C. MORRIS IS ORDERED TO THIS CITY FOR TRIAL

WINTER BROUGHT HUNGER TO OVER THREE MILLION KOREANS AND NUMBER IS INCREASING

Government Relief Measures Wholly Inadequate, Says Associated Press Correspondent at Seoul; Peasants Trying to Maintain Life by Eating Bark and Roots of Trees.

Tokio, Jan. 12.—As the intensity of the winter in Korea increases, more than 3,000,000 persons are reported suffering from famine, according to word received here to-day from the Associated Press correspondent at Seoul.

He fears reports received at Seoul indicate that more than 50,000 extreme cases of starvation exist in that district alone. The peasants are attempting to stave off death by living on tree bark and roots.

Government relief measures are wholly inadequate. It is inevitable, the correspondent reports, that suffering will increase with the advance of winter.

WILL MAKE MORE EXEMPTIONS TO THE EIGHT-HOUR LAW

Board of Adjustment to Allow Certain Industries Further Freedom

Metal Working Business Asks Exemption, Asserting Law Is Too Onerous

Further exemptions from the eight-hour day law will be made by the eight-hour board of adjustment this week, it was learned to-day, following a meeting of the board.

Representatives of the metal-working industry waited upon the board this morning to ask for certain exemptions which, they asserted, were necessary for the success of their operations.

No general exemption was asked but it was stated that the metal working business required that some of the men engaged in it should not be limited to eight hours work a day.

T. J. Goodlake, of Victoria, secretary of the Victoria branch of the Canadian Manufacturers' Association, introduced the delegation, which also included Norman A. Yarrow, as well as Vancouver representatives.

The board of adjustment will be before the cabinet by the board within the next day or two.

Eight Negroes in New Jersey Were Burned to Death

Caldwin, N.J., Jan. 12.—Three women and five children, all negroes, were burned to death when fire destroyed their two-family house in the woods near here early to-day.

The men of the two families escaped by leaping through the windows when the flames swept through the house.

The fire broke out at about 10 o'clock and the flames were spreading rapidly.

HONORED IN CAPITAL OF UNITED STATES; JULES JUSSERAND

Washington, D.C., Jan. 12.—Jules Jusserand, who after twenty-two years is retiring as French Ambassador to the United States.

More than 1,000 persons attended a banquet given in honor of Jules Jusserand, who after twenty-two years is retiring as French Ambassador to the United States.

SAN FRANCISCO BOMB ATTEMPT CAUSES SEARCH

San Francisco, Jan. 12.—Police investigation continued to-day of a bomb explosion which wrecked the main entrance of the Hall of Justice here yesterday and threatened the lives of a number of police officers.

The force of the explosion demolished a telephone booth in which the bomb had been placed, tore a hole in one wall of police headquarters and shattered a steam radiator.

The authorities to-day were working on the theory that the infernal device had been placed by someone familiar with the premises and that some member of the department was the intended victim.

COUNSEL FIGHT TO PREVENT BRINGING OF SEATTLE MAN HERE FOR BERYL G. HEARING

Charles Morris' Attorneys Say They Are Ready to Carry Appeal Against Seattle Judge's Extradition Order to U.S. Supreme Court; Ross C. Watson Extradition Hearing; Seattle Chief Says J. F. Majewski Planned Hijacking of Beryl G.

Seattle, Jan. 12.—The request for the extradition of Charles Morris, wanted by British Columbia as a suspect in connection with the murders of Captain William G. Gillis and his seventeen-year-old son, killed during hi-jacking of the rum craft Beryl G. near Sidney, B.C., September 15 last, was granted by Judge Mitchell Gilliam this morning.

The judge signed an order, which will now go to the Secretary of State at Washington, D.C., and committed Morris to the county jail for sixty days.

Counsel for Morris, John J. Sullivan and John F. Dore, will continue to fight against the extradition of Morris, going to the United States Supreme Court if necessary, they said. Their first step will be to ask a writ of habeas corpus in the federal court here. To-day they introduced a series of technical objections, to preserve the court record, which were not argued.

It is estimated it will take a year to dispose of the extradition matter if it goes to the highest tribunal.

After the decision in the Morris case to-day Ross C. Watson, former Seattle city detective, started his fight to prevent his extradition to British Columbia, where he is wanted as a suspect in the robbery of the Royal Bank of Canada December 12 last. He has a list of witnesses, including his wife, prepared to advance his case.

Attorneys Bert C. Ross and T. H. Patterson are acting as special counsel for the Government of British Columbia, and George H. Crandell is representing Watson.

Hearing on the extradition of three other suspects wanted by the British Columbia government, the robbery, William Bagley, George Rossi, alias Harry Stone, and R. C. James, alias T. H. Johnson, will be taken up after the Watson hearing, which is expected to last the greater part of to-day.

Counsel for British Columbia committed to the extradition commission the depositions of witnesses taken in Nanaimo, in which Watson was identified by photographs, and the deposition of Captain William G. Gillis, who was in the Beryl G. when it was hijacked.

It was John F. Majewski, dismissed Seattle sergeant of detectives, who actually planned the Beryl G. hijacking near Sidney, B.C., last September which led to the murder of Captain William G. Gillis and his seventeen-year-old son, Police Chief William B. Seaver declared here Sunday.

Board of Adjustment to Allow Certain Industries Further Freedom

Further exemptions from the eight-hour day law will be made by the eight-hour board of adjustment this week, it was learned to-day, following a meeting of the board.

Representatives of the metal-working industry waited upon the board this morning to ask for certain exemptions which, they asserted, were necessary for the success of their operations.

No general exemption was asked but it was stated that the metal working business required that some of the men engaged in it should not be limited to eight hours work a day.

T. J. Goodlake, of Victoria, secretary of the Victoria branch of the Canadian Manufacturers' Association, introduced the delegation, which also included Norman A. Yarrow, as well as Vancouver representatives.

The board of adjustment will be before the cabinet by the board within the next day or two.

TWO CARS CRASH AT STREET CORNER

Both Automobiles Damaged; Driver of Sedan Sustains Cuts

A seven passenger car driven by S. Cooper and a sedan driven by Tom Renfrew were badly damaged, and the driver of the sedan was cut over the eye and the ear in an early morning crash at the corner of Douglas and Bay Streets this morning about 8 o'clock.

The passenger car was being driven towards town, and the driver of the sedan was turning to Bay Street when the cars struck. The sedan narrowly missed a telephone pole on the sidewalk, and brought up against the stone wall adjoining the Bank of Commerce branch. The sedan was turned completely around with the rear end close to the bank. Splinters of glass from wind shields were scattered over the road. The door of the sedan was torn off and it was dented and damaged in other ways. The running board of the large car and the engine were damaged. Dr. A. D. Bechtel rendered first aid to the injured driver.

The explosion occurred at a few minutes after ten o'clock yesterday morning, an hour when Chief of Police Daniel J. O'Brien, Captain of Detectives Duncan Matheson and Police Captain William Quinn are generally arriving for their regular Sunday conference. The men, however, were late yesterday and did not arrive until after the explosion.

### NEW ALLIED PLAN TO BE WORKED OUT

#### Few Details of Reparation Agreement With U.S. to be Settled

Paris, Jan. 12.—United States Ambassador Kellogg, upon being informed this afternoon that Washington was reported to have accepted the accord concluded at Paris between the United States and the Allies on the apportionment of reparations, said there still remained a few details to be ironed out, but that he expected a full and final settlement would be reached to-night.

#### ACCEPTED BY U.S.

Washington, Jan. 12.—The tentative agreement arrived at in Paris between representatives of the United States and the Allied finance ministers has been accepted by the Washington Government. Acceptance of the arrangement was made known today at the State Department, where it was emphasized that no departure from the United States policy toward collection of claims under the Dawes plan for German annuities was involved.

#### EXPERTS AT WORK

Paris, Jan. 12.—The experts attached to the Inter-Allied Financial Conference were hard at work again this morning at the State Department, where it was emphasized that no departure from the United States policy toward collection of claims under the Dawes plan for German annuities was involved. Numerous foreign newspaper correspondents, including a number from Great Britain and the United States, are in Rome from other European capitals watching the events. They are still trying with might and main to interview Mussolini. He is irritated by the descriptions of the situation published abroad.

#### PRESBYTERIAN CHURCH UNION VOTES REPORTED

Hamilton, Ont., Jan. 12.—Steps will be taken by the Unionist minorities of the eight local Presbyterian churches which decided against union to establish a united church of their own, following a decision which was reached at a largely attended meeting Sunday afternoon. Union services will be held by the various minorities next Sunday.

#### SERVICES IN HALIFAX

Robert Johnson of New Glasgow will be the preacher, according to several strong anti-unionists. Those in charge of the organizing executive have one of the largest congregations in the city, as the result of the church union vote in the city has shown more than 500 members opposed to union.

#### ITALIAN DEPUTIES GATHER FOR SESSION

London, Jan. 12.—Burning of the premises of a Catholic newspaper and other alleged Fascist excesses in Pisa, Italy, have drawn a violent protest from the clergy, according to a Rome dispatch to The London Daily Telegraph. A manifesto signed by Cardinal Maffei has been issued, according to dispatch, denouncing the violence, especially the fact of its being directed against a Catholic paper, which has always held aloof from partisan strife. The manifesto expresses hope that the distressing disturbances will cease and that peace will return to the nation.

#### SOLDIERS LOOT IN SHANGHAI AFTER STRUGGLE

Several bands of soldiers which penetrated within the boundaries of the French settlement, which was nearest the scene of the looting, were put under arrest by the safety of any foreigner in Shanghai.

#### AN EXCITING TIME

The Volunteer Corps, aided by native police, were making futile efforts to cope with the unrestrained soldiers.

#### LEADERS CONFIDENT

The Chinese districts immediately adjoining or surrounding the foreign quarter were at the mercy of the soldiers, but authorities of the foreign quarter to-day expressed confidence their defence units would be able to handle any situation and that no fear need be felt for the safety of any foreigner in Shanghai.

#### 2,000 SOLDIERS ATTACKED

### TRIBUTES PAID TO WORLD WORK OF C. E. HUGHES

British Papers Express Regret at Retirement of U.S. Secretary of State

#### One Paris Writer Thinks He Intends to Run For Presidency of United States

London, Jan. 12.—General hearty regret at the retirement of Charles E. Hughes as United States Secretary of State is expressed by the London newspapers, accompanied by cordial wishes for Ambassador Kellogg in his new office.

The Daily Telegraph says: "In the brief space of four years Mr. Hughes has made a place for himself in history in the eyes of all the civilized world, a place of honor."

The paper dwells lengthily and with admiration on his initiation of the plan for the Washington conference and his aid towards solving the reparations problem, and adds: "He has done work that leaves an immense increment of prestige to be enjoyed by his successor—work for which the world is deeply and gratefully in his debt."

The Daily Chronicle says: "With the resignation of Mr. Hughes the United States executive loses a remarkable personality. He was no ordinary politician. His knowledge, strong will and disinterestedness peculiarly fitted him for his task. Broadminded and sympathetic in his outlook, he was the sort of American with whom wise Britons could always work without friction."

#### FRENCH VIEWS

Paris, Jan. 12.—Paris newspapers offer explanations for the resignation of Secretary Hughes and for the appointment of Ambassador Kellogg to succeed him which are more ingenious than convincing. The writer says "Pertinax" of the Echo de Paris, believes Mr. Hughes is resigning because he does not see eye to eye with President Coolidge. The writer says the President, "dominated by the Senate," desires a policy of isolation, while Secretary Hughes, "who has spent his life among the half-European society of New York, is inclined to intervene in the Old World controversies."

"Pertinax" says it is certain the reign of the Republican Senate will be confirmed.

He adds that as a "lawyer trained in the country, the Secretary of State designate probably is not big enough man to resist the Assembly or carry it with him."

Secretary Hughes, in the view of M. St. Brice of Le Journal, is retiring because he intends to run for the presidency.

### THREE CRUISING PARTIES TO BE ENGAGED IN 1925

Three survey parties to cruise timber in the Esquimalt and Nanaimo Railway land grant will be placed in the field this summer, according to Newton J. Ker, land commissioner of the railway, who is here to complete the necessary arrangements.

There will be cruises in the Cowichan Lake area, south of the lake, in the Nanaimo River area, where an extensive cruise was conducted last year south of the river, and in the Comox district.

Announcement is made by Mr. Ker that William Regan Jr. has been appointed chief cruiser for the company, effective as from January 1.

ARMS CONFERENCE PLANS DISCUSSED

Coolidge Disposed to Call One If New League Effort Fails

Washington, Jan. 12.—With President Coolidge disposed to call another conference on disarmament in the next year, proposals for a disarmament conference of the League of Nations does not make distinct progress before many months, it looks as if the question of another great international conference would be much in the public eye for an indefinite period to come.

Senator Borah, chairman of the Foreign Relations Committee of the Senate, believes there should be an international economic and disarmament conference. But the President and Secretary Hughes do not want an economic conference.

RESTRICTIONS FORESEEN The outcome will probably be, unless the powers in the League of Nations block it, another conference called by Washington to deal with the limitation of armaments. But such a conference is likely to be much restricted.

find itself on the rocks. Senator Borah is convinced no such conference can get anywhere unless it includes Germany and Russia, unless it reaches seriously to land armaments, and unless it includes in its programme the Russian problem and German reparations.

OTTAWA WAS SCENE OF \$150,000 FIRE

Building Destroyed; Firemen Worked While Temperature Was at Zero

Ottawa, Jan. 12.—Fire of unknown origin which broke out in the rear of the G. M. Holbrook tailor shop on Sparks Street here at 4 o'clock yesterday morning completely destroyed the Holbrook store and building overhead, entailing a total loss of \$150,000.

IT'S THE WOMAN WHO PAYS

Vancouver Island News

ALBERNI PULLED OUT OF FINANCIAL TIRE BY ALDERMEN

Council Members and Trustees Report on Stewardship

Alberni Goes Through Year Without Any Fire Loss

Special to The Times Alberni, Jan. 12.—A very pleasant evening was spent on Monday last at the home of Mr. and Mrs. Proctor, Port Alberni, when the members of the Union Church men's Bible class and their wives gathered together for a social evening.

The annual meeting of All Saint's Anglican Church was held on Tuesday evening in the church hall, which showed the affairs of the different branches to be in a very healthy condition.

The general finances were favorable, and the debt on the hall had been reduced from \$500 to \$400. The returns from the W.A. and the Guild were the largest in the history of the church.

The following were elected to the various offices: People's warden, H. E. Toms (re-elected); A. Wood Lee, appointed vicar's warden, and the following compose the church committee: Mrs. H. M. T. Hodgson, Mrs. A. H. Blakemore, Capt. H. M. Hodgson, W. H. Prescott, J. B. Watson, J. S. Richardson, A. G. Proge, W. G. Bigmore, J. J. Howitt and H. M. Bigwood.

A largely attended meeting of ratepayers of the city was held last night in the Scout Hall, with Mayor J. R. Motion in the chair, to hear the retiring members of the City Council give an account of their stewardship.

Trustee E. E. Front, chairman of the school board, gave a resume of the operating costs of the schools for the year just closed, showing that they would have about \$1,900 of a surplus after all outstanding accounts were paid, and stated that the citizens could look for a considerable reduction for the year 1925 in school expenditures, as the board considered the various schools, that they were in good condition for the next five years, with the exception of necessary minor repairs.

The electric light system had been thoroughly overhauled and put in good condition, and with the exception of probably having to renew a few poles was in practically a good shape now as when it was first installed.

