

LOCAL ELKS MAKING PREPARATIONS TO GREET VISITORS

Plans Being Completed For Lodge Gathering; City Gives Sum Of \$500

Perhaps the most largely attended convention of fraternal organizations is the annual Elks' convention, which is to be held this year in Los Angeles during July. It is anticipated that over 100,000 delegates from all parts of the United States will be in attendance. The one big feature of the week will be the grand parade, in which Glendale lodge will take a prominent part.

The grand parade will be in charge of Michael F. Shannon, past exalted ruler of Los Angeles lodge No. 99, with title of grand esquire. Dr. Harry G. Martin of Los Angeles, member of Glendale lodge No. 1289, will act as assistant esquire and will have charge of the Glendale division. Details as to the nature of the float to be entered in the big parade are being closely guarded for the present. L. W. Chobe, who successfully assisted in the designing and construction of the last two floats entered by the city of Glendale in the Tournament of Roses parade at Pasadena, both of which were awarded first prize, is superintending the work on the Glendale Elks' float.

City Trustees Give Aid

Last night a delegation of officers of the Elks' club, including Alfred F. Priest, exalted ruler; John Fanset and A. D. Pearce, past exalted rulers, and others, appeared before the Glendale City Trustees requesting an appropriation toward meeting expenses of entering this float in the parade. City Manager Watson stated that there was no money in the "advertising and promotion fund," but that a donation had been given for the Christian Endeavor convention out of another fund, and a motion carried that \$500 be taken from the Glendale Elks.

Suits, hats and other regalia for (Continued on Page 17)

R. P. McMullen And Family Return Here

R. P. McMullen, builder and contractor, who left Glendale in 1916, has returned here with his family, having motored with his son-in-law, G. A. Lavison from Texarkana, Tex. Mr. Lavison married Miss Gladys McMullen. Mr. and Mrs. McMullen and Mr. and Mrs. Lavison are domiciled for the present at 345 West Lomita avenue.

According to Mr. Lavison, the 1800-mile drive was some job, especially through 400 miles of rain during the floods which swept Colorado and New Mexico recently. Luckily, Mrs. McMullen and her daughter made the journey by train.

Alice Carpenter Is Hostess At Outing

As this seems to be the season for picnics, Miss Alice Carpenter, daughter of Mrs. Mary H. Carpenter of 205 West Hawthorne street chose that method of entertaining a group of her friends today. The party motored to Ocean Park, where the day was spent on the beach. The guests included Mrs. Alton R. Goodale, Beverly Goodale, Mrs. F. A. Beach, Lucile Beach, Mrs. William N. Reed, Harry Reed, Mrs. Thomas G. McDougall, Mrs. S. E. Brown, Frederica Brown, Arthur Barton, Ralph Timothy, Arthur Timothy and Miss Gladys Sharpe. Mrs. Mary H. Carpenter provided a bounteous lunch which was spread out in picnic fashion and was the chief feature of the happy outing.

Mrs. Lucy Frazee And Daughter Guests Here

Guests in the home of Mr. and Mrs. A. L. Frazee of 211 Millford street are Mrs. Frazee's mother and sister, Mrs. Lucy A. Frazee and Miss Nell Frazee of St. Louis and Mrs. Frazee's sister, Miss Hope Lytle of San Francisco. The visitors plan to spend the greater part of the summer in Glendale and many pleasant outings have been planned to make their stay a happy one. The entire family are contemplating a visit to Catalina Island.

Mr. and Mrs. Crawford Enjoy Camping Trip

Another party of Glendale people who spent the week-end camping in the mountains consisted of Mr. and Mrs. Clarence H. Crawford of 1319 North Central avenue, and their sons Jack and Tommy.

C. E. CONVENTION FEATURES IN GLENDALE EVENING NEWS

Here is how The Glendale Evening News has arranged to cover the State Christian Endeavor convention which opens here tomorrow:

R. D. KNICKERBOCKER, San Francisco newspaperman who has covered several sessions of the state legislature, will write the general news story—a concise account of everything that occurs in the auditorium. He is a cousin of Dr. E. F. Tholen of this city and had been visiting here.

MISS MARGARET SHARPE, well known locally for newspaper and educational work, will cover the events of particular interest to the women. She is a member of this paper's staff of reporters.

E. C. HALE, whose letters in The Evening News have proved a unique feature, will write to "Dear Katie" and tell her daily about the entertainment and humorous features of the convention.

W. F. TOWER, who reported the John Brown revival meetings for this paper, will write special articles on the religious phases of the great gathering of young people.

Of course, there will be others contributing and—

This great array in no way will interrupt the work of the regular news staff which includes W. S. INGRAM, managing editor; GIL A. COWAN, city editor; CORINNE ORFF, social editor; HOWARD M. M'GILLIS, sporting editor, and local reporters.

Those desiring to send friends the six copies of the paper in which this convention will be completely covered, should leave their names and 25 cents at The Glendale Evening News office.

Many people are mailing copies of today's regular edition—not a special—of The Glendale Evening News to their friends in the east, thus showing them the progress and prosperity of this enterprising community.

Today's World News In Brief

(By United Press to Glendale Evening News)

SENATOR LA FOLLETTE ASKS NAVY DISCIPLINE PROBE

WASHINGTON, June 24.—A congressional investigation of the system of navy discipline was asked in a resolution introduced by Senator La Follette, Wisconsin, today. The resolution follows removal of Captain Clark D. Stearns from command of the battleship Michigan where he allowed a committee of the men help decide on the discipline aboard the vessel.

JOCK HUTCHISON TIES BRITON FOR GOLF CHAMPIONSHIP

ST. ANDREWS, Scotland, June 24.—Jock Hutchison, Chicago, and R. H. Wethered, Great Britain, tied today for the British open golf championship. They will lay off the tie tomorrow. Both men scored 296. Jim Barnes, Pelham, N. Y., was tied with two others today for the lead in the British open golf championships at the end of the third round. Barnes scored a 74 today for a total of 222, tying with Alex Hurd, Great Britain.

\$300,000 FRAUD IS CHARGED TO MAN IN LOS ANGELES

LOS ANGELES, June 24.—Alleged to have obtained \$300,000 under false pretenses while acting in the capacity of secretary-treasurer to a large Kentucky manufacturing concern, W. R. L. Johnson, wealthy retired business man, was arrested at his palatial home on South Kingsley Drive and lodged in the city jail today as a fugitive from justice. Johnson was arrested at the request of Sheriff John B. Thomas and Judge Chad Cheatham, both of Spencer county, Kentucky.

TROOP TRAIN DERAILED; 40 BRITISH SOLDIERS KILLED

BELFAST, June 24.—Forty British soldiers were reported killed near here today when a troop train was derailed by Sinn Feiners. Many soldiers were said to have been injured. From meager details received here, the train was derailed. The last of a string of three troop trains was derailed. Sinn Feiners cut telegraph wires and isolated the scene of the wreck. The plotters picked a time when thousands of soldiers, drawn here to guard the king and queen during the opening of parliament, were being returned to their camps.

STOCK MARKET APPEARS TO HAVE STEADIED SOME

NEW YORK, June 24.—The stock market today appeared to have steadied somewhat. There remained a tendency to attack some lines but in general the list was firm. Rubber shares were heavy. U. S. Rubber ½ off at 152½ and then dropped to 52. U. S. Steel was up ¼ at 71 and Studebaker gained ¾ at 71¾. American Sumatra responded to the declaration of the regular dividend with an advance of two points to 46½. Reading was unchanged at 62¾ and New York Central was up ¼ at 66. Baldwin made an early low at 62¾, only ¼ above the year's low.

PLOT TO RESTORE HANGED MEN FOILED BY OFFICERS

CHICAGO, June 24.—A plot to restore the spark of life to two executed murderers was frustrated here today. Jailer Lawrence Meisterheim, who discovered the plot, ordered that the bodies of Grover Redding and Oscar McGavick, who were hanged early today, to be held in the jail for two hours after execution. The plan, according to the jailer, was to rush the bodies of the murderers to an undertaking room immediately after execution and apply hot blankets and pulmotors in an effort to restore life. Meisterheim stated that he had definite information that the gallows was almost cheated last December when a spark of life was restored to Nick Bianca, who was hanged. Bianca, a few seconds later, died a "second time" according to the jailer.

