GARDEN PRECAUTIONS

PROPERTIES SHOULD BE INSPECTED FOR SCALE, MEALY BUG AND OTHER PESTS

Those who are well informed say that many gardens in Glendale are suffering from black scale and mealy bug even on property on which there are no orange trees to serve as a host. The rose scale is also becoming a pest, and root knot has sapped the vitality of many trees and shrubs whose owners are at a loss to understand why they fail to thrive. The county maintains a horticultural inspector here, Mr. Marleau, who is glad to make investigations—that is his duty, and he is ready to point out disorders of the sort mentioned and indicate the remedy. There are many new comers in Glendale to whom these pests are unknown, and some old residents are not as well up on such matters as gardeners need to be, and they will probably find it to their advantage to have their properties looked over. It is an advantage to the whole community to have a stiff fight waged against these things which prey upon the vegetable world and cut down the returns from our fruits, flowers and gardens, because it is not worth while to coddle sickly plants and trees, and the inspector should be able to determine what is ailing, what can be cured, and what should be cast into the fire.

ACACIA AND MARIGOLD TEA

Mrs. A. M. Hunt of 1201 Viola Avenue entertained Friday afternoon with a tea party, being one of the chain for the benefit of the Tuesday Afternoon Club House Fund. Acacia bloom and marigolds were used in floral decoration and simple refreshments were served, the guests present being: Mrs. A. W. Tower, Mrs. J. W. West, Miss Coral Griffith, Mrs. J. G. Huntley, Mrs. G. K. Barnes, Miss Clara Read, Mrs. J. B. McClellan, Mrs. J. W. Feinstein.

EN ROUTE TO CHINA

An unusual pleasure was vouchsafed to Mrs. Adelaide Imler and her sister, Miss Cora Hickman, in the privilege of entertaining at dinner on Sunday Lieut. Ralph Fancher Naill of Herington, Kas., and Mrs. Naill, who are en route to Shanghai, China. The lieutenant, who is a contracting engineer, goes in the interest of a large corporation to superintend the cutting of a very large tract of timber in China. They left the same night for San Francisco, where they will spend a few days before embarking for China, where they expect to make a long stay. The lieutenant's mother is an old and dear friend of Mrs. Imler and Miss Hickman.

PLANT MORE POTATOES

Many of Glendale's vacant lots have already been plowed and planted. The main crop seemingly is potatoes. This important article of food is so high, more than 60 a pound, due, it is claimed to profiteering by Geo. Shima, the Jap potato king, that many householders have been forced to drop it from the daily bill of fare. It is earnestly urged by state, county and city authorities that every available foot of ground be used for potato culture this spring.

QUOTES THE BIBLE

ELDER MARTIN IN SERMON CALLS ATTENTION TO SIGNS ON THE EARTH

Elder William F. Martin, religious liberty secretary for the Western states, delivered the morning address to the Seventh-day Adventist congregation at the Third Street auditorium Saturday.

He said in part: "In olden times watchmen stationed on the city walls proclaimed the successive hours of the night, basing their knowledge upon the position of the stars instead of the modern time-piece. In our day ecclesiastical watchmen locate the time or era relative to Christ's second coming not only by the starry heavens but by signs on the earth as well.

"The burden of Dumah. He calleth to me out of Seir, 'Watchman, what of the night? Watchman, what of the night?' The watchman said, 'The morning cometh, and also the night; if ye will inquire, inquire ye.' Isaiah 21:11, 12. The watchman's duty is to be cognizant of hap-

BROADWAY SCHOOL

TRUSTEES SEEK ACCOMMODATIONS FOR PUPILS WHEN BUILDINGS ARE WRECKED

The problem where to house the children of the Broadway School when half of the building is wrecked is one of the questions now before the Board of Trustees of City Schools.

At its last special meeting the Board decided to readvertise for bids for the Broadway School building as a whole. If a bid is received which the Board can accept contracts can hardly be signed much before the first of April, but when they are signed the work of wrecking a portion of the present school to make room for the new building will have to begin, for the Board and all concerned are anxious construction should be pushed that the school may the sooner be accommodated in a permanent building. The Board considered the proposition to negotiate with the Glendale Presbyterian Church for the use of its edifice for school purposes, but on consulting the County Attorney it was learned that should the church entertain such a proposition it would no longer be exempt, as now, from taxation. There were objections to the plan because it would inconvenience the church in its week-day use of the edifice; also it was considered objectionable to remove a part of the school from the campus. It is probable therefore that tents—four of them, which will be 18x24 feet in dimensions—will be substituted and will serve the purpose very well. It has been learned that they can be bought for about \$50 each and they can probably be sold when no longer needed for enough to make the rent a very reasonable one.