The fire department showed that they had only had one call in the city limits during 1924, and that was a small bush fire, which was extinguished in a few moments without any loss.

FINANCIAL SITUATION

Alderman G. Forrest, chairman of the public works committee, then reported on the work done during the year, which in addition to regular repair work, including new sidewalks on North Adelaide Street and Beaver Creek Road, and a new fifty-six-foot bridge over the Kitscocks Creek.

The directors of the Methosia Farmer's Institute will meet on Thursday, January 15, when many matters of importance will be considered by the board.

AUSTRALIANS URGES BRITISH-U.S. UNITY

Melbourne, Australia, Jan. 12.—Speaker Watt of the Federal Parliament drew attention to the fact that the moral effect of a proclamation of unity between Great Britain and America would prevent any great conflict in the future, and would stabilize the world.

Mine Wage Dispute Remains Unsettled

Sydney, N.S., Jan. 12.—Following the refusal of the miners to appoint a representative on the conciliation board, the situation in the wage difficulty between the British Empire Steel Corporation and the United Mine Workers of District 25 remains unchanged.

TWO DISTRICT VESTRIES HELD

Langford and Colwood Unite to Press Vicarage Fund

Special to The Times Langford, Jan. 11.—The first annual vestry meeting of St. Matthew's Church, Langford, was held on January 7, the chair being taken by Rev. H. A. Pearson, vicar of the parish of St. Matthew's, Langford, and St. John's, Colwood.

Mr. Pearson in reviewing the work during the past nine months, spoke of the splendid support given by those who had identified themselves with the new church. Regret was expressed at the loss of Mr. and Mrs. W. Waddington and J. Ramsden, who have left the district.

Officers elected for the ensuing year are: Vicar's warden, W. C. Thorburn; people's warden, G. A. Heald; church committee, Messdames W. C. Thorburn, J. S. Yates, D. Donald, S. Goucher, Miss Wilson, J. W. Dixon and J. Jackson.

The directors of the Methosia Farmer's Institute will meet on Thursday, January 15, when many matters of importance will be considered by the board.

The Methosia annual parish meeting will be held in the Methosia Hall on Wednesday, January 14.

The directors of the Methosia Farmer's Institute will meet on Thursday, January 15, when many matters of importance will be considered by the board.

NOMINATION DAY IN TOWNS OF B.C.

Candidates Named For Contest For Municipal Offices For Year 1925

Two Hours Longer to Vote For Candidates Than For the Money By-Laws

Nelson, B.C., Jan. 12.—To-day is nomination day in the cities and municipalities of the Province and in nearly all towns in this district contests for all offices are anticipated.

WORST FOG IN YEARS BLANKETS LONDON

Several Deaths Were Reported; Number of Accidents Occurred in Streets

Railway Trains Greatly Delayed; Aeroplane Had Exciting Landing

London, Jan. 12.—The worst fog in many years smothered London and its suburbs yesterday, causing a number of street accidents and some deaths. Traffic was scanty and difficult. Early in the day it was almost entirely stopped, and later scores of omnibuses, parked along their garages, blanketed the curbs.

There were numerous collisions between buses, in which passengers were injured. One omnibus was overturned, while others and several private cars ran on sidewalks or collided in streets. Late service also stopped, and several cases of fire were reported through the brakes.

The only affective means of transportation was by way of the underground railways, which were congested.

CROSSINGS DANGEROUS Crossing of streets by pedestrians was extremely perilous. The fog in some places was impenetrable for more than two yards, and lamps or flares were of little use. Railroad traffic entering the city was greatly delayed.

An aeroplane bringing passengers from Paris had a sensational landing at the Croydon aerodrome. The plane made the trip from France in bright sunshine, but on reaching London found the land invisible.

The pilot picked up the aerodrome by the top of the radio masts which pierced the fog some 500 feet. He descended and landed safely, but the passengers found themselves lost, as the visibility was limited to five yards. It took the aerodrome staff some time to locate the machine.

BOY OF FOURTEEN GUILTY OF MURDER Jury in Pottsville, Pa., Condemns William C. Cavalier For Crime

Lad Shot His Grandmother Seven Times and Took Away Money

Pottsville, Pa., Jan. 12.—Fourteen-year-old William C. Cavalier was found guilty of murder in the first degree yesterday for the killing of his grandmother, Mrs. Catherine Cavalier, sixty-two, last July. The jury had deliberated nearly twenty-four hours.

Attorneys for the commonwealth introduced testimony tending to prove Cavalier had shot his aged grandmother seven times, and then taken \$25 from her pocket as she lay on the floor. Counsel for the defence pleaded moral insanity and four physicians testified the boy was insane.

BUYING YOUR SEASON'S SEEDS Save Hints That Will Save Trouble and Disappointment Later on; B. C. Can Supply the Best in Many Popular Varieties.

By JOHN HUTCHISON, F.R.H.S.

It is about time now to order your seeds for Spring sowing. The earlier one orders one's seeds the better because if there is something that is out of the common among the things that you want, your florist or seed merchant will be able to get it for you in plenty of time.

Don't buy cheap seeds. Pay a fair price to a reputable dealer and thus insure yourself against old seed or seed of a poor variety. You can buy pansy seed for five cents a package but you cannot expect to raise the same pansies that are raised from seed costing as high as \$25 an oz. Therefore buy the best seeds. The difference in the price of a packet of the best seed and the price of the poorest is very little but the difference in the results is very great.

It is a mistake to suppose that the best seeds of every kind of plant may be had from the same grower. You will find that the seed merchant who knows his business buys his seeds from many different growers in many different countries. His cabbage seed from Denmark, his asters from Michigan, his sweet peas from Vancouver Island, and so on. It is a well-known fact, therefore, to inquire your seed merchant early and give him your order.

In the following notes I am giving some of the best varieties of vegetable seeds and annual flower seeds which have proved to be successful in and near Victoria, together with a few words by way of description of each kind mentioned.

First let us consider vegetable for the small garden. I am taking it for granted that potatoes and other bulky crops will not be grown in the average city garden, but if these are needed a selection can easily be made.

You can buy pansy seed for five cents a package but you cannot expect to raise the same pansies that are raised from seed costing as high as \$25 an oz. Therefore buy the best seeds. The difference in the price of a packet of the best seed and the price of the poorest is very little but the difference in the results is very great.

ANGUS CAMPBELL & CO. LTD.

1010 GOVERNMENT STREET JANUARY SALE BARGAINS FOR TO-MORROW'S SELLING

It will pay you, and pay you well, to attend the January Clearance Sales in the various departments here this week. Everything has been reduced for this great semi-annual event.

Evening and Afternoon Frocks

Dressing Gowns Priced for Clearance at \$6.90 and \$7.90

Here are two groups of excellent quality Dressing Gowns, greatly reduced to clear Tuesday at \$6.90 and \$7.90. You may choose from light and dark patterns, and in the wanted sizes.

Stamped Huck and Turkish Towels

Hemstitched, with colored ends in a variety of patterns, easy to embroider. TO CLEAR AT 49c

Both the African and the French varieties may be had in colors from deep yellow to pale straw.

Nasturtiums: These popular flowers have been bred up during the last few years until to-day almost any color both of flower and leaf may be secured.

Peas, early: Sow in February. The Pilot, main crop, sow quite content March, and for late peas choose Ne Plus Ultra and sow in May and June.

Radish: French Breakfast and Early Scarlet Globe are good sorts. Tomato: Buy the plants in pots and plant out in May.

Turnips are not easy to grow in the average Victoria garden but try White Milan, sown from the end of March onward.

Vegetable Marrow: Long White is as good as any. Annual Flowers: And now as to annual flower seeds.

The subject is so large that only a glimpse of the most popular flowers of annual duration can be given.

Asters: These may be secured in separate colors, which is much the best way to grow them, and there are many varieties. Among the best are Early Wonder, Queen of the Market, Asterum, Crego, and the Comet.

Swiss Peas: Sow in late March or early April. These should be much more largely grown than they are for no flower makes a braver show.

Candytuft may be had in shades of pink, mauve, lavender and only needs to be sown and thinned out. Cosmos: Be sure and get the early-flowering variety as the other seldom flowers here.

Early Flowering Giant is the best strain and may be had in shades of white, crimson and pink.

Clarkia: One of the easiest of annuals and may be had in several good varieties.

Delphinium (Annual Larkspur). These may be had in separate colors, chocolate brown, pastel rose, dark blue, lilac, reddish-grey, brick-red, and white. Like the Clarkia all you have to do is to sow the seed and thin out well.

CALIFORNIA POPPIES Escholtzia, (California Poppy). These have been much improved of late years, the following being some of the best: Burbank's Crimson, Venusian, dark brilliant red, Dainty Queen, coral on cream ground, Tango, bronze red overlaid terra cotta, Rose Cardinal and many others.

Godetia is very attractive and hardy. Bridesmaid, pale pink, Duchess of Albany, pure white, The Bride, white blotched crimson, and Lady Susan, bright rose, are some of the newest.

Marigold is every body's flower.

A NOTABLE BIRTHDAY

AFTER ONE HUNDRED years of useful service The Halifax Chronicle takes natural pride in reviewing its history in a very excellently compiled centenary number.

There is something fascinating in the contents of newspapers which deal with the events of one hundred years ago.

From the editorial holy-of-holies such men as Joseph Howe and William S. Fielding have directed the policy of The Chronicle.

ONLY ONE WAY OUT
EVENTS IN ITALY HAVE changed their course during the week end.

As it sets out on its second century, a journal with a high sense of public duty, ably conducted and immensely popular with readers in many parts of Canada.

As if Britain had not troubles enough, another "London Special" had to descend upon the metropolis today.

PROFITABLE BUSINESS
THE BEST MONEY maker in Canada to-day is the sheep industry.

Some time ago a woman took over the administration of police affairs in Seattle during the absence of the Mayor.

As if Britain had not troubles enough, another "London Special" had to descend upon the metropolis today.

THE BEST MONEY maker in Canada to-day is the sheep industry.

Why the sheep industry should be profitable in this Province is easy to understand.

sheep from other provinces of the Dominion and 5,347 from foreign points in order to help to furnish us with mutton products for the dinner table.

In addition to the "live" commodity it was necessary to purchase from other provinces and from foreign sources 1,553,091 pounds of mutton at a total cost of \$265,929.

This business ought to be done in the Province and doubled by developing an export trade in this one of the many items of foodstuffs which we import but could produce ourselves if we were properly alive to our opportunities.

What is true of sheep and mutton is true of swine and pork, cattle and beef, butter and cheese.

THAT OLD DAMAGE
EVER SINCE THE TRANS-provincial highway has been under consideration there have been repeated suggestions that the Dominion Government ought to pay British Columbia at least some of the cost of putting the old road along the Fraser Canyon in as good a state as it was before the successive construction of the Canadian Pacific Railway and Canadian National Railway virtually put it out of use as a passable vehicular thoroughfare.

DR. FRANK CRANE
"Music Lessons"

EVERY parent should teach a child to play upon some sort of an instrument.

Learning to play has a reflex action upon one's character.

It is the parent's duty not only to get his children acquainted with the piano player and the phonograph, with good music, but by assisting him in producing it.

It is the parent's duty not only to get his children acquainted with the piano player and the phonograph, with good music, but by assisting him in producing it.

titles that the financial benefits are as I give them and that the latter certifies that there are no insuperable legal barriers to the sale of lands with fifteen years of tax exemption subject to a vote of the taxpayers as provided by statute and the use of the proceeds for debt redemption.

A GOOD APPOINTMENT
To the Editor:—The thanks of every citizen of Victoria are due to the Government for its wise choice in the selection of Mr. F. A. Pauline, the newly-appointed Agent-General for the Province in London.

Mr. Pauline as a member of the joint committee and the industrial committee of the Chamber of Commerce and the industrial committee of the City Council was mainly instrumental in bringing about the final and satisfactory arrangement between the Government and the Co-operative Company, which arrangement is in what will be the establishment of a large plant in the Indian Reserve, and to secure this industry is alone worth many months' work.

As an old resident of London of many years' standing I have no hesitation in saying that Mr. Pauline will very soon become popular in his taking of the receiver. It is obvious that to try to locate the number in the official telephone directory is futile, because the same is arranged alphabetically and not numerically.

POPULAR DUNCAN CITIZEN PASSES
Another of the well-known residents of the Cowichan district passed away on Friday in the person of H. B. Holmes (Harry), at the age of fifty-two years.

in the Kitchen
Try a small portion of Gillett's Pure Lye in the dishwasher when cleaning greasy pots and pans. It will save you much hard labor.

MADE IN CANADA

Charles Hayward was elected mayor of Victoria yesterday. The aldermen elected were: North Ward, John Kinsman, Thomas A. Brydon and John L. Beckwith; Centre Ward, R. T. Williams, Alexander Stewart and J. Stuart Yates; South Ward, W. G. Cameron, Henry Cooley and John Hall. Trustees elected were: Mrs. Grant, A. L. Belyea, J. G. Brown and R. L. Drury.

Efforts will be made to provide at the Jubilee Hospital suitable accommodation for the amalgamated fraternal societies, to prevent them establishing their own cottage hospital, as has been suggested.

Cougars' Great Win Places Them On Top

Jack Walker's Thrilling Goal in Last Period Broke up Game With Saskatoon and Lifted Victoria to First Place in W.C.H.L.; Game was Greatest Seen Here in Many Days; Thrill Followed Thrill With Sheiks Twice in Front; Cougars Looked Very Good

Lester Patrick's famous Cougars ran into an awfully tough snag at the Arena on Saturday night and had to travel till their tongues were hanging out like lettuce leaves before they hurdled the obstacle, which happened to be the Saskatoon Sheiks. It took the Cougars two and a half periods to take the measure of the scarlet-clad steppers from the wheat-belt and when the final bell rang the score stood 3-2. In the last ten minutes the score was too close to be comfortable for the fans, but the Cougars managed to weather the final storm which swept onward from the Saskatoon goal and at times developed the proportions of a prairie cyclone.

The game was the greatest that has been seen here this season and one which deserves a place alongside the classics which have been played here during the past ten years. The first twenty minutes produced the most furious hockey that some crowd has ever gazed upon and the play was so fast that it was almost impossible to keep pace with it. The second period was a bit slower, but the excitement made up for it as the play was thrilling in the extreme.

HARD GAME TO LOSE It was a mighty tough game for the Sheiks to lose. They played hard all evening and were not a bit out of breath in the play. They did not possess the same finish that featured the play of the Cougars but they made up for it in the most dramatic especially in tearing in on top of the net.

Every member of the Saskatoon club can state that the game was a pleasant picture to watch and one which could be seen in nearly every move they made. "News" has drilled his club well. He made his man break fast here and there, and the puck they are away like flashes. They back-check until they are blue in the face and no gimlet can bore in better than the Sheiks. They were two men follow in for rebounds and several times during the game "Happy" Holmes had to fight off a pair of Sheiks who tried to bundle him through the cage.

The Cougars played their best hockey against the Sheiks and it was a pleasant picture to watch and one which could be seen in nearly every move they made. He made his man break fast here and there, and the puck they are away like flashes. They back-check until they are blue in the face and no gimlet can bore in better than the Sheiks. They were two men follow in for rebounds and several times during the game "Happy" Holmes had to fight off a pair of Sheiks who tried to bundle him through the cage.