CHAPTER LUNCHEON AND SOCIAL TIME FOR MEMBERS

Mrs. David Black's Home Is Scene Of Gathering On Wednesday Afternoon

A great deal is being heard these days of records being broken, and Chapter AH of the P. E. O. sisterhood in Glendale has added to this list by making a new record for hospitality and as entertainers, when that chapter was hostess to chapters U of Burbank, BA and CJ of Glendale on Wednesday, June 22, at the home of Mrs. David Black, 1450 Kenneth road.

To round out a perfect assemblage several state officers were also guests, including Mrs. Lola P. Bennett of Orange, state president; Mrs. Ollie P. Cramer, state organizer; and past presidents Mrs. Ella Brown and Mrs. Marion Garvin of Los Angeles.

No place in the country lends itself to such settings as California, and when the picture is from beautiful Kenneth road, the center being the Black home and grounds with the wide veranda overlooking fair San Fernando valley, the panorama is one to live always in memory. Tables to seat the one hundred P. E. O. sisters were placed in living and dining rooms and on the comfortable veranda, so that each guest as she looked about was greeted with some part of this picture from any angle.

Colors In Evidence

Not because nature was insufficient at this time and place, but to emphasize and bring out this beauty, bouquets and garlands of roses in P. E. O. colors were in evidence everywhere on the tables attractive with snowy linen, cut glass and shining silver, as well as on mantels, in windows and suspended from the ceilings in baskets.

At 1 o'clock a dainty two course luncheon, prepared and served by members of the hostess chapter, was (Continued on Page 4.)

Miss Mildred Svenson Honored With Shower

Mrs. James H. Current and Miss Ila-Mae McClammy were joint hostesses at a miscellaneous shower given last night at the home of the former, 405 East Harvard street, in honor of Miss Mildred Svenson, daughter of Mrs. Ella A. Svenson of 155 South Pacific avenue, who is soon to be the bride of Owen Dair of this city.

A color scheme of pink and orchid was carried out in the decorations of Cecil Brunner roses and centaurias. Refreshments of ice cream, cake, punch and candies were served during the evening.

Guests present included Miss Mildred Svenson, Mrs. Ella Svenson, Miss Olive Svenson, Mrs. G. Dair, Miss Louise Dair, Miss Bernice Haun of Los Angeles, Miss Ruth Dombor of Los Angeles, Miss Eileen McMaisters, Miss Gladys Gardner, Miss Ila-Mae McClammy and Mrs. James H. Current.

Alfred W. Knight Is Selected As Delegate

At the regular pre-convention meeting of Catek chapter of the Tau Beta Pi fraternity held last week in Pasadena Alfred W. Knight, son of Mr. and Mrs. A. B. Knight of 1395 East California avenue, was chosen as the chapter's delegate to the coming national convention. The convention will be held in Pittsburg during the first week of September.

Mrs. Lester Jones To Entertain X.V.I. Club

The regular monthly meeting and social gathering of the X. V. I. club will take place tomorrow, Saturday, afternoon at the home of Mrs. Lester Jones of 301 North Cedar street. A special program is being arranged by the hostess for the entertainment of the members.

Miss Eunice Peart To Visit At Beach

Miss Eunice Peart of 111 East Elk street will spend the coming week-end at Ocean Park as the guest of Miss Anne Fangsten. Both young ladies are employees of the federal reserve bank in Los Angeles.

City Trustees Seek Buttons; They're Not Of Campaign Variety

"Button, button, everybody wants a button." That was the conclusion drawn by Dwight W. Stephenson, president of the Board of City Trustees last night, after the following requests:

Trustee A. H. Lapham wanted a traffic button installed at the West Broadway and Central avenue intersection.

"Very fine," chorused the board, for it would set the city back but \$4.50.

Trustee C. H. Henry then suggested that they put a couple of buttons in the south end of town—not on his vest. This, too, met the board's approval.

Trustee Spencer Robinson then broke the camel's back by asking for several buttons, without designating whether they were to be on the street or on his clothes.

"Everybody that needs buttons—for the streets, of course—apply to City Manager Watson. He has a supply," was the advice from the chair.

Hubert Buzzell Weds New Hampshire Girl

Friends of Hubert Buzzell, who together with Tom Philp, left Glendale by automobile about four years ago for Chicago, and who later made Boston his residence, will be interested to learn of his marriage June 19 to Miss Fern Green of Surry, New Hampshire. Mr. and Mrs. Buzzell, after touring New Hampshire on a honeymoon trip, will make their home in Boston. Mr. Buzzell is a nephew of Mrs. F. E. Cole of 1471 East California avenue, with whom he made his home while residing in Glendale.

Harold Cooke Visits Wife's Mother Here

Harold E. Cooke of Oakland was the dinner guest on Tuesday of his mother-in-law, Mrs. S. F. Manson of 437½ West Dryden street. Mrs. Cooke, who was formerly Miss Lucille Manson of this city, is employed in a San Francisco library and did not make the trip south with Mr. Cooke. Both of them, however, are planning on returning to Glendale for several weeks' vacation later in the summer.

J. C. Bardsley Now Is Finishing His Home

J. C. Bardsley, resident of 344 Burchett street, is finishing his six-room house, after a year's work on it. Although Mr. and Mrs. Bardsley have been occupying the home since last November the interior decorating has not been completed until this week. The entire job, both inside and out, was done solely by Mr. Bardsley.

High School Students Will Work On Ranch

Cecil Wilson and Neil McIver, both members of next year's senior class of the local high school, left Glendale last week for Antelope valley, where they will work during the summer vacation. They will make their headquarters at the ranch of the latter's brother, which is located at Del Sur.

G. R. Holway Visitor To Catalina Island

G. R. Holway of 415 West Colorado boulevard combined business with pleasure yesterday and visited Catalina Island. He represents the Betty Bolton Candy company of Hollywood.

C. W. Douthat Family Summering At Beach

Mrs. C. W. Douthat of 1009 Mariposa street has taken a cottage at Santa Monica and left Thursday with her children to spend the summer there. Mr. Douthat will remain in Glendale, joining his family each week-end.

WELFARE LEAGUE TO MEET

On the eve of the municipal election next Tuesday, the East Glendale Welfare League will meet Monday night at 8 o'clock in the Broadway school. All of the candidates for city offices are invited to attend and it is expected that their expositions of qualifications will be greatly enjoyed.

COLLIER TO CHILE

WASHINGTON, D. C., June 24.—President Harding today nominated William Miller Collier, president of George Washington university, to be ambassador to Chile.

GLENDALE ALL SET FOR BIG STATE CHRISTIAN ENDEAVOR CONVENTION; ADVANCE DELEGATES ARE ARRIVING

Purple and Gold Streamers Combined With Flags in Auditorium's Decoration; Civic Spirit Is Shown in Reception Plans Tomorrow

With advance delegates arriving hourly, Glendale is all set for the great state Christian Endeavor convention which is to open tomorrow morning. The big auditorium at Harvard and Orange streets presents a gala appearance both inside and out. Large American flags, together with decorations of purple and gold, the C. E. official colors, and interspersed with the insignias of the various district unions, have completely changed the old John Brown tabernacle.

Civic and private enterprise is seeing to it that the streets and stores are fittingly dressed for the occasion. At Harvard street and Brand boulevard a large arch of American flags has been erected, while along Brand Boulevard and Broadway a continuous line of flags and streamers will greet the visitors.

The stores throughout the business section are also decorated with flags and the C. E. colors, while several automobiles have been equipped with a huge golden "Welcome" set against purple backgrounds.

Last night the auditorium was a bee-hive of activity. Under the direction of Mrs. Fannie Marple Retts the monster choir of more than 150 voices held its last rehearsal before the convention.

