"Q What was the date of that last Liaison Conference before the Imperial Conference of 1st or 2nd of December?

"A I think that last Liaison Conference before the Imperial Conference was on the 30th of November. However, as I have said before, I am not sure of the date of the Imperial Conference. I rather think it was the 1st, but it may have been the 2nd."

"Q How many times did the Emperor ask you to be certain that the note was to be delivered before the attack?

"A Repeatedly.

"Q Can you give us any idea of the number of times? - Was it three times, six, a dozen?

"A I was going to the Emperor about every other day and he warned me many times about it.

"Q What was the earliest date he warned you, as you recall?

"A He was always warning me about matters having to do with foreign relations, but I think the first time he warned about the delivery of the final note was just after the Imperial Conference of the 1st or 2nd of December 1941.

"Q Was not the Emperor afraid that the actual attack might take place before the note was delivered?

"A Yes, he was afraid of it. He said to be careful to see that it did not happen."