Handicapped by injuries The Cougars were handicapped somewhat by the loss of some of their men playing under wraps and when this is considered their showing is all the more creditable. Fraser and Meeking were out of the game with some of their muscles strapped up while during the game Halderon hurt his knee and had to limp. The injured, however, showed a grit and fought the game all the way.

The game was very clean, the play so fast that the players had to forget about dirty tactics. As a result the teams were kept at full strength most of the night and real hockey was the result.

It was simply another demonstration of a team which is a first-class thinking club, pitted against an aggressive, fast-kicking team, and the verdict went in favor of the form, as it has done so many times before. The Cougars have so many brainy players that once an opening is made it is seized upon and capitalized. The Saskatoon defence was the Cougars' offensive very hard to handle.

The victory was particularly pleasing for Victoria as it boosted the Cougars into the league leadership. The point ahead of Edmonton and two points above Calgary. The team starts out to-day on its second tour of the prairies in first place and every man expects to see the Cougars hope to return home still in the upper berth, looking down on the rest of the heap.

WALKER THE HERO Jack Walker, the old fox, was the hero of the game. He scored the winning goal, which looked like a ton of gold. The teams had taken the ice at the start of the third period with the count standing at 2-all and a terrific pace was set in the hope of one or the other getting the break. Hart, Anderson and Walker were doing duty on the line when the opening came and the head of the old fox was good enough to capitalize it. Anderson gave Jack the puck at the blue line and the veteran did a lot of tricky work before he had the puck lodged in the cage. He feinted passes to get between Cameron and Rease and when a forward rushed in to throw him off the puck he meted away. It was then a case of Walker vs. Hainsworth. It is doubtful if there is a header player in front of the net than Walker and it is no exaggeration that Hainsworth had a terrible pace was set in the hope of one or the other getting the break. Hart, Anderson and Walker were doing duty on the line when the opening came and the head of the old fox was good enough to capitalize it. Anderson gave Jack the puck at the blue line and the veteran did a lot of tricky work before he had the puck lodged in the cage. He feinted passes to get between Cameron and Rease and when a forward rushed in to throw him off the puck he meted away. It was then a case of Walker vs. Hainsworth. It is doubtful if there is a header player in front of the net than Walker and it is no exaggeration that Hainsworth had a

STAYED ON THEIR FEET The goal sent the crowd into an uproar and the demonstration was one of the heaviest that has been heard here this season. None of the fans got into the stands for the rest of the game but the pace was too lively and with the Sheiks crowding on all steam, the folks had the fidgets for fear that the tying score would go in. The Cougars maintained a stiff offensive as the best way of defending their one-goal lead and they came close to increasing it as Foyton had two shots that Hainsworth just patted. Walker almost had another opening, while Fraser carried the puck into the net. The goal was clean.

CLEM'S GREAT GOAL The game was not many minutes before the Sheiks were away in front. Bill Cook, who played a fine

Ottawa Senators Climbing Fast In Eastern Hockey

Score Fifth Straight Victory Saturday by Defeating Montreal With Ease Luckless Boston Vanquished Canadiens, While Hamilton Lost Out to St. Pats

League Standing table with columns for W, L, T, F, A, Pts. for Ottawa Senators, Montreal, Boston, and Hamilton.

Ottawa, Jan. 12.—Ottawa Senators took undisputed possession of their place in the National Hockey League here on Saturday night when they decisively defeated the Montreal team by 4 to 0, scoring their third straight victory.

The winners gave a polished exhibition of hockey and the Montreal Smiths had put them two games in the first period, they were never in danger. Montreal never stopped trying, but the finished defence of the Senators thwarted their every attempt, and after the visitors had worn themselves ragged against the stone wall opposition in the second period, George Lougheed, who had more in the final period to clinch the game. Both teams played hard and fast hockey throughout. Close checking was in order throughout the entire session.

It looked as though the fans were in for an old-fashioned scoring bee when Cy Denenny beat Holmes a minute later and put Saskatoon out in front again. They took a pass from Bill Cook, dived the defence and then found the middle of the gas-pipes.

It looked as though the fans were in for an old-fashioned scoring bee when Cy Denenny beat Holmes a minute later and put Saskatoon out in front again. They took a pass from Bill Cook, dived the defence and then found the middle of the gas-pipes.

Victoria fought back at a tremendous clip in an effort to square the match again but it was nine minutes before they did it. Foyton, Fredrickson and Walker staged one of their spectacular three-man rushes with the last named carrying the puck and ending in a neat shot. Fredrickson's stick to beat the Sheik defence. The icelander swerved and stick-handled until it looked as though he was going behind the post—but he recovered quickly and laid the puck to rest in the coveted area. It was a splendid rush. Fredrickson seems to have overcome his anxiety in front of the net and is taking more time and care with his shots.

GOALIES DID WELL The teams did not move through the second period at such express speeds as in the opening twenty minutes. There was no scoring at all. The work of Holmes and Hainsworth was splendid all evening. These goalies, although untried in the game, showed a lot in common in the way they do their work. Both are cool as ice and shine best when the danger is critical and the opposing forwards are crowding them. Holmes stopped a thousand on the night's play. Three times he stopped the puck with his body and it flew into the air, coming down just in front of the net. The Sheiks' "Hap" raised his stick and each time he nicked the puck for a home-run. Hainsworth was very quick with his stick and arms and saved several fine shots.

The last period saw both clubs going at a lively clip. Substitutes were used freely in an effort to keep the pace from slackening up. Then came Walker's goal and with victory fading fast from their grasp the Sheiks took every chance they had to score. The Sheiks' attack was a five-man rush. It failed and Hart, recovering the puck, had only one man to beat but his shot hit the post. The Sheiks' breaking on a play they had to pull the game out of the fire but they found the Cougars their masters, seeing the Sheiks play and then taking into consideration the fact that their home rink is the smallest in captivity one can easily appreciate the difficulty of any visiting club in Saskatoon.

It was a great game and drew a fairly good crowd. Position: Saskatoon, W. Cook, from Scott 2:40; 2, Victoria, Halderon, unassisted, 4:12; 3, Saskatoon, Denny, from W. Cook, 1:14; 4, Victoria, Fredrickson, from Walker, 9:00.

Second period—None. Third period—5, Victoria, Walker, from Anderson, 8:10.

PENALTIES First period—Reise, Saskatoon, 2 min.; Fredrickson, Victoria, 2 min. Second period—Fraser, Victoria, 2 min.

Third period—F. Cook, Saskatoon, 2 min.; Fredrickson, Victoria, 2 min.; W. Cook, Saskatoon, 2 min. Referee, Mickey Ion. Timekeeper, W. H. Wilkerson. Goal umpires, C. Jasper and F. Saunders.

St. Paul, Jan. 12.—Scoring in the first overtime period, Duluth defeated St. Paul 1 to 0, here Saturday night, in a United States amateur hockey game.

"All-Blacks" Win Over French Side By a Heavy Score

Paris, Jan. 12.—New Zealand's All-Black rugby football team continued its victory on its 25th tour today by beating France, 37 to 8. The game was very fast, but was free from roughness. The largest crowd of French people which ever visited the Olympic Stadium, was perfectly fair in its treatment of the visiting players.

The New Zealanders showed a wonderful brand of rugby football, amazing teamwork, short and snappy passes, deadly tackling and perfect dribbling.

Champions Retain Lead in Stirring Battle With Bays

B. Whyte and His Crew From First Church Win Another Game in Senior League

Intermediate girls—St. Andrew's 23, St. John's 2. Intermediate boys—St. Andrew's 25, First Presbyterian "Condors" 12. Senior Men—First Presbyterian 24, James Bays 21.

The First Presbyterian senior men, champions of British Columbia, almost lost their leadership in the Sunday School Basketball League on Saturday night at Memorial Hall. They just managed to squeeze through with a narrow three-point advantage after a close struggle with the James Bays.

Patterson, the fleet forward of the Bays, swept down the left wing with great speed, scoring twice just after the starting whistle. He then joined the Bruins Saturday morning here on his arrival from Calgary, sniped the winning goal after a scramble in front of the Canadian net. It was a brilliant goal.

FANS DUMBFOUNDED Canadiens supporters were aghast when they saw the Boston players, with a shout of joy, skating off the ice with the victory tucked away. The 4,000 local fans were dumbfounded at the reversal.

In the third period, when Boston was leading 2 to 1 and only a few minutes of the game remaining to be played, the spectators had seen a game that was a real thriller. But forty seconds before the end of the game, Coutu, Canadian defence man, capped an evening of splendid hockey by scoring a penalty shot and giving Boston net and scoring the tying goal when extra play was necessary.

Canadians were again far below their best form. Occasionally they gave fines in their true form, but found a stubborn defence to block their efforts.

ST. ANDREW'S ON TOP By defeating the Condors 26-17 after a good game the St. Andrew's boys retain the leadership of the Intermediate "B" league. The Smiths were the foremost in the St. Andrew's "Chiefs" Smith, Steve Smith and "Bob" Smith all showing up to good advantage. The Condors showed fine speed, particularly in the second period, but were off in their shooting, missing many fine chances to even up the score. Referee, Henry Estlin.

The teams were: St. Andrew's—Smith 5, Bob Adie 2, C. Smith 12, T. Little, B. Smith, 4, J. Brown.

Condors—Gellier, Thomson 7, Dawson, Mitchell 4, Taylor 4, Warnock 2.

ST. ANDREW'S IMPROVE St. Andrew's girls showed marked improvement over their earlier games, and won by a large margin from the St. John's five. All five players on the winning team were in the scoring column. Referee, Estlin.

The teams were: St. Andrew's—Rowena Penty 6, Riddy Boyce 1, M. Davidson 9, D. Cruickshank 6, Aileen Foster 1. St. John's—Iris Kirby, Violet Kirby, E. Nichol, Florence Nichol, Beattie Archer.

English Cricketers Draw Match With Ballarat Eleven

Ballarat, Australia, Jan. 12 (Canada) Press Cable via Reuter.—The cricket match between the touring M.C.C. Eleven and the Ballarat team which was begun here on Friday when Ballarat scored 185 in the first innings, was a M.C.C. test with 154 runs and four wickets, was drawn on Saturday because of rain.

M.C.C. finished their first innings with 299 runs to their credit, Hearn obtaining 50 of these and Kilner 64.

Ballarat scored 154 for 42 wickets in their second attempt. R. Austin, former Cambridge University player, scored 62.

Wanderers Gain Title By Defeating James Bays, 8-0

Intermediate Rugby League Championship Finally Decided in Good Game

J.B.A.A. Seniors Defeat Wanderers, While Tilliums and Services Play to Draw

Saturday's rugby brought an end to the Intermediate League and started the seniors away on the second half of their schedule. The intermediate game crowned the Oak Bay Wanderers as champions and left Brentwood College in second place with one behind. The Wanderers had to win to capture the Heyland trophy. A draw would have made it necessary for them to play-off with Brentwood, while a loss would have eliminated the students as champions.

The results were as follows: INTERMEDIATE LEAGUE Oak Bay Wanderers 8; J.B.A.A. 0.

SENIOR LEAGUE J.B.A.A. 11; Oak Bay Wanderers 6. U.S. Wanderers 10; Tilliums 6.

A lot of good rugby was seen in the intermediate game. The Bays were unfortunate in having to get through the game with only fourteen men, and as a result had to fight an uphill battle. The Bays managed to keep their opponents from scoring in the first half, but in the second half the Wanderers overtook them and converted one of their tries. B. Whyte made the first try, following up his free kick and carrying the ball across the Bays' line.

WANDERERS STEP OUT The second try came after a pretty run by Whyte, one of the Wanderer three-quarters. He went a long way for the try and grounded the ball in a good position so that from the kick the angle was being difficult.

The intermediates have had a very successful league this season and there have been some fine games. The Wanderers overtook the Bays during the season, Brentwood taking their cap early in the season. Brentwood lost one game and drew one, while the Wanderers were unbeaten during the season, Brentwood taking their cap early in the season. Brentwood lost one game and drew one, while the Wanderers were unbeaten during the season.

The J.B.A.A. got away to a good start in the second half of the senior schedule, running over their ancient rivals, the Wanderers, with a great deal of trouble. The Wanderers were handicapped somewhat by the loss of two of their players during the game. John Shaw got his hand in the first half, but was able to leave the game, while Pennington took a heavy kick in the ribs.

Two tries were scored by the Bays in the first half. Porteous scored for the first and Brynjolfsson scoring the second. Boss Johnson converted Porteous' try but failed on the second one.

The Bays were only able to secure one more try in the second half. Porteous again making the score. Johnson converted the try, but failed on the second. The Wanderers showed to advantage several times during the game and passed the Bays, but the champions had a smart team in the field and refused to yield even under the stiffest pressure.

The teams were: J.B.A.A.—Boss Johnson, Bendroff, Brynjolfsson, McMillan, James Bays, McLean, Tomlin, John Johnson, Miller, Porteous, Smith, Watson, Mahood and Florence.

Oak Bay Wanderers—Glimmer: Pennington, Carey, Harvey, Allen; Parker, Shaw, Shaw, Money, Colman, Harrison, McLean, Wooton, Pemberton, Christy and Kerr.

FOUGHT TO A DRAW The United Services and Tilliums battled to a draw in a keen game. The Services got off in the lead in the first half through catching the Tilliums with only fourteen men. Put man by a long run for a try soon after the play opened, showing good speed and sliding several tackles. The Services followed this up with forward crossing the line. Both tries for the extra points failed. Before the close of the half the Tilliums were forced to try, Whiting making the touch.

In the second half the Tilliums were at full strength and a hot battle ensued. There was little chance for scoring and the Tilliums gained the only try. McLennan going over after a three-quarter run. Play was very fast in the closing moments, with the Services exerting a lot of effort but failing to score.

The teams were: Tilliums—Steele, Dunn, McLean, Robertson, Huxtable, Freeman, Fraser, Pandry, Pollock, Kirk, Whiting, Florence, Chungnara, J. McLean and Ker.

Services—Johnston, Putnam, Bryson, Grant, Stagg, Evely, Ebbell, Donald, Barnes, Wood, Hart, Wallace, Winger and Sears.

Amateur Hockey Teams Hook Up At Arena To-night

Colonists Meet Tilliums and Shells Take on Sons; First Game at 8 o'Clock

Several New Players Will Make Their Debut; Large Crowd Expected

Amateur hockey teams will provide the entertainment at the Arena to-night. The simon-pures have two games scheduled with the first fixture scheduled to commence at 8 o'clock, when the Colonists will play the Tilliums. Immediately following the Shells and Native Sons will clash. It is expected that a large number of fans will be on hand to witness the matches. On the opening night last week more fans were present than at any league matches for two years.

With both teams jubilant over their victories last week the game between the Colonists and Tilliums promises to be a thriller. Both teams are anxious to come out on the long end of the score as the winners will advance into the leadership of the league. Last week the Tilliums downed the Sons of Canada while the Colonists defeated the Shells and now the two will do battle for the honors.

The Colonists have Len Wood, who will be their star player when they take the ice. Len played with the newbies last year and he should strengthen the newspaper team considerably. The rest of the team will be the same as last week with Wallace playing alongside Woodhouse and Kenny, Stewart and McCutcheon on the forward line.

A new player will make his break into the senior company on the Tilliums' line-up, Stan Patrick, another of the famous Lester and Frank, will work along with Wright on the defence. Stan is a big boy with lots of weight, while he is fast and packs a wicked shot. His presence on the defence should add a great deal of strength to the clubmen. Hee Goodacre, who played defence last week, will take the centre position along with Howar and Oatman. The Tilliums are all young players, and they will make the rest of the teams step right along as they set a fast pace and keep it up throughout the game.