The information committee held a final meeting and the various captains and their aids received their final instructions from Chairman Harry Marple. In addition to the Christian Endeavor work along this line the Chamber of Commerce is establishing a special information booth at the Pacific Electric station at Brand and Broadway.

The Chamber of Commerce has appointed a special entertainment committee for the coming convention, composed of James F. McBryde, chairman; Spencer Robinson, A. L. Baird, Miss Sarah Pollard, J. H. Orth, H. W. Yarik, Herman Nelson and Ernest E. Osgood.

To Greet Northerners

Two of this committee, A. L. Baird and Spencer Robinson, with two pages and five members of the Christian Endeavor committee will go to Saugus tomorrow morning to meet the special train from the north and accompany it to Glendale. This committee will meet at the general headquarters, 130 South Brand boulevard at 6 o'clock a. m., and travel to Saugus in automobiles secured through the courtesy of the Chamber of Commerce.

In addition the Chamber of Commerce is making arrangements to take as many of the visitors as possible on sightseeing trips through the city and surrounding territory. Howard Brown, of the general committee, appeared and thanked the Chamber of Commerce for their assistance in these matters.

While informal services will be held tomorrow afternoon, the official opening will not take place until Saturday.

Mr. and Mrs. F. Davis To Leave On Outing

Mr. and Mrs. F. C. Davis of 1011 North Louise street are planning to leave July 20 for a two-weeks' outing with the Sierra club, motoring through the Yosemite and camping in the Tuolumne Meadows where the Sierra Club Country club is located. Mr. and Mrs. Davis have been members of the club for several years and have enjoyed many delightful outings as a result, recently they made a week-end trip to Warner's Hot Springs and a motor trip over the Ridge Route to Frazier mountain. The club is planning a month's outing in July. Mr. and Mrs. Davis joining them for the last two weeks in the Yosemite.

Mr. and Mrs. Menkens Of Australia Here

Mr. and Mrs. Arthur Menkens and son arrived in Glendale this morning from Australia and are the guests for several days of June M. Selleck of 450 Myrtle street.

Mr. Menkens has just recently completed supervising the engineering work of constructing the largest wheat elevator in the world, which is in that country. This was erected by the Australian government, the contract being let to an English firm, with an American engineer in charge.

One of the remarkable feats performed under the direction of Mr. Menkens during the erection of this elevator was the putting in place by means of pulleys of a 220-foot chimney which had been made on the ground.

Fair Registrars To Contest With Ohio's Big Convention Roll

Last week the Ohio State Christian Endeavor union held an annual convention. Some time ago they challenged the California union to a contest as to which state could register the largest attendance. To insure a complete registration Ohio placed on its registrar committee a bevy of beauties to see to it that every delegate was on the roll.

Not to be outdone Glendale has placed upon the registration committee some of the city's fairest, composed of the Misses Doris Packer, Beth Dean, Florence Glassey, Helen Millar, and Mrs. Emil Swanson. These young ladies declare that they are going after a 100 per cent registration. We have never seen the Ohio committee, but after one look at the Glendale representatives, we are willing to place a bet on the home talent.

Nine Extra Policemen For Convention Week

Chief of Police J. P. Lampert has arranged for nine extra policemen, six of whom will be employed by the general committee of the State Christian Endeavor convention in patrolling their various meeting places.

Three others will be employed by the city in directing traffic at the principal intersections and handling the crowds as they rush about town between sessions.

In addition to these, several experienced plain-clothes-men, better known as detectives, will be mixing through the throng at all hours of the day and night to eliminate the possibility of pickpockets making their usual haul.

In this connection it might be stated that the men employed temporarily are experienced eastern metropolitan detectives who will undoubtedly make a record for themselves in keeping the city clean.

Service Held For Mrs. T. J. Meagher

A myriad of lovely floral offerings lent their beauty to the simple services at the Jewel City parlors Thursday afternoon and banked the spot where Mrs. Jeannette Meagher was laid to rest in Forest Lawn cemetery. The services were conducted by Rev. Clyde Monroe Crist assisted by members of the Methodist choir. Mrs. Fannie Marple Retts sang "Saved by Grace" and "No Shadows Yonder." The Methodist choir and the J. O. C. class attended in a body and at the grave the class filed slowly past the casket dropping Cecil Brunner roses on it as a last farewell to their beloved friend. The pall bearers were Mrs. Harriet Randall, organist of the choir; Mrs. C. W. Taylor, Mrs. C. R. Lusby, Mrs. Charles Starkey, Mrs. J. E. Phillips and Mrs. L. E. Starkey.

Mrs. Meagher was thirty-nine years old and had been a willing and devoted worker in the church. She was formerly superintendent of the Intermediate Department of the Sunday school. She leaves her husband, Thomas J. Meagher, her fourteen-year-old daughter, Geraldine, and a sister.

Locals And Personals

Ben Wilde of Bakersfield, formerly of Glendale, was a business visitor in this city Tuesday and Wednesday. Nathan Rigdon of 224 West Doran street is in San Diego for a few days on business. He will return today or tomorrow.

Eather Wintersgill, daughter of Mr. and Mrs. A. T. Wintersgill of 411 North Louise street, is a guest at the home of Mr. and Mrs. Ben Wilde at Bakersfield.

Miss Ruth Ryan of 332 West Acacia street, who was taken to the Research hospital Wednesday for an operation for appendicitis, is getting along nicely.

Miss Frances Jackson of 346 West Wilson street is going to Pasadena today to attend a reunion of a group of the alumnae of the University of Southern California.

Miss Anabel McClellan of 126 North Central avenue is leaving Saturday for a week in the mountains. The party will consist of a group of Mills college girls.

Henry C. Schumacher, who has recently taken up his residence at 402 Ivy street, has just taken over the Glendale and Burbank agency of the Royal typewriter company.

Mr. and Mrs. F. C. Davis of 1011 North Louise street will entertain at dinner this evening Mrs. Davis' brother and his wife, Mr. and Mrs. Nelson G. Reed of Los Angeles.

Mr. and Mrs. Joe Griffin of 205 West Acacia street have been quite ill at their home with an attack of ptomaine poisoning. They were taken ill after eating some wieners.

Mrs. E. S. McKee of 130 West Chestnut street returned today after spending several days at Hermosa Beach. She states that she had a most delightful time during her outing.

Dr. and Mrs. H. R. Boyer of 232 North Orange street have as their house guest for the summer Mrs. Boyer's nephew, Douglas Newell, Jr., who arrived today from Kenosha, Wisconsin.

Mrs. J. M. Blankenship of 1317 North Brand boulevard, who has been ill for some time, is now improving rapidly and her friends will be glad to hear that she will soon be up and about.

Mrs. Charlotte Brackett of 608 South Adams street attended the Eastern Star celebration at Alhambra Tuesday night. There were 300 guests present from chapters throughout southern California.

Miss Frances Payne of 105 North Central avenue had as her house guest during the past week Miss Annetta Hughes of Los Angeles. She has as her guest over this week-end Miss Marion Beamis, also of Los Angeles.

Max and Don Price, sons of Mrs. Bertha Price of 327 West Wilson avenue, left Glendale this morning for Oklahoma City, Oklahoma, where they will spend several months with their father, who is in business in that city.

The Ancient Order of United Workmen held a dance Wednesday evening at the K. of P. hall, Park avenue and Brand boulevard. They plan another similar affair next month to which the general public will be invited.

W. A. Braden, proprietor of the Laguna Transfer company, left Glendale on Thursday afternoon on a business trip to Fresno. Upon his return from the northern city next week Mr. Braden will make preparations for a similar trip to San Francisco.

The many friends of Robert E. Ringstrom, for several years a resident of this city, will be glad to hear of his return to Glendale after an absence of six months. Mr. Ringstrom comes from San Francisco, where he has been conducting a tailor shop.

Mr. and Mrs. Ralph Christie were guests for a few days this week of Mrs. Christie's grandparents, Mr. and Mrs. C. Casselman of 200 East Dryden street. Mrs. Christie is the daughter of Mr. and Mrs. J. P. Lampert of this city and has many friends here.