When asked about flooring, Mr. White stated the board was considering a plan proposed by Mr. Rowley to do without floors and cover the enclosure with sawdust, with burlap stretched over it to hold it in place and keep down the dust.

The tents will be required in the fall as well as this spring, as there is no expectation that the Broadway School can be completed by the opening of the fall term.

Tenting on the old school ground will no doubt appeal strongly to the juvenile imagination, and it is believed those rooms will be the most popular in the school.

"DEADWOOD DICK" PASSES

Richard Bullock of Santa Monica, was brought to Thornycroft hospital Friday evening last from Ventura, where he had been taken a few days before for treatment, as he seemed to be gradually sinking from the effects of an apoplectic stroke he suffered nearly a year ago. A lady who had known and loved him when she was a little girl and who now lives in Ventura, brought him to Thornycroft as he was not improving any. It was too late, however, for he died at 1:10 p.m. Saturday. He was known in his early days, when driving a stage between the Deadwood, South Dakota, gold fields and Omaha, as Deadwood Dick. He was a dead shot and was greatly feared by the outlaws who made a practice of holding up and robbing stage coaches. Many dime novels were written of his real and imaginary exploits. Ten years ago he retired and moved to Santa Monica to spend the remainder of his days. He was 75 years old when he died.

DEATH OF WASHINGTON HUNT

Washington Hunt entered into rest at his late home, 211 North Louise Street, Sunday at 9:30 a.m., aged 69 years. Deceased had been ill but three weeks and his death came as a shock to his many friends. He leaves a widow, Mrs. Emma Hunt, and one son, Norman Hunt, who is at present on the high seas and will reach here about the eighteenth.

Mr. and Mrs. Hunt have been residents of Glendale for six years. The remains are at the parlors of the Jewel City Undertaking Company awaiting the arrival of the son from Japan, when the announcement of funeral services will be made.

YEOMEN CARNIVAL SUCCESSFUL

The carnival put on by Yeomen at their lodge hall on San Fernando Road Friday and Saturday evenings was a great success and cleared for their treasury about \$175. Games, contests, and dancing constituted the program on both nights and furnished entertainment for a large number of members and friends.

FOUR PERISH IN ATTEMPTED LYNCHING

MACHINE GUN FIRE TURNED ON MOB OF 4000 STORMING JAIL AT LEXINGTON, KY.

(Special Service to Glendale Evening News)
LEXINGTON, Ky., Feb. 9.—Four persons were killed by militia men when a mob of four thousand attempted to storm the Fayette County Jail here this morning to lynch Will Lockett, a negro charged with murdering Geneva Hardman, a ten-year-old school girl. While the soldiers were driving back the mob which demanded the surrender of Lockett, the negro was found guilty of murder and sentenced to be electrocuted.

The girl's body was found in a field last Friday. Examination showed she had been attacked. Bloodhounds led the officers to Lockett.

Three men fell dead on the court house steps when the machine gun fire started. Another fell as the fire continued. Meanwhile Lockett's trial proceeded in the court room and within fifteen minutes he was sentenced to die March 7th.

BAD FIRE IN 'FRISCO

ONE WOMAN KILLED, TWENTY INJURED IN APARTMENT HOUSE BLAZE

(Special Service to Glendale Evening News)
SAN FRANCISCO, Feb. 9.—One woman was killed when fire destroyed the fashionable Berkshire Apartments here early this morning. Firemen declared it was the worst blaze in twenty-five years. Twenty injured persons were taken to hospitals.

MT. LASSEN IN ERUPTION

MOST SERIOUS OUTBREAK IN THREE YEARS OCCURS THIS MORNING; NO SIGN OF ABATEMENT

(Special Service to Glendale Evening News)
REDDING, Cal., Feb. 9.—Mount Lassen burst into eruption early this morning. Several hours later there was no sign of abatement. It was by far the biggest eruption in three years. At dawn a large column of smoke was shooting skyward estimated at 1000 feet. The last eruption occurred January 10th.