The teams will be as follows: Tilliums—Watson, Patrick, Wright, Howar, Goodacre, Oatman, Ford, Forde and Ackroyd.

Colonists—Gravin, Wallace, Bendroff, Woodhouse, Stewart, Kenny, McCutcheon and Locke.

Another good game should be seen when the Shells and Sons of Canada stage their little rivalry. The Shells will be the favorite to win, and will be out to break into the winning column. They are also anxious to win, as the loser will occupy the cellar position.

The Shells will have Edwards, their star centre man, down from Duncan to take part in the battle. Matthews and Tuckwell will form the remainder of the forward line while Foster, Rust and Humerstone will be ready to take part in the battle.

After their setback last week at the hands of the Tilliums the Sons of Canada are anxious to get back into the lead to hang up a victory to-night. Green, a new man who hails from the prairies, will be seen in action with the Sons while the rest of the team will be the same as last week.

The teams will be as follows: Shells—Campbell, Burnett, Copas, Matthews, Tuckwell, Edwards, Rust, Humberstone, Hile, Easton, and Sons of Canada—Strath, D. Smith, Temple, Fitzsimons, Glazen, H. Smith, Green, Miller and Cook.

C.P.R. Basketball Team Loses Game to Westminster Squad

The local C.P.R. basketball team played a very fast game in the small Y.M.C.A. hall at New Westminster Saturday night and lost by only four points to the crack Royal City Y.M.C.A. before the half.

Just before the half the C.P.R. were getting used to the small hall forcing the Y.M.C.A. team to call time in an effort to break up the fast pace. The scoring in the first period was 21 to 14 in favor of the C.P.R. and 15 to 12 in favor of the C.P.R. in the second.

Being anxious to get this team on a larger hall the locals have arranged for a return game to be played here on February 21 and expect to take them to camp.

Scoring: Y.M.C.A.—Gordon 16, Paulson, M. McDonald 3, Stone 4, S. McDonald 2, and Grimstone 2. C.P.R.—Moore 10, Brinyay 4, Jones 11, Streeter 2, and Dirom 4.

Lower Island Board To Take Wards-Vets Game Before D.F.A.

In order to receive a decision from the highest governing body in the Dominion the Lower Island Football Association has decided to appeal the decision of the British Columbia Football Association in the Wards-Veterans game to the Dominion Football Association. The board will put up the \$50 that is necessary to accompany the appeal. The case first came before the local board, and they reached a decision in favor of the Veterans. The Wards appealed to the B.C.F.A. and their appeal was granted.

Partick Thistle Put Airdrie Out Of Lead

Rangers Now Back in First Place in Scottish League After Interesting Card of Games on Saturday; Partick Literally Ran Airdrie Off Their Feet; Comment Still Being Made on Result of First Round of English Cup

Edinburgh, Jan. 12 (Canadian Press Cable)—Thirty thousand spectators, the biggest crowd of the day in the Scottish Football on Saturday, saw the league leaders, the Airdrieonians, well beaten at the hands of Partick Thistle in a game in which the Airdrie team were sorely pressed throughout the entire contest. The weather was fine.

In the first half of the Airdrie game the visitors had the edge and Somerville sent in a hot shot which the Partick custodian could not save. With one goal to their credit, Airdrie started well in the second half, but Partick literally ran the titleholders off their feet. The crowd was tense when the equalizer for Partick was notched by Hogg, who slipped into an uproar when Salisbury put the home team ahead.

The Glasgow Rangers, league leaders in the second half, were forced to divide the points at Greenock, when the Morton played them to a 1-1 draw. Morton were the first to score during a while it looked as though the Rangers would be dropped into an uproar when Salisbury put the home team ahead.

The Glasgow Rangers, league leaders in the second half, were forced to divide the points at Greenock, when the Morton played them to a 1-1 draw. Morton were the first to score during a while it looked as though the Rangers would be dropped into an uproar when Salisbury put the home team ahead.

Englishmen Held Services To Draw After Close Game

Score 2-All in Only First Division Match Saturday; Other Games Postponed

League Standing table with columns for P, W, L, D, Pts. for North Wards, Veterans, Equinault, United Services, Sons of England, and Victoria Wests.

In a keenly contested match the Sons of England and United Services fought to a 2-all draw at Beacon Hill on Saturday afternoon. Only the game was played on account of the condition of the other grounds. As a result of the draw the Services jump into a tie for third place with Equinault, while the Sons advance into fifth place leaving the Wests sole occupants of the cellar position.

Two minutes after the start of the game the Sons went into the lead when Phillips, their fast inside right, beat Weir, the Services' goalie, with a hard drive from close range. The Service eleven took up the attack and Carr-Hilton, in goal for the Sons, was tested. As the result of a fine bit of combination work, Cummings put the teams on even terms again when he booted Cozier's centre into the goal for the Services' first tally.

For the next fifteen minutes the play was of a ding-dong nature, with both teams trying hard to jump into the lead. The Sons' second goal came when Bob Shaanah sent in a hard drive from close range. The Service eleven took up the attack and Carr-Hilton, in goal for the Sons, was tested. As the result of a fine bit of combination work, Cummings put the teams on even terms again when he booted Cozier's centre into the goal for the Services' first tally.

After their setback last week at the hands of the Tilliums the Sons of Canada are anxious to get back into the lead to hang up a victory to-night. Green, a new man who hails from the prairies, will be seen in action with the Sons while the rest of the team will be the same as last week.

The teams will be as follows: Shells—Campbell, Burnett, Copas, Matthews, Tuckwell, Edwards, Rust, Humberstone, Hile, Easton, and Sons of Canada—Strath, D. Smith, Temple, Fitzsimons, Glazen, H. Smith, Green, Miller and Cook.

PLAY CONTINUED EVEN In the second half play was of a give-and-take nature, with both goalies doing fine work in keeping their nets clean.

On account of the slippery nature of the ground both teams missed a number of opportunities to score. With only about ten minutes to go the Services lodged a determined attack on the Sons' goal and were awarded a penalty kick. Spiers took the kick, made no attempt to score. The sounding of the final whistle came a few minutes later with the Services still on the attack. McKewell refereed and the teams were as follows:

United Services—Weir, Grimes and Allen; Hawkes, Spiers and Sargent; Cummings, Whyte, Coulter, Ward and Cozier.

Sons of England—Carr-Hilton; Armitage, Reg. Shanks; Harwood, Dryborough, Connerton, Phillips, Swan, Bridges and Shanks.

Basketball Games At Willows Should Prove Interesting

A full programme of basketball games is scheduled on the City Basketball League at the Willows to-night with the following teams meeting: 130—"C" men, Rockland Academy vs. 11th Machine Gunners. 8:30—"B" ladies, Spencers vs. Victoria Steam Laundry. 9:15—"B" men, College vs. Navy. All three games should be as the teams are very evenly matched. In the first match the Rockland Academy will have to step lively if they expect to chalk up a win, as the Machine Gunners have been travelling at a fast clip, and will be a hard team to beat.

A keen game is expected when the Spencer girls stack up against the Victoria Steam Laundry team. Both have strong line-ups, and are anxious to score their first win of the season.

In the final game the College quintette will need all their speed and skill to keep up with the Navy team. The blue-jackets have been practicing hard, and hope to score a win over the students.

Weinert May Meet Firpo in London

Cincinnati, Jan. 12.—Charley Weinert, heavyweight boxer, who meets Joe Downey of Columbus here to-morrow night, will likely go to England to fight Luis Angel Firpo. It was announced to-day by his manager, Billy McCarnay.

London promoters, despairing of bringing together Tommy Gibbons and the Argentine boxer, called McCarnay asking for terms. McCarnay had replied demanding twice the sum Firpo was to receive. These, he said, were the terms demanded by Firpo in a previous encounter with Weinert, which the latter was the winner.

### NEWS IN BRIEF

The meeting for the newboys will be held as usual on Wednesday evening at 6 P.M. in Victoria Hall on Blanshard Street. All boys welcome.

The Chamber of Commerce will shortly commence a membership campaign, pointing to the merchants and citizens the practical results attained by the chamber.

The Chamber of Commerce to-day unanimously accepted an invitation from Mayor Penderay to aid in organizing a dinner to Hon. F. A. Pauline on January 27 at 6.30 o'clock, as a mark of the appreciation of the new representative of British Columbia in his home city.

Both candidates for the Reveship in Esquimalt plan to hold meetings on the same evening this week. Capt. R. P. Matheson announces his for 8 p.m. Thursday night at the Rex Theatre. Reeve Lockley's rally is at the Sailors' Club on the same date and hour.

Writing permits for 492 premises were issued in 1924. Inspector S. L. Wilson reports that 81 new installations totaled 32, additions 39, alterations 7, repair work 5, electric ranges 4, material installations 14. There were 668 inspections made, and eighty-five cases of improper wiring reported. The new electric wiring by-law is not yet ready for presentation to the council.

The State of Oregon will be a competitor with Vancouver Island in fox farming. A report from Charlotte town, Prince Edward Island, indicates. One of the largest shipments of live silver foxes from the island in recent years, consisting of 100 pairs and valued at \$100,000, left within the past week for Oregon. The shipment has been sold to a raper and it is thought further trade with the district may develop as a result of this shipment.

The following officers were appointed last week to manage the affairs of the local branch of the World Alliance for the Promotion of International Friendship through the Churches. President, Sir Richard Lake, K.C.M.G.; vice-president, R. Rev. Bishop Schofield; Rev. W. L. Clay, D.D.; Rev. W. P. Freeman, B.A.; Rev. W. J. Sipprell, D.D.; recording secretary, Rev. A. K. McMillan, B.A.; corresponding secretary, E. Coventry; treasurer, A. Lee; executive committee, Rev. W. G. Wilson, D.D.; William Macchani, Rev. A. Dell Owen, W. H. MacInnes, Rev. J. F. Dimmick, Lindley Crease, K.C.; F. P. Rand.

### Barrow May Make Announcement to-morrow on New Demands of Farmers

While officials of the Department of Agriculture maintained strict silence on the matter to-day, it is generally anticipated that when Hon. E. D. Barrow, Minister of Agriculture, reaches here to-morrow morning he will make clear the Government's attitude towards the action of Sumas land owners in repudiating a large part of the cost of the Sumas reclamation scheme.

The Sumas farmers at a meeting in Abbotsford Saturday night, declared that the Government had spent on the reclamation project greatly in excess of the amount authorized by the interested landowners.

Claiming that they had been persuaded into authorizing Sumas reclamation work by misrepresentation, and that they are determined to fight to the end the Government's attempt to collect the \$3,195,000 levied against their lands to meet this cost, the farmers, landowners and mortgage holders made plans for the expected week-end strike.

Mr. Barrow has been at Chilliwack looking into the Sumas situation and finding out exactly what the farmers want. He is due here to-morrow morning.

### Oak Bay Liberals To Give Farewell Social For Pauline

The Oak Bay Liberal Association will hold its second "at home" of the season at St. Mary's Hall on Monday, January 13, it was announced to-day by J. D. McDonald, president of the association. The speakers of the evening will be Henry C. Hall, K.C., and N. W. Whittaker, who will discuss subjects of topical interest.

There will be the usual musical programme and dancing and cards will commence at 8.45 o'clock.

A feature of the evening will be the farewell to F. A. Pauline, the new Agent-General in London, who has long been a member of the Oak Bay executive.

Judging by the success attending upon the first "at home" held by the association in December, a large attendance is promised and an enjoyable time assured. A special invitation is extended to all Victoria and Saanich friends of Mr. Pauline to attend the meeting.

The ladies of the association will provide refreshments.

### SOME UP-ISLAND MUNICIPAL NOMINATIONS

ALBERNI Mayor—L. A. Hanna (acclamation). Aldermen—H. B. Currie, G. Forrester, J. Cleary, E. M. Whyte, E. E. Frost, James Hills. School Trustees—L. A. Hanna (acclamation). Police Commissioner—Dr. A. W. Morgan (acclamation).

COURTENAY Mayor—J. Aikens, George Pidcock. Aldermen—William T. Fielder, P. Field, J. W. Mackenzie, E. L. Macdonald, D. E. Embleton, W. J. Hogarty, Theed Pearce, T. Gwelt, H. Cooke, A. Kerton and D. Cudmore. School Board—Fred Kerton (unopposed). Police Commissioner—J. Sutton. \*Signifies retiring member.

PORT ALBERNI Mayor—Major R. J. Burde. Aldermen—C. Durant, F. H. Steede, A. B. Wood, A. Fleming, E. A. D. Jones and A. T. Saunders, all by acclamation. School Trustee—Mrs. H. J. Hanna (acclamation). Police Commissioner—E. I. Hart (acclamation).

### NOT SATISFIED WITH CHURCH PLAN

#### Council Threatens to Reopen Titles Issue Closed Last Year

The church titles question, after years of litigation, has been settled when the committee of council last year approved the surveys of the forty-four church plots in the Victoria area, and filed necessary declarations with the Land Registry office.

According to a statement from the city solicitor to-day, objection has been taken by P. A. McDiarmid who acted for the Bishop of Vancouver Island throughout the proceedings, that the amount of exempted land given to the Catholic Cathedral is less than that to other properties.

The protest is viewed with surprise, in view of the fact that Mr. McDiarmid was consulted when the plan for that particular building was before it. In answer to the comment that the protest should have been lodged then, Mr. McDiarmid is understood to urge that concessions were given to other churches later which were not known when he approved the plan to be adopted for the Roman Catholic Cathedral. The subject will be brought before council this evening.

### PAUL STROMKINS IS GIVEN REMAND

Vancouver, Jan. 12.—Walter Owsa, Assistant Superintendent of Provincial Police and a justice of the peace, to-day remanded Paul Stromkins to January 20 for hearing on a murder charge. Stromkins, whose evidence is being used to extradite Charles Morris from Seattle for the death of the Gillises, father and son, is a co-defendant. It is doubtful whether Stromkins will ever be tried for murder, but, in the meantime, his preliminary hearing is being adjourned until the completion of the extradition proceedings.

### "Cascarets" 10c if Dizzy, Bilious, Constipated

To clean your bowels without cramping or overacting, take "Cascarets." Sick headache, dizziness, biliousness, gas, indigestion, sour upset stomach and all distressing ailments are relieved by Cascarets. Cascarets are used by millions of people on earth for grown-ups and children. 10c, 25c and 50c boxes—any drug store. (Adv.)

### CHAMBER ENDORSES RESOLUTION OF TAX CONFERENCE

#### Action to Secure Amendment of Taxation Legislation is Favored

The tax conference of the Citizens' Research Institute to-day asked the Chamber of Commerce to support action now being taken at Ottawa to secure amendment of taxation legislation which by onerous or unbalanced incidence is causing injustice.

Edwin Tomlin moved the endorsement of the resolution. Mr. Hill suggested a further resolution asking revision of succession duty legislation should be forwarded.

The chamber unanimously endorsed the four resolutions from the tax conference, which ask for co-operation between Federal, provincial and municipal governments in delimiting taxation fields and reduction of collection overhead.

Reduction in income tax rates to the United States level, at Ottawa to taxation of incomes over periods of years and publication of interpretations of various clauses of taxation legislation.

Mr. Hill was also asked to place in writing his proposals for revision of succession duties, which will be forwarded by the chamber to the Research Institute.