Mr. and Mrs. F. M. Shumate of 332 North Orange street, who lately returned to Glendale after a year's visit in Kentucky, were guests recently of Mrs. Nannie Feland, an old friend and former Kentuckian who is spending the summer in Los Angeles. Mrs. Feland has many friends in Glendale.

Mrs. P. E. Cory, who has been dangerously ill with bronchial pneumonia for the past ten days at her home 820 South Central avenue, is reported improving. Her physician states that the fever broke on Wednesday and though her condition is still critical it is hoped that she is at last on the road to recovery.

Miss Isabel Tisdale of 336 West Acacia avenue, assistant to Secretary James M. Rhoades of the Chamber of Commerce, collapsed while at work yesterday afternoon and was removed to her home. Later she was taken to the Methodist hospital in Los Angeles where it is said that her illness is of a very serious nature.

Locals And Personals

Mrs. A. R. McPhail of 218 Ivy street will spend the week-end at Ocean Park. Mrs. H. M. Miller and son Ray of 202 East Elk avenue are guests today at the home of Mrs. Arle Gillhausen of Torrance. Miss Virginia Rowley of 334 Vine street is entertaining this week Miss Constance Maygrove of Los Angeles. Both of these young women formerly lived in Sunland.

Mr. and Mrs. A. A. Bassett have purchased the home of Mr. and Mrs. W. H. Barr at 1237 Valley View Road and plan to make Glendale their home. Mr. and Mrs. Barr have moved to Hollywood.

Mr. and Mrs. C. L. Canfield left recently for an extended motor trip, planning to return about the 1st of September. During their absence Mr. and Mrs. A. R. Sooy will occupy the Canfield home at 519 Oak street.

Mr. and Mrs. L. H. Bowen of Modesto, California, who have been visiting Mrs. Bowen's sister, Mrs. E. K. Daniels of 207 West Lomita avenue, left today with their little daughter, Martha Ella, for their home.

E. A. Lange of 328 Vine street has just completed the building of an artistic cobble-stone fountain in his front yard. Of exceptionally unique structure, the font has attracted numerous passers-by to admire it.

Miss Ada Sallstrum of 221 West Colorado boulevard, who has just completed her year's work as a teacher in the Glendale schools, has enrolled for the summer course at the Southern Branch of the University of California.

Miss Anabel McClellan of 126 North Central avenue will be a guest on Friday at an elaborate tea at the home of Miss Lenice Kehrberg of Pasadena. Miss McClellan has just finished her junior year at Mills college and this affair is in honor of a group of her college friends.

The Glendale Gateway club held its regular weekly meeting in the branch library building last night, at which there were about 35 present, with President Street in the chair. The various committees reported on progress being made, and much interest is being taken by the southern Glendale residents.

Mr. and Mrs. M. C. MacLennan of Downey are among the latest arrivals in Glendale to make this city their home. They have established their residence at 356 West Lexington Drive, Mr. and Mrs. MacLennan recently moved to Downey from Berkeley, but decided that they preferred Glendale to that city.

Dr. Clarence E. Thompson of 201 West Arden avenue, while driving his Ford down Central avenue this morning, collided with a small yellow Ford speedster, driver unknown, and his own car overturned. Luckily no one was injured, not even the Ford to any extent. The accident occurred at the corner of Lomita and Central avenues and the large crowd which quickly gathered lent many willing hands to right the misused Ford.

Mrs. Porter Custer Honors Her Daughter

Mrs. Porter M. Custer of 346 Pioneer Drive entertained with a party Thursday afternoon in celebration of the tenth birthday anniversary of her little daughter, Kathleen Emily, with fifteen little folks in attendance. Decorations of pink and white flowers were used. A very delightful afternoon was enjoyed, the honoree receiving many lovely remembrances from her little friends.

Mrs. Custer also served tea during the afternoon to a group of grown-ups, including Mrs. Bert Woodard, Mrs. Harry C. Levey, Mrs. M. Monahan, Mrs. G. A. Custer of Chicago, Mrs. A. H. Dibbern, Mrs. Bradley and Mrs. A. L. King.

Venice Entertaining Editors And Families

Mrs. W. S. Ingram and daughter Jean of 336 West Broadway and Waldo E. Cowan of 324 North Central avenue are guests of the Venice Chamber of Commerce at the Southern California Editorial Association's annual outing and convention, which is being held at this popular beach resort. Other members of the Glendale Evening News family intend to visit Venice during the convention, which will be featured this evening by a banquet. Mrs. A. T. Cowan and Miss Ida Cowan are among those enjoying the hospitality of the city by the sea for the day.

OIL STRIKE AT LONG BEACH

The first strike of significance in the new Long Beach oil district occurred last night when oil gushed to the top of the Union Oil company's test well on Signal Hill.

ANOTHER WHEEL STOLEN

Guy Pearson of 807 South Maryland avenue reported to the police today that his bicycle was stolen last night.

Even a book on cats may be dog-eared.

GOLD BUTTONS AND PINS AWARDED TO PHONE WORKERS

Number Of Employees In Glendale Are Honored By Company's Head

In recognition of continuous service in the Bell Telephone System, the Pacific Telephone and Telegraph company is presenting to its employees emblems indicating their length of service. The emblems are of gold and are mounted as pins for the women and buttons for the men. The design consists of a telephone bell and a wreath encircling the monogram of the Pacific Telephone and Telegraph company, above which appears a star of stars indicating the employee's period of service. A single star indicates, in the case of women, five years continuous service, and, in the case of men, fifteen years continuous service, each additional star indicating, in the case of both men and women, five years additional continuous service. Throughout the entire company several thousand employees are being awarded service emblems under the initial distribution. Those employees whose term of service does not entitle them to emblems under the initial distribution will be awarded emblems after they have been in service for the required period. As employees complete each additional five years of service their present emblems will be exchanged by the company for others bearing an additional star.

Card From President

With the emblem, each employee is receiving an engraved card signed by the president of the company, G. E. McFarland, expressing the company's appreciation of the employee's service. This special recognition on the part of the company of continuous employment is an evidence of the value which the Pacific Telephone and Telegraph company places upon long continuous service and the fact that the company has in its employ such a large number of employees of long term of service is an indication of the satisfactory conditions under which the employees work.

Local Employees Honored

The following employees in Glendale have received their emblem: Fred Deal, manager; Annie M. Chase, cashier; Helen Winkler, chief operator; Eula Miller, supervisor; Helen M. Mead, janitress. Operators—Gertrude Catron, Hazel Colton, Beatrice Francy, Marie McQuiggan, Clarine Pogue, Katherine Pogue.

Tent Proves To Be Desirable Accessory For Use In Camping

"Setting up the tent to see how it went." That was the big idea in the appearance of one of those new California tents on the corner of Brand boulevard and Harvard street yesterday afternoon.

A representative of the Monarch Auto Supply company did the job in a jiffy and thoroughly convinced H. M. Butts, of the Monarch company, that the tent was a most desirable accessory to a summer camping trip.

PRESIDENT TALKS WITH BANKERS ON CREDITS

Plan To Revive Railroads From Bankruptcy And Collect War Loans

By RAYMOND CLAPPER United Press Staff Correspondent WASHINGTON, D. C., June 24.—Measures to life American business out of its slump were considered by President Harding and twenty-one bankers at a White House dinner which lasted until 1 o'clock today. The bankers, it was said, will meet with railroad heads shortly in an effort to agree upon a plan to revive the nation's carriers from bankruptcy.

Two Men Go Hunting; 14 Rabbits Shot; Who Got Most Of Them?

B. F. Cook, of Cook's confectionery, and A. M. Land, of the Ford agency, sallied forth one morning this week ready for the hunt. Mr. Land reports that out of a box of shells, Mr. Cook got two rabbits.

Inasmuch as a total of fourteen were bagged, Mr. Land doesn't want to boast of how many he shot, but it is rumored that he used several boxes of shells.

Which makes these marksman about tied for honors, one would conclude.

