MINISTERIAL ORDINANCE

Ministry of Transportation Ordinance No. 28

Sepetember 28, 1948

The Regulation concerning the Use of Port Facilities under the Jurisdiction of Maritime Bureaus is hereby established as follows:

Minister of Transportation
OKADA Seiichi

Regulation concerning the Use of Port Facilities under the Jurisdiction of Maritime Bureaus

Article 1. The use of port facilities under the jurisdiction of Maritime Bureaus shall be in conformity with this Regulation.

Article 2. In this Regulation, the term "port facilities" shall mean mooring quays, piers, mooring buoys, cargo handling machines, sheds, warehouses, landing places, field-storages, timber-yards and other land, buildings and tug-boats.

Article 3. Any person who intends to use the port facilities shall submit a written application for use according to the Annexed Form No. 1 to the Director, Maritime Bureau (In case of the location of a Branch of Maritime Bureau or a Harbor Management Office, the Chief, Branch of Maritime Bureau or the Chief, Harbor Management Office. The same shall apply hereinafter except Art. 5.) for his approval.

Article 4. The Director, Maritime Bureau shall, if he has deemed the application approvable after inquiring into the contents of the written application, mentioned in the preceding Article, approve the same and deliver a written approval for use according to the Annexed Form No. 2.

The Director, Maritime Bureau may attach conditions to the approval mentioned in the preceding paragraph.

Article 5. In case where the person who has obtained the approval for use of port facilities in accordance with the provisions of the preceding Article (hereinafter called as the user) intends to equip the port facilities which he uses with a structure and others, he shall obtain the approval of the Director, Maritime Bureau.

Article 6. In handling and storing the cargo which comes under any of the following items the use of port facilities shall be prohibited, except in case where the special approval of the Director, Maritime Bureau has been obtained:

1. Explosives or combustibles;
2. Cargo feared to damage other ones;
3. Cargo suspected to have been contaminated with infections or contageous diseases, perishables or dirty articles;
4. Cargo feared to damage the port facilities;
5. Cargoes designated by the Director, Maritime Bureau, in addition to those provided for in the preceding items.

Article 7. The user shall not transfer or hypothecate his right to use the port facilities, or sublet the port facilities.

Article 8. The Director, Maritime Bureau may, at any time, make the competent official investigate into how the port facilities are used.

Article 9. The Director, Maritime Bureau may, if he deems it especially necessary for the purpose of operating ports and harbors, cancel his approval, order to suspend the use of port facilities, or issue necessary instructions, including those directing change of the place used, and improvement of the method of use.

Article 10. The user shall pay the charge for use. The amount of the charge provided for in the preceding paragraph and the method of payment thereof shall be provided for by Notification.

Article 11. The user shall, if the use of port facilities has been ended or the approval of the use has been cancelled, go through the inspection of the Director, Maritime Bureau, upon restoring the port facilities to their original conditions without delay.

Article 12. This Regulation shall apply with the necessary modifications to the use of tug-boats and other things which are not under the jurisdiction of the Maritime Bureau among port facilities offered by the Director, Maritime Bureau.

Article 13. The Director, Maritime Bureau may lay down detailed regulations for the enforcement of this Regulation subject to the approval of the Minister of Transportation.

Supplementary Provisions:

1. This Regulation shall be put into force as from October 1, 1948.

2. Any person who is using port facilities under the jurisdiction of the Maritime Bureau at the time when this Regulation comes into force shall be regarded to have obtained, under this Regulation, the approval for use for the remaining period of use on the same conditions as before.

EXTRA No. 5 — TUESDAY, SEPTEMBER 28, 1948

MINISTERIAL ORDINANCE

Ministry of Finance Ordinance No. 92

September 28, 1948

For the purpose of the enforcement of Cabinet Order for Enforcement of the National Property Law (Cabinet Order No. 246, 1948), the National Property Law Enforcement Rules shall be established herewith as follows:

Minister of Finance
KITAMURA Tokutaro

National Property Law Enforcement Rules

Article 1. Within the meaning of this Ministerial Ordinance, "Classification and types," "division or bureau," "change of jurisdiction," "change of administrative control," and "chief of Ministry or Board" are respectively "classification and types of national property," "division or bureau," "change of jurisdiction of national property," "change of administrative control of national property," and "chief of Ministry or Board" as prescribed in the National Property Law (Law No. 73, 1948; hereinafter referred to as the Law).