PEACE TREATY SKIRMISHES

HITCHCOCK AND LODGE LOCK HORNS IN DEBATE ON MOTIONS UNDER SUSPENSION OF SENATE RULES

(Special Service to Glendale Evening News)
WASHINGTON, Feb. 9.—The Senate passed a motion today suspending its rules for the purpose of revising the peace treaty. The vote was 63 to 9. Senator Lodge moved to re-commit the treaty to the Foreign Relations Committee with the reservations adopted by the Senate and the resolution of ratification with instructions to report the treaty back immediately with the Senate reservations and resolution of ratification. Senator Hitchcock asked Lodge to change this to provide that the treaty be reported back without reservations. Lodge replied: "The other way would save time and prevent the reopening of the whole question of revising the treaty."

Senator Hitchcock returned that the expression, "and adoption of reservations by the Senate" was misleading inasmuch as the reservations had been adopted by a majority vote there and the resolution of ratification failed to get a two-thirds vote.

Hitchcock then moved to strike out of Lodge's motion the reference to the adoption of reservations by the Senate.

Senator Underwood, in support of Senator Hitchcock's amendment, said that Lodge's motion would put the Democrats in the position of supporting the reservations they opposed last session.

AERIAL MAIL SERVICE

PLANS FOR VAST EXTENSIONS LAID BEFORE SENATE POST OFFICE COMMITTEE

(Special Service to Glendale Evening News)
Plans for vastly extended aerial mail service were laid before the Senate post office committee today by Assistant Postmaster Traeger. He asked for \$3,400,000. Among other routes Traeger wanted to extend the aerial mail service from New York to San Francisco.

STRIKE OF RAILROAD EMPLOYES

CALLED FOR FEBRUARY 17 BY ALLEN BARKER, GRAND PRESIDENT OF UNITED BROTHERHOOD

(Special Service to Glendale Evening News)
DETROIT, Feb. 9.—A strike of 300,000 members of the United Brotherhood of Maintenance and Way employes and railroad shop laborers, was called for Tuesday, February 17, at a meeting of general chairmen of the Brotherhood here. The strike was announced by Allen E. Barker, Grand President, after numerous communications from J. B. Malloy, Grand Vice President at Washington, conducting negotiations with the Railroad Administration. Malloy advised the Brotherhood that no hope for a favorable settlement existed.

SOLDIERS' MEMORIAL

BEAUTIFUL SERVICE AT G. A. R. HALL FOR DEPARTED VETERANS OF CIVIL WAR

Sunday afternoon a beautiful service was held at the G. A. R. Hall in memory of the comrades who have passed away during the past year. About sixty members of N. P. Banks Post and Relief Corps and their friends were present. The appropriate exercises at which Chaplain C. R. Norton presided, opened with a prayer by Comrade George Le Clare. Rev. W. E. Edmonds, who has a very warm corner in his heart for the veterans, made the address, first reading the verses descriptive of the breaking of the alabaster box of ointment over the feet of Jesus by the woman who wished to honor Him. The speaker said he wished to break four alabaster boxes over the feet of these comrades. The first box would stand for patience, the second for unselfishness, the third for loyalty and the fourth for comradeship. All these precious things, he declared, were represented by the survivors of the Civil War and had been exemplified in the lives of the noble dead. The program also included a solo by Dr. Joseph Marple, who sang very beautifully "Only Remembered by What I Have Done," and a song by Frank Booth, "Farewell to Thee." Mrs. C. L. Peckham furnished the piano accompaniments for these vocal numbers. Mrs. Eustace B. Moore read with fine effect "The Sunset Gun."

One of the most impressive features of the service was the platform decoration in which the three vacant chairs of the departed comrades were hung with wreaths of acacia bloom, with a large silk union flag as a background.

Those who had passed away during the year were lovingly recalled, Comrade Robert Taylor paying a tribute to his old friend, Major J. J. Weiler, Comrade Barrett speaking of Comrade Matson of Los Angeles, and Chaplain Norton paying an eloquent tribute to Captain J. B. Hickman.

