

A tree where roots meet:

TURKIC
WIKIMEDIANS

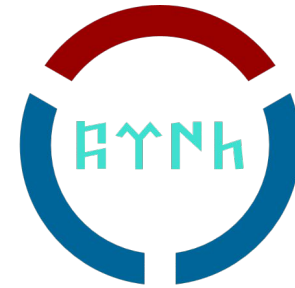

Who are we?

Wikimedians of Turkic Languages User Group is a Wikimedia User Group **created by active members of Wikimedia contributors who contribute and develop Wikimedia projects in Turkic languages.**

It aims to promote and participate in the projects offered by the Wikimedia Foundation and to organize the Turkic community.

As July 2023, we have **85 members!**

WIKIMEDIANS
OF
TURKIC LANGUAGES
USER GROUP

A collage of four photographs is shown, partially obscured by a large, diagonal cyan banner. The top-left photo shows a close-up of an elderly man with glasses. The bottom-left photo shows a person's hand holding a small object. The bottom-center photo shows a group of five young men sitting on a bench, some waving. The bottom-right photo shows a person wearing a traditional costume with a blue and white patterned garment and a red beaded necklace. The word "GOALS" is written in large, bold, black capital letters across the cyan banner.

GOALS

SUPPORT

We support Turkic communities and work together for their development.

COOPERATE

We encourage the free circulation of information in Turkic countries, for this we cooperate with other institutions with similar missions and visions.

DEVELOP

We are working on the proliferation and development of Turkic cultural elements on Wikimedia Commons and other Wikimedia projects.

The background of the image is a dark, slightly blurred photograph of numerous stickers scattered across a surface. The stickers are primarily white with blue and red accents, featuring the Wikidata logo and the text 'WIKIDATA ISTANBUL' and 'WIKIMEDIANS'. Some stickers also show the Turkish flag. A prominent cyan diagonal banner cuts across the center of the image, containing the word 'ACTIVITIES' in large, bold, black capital letters.

ACTIVITIES

WIKIDATA ISTANBUL

- 11 countries
- 46 participants
- 10+ presentations

A person wearing headphones and working on a laptop in a red-cushioned office setting. The person is wearing a grey sweater and is focused on their work. The background shows other people in a similar setting, suggesting a collaborative work environment.

TURKIC MARATHON

With Turkic Marathon, content related to the Turkic world is opened by User Group members on their local Wikipedias.

Prizes are awarded to the winners of the competition.

COLLABORATIONS

By making various visits to institutions and organizations related to the Turkic world, we provide information about our activities and evaluate cooperation opportunities.

UPCOMING

Turkic Wikimedia Conference is an annual gathering of Wikimedians and supporters of Wikimedia projects in Turkic languages. The conference aims to bring together all the people who work on Wikimedia projects and support the development of projects and the Wikimedia Movement on a local and global level.
