FOREWORD

The 1942 TECOAN has followed no definite theme. We have tried to portray campus life as it was seen by us during this year. In the years to follow, when you turn back to look at this book, we hope that it will recall to you those pleasant days spent in '42 at East Carolina.

MR. E. R. BROWNING

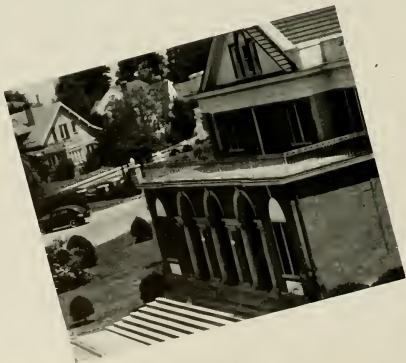

DEDICATION

Mr. Browning came to this college in 1936 from West Virginia. He began our Commerce Department. There were no rooms available and the attic storage spaces of Austin Building were used. Accounting tables were manual arts workbenches brought from the shop. In the six years that he has been on our campus, Mr. Browning has caused the wide growth of this department which is now one of the best in the South.

Because he is such a friend to all students; because he has done so much for this college, this yearbook is dedicated to him.

DR. LEON R. MEADOWS

President

"Ye shall know the truth and the truth shall make you free." These words were uttered by the world's greatest teacher almost two thousand years ago. As teachers and as citizens of the larger community which you are about to enter, you cannot do better than adopt them as your slogan. Through you the truth will make free a world that is bound by the chains of avarice, cruelty, tyranny, and intolerance. May the spirit of the Master Teacher strengthen you in your efforts.

LEON R. MEADOWS, *President.*

ADMINISTRATION

The Spirit of Democracy demands that youth be given an opportunity for self-expression in governmental affairs. No democratic institution or form of government can long endure with its youth regimented from above. A government of youth, by adults, for youth, violates the very essence of democracy. The democratic way of life for youth, all too often, is comprehended in the phrase, "Might makes right".

DR. HERBERT REBARKER, *Dean of Men.*

Not knowledge alone, but knowledge and understanding should be our goal. Like Solomon of old, our admonition should be: "Wisdom is the Principal thing; therefore, get wisdom, and with all thy getting, get understanding."

ANNIE L. MORTON, *Dean of Women.*

The Women's Student Government Association at East Carolina Teachers' College unites the women students as no other organization does. Through unity it endeavors to help each student adjust herself to the responsibilities of good citizenship. Student government functions specifically through a council elected by the student body and by the classes.

The Men's Student Government has completed a successful year. The Council room secured last Spring, has been furnished and provides an excellent meeting place. A parlor and a reading room have been furnished in the dormitory, largely through the efforts of our dormitory manager, Clifton Britton. The council enjoyed working together and served to the best of its ability.

COLLEGE ORCHESTRA

For the past few years the college orchestra has served as a successful medium of instruction and enjoyment for both students and faculty members. Despite the recent loss of many members to the defense program, the orchestra is making rapid progress under the capable direction of Mr. A. L. Dittmer, head of the music department. This spring Mr. Dittmer presented the orchestra in a recital of several attractive compositions. He states that the increasing number of violin students points toward an even brighter future for the orchestra.

MR. A. L. DITTMER

SIGMA PHI ALPHA

Organized in 1924 under the Greek letter "Phi Sigma", the French Club of our college became, in 1939, the Phi Sigma chapter of Sigma Pi Alpha, a national honorary fraternity for students of foreign languages. The aims of the club are to further interest in the French language and promote a spirit of friendship and scholastic attainment among its members.

With the help of its members, advisers, Mr. R. C. Deal and Miss Marguerite Austin, the club, under the leadership of Miss Cleo Burney, its president, sponsored a Christmas program, formulated plans for a dance winter quarter, and promoted the sale of defense bonds.

The club sent delegates to the National Convention, which was held at State College, Raleigh, North Carolina, in the spring.

CLEO BURNEY, *President*

THE JARVIS DEBATING CLUB

The Jarvis Forensic Club, organized in 1938 under the name of the Jarvis Debating Club, has worked to interest the students of E.C.T.C. in debating and other phases of public speaking.

In its meetings held every two weeks much good has been accomplished. The programs were varied, including almost anything that required its members to get on their feet and talk.

