SHREWSBURY SCHOOL

PLAN

J. Nurse, Architect.
Shrewsbury March 1897

P R E F A C E .

THE present issue is more or less a pioneer work, and therefore the Editor hopes that additions and corrections will be sent to him in order that a second and more perfect edition may be published, should a demand arise. He apologises for the imperfections and mistakes among the entries of Dr. Kennedy's time, owing to the absence of an Official Register; and also for the names which may have been omitted in subsequent years. For in compiling the index he has discovered that his confidence in the accuracy of Mr. Bentley's lists was somewhat misplaced, as he then became aware of the omission of two or three boys, and therefore fears that the same fate may have befallen others without his perceiving it. No doubt, too, the index is very faulty, but as an excuse for this, pressure of parochial work is pleaded.

Special acknowledgement of generous help and encouragement should be made to the Headmaster, especially for the loan of Dr. Butler's Register, to the Revs. E. W. Montagu, G. W. Fisher, J. S. Bayne, F. J. Poynton, and W. J. R. H. Oliver, Dr. Calvert, Col. A. J. Poole, Messrs. S. Butler, Edw. Filliter, P. A. Scratchley, T. E. Pickering, M. J. Harding, and many more,

quos nunc perscribere longum est.

For the earlier athletic records, the Editor is indebted to the Rev. G. T. Hall, and for the Cricket and Football Teams, 1870-77, to Messrs. J. T. Twist and A. F. Chance.

Should the entry of anyone who kindly filled up the form sent with the O.S.C. Year Book, be omitted, the fault must rest on the Editor's shoulders; as for those who received but did not return the form, and who are therefore not rightly described, he feels the blame for this cannot be laid on him.

J. E. AUDEN.

Tong, May 10, 1898.

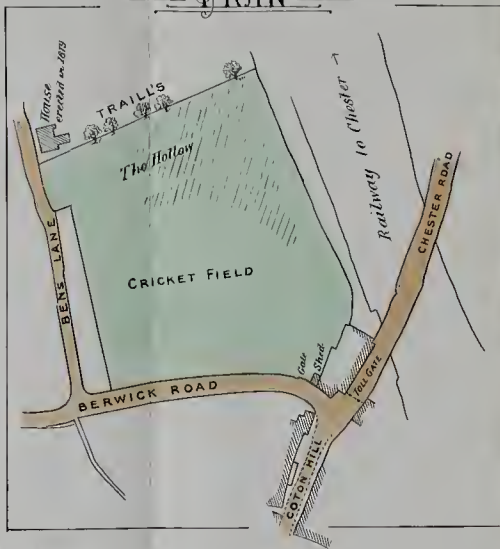

NOTE.—An * denotes a preceptor. The taking of the M.A. degree has always been omitted.

Notes to the Royal Shrewsbury School Hunt.

The earliest run recorded in the Hound Books is in Sept. 1842, but in that on Oct. 2), 1842, the pack "met the Greyhound Coach which has been the case for the last 3 seasons," and the season of 1843 is described in the account of the last run "as unequalled in the memory of any of us; on no previous season." &c In the *Salopian* of May, 1880 (p. 104) mention is made of an O.S. who entered Shrewsbury in July, 1819, and who, before leaving was, together with the whips, presented by 300 boys at a dinner at the Old Castle Inn with silver hunting whips for their services, and in the *Salopian* of Nov., 1895, is an account of two runs in 1831. Originally there seems to have been a Spring as well as an Autumn season. (cf. "Remarks on the season ending March 30, 1844," in *Hound Book*). But it had only a spasmodic existence

- 1842 E. Tyley was Junior Whip in five runs, in the other five going as Fox. J. Sherwen took his place in three, and W.H. Wilkinson in the other two. F. Parker was "Kennel Huntsman" this season.
- 1843 M. Hartley was "Kennel Huntsman."
- 1845 Mr. M. Hartley, Junior Whip, went home after four runs, and Mr. H. Barkworth acted in his place.
- 1846 Mr. Brock was "Kennel Huntsman," and acted as Junior Whip for half the season owing to the illness of the Huntsman, Mr. G. B. Morley.
- 1851 Owing to the illness of Mr. H. M. Lucock, Mr. E. Simpson acted as Junior Whip in four runs.
- 1853 "Mr. S. Butler was Huntsman for the season of 1853, but was incapacitated by illness, and Mr. Wickham reigned in his stead." (Note in *Hound Book* of 1859.) A Junior Pack, of which the Junior Steeplechase is the sole surviving relic, was started in 1853 and existed till 1861. This year also seems to have been the one in which the Gentleman's "Run in" was instituted.
- 1854 At the Hound Slay on Dec. 10, 1854, Mr. J. R. Baker was elected Huntsman for the next season, Mr. J. Riddell, Senior, and Mr. G. Macfarlan Junior, Whips, but the first two left before its commencement.
- 1856 In this year the runs were "legalised" as a school institution by Dr. Kennedy; up to this he had tolerated without sanctioning them.
- 1859 Messrs. Hilleary, Rees and Davies left at Michaelmas.
- 1860 Messrs. Draper (acting Huntsman on account of Mr. Gleadowe's illness), W. Whitworth (acting Senior Whip), and C. Phillips (acting Junior Whip) left at Michaelmas. Mr. J. E. L. Shadwell mostly acted as Junior Whip after their departure.
- 1861 Mr. Gleadowe left at Michaelmas.
- 1863 Messrs. F. Gunton and G. T. Hall left at Michaelmas.
- 1864 Messrs. Craig and Eyton left at Michaelmas.
- 1865 Messrs. Stevens, Meara and Wagstaff left at Michaelmas; Mr. Rowe when the school broke up, owing to illness, a fortnight before the end of the term. Mr. J. S. Phillips, the succeeding Huntsman, took three runs the next term.
- 1866 Mr. Whitaker left at Michaelmas.
- 1873 Mr. Twist, Junior Whip, was, owing to indisposition, only able to go two runs. His place in the other nine was taken by Mr. S. J. Weyman.

- 1874 This year the Border and Day Boy packs were united. W. G. Slaney was made a Gentleman after killing in five runs, otherwise he would have been Killing Hound.
- 1876 Mr. Waterton left at Christmas, and was succeeded by Mr. R. M. Nason who, however, left at Easter.
- 1882 The first season at the New Schools and over a new country, the "Long" being the only old run retained.
- 1888 Mr. J. C. H. Bowdler, Senior Whip, owing to illness, was unable to go several runs, and Mr. F. S. Keysell acted as Junior in his absence.
