Laughter filled the campus as this year's FRESHMEN FROLIC commenced. The day was filled with bed racing, egg tossing, human gift wrapping and dancing. The SONGS AND DANCES were, however, the highlight of the evening. The friendly competition created and fostered bonds between halls and advising groups. The FRESHMAN CLASS OF 2004 claimed this day a huge success!

#### FRESHMAN FROLIC ROCKED!

Over 100 freshmen danced the night away at the annual Freshman Frolic. The event was held in the courtyard of the Student Center and was a great success. The girls were in high spirits and had a lot of fun. The event was a great way for the freshmen to get to know each other and to have a good time.

# JUNIOR RING DINNER

October 27, 2000

On September 20th, the MEREDITH COLLEGE CLASS OF 2002 received their class rings at the traditional JUNIOR CLASS RING DINNER. The rings arrived engraved in small, wooden ring boxes and were delivered along with silver, engraved picture frames. Several surprised juniors found themselves teary-eyed as they read LETTERS FROM THEIR PARENTS. This truly special evening will be forever treasured by the class of 2002.

# SOPHOMORE CHARMING DINNER

February 22, 2001

The Charming Dinner was held in the formally decorated Bell Dining Hall. Katie McNamara, dinner chair, gave a speech and read a poem prepared especially for the event. Music played during dinner and cameras flashed as sophomores enjoyed the evening. The charms everyone wore symbolized what Meredith is all about...unity.

Each year the Middle West Region Association (MRA) sponsors a weekend for the Middle Community to welcome their "little friends" to participate in activities that focus on fun and fellowship. The theme of this year's U Friends Weekend was "Wild, Wild, West." All friends who attended had a blast. There were events such as a hula-hoop contest, an egg race, sliding cream fights, and a scavenger hunt. Crafts were made, along with smiles and new friendships. Hours of fun were spent in the pool. So many memories were made during U Friends Weekend.

DEVOTED TO STUNT

Stunt was held in the courtyard this year due to beautiful weather. Meredith girls put on their athletic skills and participated in the bat-spin, 3-legged race, tug-of-war, and a crazy obstacle course. The game was once again the hit of the evening. All classes did a great job and went all out. The sophomores took first place, but the seniors were not far behind. The evening winded down by watching the movie, *Girls Just Wanna Have Fun* in the courtyard sponsored by the Residence Hall Board.

# FRESHMEN FIRE & WATER DINNER

April 24, 2001

WINDY NIGHTS ANGELS WITH ONLY ONE WING

BY THE SEA

Freshmen Fire and Water Dinner (2001) was a treat for all who attended. The dining hall was transformed into a beach scene, fitting the theme, Under the Boardwalk, to a tee. Friends had the chance to come together and talk of all the fun, and not so fun, times during freshman year. Everyone seemed to fully enjoy the freshmen video, which showed what our Class of 2004 time capsule would hold when buried. During the ceremony, it was exciting to be able to rid ourselves of the idea of everything bad we had experienced, while also embracing the good and seeing all our eggs floating into the fountain. Even though it was raining during the Fire and Water ceremony, the memories made during the year will never be washed away.

## SENIOR CLASS PICNIC

April 25, 2001

*Meredith College held its annual senior picnic, an event that as a tradition concluded a friendly competition between senior and junior class members. Prior to the afternoon event, seniors would gather to decide upon a spot in which to hide the croak, a Meredith tradition. Then they would compile a poem that serves to provide juniors with subtle hints in reference to the location of the hidden object. The juniors traditionally have one week to search for the croak; however, this year they came up short, allowing the seniors to claim victory. (The object had been cleverly placed inside of a drainage pipe.) After the conclusion of the main event, students returned to the dining hall where they enjoyed dinner, cake, music, and fellowship.*

## MOTHER~DAUGHTER TEA

April 29, 2001

*The Mother~Daughter Tea was held at the Claridge Marriott. The room was full of mothers and daughters. Many mothers had traveled from all over to spend time with their daughters. The surprise letter the mothers had written to their daughters brought tears to many eyes. The slide show also brought back many cherished memories of times long ago. This was a day of re-living and making memories. The food and fellowship were wonderful.*

## CLASS DAY

May 12, 2001

*The rain did not dampen the spirits of Class Day 2001. The event began with the procession of the daisy chain and song by some of Meradith's finest. Once the rain pushed everyone inside Jones Auditorium, the sophomores and seniors traded remembrances of their time together. This special day was marked by the joy, laughter, and tears of long-time friends who must now part ways.*

## DEAR KRISTEN

Throughout your formative years,  
You have astonished all of us with  
Your persistence and commitment  
In reaching and surpassing your "Dreams".

We love you very much and wish you  
Health and happiness in Life,  
As it is just beginning...

Love,  
*Dad, Mom, Tim & Jeff*

# Kate Davies

## KATE

You have always worked very hard to achieve your best and now you reap the rewards. As you graduate from college and move on to the next phase of your life, remember we are all extremely proud of you and love you to the end of the earth.

*Janly, Beth, Lauren (peasant) and Grandma J.*

# Mary Elizabeth Rhame

## CONGRATULATIONS BETSY!

We love you and are so proud of you!