CHILDREN'S SOCIETY VAUDEVILLE TO BE FEATURED

Excellent Program Will Be Given By Students Of Pearl Keller School

The Children's Society Vaudeville, which is the seventh annual appearance of the students of the Pearl Keller school, is expected to be the most beautiful and finished entertainment ever staged by Glendale children. In former years Mrs. Keller used the Palace Grand theatre for the big event of her school year, but having just released her present hall she has had the stage enlarged and special lights and other fixtures installed to make it suitable for the elaborate program she has been preparing.

The program will cover a two-night performance, June 29, the dancers being chosen chiefly from the advanced classes and June 30 the junior pupils. A feature of the latter being a ballet of ten little tots all under 5 years of age.

Many Children to Appear Two pianists, Mrs. J. A. Wright and Miss Gertrude Champlain, assisted by a violin and cello, will furnish the music for the dancers and vocal numbers and over 150 Glendale children will appear.

Among the most beautiful numbers from an artistic point of view are the ballet numbers given by the advanced students. The "Storm Dance" set to the Overture from William Tell and the "Gypsy Ballet" are Mrs. Keller's own work and cannot be duplicated for beauty of movement and costume.

Two Men Go Hunting; 14 Rabbits Shot; Who Got Most Of Them?

B. F. Cook, of Cook's confectionery, and A. M. Land, of the Ford agency, sallied forth one morning this week ready for the hunt. Mr. Land reports that out of a box of shells, Mr. Cook got two rabbits.

Inasmuch as a total of fourteen were bagged, Mr. Land doesn't want to boast of how many he shot, but it is rumored that he used several boxes of shells.

Which makes these marksman about tied for honors, one would conclude. A happy married man is one who is content to dwell under his own vine and fig tree and his wife's thumb.

COUNTRY HOTEL WIT Fifty-one years ago at Winnebago, Minn., Jim Huntington and Sam Foster established a semi-weekly express line between Blue Earth and Mankato, as recently recorded by a local paper. We remember both of these rugged characters. Sam had a mouth that opened to the north when he stood face to the east, and his speech was as dull as his countenance. The great Theodore Tilton was to lecture in Winnebago. He sited in on the stage from Wells; and once in the office of the hotel Sam Foster, who was loafing there, recognized him from his lithographs and blurted out: "Hello, Tilton, how's Beecher?" Of course the lecturer ignored the salutation. After Mr. Tilton was shown to his room, the landlord returned and administered a well-merited rebuke that Foster accepted with a grin that made his countenance appear more grotesque than ever.

JUST THE KIND She: I do not care to marry you. I do not care even to talk to you. He (a widower): That is precisely the reason I want you to marry me.

LOST—From laundry bag, six articles, on Central avenue between Vine and Hawthorne. Call Glendale 199-W or 153 South Central.

New Type of 'Cannon' to Get Auto Thieves

If Glendale residents are suddenly awakened by the sound of shot-guns it may be because detectives from the Automobile Club of Southern California are pot-shooting a new type of auto thief.

In other words, automobile club officials announce that the war on auto thieves this summer is to actually be carried on with sawed-off shot-guns as the weapons to be used by representatives of the Club's Theft Bureau throughout the southern part of the state.

The type of thief to gain particular attention of the club is known as the "stripper." His activity consists in stealing a car from the street of some city or town, driving it to a private garage, which he has already rented, and there tearing it apart little by little and selling the parts in nearby markets.

According to club officials no leniency will be shown this type of thief or the thief who steals tires from cars in country lanes or at the beaches. It seems that tire-strippers are becoming very active in southern California and unless they submit to arrest when caught in the act by auto club detectives, the sawed-off shot-guns recently purchased by the club will be brought into play.

That the shot-gun threat is not an idle one is attested to by local club representatives who can show receipts for the purchase of the guns which will hereafter be carried in every club car used for the pursuit of auto thieves.

Private garage owners who rent their garages to strangers and observe any suspicious actions on the part of these strangers are requested to notify the nearest office of the Auto Club so that an investigation can be made at once to see if they are auto thieves at work.

WIDOW, TRUNK, \$30, SAW AND STRONGEST MAN FIGURE HERE

This is the story of a trunk. It is not a "trunk mystery." It has nothing to do with baggage.

It is the story of the trunk of a large pepper tree lying prostrate on the sidewalk in front of a residence on San Fernando road not far from Cypress avenue.

The story also deals with a widow, \$30, a cross-cut saw, "the strongest man in this country," human nature and, among other things, a suggestion from a magnanimous citizen.

The story "broke" at the meeting of the board of city trustees last night when a communication was read from A. G. Hinckley.

The trustees appeared greatly interested in the communication and officially ordered that it be filed. Here it is:

"To the Board of Trustees, City of Glendale, Calif.:

"Gentlemen: Some time ago a widow, living on San Fernando boulevard not far from Cypress, avenue, appeared to be in distress; the trunk of a large pepper tree was lying prostrate on the sidewalk in front of her house, and she stated that she had been required by the authorities to remove it, and that she was unable to do so; and also unable to pay for it being done, as the best offer she had had was from a man who wanted \$30 and up for moving the one piece constituting the main trunk.

"I told her that if I could have time enough I could get it away for her, but, like anyone else, it would require more than myself to handle it. I took up a fine Disston cross-cut saw, but found no one willing to take the other end of it. So it laid there through the rains and rusted. I hired a machine saw to put it in

blocks small enough to split or handle, so that I could take them away in my trailer, but he said he broke his saw and quit before the job was completed, but took the check deposited for him just the same. And I have not seen him since I hired him.

"After that I employed the strongest man in this country to help me remove them. We loaded one chunk, but he balked on the rest of it.

"I have a suggestion. You doubtless have an auto park or picnic ground, where these pieces could furnish support for excellent rustic tables; and the little legend of their origin would entertain the visitors, and lend luster to your official act, and would seem much more magnanimous than any move which might multiply the misfortunes of a helpless woman, already sufficiently miserable.

"Mark this: I am not shirking from my original offer, to-wit, to move it, if given my own time. I am too poor to employ large forces of men and machinery. But I am only 65 years old, and confidently expect to live long enough to discharge all my obligations.

"And I will further offer to you, that ANY TIME I CAN, I will join any body of men you see fit to organize to accomplish this suggestion above made, or any other you prefer, and will use an automobile to transport men and equipment to do the work. In fact it should be made a holiday affair, like the good, old-fashioned log rollings that were had in a friendly, helpful spirit, in the olden days when men were manly enough to be magnanimous.

"Yours for what is BEST, "A. G. HINCKLEY."

GLENDAL ALL SET CHAPTER LUNCHEON AND SOCIAL TIME FOR MEMBERS

Christian Endeavor Delegates Already Arriving For Five Day Session

Mrs. David Black's Home Is Scene Of Gathering On Wednesday Afternoon

(Continued from Page 1.) urday evening at 7:00 o'clock, when the appointment of the committees, announcements, delivery of the convention theme, "Looking Unto Jesus," and the various duties incidental to a convention opening will take place. The program for tomorrow is as follows:

Events in Afternoon 3:30-4:30—Prayer service for the convention at the Christian church. Miss Hancie Naylor, leader, quiet hours superintendent of the State union.

4:45—Time for delegates to get acquainted, arrange their program, find their places of entertainment, etc. 4:00-5:00—Annual meeting of the state executive committee at the Baptist church. All State union officers, superintendents and county presidents. Visitors welcome.

Evening Program at Auditorium 7:00—Song service, Otis Ironmonger, leader; James G. Garth and Keith Brooks, pianists. Prayer by Rev. E. E. Ford, pastor of the First Baptist church.

7:35—Opening of convention. 7:40—Address of welcome. For city and churches, Rev. Clyde M. Crist, pastor of Methodist church; response, Harry C. Allen, field secretary of California Christian Endeavor union.

8:00—Appointment of committees, announcements and offerings. 8:15—Presentation of flags. 8:25—Anthem: "The King of Glory," Coleridge-Taylor; chorus director, Robert S. Malle; pianists, Mrs. Spencer Robinson and Mrs. William Crawford.

