Wednesday evening discussions

Round table discussions with Wikimedians, and anyone interested in the topics.

On three Wednesdays in July 2017 from 17:30 until 19:00 in the *BiblioTECH* space, State Library of Western Australia.

- 12th — **Digitize and destroy, or digitize and preserve?** — Is digitization destructive or valuable in the preservation of items?
- 19th — **Success and transgressions** — Should a notable person's transgressions impact on the recognition of their place in history?
- 24th — **Wikipedia, friend or foe?** — Is Wikipedia a competitor for the sharing of knowledge, or a complementary partner to traditional methods?