### WILL OUTLINE HIS STAND ON SUMAS DISPUTE

Barrow May Make Announcement to-morrow on New Demands of Farmers

### Candidate Withdraws

At a late hour this afternoon R. E. Collis, who had been duly nominated as a police board candidate in Saanich, announced he had withdrawn in order that a decision could be made by lot for the reform candidate to be chosen from A. E. Scaife and T. K. Harrop, in order to contest the commission against P. G. White.

### IS RE-ELECTED REEVE OF SAANICH

ROBERT MACNICOL

Mr. Macnicol was given a second term by acclamation to-day when municipal nominations were made.

### LOGGING REVIVES AT UP-ISLAND POINTS

A revival of logging activity in the Cowichan Lake area is reported by H. E. Beasley, general superintendent of the Esquimalt and Nanaimo Railway. Mr. Beasley reports four camps to be operating shortly in that neighborhood.

The Bainbridge mill, on the Port Alberni branch, is to be opened to business on January 15. Several other companies are expected to reopen their mills for operation in the course of the next few days.

### NOT SATISFIED WITH CHURCH PLAN

#### Council Threatens to Reopen Titles Issue Closed Last Year

### VANCOUVER MAN FOUGHT THUGS AND WON HIS BATTLE

Vancouver, Jan. 12.—A drummed for by more than a match for two bandits who attempted to hold him up and rob him this morning. Although he lost three teeth in a battle with them, he saved a large sum of money and finished the combat in possession of the revolver carried by one man and the cap worn by the other. The robbers escaped.

### LOCAL BOND HOUSE OUTBIDS OUTSIDERS IN KEEN FIGHT FOR \$275,000 CITY ISSUE

Grouped into ten syndicates, twenty banking and bond houses competed to-day for the \$275,000 Victoria City bond issue at the City Hall, New York and Toronto houses competed with Victoria, Vancouver, Spokane and Seattle firms for the issue.

Two Victoria firms, however, R. P. Clark and Company and the Royal Financial Corporation, were able to put up a better price and outdistanced all the firms in the bidding for the local improvement bonds.

When the last bond issue was put out here, there were only six firms in competition for Victoria securities. The two Victoria firms also outbid all the firms out for the bonds on the New York price basis. It was only by three one-thousandth of a cent, however, that they beat out the New York syndicate composed of

The tenders in the competition for the bonds were:

R. P. Clark & Company, and Royal Financial Corporation	95.57	New York
Municipal Bankers Corporation	95.44	.....
McLeod, Young & Weir	95.41	.....

### MERCHANTS ASK COUNCIL NOT TO RAISE LICENSES

#### Chamber of Commerce Directors Endorse Move Against Proposed Raise in Fees

#### City Must Have Revenue and Cannot Increase Land Taxes, Todd Declares

Retail merchants moved to-day to prevent the City Council from making any increase in business license fees.

A resolution expressing opposition to any license increase, prepared by the retail executive of the Chamber of Commerce and the executive of the Retail Merchants' Association, was endorsed by the Chamber directors this afternoon, following a lengthy debate. The resolution, however, offers the co-operation of the merchants in the reshaping of license taxation along lines desired by the council.

When business men who are members of the Chamber directors protested to-day against license increases, they were told bluntly by Alderman A. E. Todd, chairman of the civic Finance Committee, that the city must have more revenue and cannot afford to increase the burden of the ratepayers.

President C. R. W. Schwengers suggested that the raising of license fees would result in serious injustices. Sane license fees could not be raised any higher under provincial legislation, he said.

"It is time we called a halt to these license increases," said A. J. Watson, manager of the Hudson's Bay Company store. "These charges are no longer regarded as a license, but as a tax."

"There's no use talking about the principle of taxation," Alderman Todd remarked. "The only principle the council is allowed to use is what we can legally do." License fees of former years could not be accepted as a standard for the future, he declared.

"The consumers are going to pay any increase in license fees, said J. H. Fletcher.

"There are many people here that are absolutely not objecting to license taxation," said Mr. Todd, adding that the city was not getting the revenue to which it was entitled. The Provincial Government, he asserted, was invading the civic taxation field and collecting the money which rightly belonged to the municipalities.

That the city was living beyond its means for years like a poor man going about decorated with expensive diamonds was the assertion of C. P. Hill. He advised the council to meet its financial difficulties by "going with a club" and cutting expenses.

Argument in Cox vs. Horan, an appeal by Mary Ann Hunt Hogan, a sister of the late David Alexander N. Ogilvy, from a Supreme Court judgment validating the will of her brother in favor of a bequest to the Citizens of Victoria, resumed in the B.C. Court of Appeal to-day. A. D. Crease appears for appellant, and Harold B. Robertson, K.C., for the plaintiff respondent, R. L. Cox, official administrator of the estate.

The point at issue is the will in which the late Mr. Ogilvy defined what he wished done with his affairs. He made certain bequests to the appellant, his next of kin, and went on to state that a lot in Victoria West should be given to the City in trust for the citizens, to put to some good public purpose. Testator defined this purpose by including three suggestions, an emergency park, a woman's home, or a park with a public convenience, and added that a certain sum of money should be given for the upkeep of the work.

Before the court to-day Mr. Crease argued that the words of the will did not create a valid trust in that no charitable bequest was set out. Mr. Robertson contended that the trust created was a valid one, and clearly

### LATE MRS. NASH WAS MEMBER WELL-KNOWN TORONTO FAMILY

Mrs. Emily Katherine Nash, wife of Major E. A. Nash, passed away on Saturday at her residence, 1947 Foul Bay Road, after a lingering illness. The late Mrs. Nash was born in 1847 in the town of St. Mary's, Ontario, and came to this city ten days ago from Hearn, Sask. She is survived by her husband, Major Nash, who was for many years a member of the Queen's Own Rifles and served in the Boer Rebellion.

Before coming to this city about four years ago, she had resided for many years in the interior, first at Kamloops and later at Vernon, where Major Nash was Commandant of the 10th Regiment of Infantry. Mrs. Nash's private funeral services over the remains of Mrs. Nash were held this afternoon at 2 o'clock at St. Mary's Church, Oak Bay. Rev. A. de J. Nunn officiating. Interment was made in the family plot at Rose Bay Cemetery.

The death took place early to-day at the family residence, 44 Stone Street, of William Johnson, aged sixty-three years. He was born in Lincolnshire, England, and came to this city ten days ago from Hearn, Sask. He is survived by his widow, one daughter, Mrs. O. W. Dixon of Victoria, and two sons, Ross Johnson of Swift Current, Sask., and Alfred Johnson of Vancouver. The funeral will be held from the B.C. Funeral Chapel on Wednesday at 2 o'clock.

At the funeral services over the remains of the late Lieut. W. M. Hartley Holmes on Saturday, the rites were conducted at Christ Church Cathedral by the Right Rev. Bishop of Columbia and Very Rev. Dean Quinlan. The musical part of the service included the Dead March in "Saul," and Mendelssohn's "O Rest in the Lord," played by the organist as the bier was conveyed from the church to the flag-draped gun-carriage. Full military honors were accorded. Interment was at the new cemetery at Royal Oak, the procession being led by Brigadier-General Ross and other officers from the B.C. Mounted Rifles. The pallbearers were: Capt. A. W. Warder, R.C.A.; Capt. J. G. Ryeroff, R.C.A.; Capt. M. Filmer, R.C.A.; Lieut. Bessonet, R.C.B.E.; Lieut. Joyce, R.C.A.S.C.; and Lieut. Parkes, R.C.A.S.C. A firing party, consisting of some forty other ranks from the P.P.C.L.I., under Capt. Woods, paid full military honors to the late officer.

### Chiropractor

wishes to announce that he has opened offices at 311-13 Central Building, Victoria, B.C., and that he has installed a Neurocalometer.

### What is the Neurocalometer?

This Neurocalometer registers the most minute variations in temperature and is used by the chiropractor in determining where the impingements of the spine exist which are causing the patient's physical disorder. I can place this instrument before you, and you can see the indications which it registers. It will indicate just what parts of the spine are necessary for the chiropractor to adjust. It proves beyond question the chiropractor's contention that the cause of your disorder lies in the spine and it does more than that. The results which the chiropractor attains or its use are the best evidence I can present to convince you of its efficacy.

Neurocalometer readings by appointment only.

HOURS:  
9.30 to 12, 2 to 5  
Saturdays, 9.30 to 1  
Evenings: Monday, Wednesday and Friday, 7 to 8 o'clock  
311-13 Central Building

## RAFAEL SABATINI'S NOVEL "THE SEA HAWK" SCREENED WITH ELABORATE SETTING

Hand-to-hand Encounter Between Sixteenth Century Galleons  
Supplies Dramatic Episode in Stirring Tale; Special Scenery  
and Musical Programme Enhances Setting

Frank Lloyd's production of "The Sea Hawk," a First National Picture adapted from Rafael Sabatini's celebrated novel of the same title will be shown at the Royal Theatre on Monday January 19.

"The Sea Hawk," for five years one of the best sellers on the popular fiction shelf, and dealing with the colorful adventures of English knights and sweethearts, and Barbary corsairs, has required a gigantic background for its many vivid scenes.

Four sea going vessels of the Sixteenth Century, exact in every detail and manned by over a thousand sailors, corsairs, galley slaves and officers, participate in much of the action, several naval battles, during which ships ram into each other head on, then lash themselves together, while their crews engage in hand to hand combat, are said to be but a few of the unique and highly exciting scenes of the production.

Having to do with the life of Sir Oliver Trevelyan as a Spanish prisoner at the oars of the galleon, his escape and final elevation to the command of Moorish corsairs, "The Sea Hawk" reveals many bits of historical facts and there is said to be many thrills and heart throbs in the episodes depicting the struggles of the late English knight to convince his sweetheart of his innocence of the murder of her brother, and to regain his lost standing among his countrymen, and in the favor of Asad, ruler of Algiers.

The sea scenes are said to be the most unique and the biggest in physical action, although they do not overshadow the gorgeousness of the early English scenes, and the quaint Oriental beauty of the Algerian sequences. More than \$5,000 in costumes were designed and executed for the members of "The Sea Hawk"

Dominion—"North of 36."  
Coliseum—"His Forgotten Wife."  
Playhouse—"The Hottentot."  
Columbia—"The Night Hawk."

cast that the details of early fashion might not be neglected.

Milton Sills heads the exceptional cast in Mr. Lloyd's big spectacle, playing the dual character of Sir Oliver Trevelyan and Sakr-el-Bahr. Enid Bennett has been given the principal feminine role, with Lloyd Hughes, Marc MacDermott, Wallace Beery, Frank Currier, Wallace MacDonald, Hector V. Sarno, Fred de Silva, Kathleen Key, Mrs. Medea Radzina, Christine Mont, Lionel Belmont, Robert Bolder and others of not lending support.

Among the many beautiful scenic shots the picture is said to contain

are some of the most successful night scenes ever filmed—in particular a night battle between an English frigate manned by 400 men and a Moorish galleon rowed by 200 slaves and defended by twenty-five brass cannons and a hundred spearmen and bowmen.

### Cowgirl Moves Cattle "North of 36" to Find Wayward Market

Elaborate Spectacle Shows Large  
Host of Cattle on the Move  
in Dominion Film

"North of 36," by Emerson Hough, depicting the hardships of pioneer days on the Texas cattle ranges, has been filmed for Paramount by Irvin Willat, who made the natural-color picture, "Wanderer of the Westland" and other films.

"North of 36" is a tale, picturing a country wild, almost lawless, at the period of the story, roughened and disheartened by the American Civil War.

Lois Wilson, as Talsie Lockhart manager of her own vast ranch in Texas, finds herself penniless, with no means of disposing of her herd, her chief asset being the true spirit of the pioneers.

Word comes that way up "North of 36," a market beckons. With her 4,500 cows, sixteen cow hands, nineteen kinds of rifles and six shooters and 115 cow ponies, Talsie makes the start with all the thrills that the start of the wagon train in Emerson Hough's "The Covered Wagon" evoked.

Through this great panorama one sees groups of ragged, shivering men, the glorious girl at their head, the ox carts and the sea of long horned cattle, accomplishing one of the greatest deeds of pioneer bravery and daring.

Paramount has furnished a notable cast to visualize the story. It includes Jack Holt, Ernest Torrence, Lois Wilson and Noah Beery in featured roles. The picture opens a six days' run to-night at the Dominion Theatre.

### Lewis Stone Found Hard Work Was Key To Career on Stage

Film Actor With Notable Record  
Had Hard Struggle to  
Top of Tree

It has been said of Lewis Stone, star of "Husbands and Lovers," that he is a "born actor." There are many years of courageous fight, hard step-by-step progress and well-earned experience in the theatrical profession behind the versatility, poise and easy naturalness that have won him distinction as the greatest leading man on the screen.

Success, Stone found, was not a matter of either simple attainment or luck. He had no intention of becoming an actor in the first place, but when he was literally thrust into a stage part shortly after finishing at college, he decided that he might just as well "get somewhere" as long as he was in the business anyway. The key to "getting somewhere" proved to be just plain hard work.

Being left penniless in way towns with stranded shows, bucking up under the ordeal of one-night stands, and meeting disappointments with a new determination to succeed, were just some of the high lights in the vast experience that forms the foundation of his artistry.

"Husbands and Lovers" will open to-night at the Capitol Theatre as a Louis B. Mayer-First National attraction. Directed by John M. Stahl, who also made "Why Men Leave Home" and "The Dangerous Age," the picture presents Stone in a role ideally suited to his remarkable personality and ability.

### WILL PRODUCE GAUL'S "HOLY CITY"

Well-known Cantata to be  
Presented at First Congregational

There is perhaps no better known work, particularly with well-organized choirs and vocal organizations than the cantata, the "Holy City," by Alfred Robert Gaul.

It is one of the most melodic of the lighter oratorios, and its presentation to-morrow evening at the First Congregational Church, Quadra Street, will not only afford much pleasure, but possibly will prove a pleasing retrospection to many present who have listened to this work in the past here and elsewhere. The chorus of sixty voices will be assisted by a small orchestra, and Miss Louise Moore will act as organist, while W. Harry Watts, is officiating as conductor for the occasion, will be seen in that capacity for the first time since coming here to reside. The soloists will be Mrs. Dowell, soprano; Miss Lois Lockwood, mezzo soprano; Mrs. Georgina Watt, contralto; Maurice Thomas, Welsh tenor, and P. J. Kitley, basso. The event will mark the appearance also of Miss Lockwood, a vocalist who is gaining much favor of late in local music circles.

Among the numbers of the cantata are two tenor solos of great beauty, and some other solo numbers are deservedly well loved. The ladies' trio, "At Eventide There Shall Be Light," is extremely delightful, and the choruses are always popular. Lovers of chamber music will have the pleasure of hearing Lachner's concerto for violin, viola and piano, the "Minuetto," and the concluding movement, being played as a prelude to the vocal work. It is understood that special efforts have been made to bring out the music students. The opening number commences at 8 o'clock.

### Biting His Nails Was Included in Role so Actor Sustained Part

Playhouse Will Stage "The Hottentot" in Conjunction  
With Film

If Eddie Phillips is taking a character in any picture he wants all the details of that person's appearance correct. Eddie, as the "Glad

Rags Kid" in the Cosmopolitan production, "Through the Dark," supervised by Frances Marion, which will be screened at the Playhouse Theatre this week, is supposed to wear very gaudy clothes and adopt a very unpleasant habit of biting his fingernails. The clothes did not worry Eddie very much. He could explain the pink shirt, green tie, diamond horseshoe tiepin and loud checks. But he could not very well explain ragged finger nails which had been chewed until they were most disreputable.