SWEET PEA LUNCHEON

MISS MARTHA SMITH ENTERTAINS RELATIVES; CHARMED WITH CALIFORNIA

Miss Martha Smith of 443 Oak Street entertained with a luncheon Friday in honor of eastern relatives who are spending the winter in Southern California. Pink sweet peas and ferns lavishly used in decoration made a pretty setting for the function at which covers were laid for Mrs. M. Davidson and Mrs. Will Davidson of Des Moines, Iowa; Mr. and Mrs. George McNeille of Boone, Iowa; Mr. McNeille, Miss Mabel Cadd and the hostess. It is the first visit these Iowa relatives have made here and they are so enthusiastic over the many beauties and advantages of the country that they are seriously considering transferring their residence to this state.

EUODIA CLUB

The contest held by Euodia Club, which is a young ladies' Bible study class, closed with an entertainment. Phyllis Baker was captain of the winning side and Hope Ireland captain of the losers. The losing side entertained with a party at the Rose room of the Bible Institute of Los Angeles Saturday afternoon. Games were played and refreshments served. Guests present were: Phyllis Baker, Inez Harrison, Henrietta Summers, Hope Ireland, Martha Eilers, Helen Hesse, Margaret Fife, Mary Simpson, Margaret West, Hazel Walters, Marjorie Yarrick, Elizabeth Edmonds, Mabel Prendeville, Miss Balfour and Mrs. H. L. Brown.

TOURISTS IN AUTO CRASH ON KENNETH ROAD

O. S. Watts, who is stopping at a Los Angeles hotel, drove out to Glendale with his father-in-law Saturday and while on Kenneth Road ran into a delivery truck driven by J. L. Howes as the latter was turning into Valley View Road. Mr. Watts reported to the police that his windshield was broken and other damage done, to the amount of \$100. He claimed also that his father-in-law was badly cut by flying particles of glass from the broken windshield and had to be taken to a Glendale physician, Dr. Chase, for treatment. Mr. Watts charges that no turning signal was given by Mr. Howes.

WEATHER FORECAST: Occasional rain tonight and Tuesday.

FLOOD WORKERS DINE

MR. AND MRS. J. M. FIFE ENTERTAIN MEN EMPLOYED ON BIG JOB

J. M. Fife, timekeeper for the Glendale Flood Control, and Mrs. Fife entertained eight of Mr. Fife's co-workers at a seven o'clock dinner Saturday evening at their home, 314 North Orange Street. In honor of the occasion the house was beautifully decorated with red carnations, a large bouquet adorning the center of the dining table, which was very pretty with place cards of red hearts bearing the name of each guest. Seated at the table were Messrs. G. E. Daley, assistant engineer; H. A. Eddy, W. J. McIntyre, T. D. Taylor, James McClain, David Candland and J. M. Fife, all Glendale Flood Control employes, also Newton Van Why, from the auditor's office in Los Angeles, and A. H. Lappin, who has been with the Santa Re railroad as mechanical engineer for the past twenty years. After partaking of the bountiful four-course dinner, prepared by Mrs. Fife, the host introduced Mr. Daley as toastmaster, who responded by saying that he had often wanted to get close to the boys and saw this as his one opportunity to get from them an explanation, calling on each one in a spirit of fun, to "explain some things." Each employe responded in a satisfactory manner, giving in detail the explanation asked for and assuring Mr. Daley of their hearty co-operation. Messrs. Van Why and Lappin were then called upon and both agreed that Mr. Daley was enjoying real teamwork with his men. After exchanging stories and jokes (mostly on each other) the guests adjourned to the living room and spent a most enjoyable evening with music and cards, departing at a late hour, having had a happy and profitable time together.

Cecil Baisley Removed to His Home

Cecil Baisley, who was shot in the ankle by Police Officer Wilson a few weeks ago, was taken to his home, 445 Oak Street, from the Glendale Sanitarium Saturday afternoon. The splintered bone was set about a week before, when the flesh wounds had healed sufficiently and the ankle put in a plaster cast. He was informed that the right leg would be half an inch shorter than the other. He is not suffering much pain from the wound now.

