who were bidden to greet little Lucille were Elizabeth Faries, Louise Fisher, Marjorie West, Geraldine Keleher, Vera Lockwood, Stafford Wilde, Archie Neel, John Faries, Frank Lowe and Homer Lockwood.

### AZUSA WILL SPEND \$8000

What is described as one of the greatest improvements ever undertaken by the city of Azusa was started last Monday night by the city council when they passed a resolution declaring its intention to build a series of twenty-eight concrete and iron culverts on most of the streets running north and south. The improvement will be done under an improvement district and will cost approximately \$8000. These culverts are designed to handle all the flood drainage that flows into the various streets carrying it through the town.

# Randall to Bell

To Hon. Chas. W. Bell,  
Candidate for Congress:  
I observe in the public press that you are making your principal claims to re-election upon the allegation that you are an ardent, consistent and original supporter of state and nationwide prohibition.

With a desire to be kindly and most courteous to you, I am nevertheless constrained to publicly challenge your claims upon that issue.

If your previous campaign arrangements do not conflict, it would afford me much pleasure to meet you upon the platform in the various cities of the district to discuss before the people the matters which I shall here present:

### Liquor Election in Pasadena

1. In your home city of Pasadena as recently as two years ago, when a hotly contested liquor ordinance election was before the voters, you were repeatedly urged to align yourself with the dry forces. You refused to commit yourself to either side of the question, though the temperance people were fighting with vigor an ordinance which proposed to grant liquor licenses to hotels and to permit the delivery of liquors to the homes of Pasadena by the saloons of Los Angeles. Your failure to come out in opposition to this ordinance was sorely disappointing to the city dry workers in Pasadena. I will be glad to furnish to you or to anyone else the name of the chairman of the publicity and campaign committee of that campaign who is the pastor of one of the largest churches in Pasadena, and who will confirm the statement above made.

### Supporter of Hobson

2. You are giving wide publicity to the claim that you are an original supporter of Congressman Hobson's resolution favoring national prohibition, and that you are in fact his chief lieutenant in working for this measure. By the terms of a letter written by yourself in Washington under date of June 13, 1914, you had not up to that time given any support to Mr. Hobson's bill, though it had been before Congress for many months. You said in that letter "I am thoroughly in sympathy with this Amendment and shall take pleasure in voting for the same, and WILL ALSO TRY to do some effective work among other members of Congress." I submit that a reasonable interpretation of the English language would indicate that you proposed to do something AFTER the much delayed date of June 13th of this year, and that you had done nothing before that date. Careful search of the Congressional Record not only confirms my suspicion, but discloses the unfortunate fact that you have never uttered a syllable upon the floor of Congress for the Hobson bill, notwithstanding the fact that many supporters have. Congressman Hobson himself made an address which has aroused the temperance forces of the entire world with its wonderful eloquence and convincing logic.

### Hobson Withdraws Recommendation

3. You are circulating in many ways in this district a letter given to you by Congressman Hobson recommending your re-election. Your supporters are still distributing this letter, notwithstanding the fact that Mr. Hobson has superseded it with one in which he says: "When I gave the letter to Mr. Bell, I was not fully informed on the situation"; and that in view of information he now has he says, "it is not certain that endorsement of Mr. Bell is the best way." Mr. Hobson further emphasizes his present desire in this language: "Amid the varying opinions, it appears to be in the interest of the cause for me to take no part whatever, leaving it to the dry forces of the district, and I authorize you to so announce my determination."

You have a copy of this letter, Mr. Bell. Pray tell me what kind of political ethics are involved in the distribution by your supporters of Mr. Hobson's original letter in the face of his most recent pronouncement, addressed to my campaign chairman under date of Oct. 6th. I would ask you to further illuminate Mr. Hobson's lack of full information when he gave you the original letter of recommendation in Washington on Sept. 17th. Was Mr. Hobson led to believe that you were the dry candidate and that your sole opponent was a wet? Or did you omit to tell him that I received 17,561 dry votes, a total larger than the combined votes given

the men whose names will appear upon the ballot with mine?

### Local Option Fluke

4. In a letter written by you to one of your constituents from Washington under date of June 13, 1914, you say: "Those familiar with my record while a member of the State Senate of California legislature, and while chairman of the Public Morals Committee, will remember the effective work I did to secure the local option law, which has produced such splendid results in our state."

Let us examine the history of this law. It was introduced in the Assembly by Mr. Wyllie and passed that body with a good majority. When it reached the Senate it went to your Public Morals Committee, and when placed upon its passage in your body was amended so as to utterly destroy it as a temperance measure. It was so bad that upon roll call in the Senate the first man who voted for it was Dominick J. Beban, the Senator from the Barbary Coast district of San Francisco. The second Senator who voted for it was Chas. W. Bell. The record of this roll call may be found on page 1265 of the State Journal of 1911. To be fair to you, it is true that the bill as it passed the Senate was not agreeable to you, but the friends of the local option law in the Senate realized that its only prospect of passage in a satisfactory form was through drastic action of the Assembly in refusing to accept the Senate's emasculation of the bill. This is surely not to be described in complimentary terms as "effective work" by your Public Morals Committee, but rather a confession of the superior legislative tactics of the local option law's militant supporters in the Assembly. May I be immodest enough to record the fact here that the local option law of that session was finally drafted and forced through both houses by a Free Conference Committee, the most powerful committee ever created in legislative practice, and that I was appointed chairman of the Assembly section of that committee by the Speaker?

### Petty Spite at Wilson

5. Referring to your record in the present Congress, I must disagree with your action in opposing President Wilson upon his Mexican policy. When you voted "No" as recorded on page 7489 of the Congressional Record upon the "Joint Resolution Justifying the President of the United States," you did an unpatriotic act. Every partisan detractor of the President has been silenced. There is war in the East, but peace in the West, and we thank God for Wilson. When we realize that every first-class nation on earth is at war except the United States, our hearts beat with thankfulness for that great Christian statesman, the Apostle of Peace in the White House.

### Temptation in Mileage Graft

6. Your record upon the so-called mileage graft question is not creditable. You are recorded as resisting every effort to eradicate this scandal and you voted six consecutive times to retain for yourself and other members mileage at 20 cents per mile, amounting to more than \$1200 per year for each of the California members. On page 7359 of the Congressional Record it is stated that the House Committee reported a bill carrying actual expenses as mileage. Upon a motion to amend and insert a sum equivalent to the old law (20 cents per mile) you voted "Aye." Upon a motion to recommit and report the bill back with a provision for actual expenses you voted "No"—page 7375. It was then moved to fix the mileage at 5 cents a mile, upon which you voted "No"—page 12117. On motion to recede from disagreement to Senate amendment, this amendment being the old law, you voted "Aye"—page 12217. The Senate refused to take the House amendment for actual expenses, and replaced the old law, and upon agreeing to the Senate amendment you voted "Aye"—page 13161. The Senate refused again and on motion to recede from the House amendment for actual expenses, you voted to recede, or "Aye"—page 13481. Together both houses of Congress have more than 500 members. If the average per member in mileage graft at 20 cents per mile were as high as that of the California members, the treasury would be depleted to the extent of more than a million dollars annually.

Awaiting your response, I am  
Yours very truly,