THE HOTTENTOT  
Joseph Evans's part of the programme at the Playhouse is that big English comedy success "The Hottentot." You will see him at his best

as this popular play is full of comedy. If you have seen it before, then come and see how Joseph Evans puts it over. You will surely laugh. It also gives Joseph Evans a great chance to show his versatility. In addition to this there will be a Lloyd Hamilton comedy also the strongest feature we have shown for some time.

### Music Lovers' Night at Capitol

To-night at the Capitol A. Prescott, director of the Capitol orchestra, has music for the feature picture "Hus-

bands and Lovers," also for the music lover's night.  
As a special overture, owing to a large number of requests, he will render the popular opera score of "Blossom Time."  
Some of the other numbers to be played during the evening are as follows: Scene from an imaginary ballet (Coleridge Taylor); Valse Poudree (Francis Popy); fox trot, "My Best Girl" (Donaldson); fox trot, "Old Pal" (Alstyne).

ONE LEFT, ANYWAY  
"Your husband says he has outgrown his illusions."  
"Oh, that's just an illusion of his."

## New Star Declares Much Overacting Before Film Camera

Attains High Position Though Only Eighteen Years of Age, Through Repression

Supporting Madge Bellamy, Warner Baxter and Maude Wayne in "His Forgotten Wife," the Palmer Photoplay Corporation's production, which is the attraction at the Coliseum Theatre this week, is a new screen star, Hazel Keener.

Miss Keener, an eighteen-year-old ingenue, brought favorable professional notice upon herself by her work in "His Forgotten Wife," and in January, 1924, was accorded the honor of being selected by a motion picture organization, the "Waspas," as one of their "Thirteen Baby Stars" introduced at a ball and frolic given in San Francisco.

A combination of acting ability with a distinct lovable screen personality seems to have been the magic key to stardom in the case of this latest arrival. Miss Keener's role in "His Forgotten Wife" is a difficult one of considerable importance, and the author of the screen play, Will Lambert admits that she developed it into a still more important one by her excellent interpretation. "I think that most beginners over-act," declares Miss Keener. "That, by the way, often shows up well in the flashes of ourselves that we see day by day in the studio as the picture is filmed—rushes, they are called professionally. But overacting when seen in the completed picture is always bad, and I have made so many resolutions not to indulge in it that I believe I have accomplished a little toward the art of repression."

## "Flawless" Says Critic of Playing of Mrs. Green

Music-lovers are looking forward with the keenest anticipation to the joint recital by Mrs. Gertrude Huntley Green, pianist, and Miss Mary Izard, violinist, which is to be given on Thursday evening next. Of Mrs. Green, a Kansas critic says: "At first her work seemed but cool, polished perfection, the pure outline of Pader's prose, expressed in tones such were the effortless ease, the impeccable flawless as she played a French suite of Johannes Møge, but later in the intensity and nobility of her Chopin in impromptu, ballad and etude, and in the purple pageantry of the polonaise, played with virile ease and power that waxed tremendous in the octaves, one saw both ice and fire."

## Planned Crime to Escape Toils of Law Is Columbia Story

Hired Assassin Falls in Love With Daughter of Man To Be Killed

"The Night Hawk," Harry Carey's latest picture opens at the Columbia Theatre to-day. It is the story of a crook of the underworld whose only chance of escaping from the police is to flee to the West with a man who promises to save him if he will avenge his enemy. Out West, he falls in love with the daughter of the man he has sworn to kill and many interesting complications ensue.

## Bootleg Alcohol Deadly in Effect

Boston, Jan. 12.—It is the alcohol in bootleg liquor, not poisons, which causes deaths, Dr. Reid Hunt of the Harvard Medical School told the American Chemical Society here. Dr. Hunt asserted an individual would have to drink nearly his own weight in liquor in order to get a fatal dose of the poison most commonly found in illicit beverages. "The chemists of the prohibition office reported an analysis of 75,000 samples of illicit liquor and the chief ingredient found, which is not present to the same extent in genuine whiskey, was acetaldehyde," Dr. Hunt said.

## TWELFTH SIEGE BATTERY, C.A.

Battery orders by Major G. G. Aitken, M.C., commanding, Victoria, B.C., January 10, 1925. The battery will parade at the Drill Hall, Bay Street, on Tuesday, January 13, at 8 p.m., for the purpose of attending the regimental meeting which is to be held that evening.

## French and German Tariff Discussion

Paris, Jan. 12.—French officials to-day expressed only slight hope of inducing the Germans to sign even a modified modus vivendi to avoid the prospective tariff war in consequence of the deadlock in the negotiations for a new trade pact intended to take the place of the Versailles Treaty customs provisions which expired Saturday. In a last effort, however, Minister of Commerce Raynaldy had an appointment for a supposedly decisive conversation this afternoon with Dr. Trendelenburg, head of the German delegation engaged in the treaty negotiations.

## CERTIFIED SEED POTATO GROWERS PLAN FOR YEAR

Advertising of B.C. Tubers to Be Undertaken in Propaganda Effort

At a meeting of the executive of the British Columbia Certified Seed Potato Growers' Association held in the Parliament Building last week, matters of considerable importance in connection with the potato industry of the Province were discussed. By-laws for the incorporation of the association were presented. Numerous suggestions received from various local potato growers' associations were given consideration, and where considered advisable these were included in the by-laws.

The Department of Agriculture having definitely decided that a potato and seed show would be held this year in November, recommendations were made by the executive as to where the next exhibition might be held.

The executive arranged to advertise British Columbia certified seed potatoes in some of the American papers and to supply potatoes for test work in limited quantities experimental stations in the Pacific Coast States. It was reported that the results of tests made in several states during the past season were highly satisfactory.

It was also agreed to adopt a uniform sack for the entire Province. These will be suitably printed and will bear the name "northern brand certified seed potatoes." The association recognizing the advisability and necessity of growing commercial potatoes from good seed, the executive has planned to distribute in limited quantities certified seed potatoes in some of the larger commercial growing districts as a practical demonstration of the advisability of using certified seed for planting.

It was decided to hold the next meeting of the executive at the time of the dairymen's convention, to be held in Vancouver next month. The following were present: Hon. E. D. Barrow, Minister of Agriculture; Dr. D. Warnock, C. E. Whitton-Griffiths, W. W. Duncan, C. Tice, Captain G. R. Bates and George Stewart.

## ROBBERY IN MONTREAL

Montreal, Jan. 12.—While a gas clerk named Gerrard was sitting on a chair in his station at the corner of Papineau Avenue and St. Joseph Boulevard here Saturday, a bandit stole noisily up behind him, jerked his peak cap down over his eyes so that he was effectively blinded, tied his hands behind him and his body to the chair, gagged him, and after taking his watch and emptying the till of about \$30, made a clean get-away.

## PIONEER OF 1861 DIES AT RIPE AGE

Mrs. R. Dickinson Married Here Immediately on Arrival From England

Pioneer of 1861, the death took place last week in New Westminster of Mrs. Dickinson, wife of the pioneer mayor, who was married a few days after her arrival in this city. The funeral was held yesterday afternoon interment being made at the Church of England cemetery, New Westminster.

Mrs. Dickinson was born in Clifton, Gloucestershire, England, on February 2, 1849. Miss Carolina Matilda Rodgers, as she was then, left England in 1861, sailing with her brother for New York, en route for Victoria via the Isthmus of Panama. They reached Victoria on August 2 and on August 13 Miss Rodgers was married to the late Robert Dickinson, who was subsequently mayor of New Westminster. After the ceremony, which was solemnized in Christ Church cathedral, the wedding breakfast was served in the home of Mayor Thomas Harris, the only brick residence in Victoria then. Shortly after, Mr. Dickinson took his bride to New Westminster.

It was while she was wife of the chief magistrate of the city that she turned the wheel for the C.P.R. branch line from Westminister Junction. Mrs. Dickinson was also present at the first May Day celebration in the Royal City, which was held on the present site of the provincial asylum.

From her arrival as a bride, Mrs. Dickinson was a staunch member of Holy Trinity parish and had seen the cathedral twice destroyed by fire. As an active parishioner, she was a charter member of the Cathedral W.A., and for twenty-five years was president. Even since her retirement she exercised a quiet but large influence for good in the community. Of late years she had lived in comparative retirement enjoying generally very good health until quite recently.

Mr. and Mrs. Dickinson had three sons and four daughters, who survive and who, with two exceptions, are resident in British Columbia. The sons are William W. Dickinson, an official of the P. G. E. railway at Squamish; R. D. Dickinson of San Francisco; and Melville K. Dickinson, manager of the Balmoral cannery, Skeena river. The daughters are: Mrs. C. E. Woods of the New Westminster post office staff; Mrs. E. M. N. Woods of New Westminster; Mrs. G. E. Parkes, Dunville, Ont.; and Mrs. J. Brydges of New Westminster.

## SEATTLE MAN WAS HUNTING VICTIM

Edward R. Ingersoll Killed When His Shotgun Accidentally Discharged

Seattle, Jan. 12.—Edward R. Ingersoll, prominently identified with local business, philanthropic and fraternal activities, a resident of Seattle, for twenty-eight years, was found shot to death on the porch of the Reel and Gun Club House near Mount Vernon Sunday morning. Near the body lay the shotgun with which Ingersoll had been hunting. Death is believed to have been accidental.

## Sir Campbell Stuart Scores Pessimists

Ottawa, Jan. 12.—"In the course of my present trip through Canada," stated Sir Campbell Stuart, a native of Montreal and now managing director of The London Times, in an address before the Montreal Canadian Club on Saturday, "I have encountered a certain feeling of pessimism. Those who preach pessimism forget the courage and privation of your fathers and mine. After all, a pessimist is a curse to any country, because any fool can preach the doctrine of despair."

DOMINION NEWS

Across a thousand miles of dangerous, unblazed trail—driving a herd of 4,500 cattle. Here is the most enthralling story of the pioneer West since "The Covered Wagon"—and the most appealing romance. Never such thrills—the stampede of thousands of longhorn cattle—the Indian attack on the cowboy escort—the charge of the U. S. cavalry—the fording of the Red River.

**SEEK TO SAVE TORONTO KILLER**—A campaign to obtain funds to appeal against the death verdict brought in by a Chicago jury against Russell T. Scott, former Toronto financier and promoter, was launched in Chicago by Mrs. Mary White and the aged father of the accused, Thomas R. Scott, Mrs. White, who is a widow and lives in Port Huron, Michigan is a former schoolmate of young Scott.

**FIGHTS WAY BACK FROM GALLOWS**—From the shadow of the gallows, Jesse Webb has fought his way back the straight uphill road. Fifteen years ago in Portland, Ore. Webb killed a man, and, despite his pleas of self-defence, was sentenced to be hanged. The death march had started, Webb had said goodby to his wife and children. Twelve minutes remained until the trap was to be sprung. Then came a governor's order commuting the sentence to life imprisonment. Two years ago his exemplary record in the prison won him a pardon. To-day he is a respected member of the community. "I was all keyed up to be hanged, and the governor's order saving my life really came as a disappointment," says Webb. "I lived with death, walked with death and slept with death for nearly a year, until I had come to the point of imagining myself an explorer going into a strange country." While in prison, Webb, a printer, wrote, printed and bound several books, one of which, "The American Prison System," is now a standard reference work.

**FAIRSEX MAKE MERRY AT WINTER SPORTS**—Familiar sights in every Canadian city show how many of Toronto's younger set are spending their afternoons. On the upper left are a couple of girls enjoying the tobogganing at Rosedale Golf Club. Below is a jolly toboggan party at the same place. On the upper right—two fair co-eds are enjoying "a bite" between activities, at a Thornhill snowshoeing party.

**NEW BUST OF WILSON**—This new bust of Woodrow Wilson is the work of Bryant Baker, New York sculptor. He is shown putting the finishing touches on his work.

**THIS IS QUEER**—A copper bar, the size of an ordinary lead pencil, which can be bent double with one finger as easily as soft wax, but which requires all a man's strength to straighten again, has been produced by the General Electric Co., at Schenectady, N.Y. A girl is shown here bending it.

**FROM BOMBAY**—Miss Halsey Dastur-Cursetji Pavry, daughter of the High Priest of the Parsis at Bombay, is a visitor to this country. She is making a study of religious and educational institutions in this country, being a scholar of scriptural languages.

**BY MOTOR ACROSS SAHARA**—The motor tour which King Albert of Belgium was to make across the Sahara from Algiers to Timbuctoo at the invitation of Marshal Petain, is shown above. For the convenience of tourists and of big game hunters entering the Niger country, French company is arranging for two public services of autos in each direction every week. From Colomb-Bechar to Timbuctoo—a distance of about 1,600 miles—the journey will take nine days.

**GETS BRIDE AFTER LONG TRIP**—On the last lap of his 12,000-mile journey and voyage for a Canadian bride, Arthur Beverley Baxter, native born Torontonian, now managing editor of the London Sunday Express, is shown above with his bride of a week. She was formerly Miss Edith Christiana Letson, eldest daughter of Mrs. J. M. K. Letson of Vancouver.

**MAY MARRY A KING**—Princess Ileana of Rumania, whose engagement to King Boris of Bulgaria will soon be announced, it is said.

**MISS WILSON**—This is the latest portrait of Margaret Wilson, daughter of the late President Woodrow Wilson.

**SCHOOL DAYS** By DWIG

THE DREAMY GUY ON THE STAIRS

**MOTHER NOW**—Irene Castle, the former dancer, who is now the mother of a daughter. Her husband is Major Fred McLoughlin, a wealthy Chicago sportsman.

**MAKES DENTAL DISCOVERY**—Dr. Harry S. Thompson, who collaborated at Toronto University in research that is expected to result in the elimination of abscesses from the roots of teeth, which is hailed as a great dental discovery.

**IS LOVED BY PRINCE**—Lady Mary Scott, who, rumor says, may marry Prince Henry, third son of the King. Photo copyright, by Bassano, London.

**ON WATER FIGHT**—Senator Medill McCormick of Illinois, who will lead Chicago's fight at the capitol to obtain legal sanction for its present water diversion.

**NEGOTIATIONS**—Etienne Clementel, minister of finance in the Herriot cabinet, who is conducting the negotiations looking to an understanding between France and the United States on the war debt question.

STOCK MARKET SWINGS UP AGAIN TO MORE NEW HIGHS

New York, Jan. 12 (By R. P. Clark & Co., Ltd.)—The general run of trade advances over the week-end were again of a constructive character. The steel tonnage foreigners published after close of the market Saturday were quite naturally scrutinized and were, of course, favorably interpreted, showing as they did such an appreciable increase in the amount of forward orders on the books of the United States Steel Corporation. The market to-day was general strong affair with many of the leading issues, including United States Steel and General Electric, showing a decided upward movement. FAIR WEATHER ENCOURAGING DEVELOPMENTS SIGNS NOW OUT FOR BUSINESS

Reports and Summary Today Show Improvement is Approaching the Excellent

Gold Shipments to Europe From America Indicative of Better World Conditions

New York, Jan. 12.—Fair weather, you might say, excellent weather, in the reading from the business barometer, says Richard Spillane, the financial authority, writing in The New York American this morning on conditions across the continent. "Prices of farm products are maintained at a good and, in some instances, exceptionally high price," he goes on. "Every bushel of wheat and rye America has to spare, apparently, will be taken by foreign markets. Grain prices are close to the highest of the fiscal year. Cotton exports are 1,150,000 bales in excess of the same time last year, with a decrease in the visible supply of America for the first time in five months. The stock market continues extraordinarily active and exceptionally strong. Figures of United States steel unfilled tonnage of December indicated a greater demand than generally supposed for steel. The rapid advance in sterling exchange activity in many industries interrelated with steel. Copper men have little cause for complaint over the globe. The demand increases constantly and present prices for the metal insure good profits to producers. The oil people are not wholly clear of troubles but indications point to much better times soon in the industry. Merchandisers have been doing well. According to the government reports, the sales of 44 separate stores in December averaged four per cent greater than in December, 1923. Money rates continue very low. "While speculation has been extensive in stocks, cotton and grain markets, the savings bank and building and loan deposits and bond sales indicate a great increase in the nation's thrift. "One sign of improving world wealth is in the movement of gold from America's unwieldy excess, to various parts of the globe. The volume is small, but is indicative of improving conditions in Europe and Asia to which most of the shipments are going."