D. A. R. FUNCTIONS

BIG SOCIAL AFFAIRS PRECEDE STATE CONVENTION TO BE HELD IN LOS ANGELES

Mrs. J. H. Braly and her sister and house guest, Mrs. Wells, were guests at a large and elaborate reception given Friday at the home of Mrs. Llewellyn Banks of Hollywood, which Mrs. Braly has pronounced the finest function of its kind that she has ever attended in Southern California. It was intended to honor and promote acquaintance among the delegates to the D. A. R. convention which is to be held this week in Los Angeles. At the door to receive and introduce the guests was Mrs. Peck, well equipped by experience and acquaintance for the pleasant task. In the receiving line with the hostess were distinguished representatives of chapters from a large number of states, and one represented a Canadian chapter. Mrs. Banks' home, which is large and beautifully adapted to social uses, was charmingly decorated with sweet peas, the centerpiece on the refreshment table reaching half way to the ceiling. A stringed orchestra furnished music throughout the afternoon and many old friends who had not met for years discovered each other. Mrs. Braly was delighted to renew acquaintance with Mrs. Jerome K. Toomey, a prominent clubwoman of New York who, she finds, is now making her home in this state, and Mrs. Wells was equally fortunate in finding friends from Minnesota. Mrs. C. C. Cottles, the retiring State Regent, and Mrs. Harsberger, the incoming Regent, were guests. Saturday the two ladies were guests at a function given by the two Pasadena chapters at the Neighborhood House in that city for visiting and local regents.

Preliminary to the convention, which will open Thursday at the Ebell Club in Los Angeles, a violet tea will be given at the Alexandria Wednesday afternoon from 3 to 5 at which Southern California regents will be hostesses.

DEATH OF ALFRED CLARK

Alfred Clark, who has been a resident of this city for a number of years and who has a large circle of friends here, passed away at his residence at 218 West Milford Street about 9 o'clock this morning, February 9, 1920, of pneumonia, contracted while returning from one of his semi-annual trips to the East about ten days ago. He leaves a widow, two daughters in Los Angeles—Mrs. George Hibbens and Mrs. Wingate; two sons—Alfred Clark, Jr., of Sacramento and Robert Clark of Indianapolis, Ind.; two step-daughters—Miss Adaline Thorne and Mrs. David Crofton of this city.

He was about 75 years of age and for many years had represented the Oneida Community of New York in Southern California. He generally crossed the continent twice a year to attend meetings of the board of directors of the company, and it was on one of these trips that he contracted the illness which proved fatal. He was a prominent citizen of Shelbyville, Ind., before coming to Glendale. He was also prominent in Masonic circles, being a member of the Indiana Consistory and the Scottish Rite of Indiana. He also belonged to Shelbyville Lodge, No. 2, F. & A. M., to Shelbyville Chapter, R. A. M., of Baldwin Commandery No. 2, Knights Templar, and of the Shelbyville Odd Fellows Lodge.

Deceased will be buried with Masonic honors by Glendale Commandery No. 53 with interment at Forest Lawn Memorial Park. Announcement of the funeral services will be made later.

DEATH OF ANDREW B. WEBSTER

Andrew B. Webster, a veteran of the Civil War and member of N. P. Banks Post, this city, who has resided in this city for several years, died Sunday morning, February 8, 1920, at 10:30 a. m. at his home at 1210 East Broadway, following a paralytic stroke suffered a few days before. He leaves a widow, Mary E. Webster, a daughter, Mrs. Clara Morrison, and two grand children, Hugh and Kathleen Morrison. Interment will be made in the National Cemetery at the Soldiers' Home at Sawtelle, under the auspices of the Glendale Post.

BOLD THEFT OF AUTOMOBILE

Jock Chambers of Burbank was stopped while driving along the street in his home city by three men who threatened him with revolvers and forced him to alight from his car. They then jumped in and drove rapidly away. Chambers at once notified the police of Los Angeles and adjacent cities. As his car has a very striking color scheme—black and purple body, red front wheels and yellow rear wheels—he has strong hopes of its early recovery.

STEADY INCREASE IN BUILDING PERMITS

Guests remained for a social evening following the dinner.

A PERFECT CLUTCH

BARTLETT & FRENCH ENTHUSIASTIC OVER ACTION OF NEW CLEVELAND SIX

The operating efficiency of a motor car is primarily dependent upon the motor, and second in importance is the clutch, because it transmits the power from the engine and at the same time cushions that power in picking up a load.

The development of the dry plate, single disc type of clutch, as embodied in the smart new Cleveland Six, is the final successful result of the efforts of eminent engineers to perfect a clutch combining simplicity, ease of adjustment, smoothness of operation and capacity to do its work uncomplainingly at all times, say Bartlett & French, local distributors of the Cleveland.