*Love, Mama, Daddy, and Pattie*

# Paige Diane Caviness

God loaned to us a little bundle of joy  
To nurture and love and raise for him  
This was a frightening task and we often questioned  
Our ability to raise this precious little gem

But we loved and nurtured her as best we knew how,  
Taught her to love and respect and do the things she should  
And with only a little bump here and a little stitch there  
With God's help she made it to womanhood

She worked diligently throughout her school years,  
Studying and doing her homework without a fuss  
And if parents are graded on how their child turns out,  
There is no doubt about it, we get an 'A' plus

*Mom and Dad*

I know the past four years has been a long, long road to the end, but it seems to me that just yesterday you were still in High School. You have conquered all that you have set out to do, no matter how difficult it was and I know you will continue to do so. I am very proud of you. *Congratulations!*

Love, Mom

What can I say about my sister? I bet mom and dad have said it all. Well, all I can say is I can't believe she's graduating. I know she does the best that she can do. That's why she is an excellent student. I am proud of her for what she has accomplished throughout these years. Even though she is a really good student, she is an even greater sister. I am proud of you. Good luck at whatever comes your way.

Love, Andy

I can't begin to express how proud I am of you- Not only for all of your academic accomplishments throughout your High School and College career, but also for the person you have developed into. The strength of your personality and the courage of your spirit to pursue your goals with absolute conviction and perseverance combined with your caring and compassion for those less fortunate than others, are truly personal traits that can only propel one through life successfully, focused, confident, and happy.

As your father, I can now only step back and watch the world bestow the gifts and rewards to someone as deserving as you. And, as your father, I will always fill with pride that you are my beautiful daughter.

With all my love, Dad

Well you finally did it. Again.

Congratulations on everything you have achieved so far. I know you're not done yet, but you have made me and everyone else in the family proud. Good luck in Grad School and remember that we all love you very much. Keep your mind free and open and you will succeed at whatever road you decide to travel down.

Love, Bryen

For the "little girl in the toy closet", who has blossomed into a "shining star". You have accomplished so much since you began your journey as part of the Class of 2001 in what seems like just yesterday. We all have watched you grow, and shared in the pride of your success. Now, we are blessed to be part of this special moment in your life, and to bear witness to all that you have strived so hard to reach. On behalf of the entire extended family, may you reach every goal you set forth

for yourself both personally and professionally. The strength, support, and unwavering love of your family helped you in this wonderful opportunity to build a solid foundation from which to do great things in life. Always know in your heart how very much you mean to all of us, and as you prepare for your future journeys we will continue to be there to offer support when you feel the need.

Congratulations on this magnificent achievement.

With Love Always,

*Mom, Dad, Bonnie, Neil, Madison, and the entire extended family*

We are so proud of our very own "Angel."  
Please continue to fly high and reach for the stars, keep your halo polished, be patient with others who don't fly as fast as you do, "teach" the little ones to have peace in their hearts, and never let your dreams take you so far that we can't reach out to love and encourage you! Congratulations! Remember... "when you have the choice to sit it out in life or dance...DANCE!  
It doesn't get much better than this!

We love you, Sunshine!

## S H A N N O N

Well, our precious little bundle (that would be you) has met this most daunting and important challenge- graduation from college!! An accomplishment about which you can be exceedingly proud. A most critical milestone for you that will touch everything you do. A place where many of your most important friendships and alliances have formed, and will remain for the rest of your life. An experience that will provide for you a great reservoir of skill, ability, wisdom, confidence, toughness, self-esteem and much more. A place where you have learned not to be intimidated by education and new learning--which is a good thing because it will continue your whole life long. A place, we have witnessed, where you have fallen in love--with life, and all the goodness available in and from it, when you do it right. We are so proud of and happy for you; we, and we're sure you, can hardly wait to see the next chapter!

Love always,  
Mom, Dad, \_\_\_\_\_, Sarah, Rachael, Catherine,  
Billy & Oscar

# Julie Anna Dimmock

Today and always  
Your family is proud of you-  
Proud of the path that you have made  
That is all your own

We see the many unique  
Talents and gifts you have to share.  
We see your innocence, your enthusiasm,  
And how deeply you care  
And hurt sometimes.

We see your hard earned wisdom  
And your achievement,  
Your courage and compassion,  
Your uncompromised goodness.  
We see the difference  
You make in the world.

But those are not the reasons that  
we love you. We love you  
Because you are God's gift to us.  
As you turn to a new chapter in your life,  
We know God will be with you  
Guiding your path to new wonders  
and blessings.

We love you!

Kate,

I know we don't get always get along and we won't, but I am glad we've become closer. Thanks for finally accepting NSYNC. All I have to say about that is, "Whoo, Whoo, Wha, Wha, Whoo, cause I just got paid!" I'll never forget that b-day and JC's rendition of "No Strings Attached" and Joey's rendition of "Bye, Bye, bye".

Congratulations! I love you lots! *L-bell*

Dearest Katherine,

In your life, I know you've learned at least four things:

1. Peppercorns really are as hot as they say.
2. Glass is sharp.
3. Candy does cause cavities.
4. You can scream all you want, but you're not getting off until the ride is over.

I don't know what they taught you in college, but I know you did all your homework.

Congratulations for all the hard work you have done! Love, *Zach*      Congratulations! I wish you all the fine things! Love, *Olivia*