WILL FLOAT IDAHO AS D.C. COMPANY

Well-known Marmot River Property to be Developed Under New Incorporation

Clay Porter, of the Porter-Idaho mine, Marmot River, Shoshone camp, arrived here yesterday afternoon in company with Ernest Blue, a Hyder attorney. Mr. Blue is secretary of the company operating the Idaho group, of which Porter is the head of the syndicate. The mine has been financed by the sale of a number of units of stock both in British Columbia and elsewhere, but Mr. Porter stated to the Times at the Dominion Hotel that the intention now is to float a British Columbia incorporation, to secure more capital for development. The reports on this property, as on others in the Marmot River section, have been encouraging in the past. Owing to the large amount of Victoria money in that district, it is expected that the investment shortly to be open will be supported here. Mr. Blue, after looking into the registration to-day, will leave for Seattle, en route to Chicago, where Porter will remain here until incorporation has been completed.

Big Paper Merger Report Renewed

Montreal, Jan. 12.—Rumors were current in the street to-day that negotiations with a view to merging Spanish River and Altitude Paper Companies were renewed some time ago and have now reached the stage where an early announcement and motions and appointments have been made by the board of directors, affecting some of the more important branches of the bank. Mr. Rowley was manager in charge of the branch at Havana, Cuba. Mr. Ramsey formerly occupied the position of general supervisor at the head office. Mr. Rowley was superintendent of the Manitoba and Saskatchewan branches, with headquarters in Winnipeg. Mr. M. Gibson was manager in charge of the branch at Havana, Cuba. The largest claims were presented on behalf of the Bank of Montreal, which claims \$376,615.96, and the Canadian Johns-Manville Co., which claims \$459,130.57.

Commerce Bank Staff Changes Made

Toronto, Jan. 12.—Following the death of D. A. Cameron, assistant general manager of the Canadian Bank of Commerce, a number of appointments have been made by the board of directors, affecting some of the more important branches of the bank. Mr. Rowley was manager in charge of the branch at Havana, Cuba. Mr. Ramsey formerly occupied the position of general supervisor at the head office. Mr. Rowley was superintendent of the Manitoba and Saskatchewan branches, with headquarters in Winnipeg. Mr. M. Gibson was manager in charge of the branch at Havana, Cuba.

Dodge Bros. to Open New Canada Plant

Toronto, Jan. 12.—Dodge Brothers' new Canadian plant, scheduled to be opened in February, will be a factory of real productive capacity and not merely an assembling station. The factory will be in Toronto, Ontario, and will displace the one established by Dodge Brothers several years ago at Walkersville, directly across the river from Detroit. The buildings acquired for the purpose in Toronto are among the finest erected by the Imperial Government for munition work during the World War. Their original cost was \$1,250,000 and subsequent improvements represent an investment of another half million. Facilities are available for one of the largest automobile plants in Canada. The Canadian business will be conducted by a subsidiary company, Dodge Brothers (Canada) Limited, incorporated under the laws of the Dominion. It will govern its own production and formulate its own policies. E. P. Clarkson is general manager.

Business Trend up, Express Head Says

Montreal, Jan. 12.—F. W. Branscombe, general superintendent of the Dominion Express Company, believes that 1925 will be more prosperous than the year just closed. He said that a statement he made last night on general business conditions. "I am confident that business generally is on the upward trend," he said. Mr. Branscombe said that while the first seven or eight months of 1924 showed a depression, business had picked up during the final quarter. While shipments were not so large, they were more numerous. E. D. Riley, superintendent of the Atlantic division, second in command, general superintendent, he said that business in Quebec held up very well, all things considered. He declared that remarkable recovery marked the efforts to prevent breakage and other damage to shipments, complaints in some months being less than one for each 5,000 parcels handled.

\$1,000,000 Claimed Against This Man

Montreal, Jan. 12.—Claims exceeding \$1,000,000 were presented late this afternoon before the prothonotary in Superior Court in proceedings against Martin Asbestos Mines, Bennett, Que. The largest claims were presented on behalf of the Bank of Montreal, which claims \$376,615.96, and the Canadian Johns-Manville Co., which claims \$459,130.57.

Auto Production Smaller For 1924

New York, Jan. 12.—The Department of Commerce places the 1924 automobile production at 3,650,000 cars and trucks, against 4,668,997 in 1923. Exports reached new high records, with an increase of thirty per cent over 1923.

Wheat Deliveries Smaller This Year

Wheat country deliveries of wheat in Western Canada last week were 2,730,214 bushels, against 3,375,547 bushels the previous week. Total deliveries to date for this crop have been 19,000,000 bushels, against 20,000,000 bushels for the same period of the last year crop.

MINE MAY BE SOLD

Vancouver, Jan. 12.—Application for the appointment of a receiver for the Florence mine, Alnsworth, near Nelson, was postponed by Mr. Justice W. A. Macdonald in chambers here to-day following arguments by A. H. MacNell, K.C., and E. C. Mayers, the latter opposing the application. Mr. MacNell pointed out that money was owing on debentures and also on workman's liens and judgments obtained, the sum of the company's liabilities being in the neighborhood of \$300,000. Mr. Mayers explained that a purchaser had been found and that time was desired to complete arrangements. The fact of the receiver probably cause the deal to fall through. Under the circumstances an adjournment of the application for one week was granted.

WINNIPEG GRAIN

Winnipeg, Jan. 12.—After opening to a lower following indifferent Liverpool market, to-day's wheat market worked upward rapidly when exporters and millers came into the pit, and may touch a new high for the present movement at 12 1/2. The close only fractionally below the high. The market was active and the July future, which touched a high of 12 1/2, closed with a gain of 1/4. The market was active and the July future, which touched a high of 12 1/2, closed with a gain of 1/4. The market was active and the July future, which touched a high of 12 1/2, closed with a gain of 1/4.

VICTORIA STOCKS

The struggle that has been going on between those who have been trying to put up Terminus on the local market and those who have been seeking to force down the price and precipitate the selling or certain blocks of stock, resulted in a triumph for the bears to-day. In the shake-out a block of stock was dumped at 12 1/2 and this forced out another block which was thrown overboard at 38. Both blocks of stock were taken up by the house, which has been lately encouraging the movement for lower prices in Terminus. The Terminus shake-out resulted in a weaker market for Glacier Creek. Bids to-day dropped down to 25, with offers of the stock at 34. Dunwell was weaker to-day with 100 shares going through at 4 1/2. According to reports in brokerage circles, the effect of the Dunwell and Glacier Creek letters to shareholders hinting at the likelihood of a big deal has now spent itself. The market for the stock of the Dunwell and Glacier Creek letters to shareholders hinting at the likelihood of a big deal has now spent itself.

1924 OIL OUTPUT SHOWS BIG DROP

New York, Jan. 12.—Total production of the United States for the year 1924 was 710,463,300 barrels, according to statistics compiled and announced to-day by the Oil Weekly. The production of Texas, Arkansas and Oklahoma, every state registered a loss in the amount of oil recorded. California production dropped 25,000,000 barrels during last year. Compared with the United States total for 1923, the total of the entire country represents a decrease of 22,346,000 barrels.

No Top Yet Seen To Bull Market

New York, Jan. 12.—There is no indication of any early ending of the bull movement, say Tobey and Kirk to-day, in an analysis of the present financial position and the outlook. Logan and Bryan, however, say that "although the general run of advances coming to hand continue of a constructive character, still it should be borne in mind that the market has been advancing since November, and accordingly, from a technical viewpoint, it may be that a point has been attained in numerous parts of the list where it will be reasonable to anticipate a correction of technical conditions." Prime and Whitey give it as their opinion that public utility securities should advance further.

British Imports Increasing Fast

London, Jan. 12.—British imports in December were £131,609,000, against £128,740,000 in November and the highest of any month since 1920. Exports were £93,507,000, against £98,150,000, and re-exports, £12,063,000 against £12,328,000.

Advance in Steel Prices Forecasted

New York, Jan. 12.—Higher prices for steel products are forecasted as steel expansion goes on. United States Steel Corporation works in Pittsburgh are now up to about ninety per cent capacity.

NEW CANADIAN COMPANIES

Toronto, Jan. 12.—Authorized capital of new companies incorporated by letters patented in Canada in 1924 totaled \$466,794,908, according to Monetary Times records. This compares with \$777,197,312 in 1923.

CHICAGO GRAIN

Chicago, Jan. 12 (By R. P. Clark & Co., Ltd.)—Wheat—The old highs for May wheat were passed to-day, with the new top \$1.25 or 1/4 higher than the previous high. Commission house buying was quite general with profit taking and local selling easily as best. Export business was of fair proportions, and it may be that the advance will bring foreigners out of their apathy and to a realization of the real conditions. While we are waiting for the big export business, domestic cash trade conditions are giving the bulls plenty of encouragement, with strong cash prices, better milling demand and larger flour sales with fewer shipping directions on flour, and with mills finding it more difficult to replace their cash wheat. Visible stocks decreased 4,500,000 bushels and the local stocks decreased 911,000 bushels. Prices have had virtually a five cent advance to-day, from the low point, and some reaction may be due, but as a matter of fact, the May situation is steadily tightening. Would buy on any moderate setback and for the present would stay long some when wheat—Open High Low Close May 1.25 1.25 1.25 1.25 July 1.15 1.15 1.15 1.15 Sept. 1.05 1.05 1.05 1.05 Corn—Open High Low Close May 1.15 1.15 1.15 1.15 July 1.05 1.05 1.05 1.05 Sept. 0.95 0.95 0.95 0.95 Oats—Open High Low Close May 0.75 0.75 0.75 0.75 July 0.65 0.65 0.65 0.65 Sept. 0.55 0.55 0.55 0.55

DIED

PEARCE—At the Royal Jubilee Hospital, on Saturday, January 10, Miss Minnie Pearce, beloved wife of Herbert Pearce, "Lansdowne," aged thirty-nine years. The deceased was a native of Newfoundland, and had resided in the Langford district for the past twelve years. She leaves to mourn her loss her husband and two children, also her mother and grandfather, of Langford, and an aunt, Mrs. Richards, of Hurst Avenue, of this city.

Funeral Home

The remains are resting at McCall Brothers Funeral Home, corner of Johnson and Vancouver streets, and will be removed to Wesley Methodist Church, Victoria West, where service will be held on Wednesday afternoon at 2:30 o'clock. Rev. J. P. Dimmick, assisted by Rev. W. H. Hedman, will conduct the service, after which the remains will be laid to rest at Ross Bay Cemetery.

Funeral Home

WHITE—On January 10, at the Royal Jubilee Hospital, William James (Reddy) White, aged 75 years, a native and resident of 212 Commercial Street, by his brother, Mrs. J. P. Murray of Vancouver. Burial at Ross Bay Cemetery.

Funeral Home

The funeral will take place to-morrow, January 12, at 2 o'clock, from the Sands Funeral Chapel, and the remains will be laid to rest in Ross Bay Cemetery.

Funeral Home

Mrs. Smith and Mrs. E. McEwan wish to thank their many friends who, by sympathy expressed, kind words, flowers, floral tributes, helped to brighten a dark hour in the passing of a loving husband and brother.

## OAK BAY SPECIAL SNAP FOR QUICK SALE

HOUSE, 5 rooms and bathroom, modern. Open fireplace, basement, laundry, etc. Also and lawn; splendid garden; newly painted and in first-class condition; near car line; clear title. Price reduced to \$12,500, terms.

TYSON & WALKER  
620 Fort Street Phone 1468

"Jokely is full of it. Saw him last evening sitting on his woodpile telling funny stories, expecting the wood to split."  
"But it didn't."  
"No; evidently he did not strike a responsive cord."

## SITUATED in a quiet secluded locality.

Adjacent to Beacon Hill Park, near the sea and with a pleasant Southern outlook, this is one of the most charming homes of its class in Victoria. The house was built for the present owner less than a year ago, of stucco construction and on California bungalow plans. There are nine bright rooms (five bedrooms), containing every modern convenience and many special features, including: fixed tub; built-in effects; paneled and beamed; exceptionally large pressed-brick fireplace; hardwood floors in front rooms; living room 12x18 feet; high tension wiring throughout house for electric heating and cooking; very high cement basement; pipeless furnace; stucco garage to match design of house; solid concrete walk and driveway; stucco fence, etc. For quick action the owner has accepted the price away below the cost to build the house alone without any extras, and for anyone looking for an exceptionally attractive home at a bargain, this can't be beat at only \$1,500 on terms.

SWINERTON & MURRAY  
640 Fort Street Phone 491

## SERIAL STORY THE MARRIAGE SCALES

By MILDRED BARBOUR  
Copyright 1924, Metropolitan Newspaper Service, New York.

"MY WIFE'S IN LOVE WITH YOU!"  
It was an excessively warm night in the theatre. Back-stage, every available door and window was flung wide to admit whatever stray breath of air stirred in the sultry city. Actors, awaiting their cues in the wings, piled palm leaf fans diligently and endeavored, with gingerly mopping, to keep make-up undamaged.  
Our heroine, it was just as unaccountable in spite of electric fans, carefully muted until they gave forth no more distracting sound than a murmurous rustle miles away on a sandy beach.  
Doris, a guest at Mrs. Amos Hunter Deering's box party, was the coolest-looking person in the audience. Her fairness, the rose-petal quality of her coloring, her airy, faintly green chiffon frock made her the very essence of cool, serene, daintiness.  
Just behind her Dick Jarvis sweltered and mopped and was uncomfortably conscious that his collar was wetting. Doris was rather maliciously pleased with his obvious discomfort. She thought it amusing that he was forced, through three sweltering hours, to watch his rival on the stage go through with his remarkable performance, looking incredibly handsome and immaculate in a dashing uniform.  
Much as he detested his present situation, Jarvis had been unable to resist the potent combination of an invitation from the great social leader and the tempting promise of Doris as his dinner and theatre partner.  
So he was forced to listen to Craig Cullum's marvelous voice singing the impassioned love song, and to be further aware that the girl beside him had eyes and ears for no one but the singer.  
"The financial prospects are excellent and all affairs should react to the expansive force of a benign Jupiter. In all that pertains to social, domestic and affectional matters there should also be felt the beneficent influence of a most friendly Venus position. But these very propitious auguries should not be nullified by turbulence or strife. It is may look for a very prosperous and happy year, with all manner of affairs and affiliations flourishing, but this good fortune should not be negated by rash actions and ill temper. A child born on this day may be versatile, talented, and have good judgment and win the goodwill and affection of many people, but it should be taught control over a tendency to rash and impulsive acts and words."