Ever since its formation, the ultimate good of the club has been to debate against students of other colleges. During the past year this ambition was realized in part when teams were selected and debates exchanged with Campbell College. For the future the club will be working toward more activity of this kind.

Whatever success the organization has had must be credited to the faithful cooperation of its members and to its adviser, Dr. M. N. Posey, who was a never-failing source of courage and inspiration in the face of discouragement.

MILDRED BEVERLY, *President*

ENGLISH CLUB

The purpose of the English club, with Dr. Lucille Turner as its adviser, is to foster literary interest in English majors, to acquaint them with the best books and magazines, and to inform them of outstanding developments in the field of creative writing.

At the beginning of the year a program committee planned a series of teacher-student programs, the theme of the teachers' discussion being "Famous American Periodicals Important to English Majors", and that of the students, "The American Way of Living". Besides programs of an intellectual nature, there have been those devoted to recreation. These programs have been sources of instruction and pleasure to the club members.

As a suitable atmosphere for its meetings the club uses the English Laboratory which has been well-equipped to assist students in their study of English. There is a worth while collection of books and magazines dealing with English subjects, pictures, clipping, a duplicator, a projector and a recording machine. English students are welcomed to use this room for reading and studying.

EDNA MITCHELL, *President*

THE ALUMNI DAUGHTERS AND SONS OF E. C. T. C.

The A. D. and S. Club is made up of students belonging to the second generation of the Alumni. The organization is bound together by a feeling of loyalty that was begun by our mothers or fathers, who attended this school even before it was a college, while it was still a two-year normal school, East Carolina Teachers Training School. Through this club the students of the alumni strive to preserve the memories of the past. The members are in a sense now reliving their mothers' college days, because now as then, there is a world war in progress, and again the students are called upon to do their part.

Miss Mamie Jenkins, a charter member of the faculty, is the faculty adviser of the club.

ARLENE MERCER, *President*

MATH CLUB

The Mathematics majors and the faculty members of the department organized the Mathematics Club fifteen years ago. Club membership is open to every major in this field. The aim and practice of this club is to learn to appreciate more the wonders and greatness of mathematics and how it has come to be what it is today, as well as to explore the recreational side of life in the field of mathematics. Showing the student the relation between mathematics and his life as a whole is an objective of the club.

In the programs we have attempted to acquaint ourselves with the lives and accomplishments of those who are outstanding in the past and present history of mathematics.

TOMMIE LOU CORBITT, *President*

SCIENCE CLUB

The Science Club was organized in the fall of 1931 with a membership of 25 — there are now 65 members. Through the years the club has made much progress and this year has been no exception. The first meeting which was a social united the members for an active and successful year together. Striving to reach our aim for the year "Better Science Club Programs" we have had participation of students, faculty, and outsiders on the programs. There were also interesting movies and demonstrations. The annual club trip will be an outstanding feature of Spring Quarter. The club is a member of the Student Science Clubs of America.

MARY LOUISE CHAPPELL, *President*

THE ASSOCIATION FOR CHILDHOOD EDUCATION

The Student Branch of the Association for Childhood Education at East Carolina Teachers College is a member of the National Association.

"The purpose of this organization shall be to gather and disseminate knowledge of the movement for the education of young children; to bring into active cooperation all childhood education interest, including parent education; to promote the progressive type of education in nursery school, kindergarten and primary grades, and to raise the standard of the professional training for teachers and leaders in this field."

ANNIE LAURA WILKERSON

THE COMMERCE CLUB

The purpose of the Commerce Club this year, as heretofore, has been to better acquaint the students of the Commerce Department with each other, to foster interest in clerical work and in teaching, and to work together for the mutual benefit of its members and the Commerce Department as a whole.

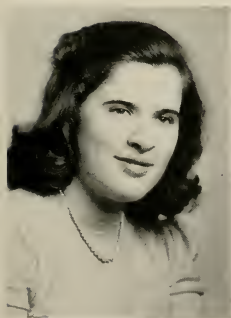

The monthly programs of the club consist of recreational programs, and programs that are informative and helpful to students in their work after graduation.