A dry plate disc of the Cleveland Six type is locked to rotate with the flywheel by gradual pressure between two asbestos rings, thus driving the clutch shaft that carries power to the transmission. The pressure is brought to bear on the drive disc by the positive lever action of three arms, or bell cranks, which virtually act as wedges, the wedges being forced into place by the thrust of a clutch spring.

Its action is very similar to that of a door check that positively closes an open door, but softly, without permitting it to slam. The grip, however, is so positive that the car may be brought from rest to city speed within 30 or 35 feet, without any jerk whatsoever in starting.

When a clutch on a car starts grabbing and stuttering, it indicates inefficient clutch action, causing the car to jump and shake as the clutch is let in. This terrific strain and shock to the transmission and rear axle soon shows in looseness clear back to the rear wheels, and is sure to cause serious trouble in time.

A. I. Knox will build a six-room house and a garage at 424 Hawthorne, to cost \$2800.

it, using some furniture Mrs. Kimberley kindly allowed to remain in the house, but now they can begin to live and really enjoy beautiful Glendale.

Mrs. Anna Current of 231 North Belmont underwent an operation for goitre last week and is recovering rapidly from the effects thereof, at the Mission Rest Home.

Miles O. Morehouse has taken out a permit for the erection of a four-room house at 1010 East Lomita Avenue, to be occupied by his daughter and her husband when it is completed. It is to cost \$2000.

Chickens were hatched in incubators in Egypt 4,000 years ago, says the editor of the Corona Independent, and he adds that he thinks he had the right hind leg of one of those birds at a cafeteria the other

Misses Ada and Mabel Van Hazelen of 352 West Park Avenue left Glendale Wednesday for Chicago to go into training at the Salvation Army barracks there to fit themselves for mission work in this country or wherever they may be sent.

R. M. Jackson has been confined to his home, 344 North Maryland Avenue, for a few days by a recurrence of his former malady, kidney trouble. It is not serious, but he was ordered by his physician to take a complete rest.

J. H. Smith and wife moved Saturday from 332 North Brand Boulevard to the garage they have had built on the rear end of their lot at 511 North Central Avenue, which will serve them as a residence until they can build on the front.

Mrs. D. M. Grubb and Mrs. Belle Jones of Barry, Ill., came down one day last week from Bakersfield, where they were visiting relatives, to spend several days with Floyd Mercer and wife of 319 North Jackson. Mrs. Grubb is the grandmother of Mrs. Mercer and Mrs. Jones her aunt.

John King, postmaster at Hemet, did not have his sentence commuted for good behavior. He was reappointed for another four years by the president recently. Luckily his appointment was not included in the League of Nations and the Treaty of Peace, so it got through the Senate alright.

W. A. Davidson of Byron, Nebr., who has been visiting his sister, Mrs. Wm. Hyatt, 552 West Broadway, for a few weeks, starts on his return home tomorrow, accompanied by his son, Clifford Davidson, and wife, of the same city. Mrs. W. A. Davidson goes to Oakland the same day to remain with a sister till her husband returns to the coast.

RAINFALL STILL SHORT

T. W. Preston reports the rainfall for yesterday and today up to noon at .33 inches, bringing the total for the season up to 7.76 inches, as against 9.2 inches at this date last year.

Owners' Approval Is Like a Rousing Cheer

The Cleveland Six, from coast to coast, is establishing its place in motordom. The bitter cold days of the Northern winter have proved its ease of starting, just as the hot summer days, when hundreds of new Clevelands were being driven across the country, proved the perfection of its radiation.

The Cleveland Six is in the hands of owners all over the United States today, and the chorus of satisfactory approval from these owners is like a rousing cheer. They say the car surprises them, pleases them, delights them. Its pliant power, its simple ease of handling, its boat-like

comfort, surpass all expectations. If you hope and plan to start the new season with a new five-passenger touring car which is a real six, or such a car of roadster type with wide, deep seat of restful cushioning and plenty of stow-away space, then come in and see the Cleveland Six.

A study of this car will interest you. A ride in it will convince you.

DEVELOPMENT ASSOCIATION BANQUET

A number of civic matters of importance will be discussed at a banquet to be held Tuesday evening at the White Inn, at 6:15 under the auspices of the Greater Glendale Development Association. J. G. Huntley is in charge of the arrangements.