## TO-MORROW'S HOROSCOPE

By Genevieve Kambe  
TUESDAY, JANUARY 13

The planetary forces for this day are most favorably disposed, assisting to flourishing and particularly lively conditions in all manner of business and professional pursuits. The financial prospects are excellent and all affairs should react to the expansive force of a benign Jupiter. In all that pertains to social, domestic and affectional matters there should also be felt the beneficent influence of a most friendly Venus position. But these very propitious auguries should not be nullified by turbulence or strife. It is may look for a very prosperous and happy year, with all manner of affairs and affiliations flourishing, but this good fortune should not be negated by rash actions and ill temper. A child born on this day may be versatile, talented, and have good judgment and win the goodwill and affection of many people, but it should be taught control over a tendency to rash and impulsive acts and words.

## SHOPPING TO DO

Clothesman—The idea of you asking me for a hundred dollars. Only last week you asked me for twenty-five.  
Wife—And got five. I thought if I asked you for a hundred I might get twenty.

## CHEAP ACREAGE

FOURTY-FIVE acres of good land, suitable for sheep or poultry, plenty of water, trees, etc. Clear and ready to go. Also city water. Good six-room house, property fronts on main road, twelve miles out.

J. GREENWOOD  
1232 Government Street

## Phoenician Assurance Co. Limited

(London, England)  
SALMON BUNGIFLOW WITH 8 ACRES  
THIS bungalow is fully modern and set on four rooms with full cement basement. Good barn and chicken house. Very nicely situated on a main highway in the best part of the city. All cleared and five acres under cultivation. All fenced and there are about 1 1/2 acres in orchard, less than ten miles from centre of city. Taxes light.

Price, on terms, \$4,500

822 Government St. Phone 113

## TIMES CROSS-WORD PUZZLE

Here's a new idea—diagonal words, besides horizontal and vertical. Two words are formed from corner to corner, interlocking with the others at the centre.

Answer to Saturday's Cross-word Puzzle

## HOW TO SOLVE THE CROSS-WORD PUZZLE

Every number in the form represents the beginning of a word, reading either horizontally or vertically. If there is a black square to the left of the number, the word is horizontal; if above it, the word is vertical. The same number may be the beginning of both a horizontal and a vertical. The definitions for the correct words to fill the form are found below, with numbers corresponding to those on the form. Run through the definitions till you find one that you recognize, and put it in its proper place on the form, one letter for each white square. This will furnish several cross-clues to the words linking with it at right angles. Continue in this manner till the form is completely filled. If you have solved the puzzle correctly it should read both horizontally and vertically with words corresponding to the definitions. The correct solution of to-day's puzzle will be printed in the next issue of The Times.

- DIAGONAL (Upper left to lower right)
- 1. Inconveniences.
- DIAGONAL (Lower left to upper right)
- 20. Intelligence or news.
- HORIZONTAL
- 2. An inferior deity.
- 3. Respect.
- 10. Frequently.
- 12. Type measure.
- 14. Toward.
- 15. To beat severely.
- 17. Hence.
- 18. By the way of.
- 22. Member of an academy.
- 21. A bad score.
- 23. Edge.
- 25. Before.
- 24. Exista.
- 25. A measure.
- 26. Feeling sick.
- 28. Belonging to them.
- 31. Browed.
- VERTICAL
- 3. Expression of inquiry.
- 4. Speech of the cow.
- 5. Dehilitis.
- 6. Gained possession of.
- 7. Conjunction.
- 9. Animal jelly.
- 11. Lenders.
- 13. Emblems of authority.
- 14. Diadem.
- 15. Male adult.
- 17. Over (contraction).
- 18. A purpose.
- 19. Complete.
- 20. Exclamation.
- 21. Brightened.
- 22. Toward.
- 23. Musical note.

Answer to Saturday's Cross-word Puzzle

## TO-MORROW'S HOROSCOPE

By Genevieve Kambe  
TUESDAY, JANUARY 13

The planetary forces for this day are most favorably disposed, assisting to flourishing and particularly lively conditions in all manner of business and professional pursuits. The financial prospects are excellent and all affairs should react to the expansive force of a benign Jupiter. In all that pertains to social, domestic and affectional matters there should also be felt the beneficent influence of a most friendly Venus position. But these very propitious auguries should not be nullified by turbulence or strife. It is may look for a very prosperous and happy year, with all manner of affairs and affiliations flourishing, but this good fortune should not be negated by rash actions and ill temper. A child born on this day may be versatile, talented, and have good judgment and win the goodwill and affection of many people, but it should be taught control over a tendency to rash and impulsive acts and words.

## SHOPPING TO DO

Clothesman—The idea of you asking me for a hundred dollars. Only last week you asked me for twenty-five.  
Wife—And got five. I thought if I asked you for a hundred I might get twenty.

## BEDTIME STORY

### Uncle Wiggily Goes Coasting

Copyright, 1925, by McClure Newspaper Syndicate  
(By Howard R. Garis)

One day Uncle Wiggily, the goat, called to see Uncle Wiggily in the bunny gentleman's hollow stump bungalow.  
"How are you, Mr. Longears?" asked the goat.  
"Very well, thank you," answered the rabbit. "And how are you?"  
"I think I'd feel a little better if there was a little excitement," bleated the goat. "Look over there!"  
"You're too modest, Craig. Look at me! She fell in love with me!"  
Cullum stopped his pacing to confront Charles.  
"Now listen to me! This is all a hoax! She's got some motive in this—perhaps it's to make you jealous, or to bring you to time for something or other. Maybe she's just bored and wants to stir things up. Women like to, you know, and they don't really take this method. I tell you, Charles, she's fooling you! There isn't a word of truth in it!"  
Charles shook his head despairingly.  
"You don't know Mariana. She doesn't bother with subtlety. She strikes straight from the shoulder."  
With an exclamation that resembled a groan, Cullum sank into a chair.  
Minutes passed while he and Charles both sat silent, thoughtful, and undecided. The Cullum roused himself with a jerk.  
"Now see here, old man, it's too nothing to worry about. It's too

With an exclamation that resembled a groan, Cullum sank into a chair.  
Minutes passed while he and Charles both sat silent, thoughtful, and undecided. The Cullum roused himself with a jerk.  
"Now see here, old man, it's too nothing to worry about. It's too

Ho! Ho! laughed Uncle Wiggily.

## Hamburg Hamorist Plays no Favorites

Hamburg, Jan. 12.—A column conductor on The Hamburg Correspondent has compiled a number of opinions about the salient characteristics of the different nationalities. Here are some of them:

"One American is a silent drinker. Two organize a limited company, and three enact the prohibition of alcohol."  
"One Englishman is an eccentric creature. Two organize an athletic contest, and three make a great nation."  
"One German is a pedant. Two found a brewery, and three make war."  
"One Italian is a syndicalist. Two make a love tragedy and three march against Rome."  
"One Russian represents a variety of political parties."

PRINCESS VICTORIA CREATES SPEED RECORD IN NIGHT RUN ACROSS WATERS OF STRAITS

Came Here From Vancouver and Then Went to Seattle in Less Than Eight Hours, Making Best Time of Her Long Career; Still Retains Title of Fastest Craft in B.C. Coast Service.

Leaving Vancouver at 11 p.m. on the night of Thursday, January 8, the C.P.R. Ss. Princess Victoria made one of the fastest voyages on record on this coast, via Victoria and Seattle. The Blossom Time Company wanted to reach Seattle in a hurry for a performance at Tacoma. The Princess Victoria was to take them. But the vessel lay in Vancouver. Consequently she had to make this port to pick up her passengers and freight and then proceed to carry them to Seattle. The speed with which the old Princess carried out her work is proof that she has not yet outlived her days of usefulness. Speeding through the gulf waters, the Princess Victoria left Vancouver at 11 o'clock. Preparations were made in Victoria that there might be a little delay as possible in loading the freight and in embarking the passengers. All was in readiness the outer docks. In the early hours the Princess Victoria's lights suddenly appeared out of the night off the head of the straits, and leaping from her prow, the old boat cut through the water and headed in for the dock from the end of the Ogden Point breakwater almost at top speed. By masterful handling under Capt. T. Rippon, she was brought neatly alongside the pier, and almost before she was made fast the freight was going aboard. Then, when all was ready, she left again for Seattle. It was not yet daylight when the Princess was moored in Seattle, in fact it was precisely 7.45 a.m. For the entire trip, counting the stop in this port to load freight, the Princess Victoria required only seven hours and forty-five minutes to make the double trip.

Two Drown in Tacoma Waters

Amateur Fishermen Perish Despite Efforts of Police to Revive Them

Tacoma, Jan. 12.—Police, using pulmotors, fought a losing fight with death Saturday night in their efforts to resuscitate Archie Ellison, twenty-five, and Victor Miller, twenty-seven, victims of a boat upset. Although the men had been in the icy waters of the bay off Point Defiance Park for nearly three hours before they were rescued, their bodies were found while they were pronounced dead at 10 p.m., two hours after they had been taken from the water. Members of a fishing expedition, Ellison and Miller, failed to return to the park pavilion after becoming separated from friends in another boat. Floating cushions from the victims' boat were found, but it was three hours before the bodies were discovered floating in shallow water near the shore.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache Often Means You Have Not Been Drinking Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys and their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you may relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue yellow and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness. Jad Salts is inexpensive, can not injure and makes a delightful, effervescent lithia-water drink. Drink lots of soft water. By all means have your physician examine your kidneys at least twice a year. (Adv.)

ADMIRAL SHIP DUE WITH HEAVY CARGO

President Grant to Arrive on Friday; Has \$6,500,000 in Freight Aboard

Due in this port on Friday of this week, the Admiral Oriental liner, President Grant is bringing a cargo from the Orient valued at \$6,500,000. According to W. N. Allan, local agent for the Admiral Oriental Line, the President Grant is due here Friday morning. It is understood that the Grant carries considerable tonnage for discharge here and a list of notable, bound for Canada, United States and Europe. Mr. Allan also announced the sailing of the Emma Alexander from this port on Sunday morning at 9 o'clock. The ship carried 250 passengers and a full cargo for San Francisco and other southern ports.

TIMES SHIPPING CHART

Table with columns: Steamer, Master, Tonnage, Agent, From, Due. Includes entries for Kaga Maru, President Grant, Empress of Asia, and President Madison.

COASTWISE MOVEMENTS

For Vancouver: C.P.R. steamer leaves daily at 2.15 p.m. From Vancouver: C.P.R. steamer arrives daily at 7 a.m. For Seattle: C.P.R. steamer leaves daily at 4.30 p.m. Sol Due leaves daily, except Sundays, at 10.15 a.m.

C.G.M.M. MOVEMENTS

Canadian Highlander left Panama Canal for United Kingdom December 20. Canadian Importer left Victoria for Antwerp December 29. Canadian Inventor arrived Vancouver. Canadian Planter left Townsville for Newcastle January 5. Canadian Prospector arrived Halifax January 7. Canadian Miller left Yokohama for Kobe January 7. PREDICTS BANNER YEAR FOR CANADIAN NATIONAL RAILWAY

C. F. Earle, Divisional Passenger Agent Here, Just Returned From Conference, Confident of Business Increase over Government Line.

"We are looking for bigger and better business on the Canadian National Railway, this year," said Charles F. Earle, divisional C.N.R. passenger agent stationed in this city, who has returned from a conference of officials of his line in Winnipeg. "Prospects for the year to come are in every way encouraging," added Mr. Earle, "for it is not reasonable to suppose that conditions can be bettered in other directions while the railroads remain unaffected." H. A. Stuart, divisional freight agent of Victoria, attended an earlier meeting of officials of the line in the same city. The freight men met on January 6 and 7, and on the following two days the passenger agents held their conference. "Our conference," said Mr. Earle, "covered matters of a confidential nature. We met for the purpose of discussing ways and means of saving the company's money and of bringing more business to the government lines. I think that the conference will prove its worth in the months to come, and that our discussions, which have brought about a better understanding among ourselves, will tend to increase the high quality of service which we have given in the past. After traveling over the Canadian National line, Mr. Earle was much impressed by the winter grandeur. TOURIST ATTRACTIONS Speaking of Jasper Park Lodge, one of British Columbia's most frequented mountain resorts, Mr. Earle asserted that there would be added attractions for visitors there this year. The big eighteen-hole golf course is now almost completed, and by Summer will be ready for play. In addition to the boating, swimming, riding, tennis and various other forms of recreation, the improvement of the Jasper Park added popularity and distinction, said Mr. Earle. "As far as Jasper goes," continued Mr. Earle, "we are looking forward to a banner year. The public know what we have to offer them, and hundreds will come to Jasper from all parts of the continent when the tourist season actually commences."

ATLANTIC STORMS ROCK HUGE SHIPS

Passengers Well Shaken in Wrath of Hurricane; Vessels Delayed Two Days

Paris, Jan. 12.—Two gales swept liners, the Lapland and the France, made port late Sunday, forty-six hours overdue from European ports. The France and her 255 passengers got a bad shaking up, and were pretty well battered when the big ship nosed her way toward the centre of a hurricane that swept across her path just off the Grand Banks early last Thursday. The Lapland skirted the same hurricane, but vessel and passengers escaped with minor hurts.

SPEED ESSENTIAL IN FOREIGN PLANES. PARIS SHOW REVEALS

Paris, Jan. 12.—Speed, speed and more speed, was the main object to which world airplane manufacturers strived during 1924, judging by the exhibits shown at the Ninth French Aviation Salon in the Grand Palais. The early trend toward light-winged machines with weight lifting capacity ranging from three to five tons, prevalent at last year's salon, has been abandoned. In order to achieve speed, the designers and manufacturers have reverted to monoplane, and sequipians, all-metal, thick wing and powerful motors built as light as possible. "The manufacturer must build whatever the customer wants," said Monsieur E. Dewoitine. "In our case the customer is the state and the state wants fast planes, so it is up to us to supply them." There are orders for 300 of these fast planes now on file at the Dewoitine plant for delivery in 1925. They are distributed among the following governments: Yugoslavia, Italy, Czechoslovakia, Belgium and Japan. It is understood that the largest order comes from the Far Eastern country. Niuport presents a sequiplane, armed with four machine guns, despite the fact that it is only 1.50 meters in length, and has a wing spread of only twelve metres. They say its 450 horsepower motor can haul the plane at a rate of 300 kilometers per hour for three solid hours. It has a lifting capacity of 500 kilos. For, Salomon, Breguet and Caudron all turned in "pursuit planes" with dimensions and lifting capacity similar to the Niuport. They all claim to be able to negotiate between 250 and 300 kilometers an hour. Farman alone exhibits a huge bombing plane, equipped with four 500 horsepower motors, which weighs 11,000 kilos when ready to take the air. This weight includes 2,500 kilos of bombs and 2,000 kilos of fuel. The armament of this air cruiser consists of thirty-two bombs of fifty-six kilos each, with seven to ten bombs of 100 to 200 kilos, all arranged with automatic release. Pro-

RENEW VOYAGE

Princess Rupert, Jan. 12.—The barge Bingham, which broke adrift from the tug Massett, Sunday morning in Hecate Strait and was buffeted about by heavy seas until it anchored in shelter off Baron Island, left Prince Rupert today by the tug Massett to complete the voyage to Cumshewa Inlet. The Massett, which reached here in a leaky condition as a result of the gale, was quickly repaired. The heavy wind along the coast has subsided and the weather is bright and crisp.