2 Within the meaning of this Minisetrial Ordinance, "management district property" is such property for enterprises as is used for national forest undertakings and is in the area where the management program is drafted; and "quasi-management district property" is property which is used for national forest undertakings and is outside of the area where the management program is drafted.

Article 2. The ledger for national property (hereinafter referred to as the ledger for National Property) shall be prepared in accordance with Form No. 1.

Article 3. The ledger for national property must be accompanied with drawings regarding the land and buildings entered in the ledger, and rights mentioned in No. 5, paragraph 1, Article 2 of the Law.

Article 4. In case a summary ledger for national property is maintained, it must be prepared in accordance with the summary in Form No. 1.

2 The summary ledger for administrative property (excluding management district property and quasi-management district property in the property for enterprises) must be accompanied with drawings in accordance with the preceding Article.

Article 5. The division and kind of national property to be registered in the ledger for national property shall be in accordance with the attached table No. 1, the Table of Division and Kind of National Property.

Article 6. The units of number and quantity to be registered in the ledger for national property shall be as prescribed in the attached table No. 1, the Table of Division and Kind of National Property, and fractions thereof shall be omitted; provided, however, that this shall not apply to cases where the total number or quantity is less than a unit, or where it is especially necessary to retain the number or quantity less than a unit.

Article 7. In the ledger for national property, the value of land and the fixtures on land need not be entered in regard to such national property, as is provided in Article 1, of the Law concerning the Disposal of National Property, leased free in change to shrines, temples and churches (the Law No. 53, 1947. However the property which is put under the Custody as is provided in the National Forestry Law is excluded. Hereinafter, be referred to as the property for the Use of shrines, temples and churches), or to such common property leased to Local public bodies in order to be used for public park (hereafter referred to as the property for public park) before the enforcement of the Ex-State Property Law (the Law No. 43, 1921).

Article 8. The terms to be used for stating reasons for increase and decrease which are entered in the ledger for national property shall be in accordance with the attached table No. 2.

Article 9. The report of increase and decrease in national property and of the existing amount of national property shall be prepared according to Form No. 2; the report of the estimated amounts of existing national property, according to Form No. 3; the report of the lease of national property free

2. Post Offices:
   Tokyo Central Post Office,
   Yokohama Post Office,
   Osaka Central Post Office,

Shimonoseki Post Office,
Moji Post Office,
Nagasaki Post Office.

(Notification of the Date for Inspection)

Article 7. A Plant Quarantine Official shall make a previous notification of the date of inspection to a person who ma'e a request for inspection in accordance with the provisions of Article 5. However, this shall not apply to the case where emergency measure is necessary to control injurious insects or plant diseases.

(Notification of Inspection)

Article 8. A Plant Quarantine Official shall, if he makes an inspection of any imported articles other than designated plants or prohibited articles in accordance with the provisions of Article 7 of the Law, make a previous notification of the same to an owner or administrator of the article to be inspected. However, this shall not apply to the case of emergency due to the necessity of controlling injurious insects or plant diseases.

(Transportation of the inspected article, etc.)

Article 9. Any person who requested inspection in accordance with the provisions of Article 5 or any person who received notification in accordance with the provisions of Article 8, or an owner or any administrator of the article to be inspected in accordance with Article 10 of the Law, shall, in accordance with the instruction of the Plant Quarantine Official, provide transportation, packing, unpacking of the article inspected or to be inspected and other measure pertaining thereto.

(Issuance of certificate)

Article 10. A Plant Quarantine Official shall, if he deems that there is no hindrance in controlling injurious insects and plant diseases as the result of the inspection based on the provisions of Chapter 2 of the Law, affix a seal or annex a certificate tag or issue a certificate according to Form No. 2 hereto appended.

(Notification of Disposal, etc.)

Article 11. A Plant Quarantine Official shall, in case he disposes plants or any other article or inflict a considerable damage thereto, or prohibit the import or receipt thereof or takes any other necessary measures in accordance with the provisions of Par. 1, Article 11 of the Law, inform the action taken to an owner or an administrator or a recepient of the same (hereinafter referred to as "person related") and shall issue a certificate of disposal to a person related according to Form No. 3 hereto appended when such demand is made by him.

Chapter III. Quarantine of the Plants to be Exported

(Application for Inspection)

Article 12. Any person who wishes to export plants in accordance with the provisions of Par. 1, Article 14 of the Law shall make an application for inspection ten days prior to the export to the Animal and Plant Quarantine Station. However, in case of making an application for inspection at a location other than inspection offices in accordance with the proviso of Article 13, application shall be made 30 days prior to the export.