MERLE SLATER, *President*

ZETA DELTA CHAPTER OF ALPHA IOTA

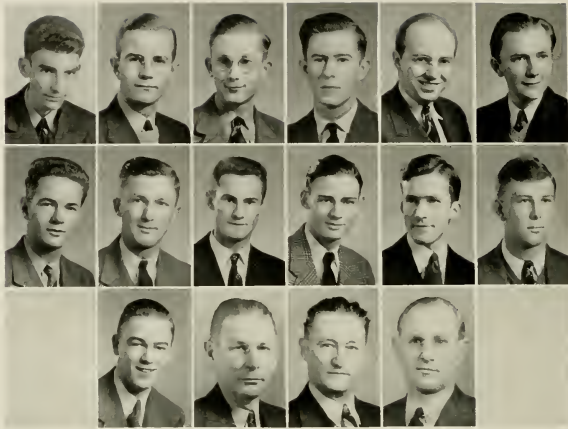

TOMMIE LOU CORBITT, *President*

Zeta Delta is a chapter of Alpha Iota, an International Honorary Business Sorority with chapters in most of the leading colleges and universities in the United States and Canada where Business Education is taught. Requirements for election to this Honorary Sorority are superior scholarship in commerce leadership, personality, and character.

Zeta Delta, the first Sorority to be established on our campus, was organized on March 39, 1940, with twenty-four charter members.

In its third year, under the capable leadership and guidance of Miss Velma Lowe, Sponsor and a charter member, and Miss Audrey Dempsey, Assistant Sponsor, the Sorority selected nineteen girls for membership. After several weeks of pledging and initiating, they were awarded national membership and the secrets of the Sorority were revealed to them at a formal candle lighting ceremony followed by a tea given in their honor.

During the year, the Sorority has had several speakers at their monthly meetings who were well qualified to speak on topics pertaining to Business Education.

FUTURE TEACHERS OF AMERICA

CHARLOTTE SHEARIN, *President*

The Future Teachers Chapter of the Future Teachers of America under the guidance of the sponsor, Miss Emma L. Hooper, are happy to say that we had a place on the Victory Honor Roll for the year 1941-42. Through the varied and interesting programs and the two professional magazines received by each member, we had an insight into the teaching profession.

Among the things we have done are send Christmas cards to the people in the County Home, sew for the Red Cross, write other chapters, and give for the Defense Bond.

COLLEGE CHOIR

The College Choir was organized to provide opportunity for students to sing and to love some of the beautiful mixed chorus music. Its repertoire has included some of the old polyphonic music of the Sixteenth Century, some modern choral arrangements, and various types between these extremes. As an organization, it has delighted various groups, and will continue to do so as long as it continues to progress as it has begun to.

DONALD PERRY, *President*

WOMAN'S GLEE CLUB

MISS GUSSIE KUYKENDALL, *Director*

The Woman's Chorus has given one radio program and a Christmas program jointly with the mixed chorus. The Woman's Chorus will furnish the music for the Easter Pageant and will also give a program in the spring.

In May the Woman's Chorus will sing on a program in which all music clubs will participate.

INTERNATIONAL RELATIONS CLUB

The International Relations Club was organized in the winter of 1940, and brings together those History and Social Science majors who have reached sophomore standing and all others who have twenty-one hours credit in History and Social Science.

Though very young, the club is engaging in many activities in the regular monthly meetings. The main purpose of the club is to learn and understand more fully the international situation.

The club receives at regular intervals books, materials and new current problems for discussion and research from the Carnegie Endowment.

One of the main activities is sending delegates to the Southern International Relations Conference each year.

ELIZABETH NOE, *President*

HOME ECONOMICS CLUB

LOUISE TAYLOR, *President*

Believing strongly in the supreme worth of the individual, our club proposes to develop personality, leadership, initiative, and poise. Attempting to do this, it is our hope that we may simply "serve our community, our schools, and our families." The club was represented at the North Carolina Association of student Home Economics Clubs at Salem College in Winston-Salem, N. C.

"VICTORY OVER DEATH"

Each year at Easter time, this pageant is produced by the Y.W.C.A. and the Y.M.C.A. The cast included faculty as well as students.

COLLEGE BAND

VERN KUETEMEYER, President

The Marching Band this year was very active during the football season, performing at all the home football games. The Concert Band, although losing many of its members to the Army, had a successful year, climaxed by a Commencement concert on the East Campus lawn.