MRS. WOODS AS HOSTESS AND GUEST

Mrs. C. G. Woods of 1136 East Colorado street, was entertained at a charming Sunday afternoon tea given at the beautiful home of Mrs. Frederick L. Hirt of Canyon Drive, Beverly Hills. In honor of the event the house was beautifully decorated with sweet peas. About twenty-five guests were present, the majority from Sewickly, Pa., the old home of Mrs. Woods.

James R. Rhodes of Pittsburg, Pa., is a guest in the Woods home until the arrival of his wife next week, after which their headquarters will be at the Huntington in Pasadena. Mr. Rhodes is chairman of the finance committee of the Metro Picture Company in which he is largely interested and he is in the habit of spending his winters in Southern California.

ANTLERS SENT A. L. BAIRD AND DOCTOR YOUNG

A. L. Baird and Dr. T. C. Young each received a fine present Friday from Reuben Gould, the Inaian guide they met last spring in Chester, Lassen County, when on a vacation trip and who recently spent a few weeks visiting them. Mr. Baird's was a set of deer antlers with five points and Dr. Young's a similar one with four points. Both had the skin of head and neck attached, all in fine shape for mounting and are now in the hands of a skilled taxidermist who will make highly ornamental wall pieces of them.

QUOTES THE BIBLE

(Continued from Page 1)

penings, to rightly interpret them
when danger lurks, to warn the
sleeping populace. To fail in one
point proclaims him a sleeping sen-
tinel.

"One by one the hours of history
go by; milestone after milestone
passes as the event of events—
Christ's coming—approaches, a glo-
rious, happy ending to earth's now
troubled times. Look back upon
some of these milestones. Signs in
the heavens. 'And there shall be
signs in the sun, and in the moon
and in the stars.' Luke 21:25.

"The dark day of May 19, 1780,
when the sun was darkened, and the
moon on the following night failed
to give its light fulfilled the first
part of the prediction. The sign in
the stars was most strikingly ful-
filled by the great meteoric shower
of November 13, 1833.

"Signs in the earth. 'And upon
the earth distress of nations with
perplexity. The sea and the waves
roaring.' Luke 21:25. 'The reader
of current events can perceive the
perplexity of men and nations, wars,
lawlessness, amassing of wealth, in-
crease of commodity prices and the
many well defined signs of our age.
What do these things mean? 'So
likewise, when ye see these things
come to pass, know ye that the king-
dom of God is nigh at hand. Watch
ye therefore, and pray always, that
ye may be accounted worthy to es-
cape all these things that shall come
to pass, and to stand before the Son
of man.' Luke 21:31,36.

"The soldiers returning from the
late world war rejoiced to feel again
the soil of their own United States
under their weary feet. Toil, priva-
tion and hardship had created an
appreciation of home and kindred
that previous comfort and security
could not realize. The welcome
home was indeed sweet to them.

"Though men's hearts now fail
them for fear the Word admonishes
us to 'look up and lift up your heads
when these things begin to come to
pass, for your redemption draweth
nigh.'

"Over the archway of God's city,
those who have been obedient to His
commands and have followed where
He led, will see written there 'Wel-
come home.' To the overcomer is
promised the inheritance of all
things.

PATRIOTIC P. T. A. PROGRAM

One of the largest meetings ever
held by the Cerritos Avenue P. T. A.
took place Thursday afternoon on
the occasion of a patriotic program
given under the direction of Miss
Small, patriotic chairman, with the
president, Mrs. Moore, in the chair.
Refreshments of coffee and cake
were served prior to the program,
which opened with "America the
Beautiful," sung by pupils of the
fourth grade. Third grade pupils
then sang "Who Made the Flag?" A
beautiful flag drill was executed by
forty-two children of the fourth
grade and a salute to the flag in
song. The association then gave
the formal salute to the flag and an
adjournment was taken to an upper
room, where a short business
session was held, followed by an ex-
cellent talk made by Mr. De Groot,
executive of the Boy Scouts of Los
Angeles. He told of activities there
and then spoke of the work over-
seas, in England and France, com-
paring it with what is being done in
America. A roll call of mothers
present revealed that the cake had
been won by pupils of the fourth
grade who had persuaded twenty-six
mothers to be present. The session
closed with the singing of the "Star
Spangled Banner."

