Since 2016, a new system of applications has begun

The expedition consists of three stages

1. Filing an application
2. Expedition
3. Writing a report

Participants must fill out a Google form

- Name of the expedition
- List of participants and their obligations
- Duration of expedition
- The purpose and urgency of the expedition
- Expected results
- Route
- Estimated cost

After the expedition a report is submitted

• Descriptive report for each day
• New and improved articles on Wikipedia and Wikivoyage
• Media Gallery
• Blog signature
• Financial Report