CHI PI PLAYERS

The Chi Pi Players, guided by their director, have attempted to present to their audiences a varied program in drama types. Having successfully presented melodrama, mystery-drama, juvenile comedy, and classic drama, the Chi Pi Players, in the spring assist the Y.W.C.A. and Y.M.C.A. in a religious pageant, *Victory Over Death* as a tribute to the Easter season, and they will assist the Senior class in producing its play, *Vivacious Lady*,

a modern comedy. And to further vary their dramatic experiences, the Players entered the Dramatic Festival with a hilarious mountain play, *Rainbows in Heaven*. The Chi Pi Players have acquired, during the year, considerable new equipment for the stage, and furnishings for the Green Room, as well as costumes, properties, and other accessories.

YOUNG DEMOCRAT CLUB

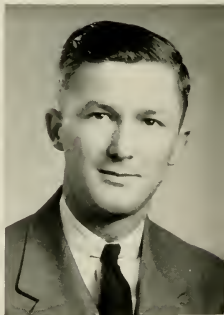

Striving to foster interest in the political affairs of both our State and Nation, the Young Democratic Club has tried to encourage a wholehearted participation in all events which have occurred within its interest.

At the Fifth Annual Student Legislature, a large number of student delegates, were instrumental in passing a resolution for an Increment In Teachers Salaries. The bill was adopted without opposition from either Body of the legislature.

Two of our members received positions in the House of Representatives. They were Rosalie Brown and Marjorie Davis who gained offices as timekeeper and clerk, respectively.

The Y.D.C. dance, now an annual affair, was sponsored by the club during the fall quarter and proved a great success.

Ruby Grant represented the club at the conference on "Youth's Stake in War Aims and Peace Plans" held at the University of North Carolina, and made possible by the Carolina Political Union and International Student Service.

PIECES O' EIGHT

This school year has been characterized by hard work and honest effort on the part of the staff to make the Pieces O' Eight a readable and enjoyable magazine, one of which

students and faculty alike could be proud. The policy of the staff has been to veer away from cheap humor and to publish only the best our writers have had to offer. One

marked improvement has been seen in the quality and quantity of the short stories. There have been a few really outstanding stories, of which the staff is justly proud. It is the hope of the outgoing staff that this policy of "Ever onward, ever upward" will soon take its rightful place in the interest, loyalty, and pride of every student and faculty member here.

The *Teco Echo* achieved two distinct purposes—producing a newspaper and serving as a laboratory to train journalists. It has upheld the principles of a free press, one of the last citadels of democracy. The staff, as interpreters of the ever-changing trend of events in our environment, have endeavored to perpetuate practices that tend to elevate the American way of life. If we have been successful to that end, then our efforts have not been in vain.

THE VARSITY CLUB

The Varsity Club draws its members from lettermen in the various sports on the campus; football, basketball, baseball, and tennis. Charles Futrell has served as President of the club this year. The club sponsored a square dance in February at which

time Savonne Matthews was chosen Varsity Club Sweetheart. She was presented an honorary membership certificate, and ruled over all Varsity Club activities of the year.

CAPTAIN JIMMY GIANAKOS

In two years Coach John B. Christenbury developed one of the strongest small college elevens in the nation. The 1941 edition of the Pirates became one of the thirteen undefeated untied grid teams by bowling over seven strong opponents.

CLYDE MANN, *Manager*

COACH JOHN CHRISTENBURY LOOKS OVER HIS 1941 ALL-WINNING PIRATE ELEVEN.

Coach John Christenbury's 1941 grid team mowed down all opposition and ended the season as the greatest football combination ever to represent the purple and gold. Starting the season with veterans at every position, the Pirates displayed a devastating offensive led by a high-scoring backfield. Backfield stars were Schuerholz, Woody, Waddell, Teague, Zuras, Miller, and Marriot.

ECTC-31 TUSCULUM COLLEGE-0

The season opener played here before a large crowd on September 27, found the Pirates getting off to a flying start by whipping Tusculum College of Greenville, Tenn., 31 to 0. The boys seemed in mid-season form as they scored before the game was five minutes old. Two straight passes to Charlie Craven and Billy Greene put the ball on the two yard line and moments later Bob Young pulled another one of Marshall Teague's passes deep in the end zone for the initial tally. Two more touchdowns were made before the half ended. Elusive Don Marriot streaked his way 30 yards to the two yard line and then plunged over on the next play. The other scores came when Bob Young raced 40 yards on a reverse and hit pay dirt standing up, and Stuart Tripp intercepted a pass in the final quarter, scoring after a 24 yard jaunt. ECTC scored 10 first downs to 7 for the Tennessee Pioneers. Six of the visitors firsts came via the air route as they completed 10 of 24 aerials.