8:30—Address: "Looking Unto Jesus for Inspiration," Rev. Cortland Myers, pastor of Tremont Temple Baptist church of Boston; solo, Mrs. Fannie Marple Retts; closing words, Rev. Lapsley A. McAfee, pastor of Berkeley Presbyterian church.

At 2:30 this afternoon the pages and guides held a rally at the high school grounds. Under the direction of Fred Hoffman, chairman of that committee, they were drilled and instructed in the work of the big parade next Tuesday evening. The pages and guides is one of the largest and most important of the units handling the convention. More than 125 young people of Glendale are enrolled in this organization.

The checking of articles both on the special trains and at the checking stand, which is to be conducted at general headquarters, opposite the auditorium, will be in the hands of the pages. They will also conduct the guests to their various places of entertainment, run the refreshment booths and an auto service to take the delegates to and from the conferences at the different churches.

(Continued from Page 1.) the first feature of this delightful day, after which a program of unusual attractiveness and merit was outlined by Mrs. Lillian Smiths. It consisted of a group of songs by Mrs. Maude Felon Bollman of Los Angeles, instrumental numbers by Miss Marjorie Jean Bailey, dances by Divinia Woods and Miss Margaret Brown, and readings by Miss Doris Packer.

Songs Are Pleasing

Mrs. Bollman, who is a cousin of Mrs. David Black, is soloist in the First Presbyterian church of Pasadena and is a prime favorite in music circles of that city and Los Angeles. In her group of songs, which were happily selected for the occasion and which brought out the range and wonderful quality of her voice, she was accompanied by Glendale's new acquisition to musical circles, Miss Marjorie Jean Bailey, who is a niece of G. O. Lockwood. Miss Bailey, beside proving to her listeners that she is a finished pianist, playing with skill and technique a difficult piano number, again charmed all by her harp solos, an instrument most uncommon, and in the performance of which she proved herself an artist.

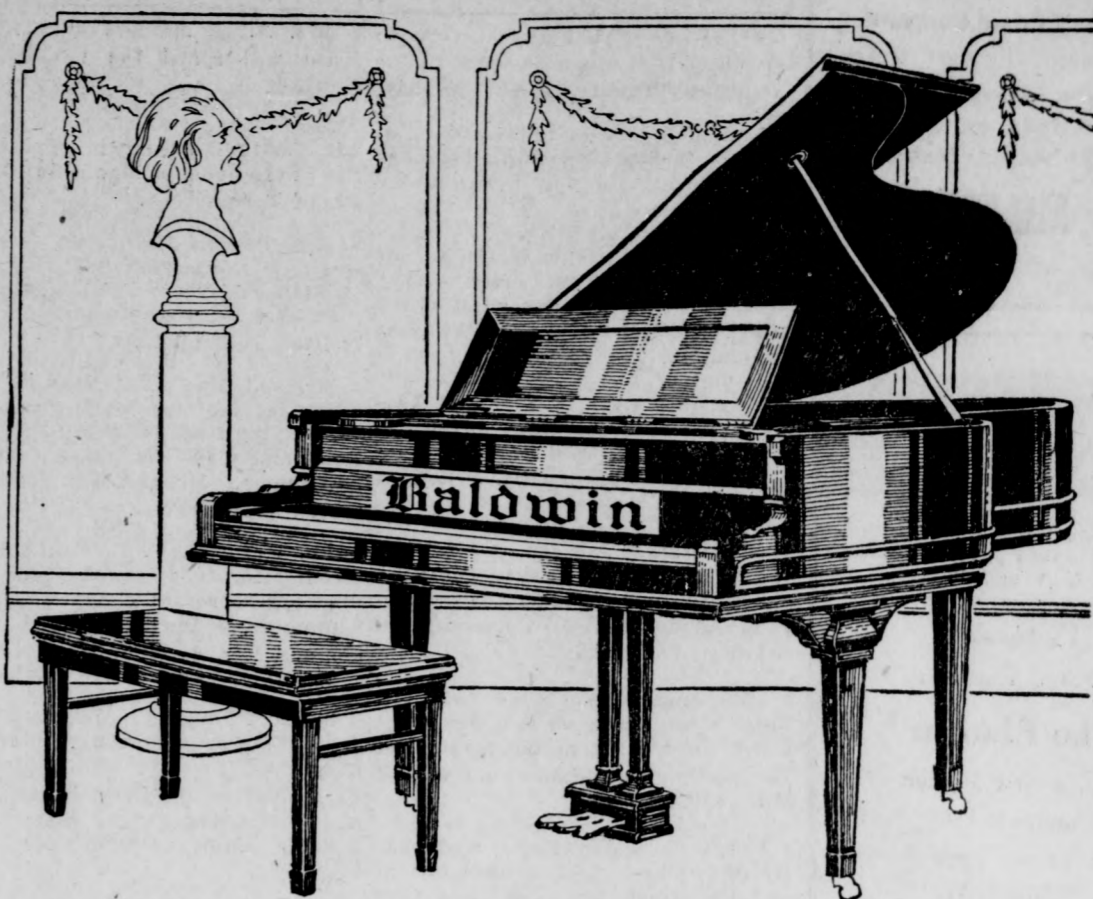

Dances Win Praise

Little Divinia Wood, a graceful sprite, made many friends and admirers by her two dances, the Sailor's Hornpipe and the Irishman's dance. Miss Margaret Brown, who needs no introduction, particularly to members of P. E. O., won new laurels with her Gypsy dance. Miss Doris Packer always receives a well deserved ovation, and she delighted all with two readings in her own pleasing manner.

There are many charming homes in Glendale that seem to exude hospitality from every nook and corner, and the home of Mrs. David Black, mother of Chapter AH's most efficient president, Mrs. Claire Van Eton, is especially rich in this quality. Add to this a company of kindred spirits, and it is easy to understand why the shadows had begun to grow long before the company separated, each declaring this "red letter" day and chapter AH a finished product as hostess.

NO CHANCE AT HOME Nebraska has either to drive out her Republican majority or lose William J. Bryan, and she shows no signs of driving out her Republican majority.

ALWAYS RELIABLE Whenever there is a lull in European disturbances Mingo county, West Virginia, begins warming up for action.

Money cannot buy a better Piano than the

EARS ARE COMING OUT Ears are coming out. Milady's legs, ditto her back, have been out quite a little of late. She is about to follow suit with her ears.

The scandal is imminent, according to the Ladies' Hairdressing Association, which convened in Boston.

"Show at least the tips of your ears and wave your hair," is the advanced information, hot from the curling iron. The renaissance of ears permits baby bumps and flappers to uncover only a fraction of their listeners, the young married set are

given more license, says a half-portion effect, while dowagers may wear theirs entirely made like balloon jibs.

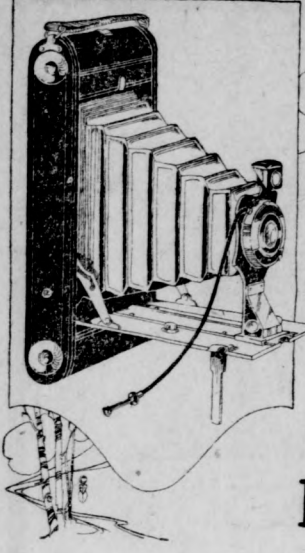

Thus it will be easy to tell a woman's age by looking at her ears, instead of inspecting her teeth.

Women have not worn their ears exposed to the dawn's early light since the brazen days of the Chicago World's Fair, when everything was as loose as ashes.

After nestling in currant bun clusters for about thirty years, it will be interesting to see what effect im-

prisonment has had upon the ears now they are to be brought to light.

Will we see a new race of ears, unnatural as Mammoth cave fish? Will they be stunted, or will they blossom forth like pallid mushrooms? Anyway, having decided to open the ear question, earrings will again be stylish, and hoops, pendants and similar chandelier effects have been promised as decorations to encourage the overmodest, who would otherwise refuse to expose absolutely undressed ears to the public gaze.

Make Your Vacation More Enjoyable

By taking along articles which are almost indispensable

First—Decide to

Photograph Your Vacation

Pictures tell, as no other way can, the story of your vacation. They recall at your wish the many pleasant incidents of your trip, forming a vivid history for reference in the years to come.

