For all targets give location and effect of hits, and identify by numbers above. Use additional sheets if necessary).

- 1 - Three depth bombs (we are temporarily out of regular bombs) were placed right on some suspected warehouses adjacent to Mobera airfield, Miyako Jima. The buildings were burned to the ground.
- 2 - A barracks building was subjected to bombing attack and was burning furiously when last seen.
- 3 - The dispersal area southeast of Miyako airfield, Ishigaki Jima was attacked with rockets and strafing. One operational plane, believed to be an OGGII, was hit and observed to burn. Other damage unobserved due to trees and natural cover.