ECTC-39 PORTSMOUTH NAVAL APPRENTICES-0

The plucky Apprentices were simply no match for the hard hitting Pirates who brushed them aside with a blazing land and air attack to rack up their second victory 39-0. Coach John's host of scat backs sifted through the sailor defenses at a breakneck pace and scored from all angles. The Pirate scoring was led by veteran, Yank Schuerholz who smashed the Naval line to a pulp as he contributed three tallies. Sparking the Buc offense was Don Marriot, Dan Waddell, Nick Zuras, Marshall Teague, Bob Miller, and Adrian Brown. The defense was featured by the outstanding play of Jerome Butler, hefty tackle, who was a damper on the Apprentice hopes all afternoon. Time after time he sifted through the opposing line to stop plays before they were formulated. A 17 yard aerial from Teague to Charlie Craven set up the first score as Schuerholz dashed over from the two. From then on the parade was on and the fleet Pirate backs displayed some sparkling running. Tripp, Gianakos, Lucas, Rogerson, Craven and Billy Greene were outstanding in keeping the sailors well within the thirty yard line.

ECTC-19 WCTC-6

The renewal of a great rivalry found the ECTC Pirates putting up a gallant and determined fight to smash the West Carolina Catamounts 19-6 for their third straight victory. The win brought sweet revenge for last year's bitter defeat at Cullowhee where every imaginable tactic except throwing the water bucket was used against the Pirates. The first half was hard fought but scoreless. Soon after the kickoff opening the second half the Pirate

ends, Craven and Greene teamed up to work the ball down to the seven yard line. In an attempt to kick out, a Cullowhee punt was blocked by Greene and covered in the end zone by Craven for the first score. The score was knotted a few minutes later when Al Shuford of West Carolina flipped one down the middle to Captain Bill Smith for 49 yards and a touchdown. After Stuart Tripp recovered a Cullowhee fumble on the WCTC 44, Schuerholz and Marriot carried the ball to the 28 on straight drives. From there ECTC scored again on a beautiful pass heaved by Nick Zuras to Dan

Waddell. The final score came in the final few seconds of the game. Gianakos intercepted a pass by Smith and with Jack Young leading the way ran 59 yards to the 19. Don Marriot then plunged and twisted through the right side of the line to score standing up. Marriot also converted the extra point to make the score 19-6 as the whistle blew.

ECTC-30 NAVAL HOSPITAL-0

The Pirates who seemed to gain more momentum every Saturday didn't waste any time with its next rival and slaughtered the Naval Hospital Sailors 30-0. Coach John's fleet backs really turned it on and were shaken loose on several nice jaunts. The scoring was opened in the second period when "Yank" Schuerholz broke through the middle of the sailor line for 33 yards down to the one. On the next play Schuerholz plunged over for the score. Nick Zuras made the next two tallies. One was made late in the same period in an off tackle smash and Zuras rolled around end for the remaining points. The Pirate ends scored the last two touchdowns. Craven hit pay dirt on an 8 yard end-around and Greene tallied in the closing moments by intercepting a pass and scampering 50 yards for six points.

ECTC-17 ERSKINE-7

The next Saturday found the Bucs invading the S.I.A.A. conference and coming off with a last minute victory in downing Erskine's Seceders 14-7. The game was played at Due West, S. C., and the boys spoiled the "Jackie Todd Day" celebration in honor of the Seceders departing coach with but seconds to go and the score deadlocked 7-7. Marshall Teague faded back on a fake line back to Schuerholz and tossed a touchdown pass to Billy Greene on a play that started from the Erskine 12. The Pirates had reached the 22 on a punt exchange and Schuerholz rammed the line twice to pick up 10 yards and set up the winning play. From the start the Seceders held the upper hand. After driving to the 21, Hudson took off on a reverse, barely eluded Rogerson's finger-tips, and reversed his field twice to score standing up. The Teachers came back in the third period when Teague passed to Greene who lateraled to Adrian Brown for a touchdown. In this game, the Pirates lost the services of Russell Rogerson, who had been playing a magnificent game at tackle. Russ suffered a dislocated shoulder shortly before the half.