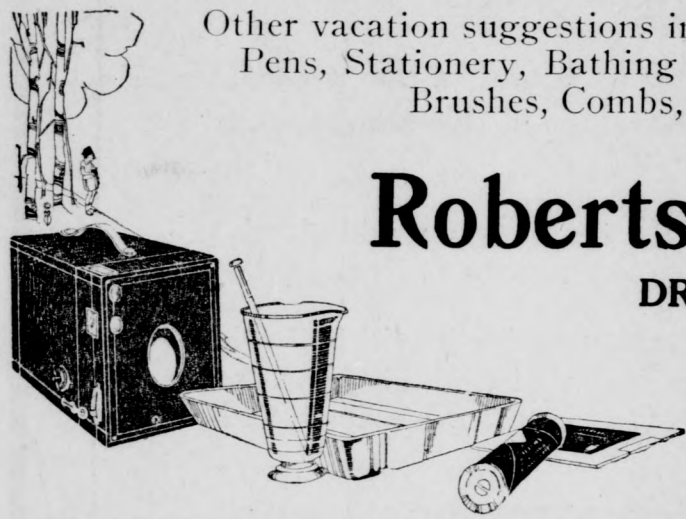

We can not only sell you any style or priced kodak from our large stock, but we take a special interest in showing you how to use it properly, and are equipped to sell you all needed photographic supplies and films as well as handle your developing, finishing and enlarging promptly at reasonable prices.

MODERN WOODMEN NEW CAMP WILL MEET TONIGHT

Interesting Meeting Will Be Held By Members Of Recent Organization

The members of the newly organized Glendale camp of the Modern Woodmen of America are contemplating a large and enthusiastic session tonight when they will hold their regular bi-monthly meeting in the I. O. O. F. hall of this city. Since organizing themselves at the first meeting on June 10 the officers, which were elected at that time, have been busy and energetically engaged in making preparations for Friday night's gathering, which they claim will be one of the most interesting and enthusiastic lodge meetings ever held in Glendale.

At the opening meeting in which Glendale camp No. 12,886 was duly organized by District Deputy A. P. Martin, fifty-two transferring members from other camps and twenty-four new members were admitted to the order. The floor work on that evening was carried out by the officers of the Southern California Boosters association, who were in turn assisted by the uniformed team of the Pasadena camp.

Members Are Boosters

The entire membership as well as all members of other camps of the Modern Woodmen who are living in Glendale and anyone interested in the camp, is especially urged to be present tonight. Several candidates will be adopted at this meeting, and arrangements will be made for a large class adoption on July 8.

The members of Glendale's newest order are primarily boosters for the community as well as for their camp. Their slogan, "Every Member Get a Member," is typical of the progressiveness of the camp, and they are planning on conducting an intensive membership campaign during the next few months that will make them one of the largest orders in the city. All applications for membership should be sent to the clerk, Henry Molz at 363 West Lexington drive.

The officers of Glendale camp, No. 12,886, who were elected for the ensuing year, are as follows: Consul, Otto M. Clinton; past consul, J. W. Jones; advisor, J. A. Rockwell; banker, A. T. McBeth; clerk, Henry Molz; escort, R. L. Heinsius; watchman, C. A. Bunting; sentry, W. B. Canaday; trustees, D. C. Carney, George T. Paine and George F. Shaub; physicians, Drs. A. W. Teel and H. C. Smith. Regular meetings of the camp will be held on the second and fourth Friday evenings of every month.

START THE CHILDREN RIGHT

A good piano is an inspiration to the pupil and a constant help and incentive to perfection. Aside from the pride of ownership that goes with the possession of a Knabe piano are the years of absolute service and the deep appreciation of its marvelous tonal qualities. Still the Knabe may be had on very convenient payments within the reach of all.

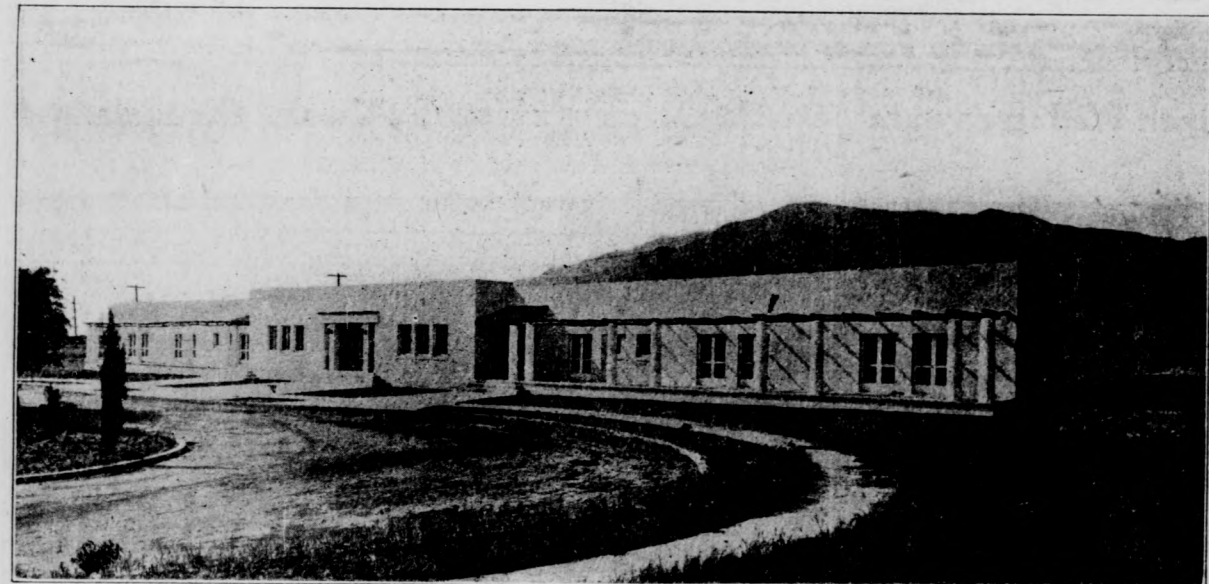

—Give your child the best in the way of education and it will return to you a hundred fold. On our floor will be found such time-honored makes as Knabe, Mehlin & Sons, Haines Bros., Behr Bros., etc., each the best in its class

Fate Of Lost Ships 'Unexplained Mystery'

WASHINGTON, June 24.—The fate of the "vanishing ships" today threatened to go down in history as one of the unexplained mysteries of the sea.

Officials of the department of commerce admitted that the search for a twentieth century pirate, undertaken after all other theories to explain the disappearance of half a dozen boats off Cape Hatteras failed, so far had produced no results.

"I've heard many tall yarns of the sea," said Eugene T. Chamberlain, commissioner of navigation. "But in this case, the facts are there. Carroll A. Deering and the Hewitt met some strange fate beyond that of which ordinary vessels come to grief." "The Deering was the schooner that sailed on the shoals, abandoned apparently in calm seas and with the ship and cargo in good condition. The Hewitt and her crew dropped completely out of sight about the same time.

"Of course we don't say flatly that these ships were victims of piracy, but we have and are investigating that angle," Chamberlain said.

ALL WELCOME

Sunday School Teacher—Children, do you know the house that is open to all—the poor, the rich, the sad, the happy, to man and to woman, to young and to old—do you know the house I mean?
Small Boy—Yes, Miss, the station house.

ORDINANCE NO. 449

AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 28TH DAY OF JUNE, 1921, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY TWO SEVERAL PROPOSITIONS OF INCURRING AN INDEBTEDNESS FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS OF SAID CITY AND PROVIDING FOR THE ISSUANCE OF BONDS THEREFOR.

Whereas, The Board of Trustees of the City of Glendale at its adjourned regular meeting held on the 6th day of June, 1921, by vote of two-thirds of all its members, duly passed and adopted resolutions determining that the public interest and necessity demand the acquisition, construction, and completion by

said City of Glendale of those two certain municipal improvements hereinafter in this Ordinance described, and that the estimated cost of each of said municipal improvements is as hereinafter stated, and is, and will be, too great to be paid out of the ordinary annual income and revenue of said City.