THE HOUSE BY THE SIDE OF THE ROAD

(Sam Walter Foss)

The author of "The House by the
Side of the Road" was an enthusi-
astic traveler. On one of his trips
through New England he came
across a little unpainted house set
almost in the road, at the top of a
long hill. An oddly shaped sign-
post finger pointed to a well-worn
path, and a sign read, "Come in and
have a cool drink." Following the
path he found at some distance from
the house a spring of ice cold wa-
ter into which a barrel had been
sunk. Above it hung an old-fash-
ioned dipper. On a bench was a bas-
ket of fragrant apples, with the
sign, "Help yourself."

Returning to the house he found
a childless old couple in poverty,
whose only support was the rocky
farm. Too poor to give money, and
desiring to help others in some way,
they had resolved to share their cool
water and abundant fruit with the
travelers by the way; and so from
the ripening of the first plums to the
harvesting of the last apples, a bas-
ket of fruit was kept on hand for
any who might come up the long
hill.

The beautiful spirit of ministry
revealed in this old couple so im-
pressed Foss that he conceived the
poem here printed, in which that
spirit is portrayed and glorified.

There are hermit souls that live
withdrawn
In the peace of their self-content;

There are souls, like stars, that
dwell apart

In a fellowless firmament.
There are pioneer souls that blaze
their paths

Where the highways never ran—
But let me live by the side of the
road
And be a friend to man.

Let me live in a house by the side
of the road,

Where the race of men go by—
The men who are good and the men
who are bad,

As good and as bad as I.
I would not sit in the scorners seat,
Or hurl the cynic's ban—
Let me live in the house by the side
of the road

And be a friend to man.

I see from my house by the side of
the road,

By the side of the highway of
life,

The men who press with the ardor of
hope,

The men who faint with strife;
But I turn not away from their
smiles or their tears—
Both parts of an infinite plan—
Let me live in a house by the side of
the road

And be a friend to man.

I know there are brook-gladdened
meadows ahead,
And mountains of wearisome
height;

And the road passes on through the
long afternoon.

And stretches away to the night.
But still I rejoice when the travel-
ers rejoice,

And weep with the strangers that
moan,

Nor live in my house by the side of
the road

Like a man who dwells alone.

Let me live in my house by the side
of the road,

Where the race of men go by—
They are good, they are bad, they
are weak, they are strong,

Wise, foolish—so am I.
Then why should I sit in the scorn-
er's seat

Or hurl the cynic's ban?

Let me live in my house by the side
of the road

And be a friend to man.

The San Diego fair price commit-
tee has demanded that the shoe
dealers mark the cost price as well
as the selling price on their goods.
This is a good way for the wholesal-
ers and manufacturers to lay a
smoke barrage to cover up their own
tracks. They and the fellows that
control the hide market are the ones
that need watching, and not the lit-
tle retailers.

According to the Riverside Press,
a resident of Corona was in River-
side the other day looking up the
status of cows within the city limits,
and found that the distance from a
residence to a cow was 30 feet.

"I am Glad We Had a Kodak"

Don't say, "I wish we had had a kodak." A kodak is such
an all-the-year-round delight that you can scarcely afford
to be without one.

There is nothing that you can buy for the same money that
will give you so much pleasure. There is scarcely a day in
the year but you will find some use for it.

Are there children in your home? You will want to take
snap-shots almost daily if you have kiddies. In no other
way can you keep a record of their growth and development,
the changes in their appearance and their cunning expres-
sions and attitudes. These arranged consecutively in an al-
bum will be a constant joy to you especially after the chil-
dren are grown up and they will prize them highly them-
selves when they are old enough to realize the value of them.

Not only is a kodak a necessity for home pictures but it adds
so much to the pleasure of the week-end trip, the visit to
the beach, the picnic in the mountains, the social gathering
of any kind.

There are so many times you would give the price of a
kodak for a picture of some wonderful view or of a group
of friends.

Buy a kodak now. We have the box and folding styles in
many sizes. Let us show them to you. We will instruct
you how to use the kodak we sell you.

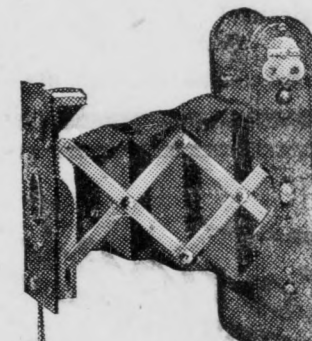

YOU WILL APPRECIATE OUR FINISHING SERVICE, TOO!