ECTC-13 BERGEN COLLEGE-7

Playing before 9,000 wildly cheering fans, Coach John's boys put in a thrilling exhibition to lick the undefeated Bergen College team at Teaneck, N. J., 13-7. This was the first defeat for Bergen in three years but they engaged the Southerners in one of the most exciting games ever seen in the Hackensack field. After taking the lead by 13-7, the Pirates had to hold the Bergen team for three downs on the one yard line with 37 seconds left to play in the game. The scoring began in the opening minutes when a Bergen back raced 67 yards to score. On the next kick-off, speedy Don Marriot took the ball on the goal line and behind beautiful blocking, twisted and crashed 94 yards to the 6. On the next play Nick Zuras passed to Greene for the score. Jerome Butler broke through in the fourth quarter to block a punt on the 20 and Floyd Woody covered it on the one. The Bucs' reliable, Schuerholz bucked across for the winning tally. The entire ECTC team played perfect football and had ample opportunity to prove their greatness. Pacing the attack were Marriot, Tripp, Greene, Bob Miller, Butler, and Schuerholz.

ECTC-13 BELMONT ABBEY-0

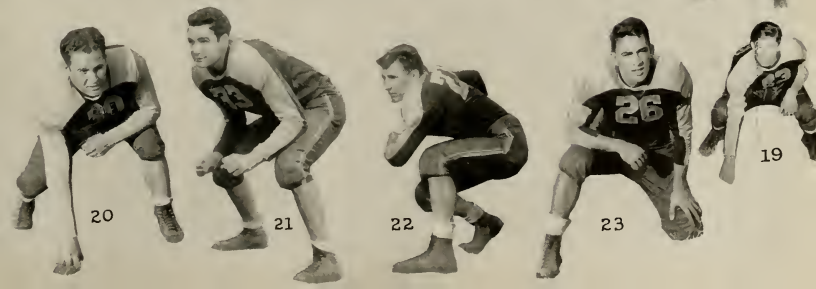

The Pirates wound up the season at Gastonia, N. C., November 15, and by defeating the Belmont Abbey Crusaders 13-0, became the first undefeated grid team in the history of the school. It was the first defeat on the home field in five years for the Crusaders. After a 65 yard advance early in the first period, Schuerholz bucked over from the one yard strip. The game was put on ice in the final stanza when Bull Roberson covered Sylvester's fumble on the Belmont 35 to set up the other score. Schuerholz, on the first play, gained 15 yards on an off tackle sprint and Marshall Teague tossed to Fred Cooper in the end zone for the tally. Outstanding for the teachers was the punting of Nick Zuras. He consistently got off long boots to keep Belmont in the hole. Ending up his career in brilliant style was Bull Roberson, huge tackle, who turned in an excellent offensive and defensive performance. Also starring in the line were Billy Greene, Stuart Tripp, Wiley Brown, and Jerome Butler. In the backfield, Zuras, Teague, Schuerholz, Miller, and Dan Waddell played good ball.

TENNIS

Tennis is officially a major spring sport, yet it continues for almost the entire school year. The season is climaxed by the participation of girls playing an elimination tourna-

ment. These tournaments challenge the ability of as many girls as wish to come out. Pictured are the top ranking players who make up the tennis varsity.

SOFTBALL

In the spring at college as well as in the cities our minds turn to softball. More enthusiasm than ever before has been shown this spring by the number of participants

out. The seasonal practices were brought to a close by a tournament held between the classes and by the selection of an honorary varsity—some of its members being shown here.

The North Carolina College Conference

Has the following departments of instruction:

Administration and Supervision	Art Education
Commerce	Education
English	Foreign Language
Geography	History
Home Economics	Library Science
Mathematics	Music
Physical Education	Psychology
Science	Social Science

Has curricula for the preparation of teachers in:

1. Primary grades (1 to 3 inclusive)
2. Grammar grades (4 to 7 inclusive)
3. High School (8 to 12 inclusive)

The degrees offered are:

1. Bachelor of Arts—requiring four years of study on a well-organized curriculum that meets the requirements for a specific teachers' certificate in North Carolina.
2. Master of Arts—requiring at least one standard year of study on a curriculum organized on the basis of the student's educational preparation and in line with his intellectual interests.

The demand for well-trained and highly skillful teachers was never greater than at the present time.

The standards of instruction here are high and they are being made higher each year. Weak students are not solicited.

Special courses are offered for the purpose of preparing candidates for the principal's and the superintendent's certificates in North Carolina.

The summer quarter is a standard session and the equivalent, in instruction and credit that may be earned, to a quarter in the regular college year.