Now, Therefore, The Board of Trustees of the City of Glendale do ordain as follows:

Section 1. That a special election be held, and the same is hereby called to be held, in the City of Glendale on the 28th day of June, 1921, for the purpose of submitting to the qualified voters of said City two several propositions of incurring an indebtedness and issuing bonds of said City therefor in the amounts and for the purposes set forth in said resolutions and as hereinafter stated.

Section 2. The first proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the construction and completion thereon of municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale; and the estimated cost of said improvement is the sum of \$26,000.00. That the amount of the principal of said indebtedness to be incurred therefor is the sum of \$26,000.00, and that the maximum rate of interest to be paid on such indebtedness shall be six per cent per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said first proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?"

That if the said first proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit, two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of \$26,000.00 shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement. Both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

Section 3. The second proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the improvement of the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances; and the estimated cost of said improvement is the sum of \$22,000.00. That the

amount of the principal of said indebtedness to be incurred therefor is the sum of \$22,000.00, and that the maximum rate of interest to be paid on such indebtedness shall be six per cent per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said second proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$22,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances?"

That if said second proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit, two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of \$22,000.00 shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement. Both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

Section 4. That the election hereby called shall be, and the same is hereby consolidated with the general municipal election to be held in the City of Glendale on the 28th day of June, 1921, and heretofore called and ordered by the Board of Trustees of the City of Glendale to be held on said date by Ordinance No. 446, entitled "An Ordinance ordering the holding of a general municipal election on Tuesday, June 28, 1921, in the City of Glendale for the purpose of electing officers of said City, and providing for the participation of qualified electors of the Glendale City School District residing in territory outside of the City of Glendale in the election of members of the Board of Education," passed May 28, 1921. That the election precincts and polling places within the City of Glendale heretofore established and designated by said Ordinance No. 446, and the officers of election heretofore established and designated for said precincts in the City of Glendale by said Ordinance No. 446 are hereby established, designated and appointed as the precincts, polling places and officers of election for the special municipal election hereby ordered to be held for the purposes aforesaid, and shall be the same as those set forth in said Ordinance No. 446 for all precincts in the City of Glendale.

Section 5. The polls for said election shall be opened at six o'clock of the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour for closing the polls there are any voters in the polling place, or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

Section 6. That on the ballots to

be used at said general municipal election in addition to the other matters required by law, there shall be printed the following:

Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?	Yes	
Shall the City of Glendale incur a bonded debt of \$22,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances?	No	
Shall the City of Glendale incur a bonded debt of \$22,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances?	Yes	
Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances?	No	

Section 7. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes" opposite any question or proposition his vote shall be counted in favor of the adoption of such question or proposition; if he shall stamp a cross (X) after the printed word "No" opposite any question or proposition his vote shall be counted against the adoption of the same.

Section 8. That in all particulars not recited in this Ordinance, said election shall be held as provided by law for the holding of municipal elections in said City.

Section 9. The City Clerk shall certify to the passage and adoption of this Ordinance by a vote of two-thirds of all the members of the Board of Trustees of said City, and its approval by the President of said Board of said City, and shall cause the same to be published once a day for at least seven days in The Glendale Evening News, a daily newspaper printed, published and circulated in the City of Glendale, and no other notice of said election need be given. This Ordinance shall take effect upon its passage.

Adopted and approved this 16th day of June, 1921.

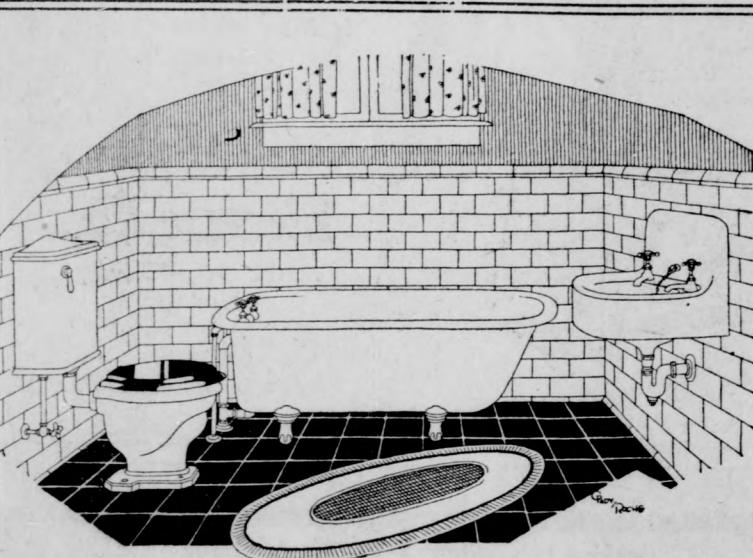

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

Attest:
J. C. SHERER,
City Clerk of the City of Glendale.
STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES (SS.
CITY OF GLENDALE)

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was adopted by the Board of Trustees of the City of Glendale at a regular meeting thereof, held on the 16th day of June, 1921, and that the same was adopted by the following vote:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

J. C. SHERER,
City Clerk of the City of Glendale.

DANGER OF TOBACCO IS DESCRIBED BY DR. F. KELLAR

Student And Traveler Tells
Of Weed's Menace; Talks
To Local W. C. T. U.

By MRS. G. H. MORTON
412 North Isabel Street, Glendale
An interesting and instructive meeting of Glendale W. C. T. U. was held at the Baptist church on Friday afternoon.

The regular routing of business was promptly dispatched to give full time to the program which was especially instructive as the speaker, Dr. Florence Kellar, is one of deep study and wide travel and as she is a doctor of medicine by profession handled the subject, "The beginning and the use of nicotine," in a very scientific and masterly manner, giving many startling facts and figures which are matters of history, and can be verified. Dr. Kellar said in part:

"Tobacco was the cause of the civil war. In 1548 England was settling the colony of Virginia. The landlords sent over for the working class, who came as bound labor—they had to work for seven years, all the time the landlords could demand of them.

"The settlers saw the natives of Cuba smelling and chewing the tobacco weed.

Women for Tobacco
"In 1619 England sent over 100 women to be given in marriage for 150 pounds of tobacco. Twenty men were sent over as slaves to work on the tobacco plantations, which as Dr. Kellar said, tobacco was the beginning of slavery in this country.

"In Queen Elizabeth's time both men and women smoked. When King James took the throne, the use of tobacco was practically banished from England, today the majority of men and boys are users of tobacco and 50 per cent of the women.

"Smoke is just as harmful to the delicate membrane of the throat and lungs, which is only one, two thousand, five hundredths of an inch thick (1-2500), as the deadly gases which were used during the world war and so many are suffering from the effects today.

"One drop of nicotine which is used in tobacco will kill a cat (if it has nine lives.)

Most Deadly Poison
"Fuluro, a most deadly poison which shrivels the lungs, is in the cigarette paper.

"We breathe sixty barrels of oxygen into our lungs every day. We are poisoning our system and slowly committing suicide when we cannot get enough oxygen, either by smoking, or smelling or inhaling the smoke of others.

Dr. Kellar related a very thrilling incident in which she or perhaps our country was vitally concerned. While on board ship coming from New Zealand, where she resided for twenty years, war was declared between our country and Germany. The passengers were all women and children with the exception of eight men. When nearing the danger zone, they were instructed not to have a light of any kind, which would peril the lives of all on board.

One American on Board
But through those terrible nights the decks were patrolled to keep the passengers from lighting their cigarettes.

As she was the only American citizen on board and they were in constant fear of being torpedoed, our country was in jeopardy of being brought into the war through her.

Her point was how the smoker is utterly benumbed to the realities of life and the responsibilities to their neighbors and friends. In closing Dr. Kellar said:

"In the cradle of liberty was planted that terrible weed, tobacco, which is enslaving men today."

She commended our organization in that we are doing a good work by agitating and instructing the people and the youth of the danger and harmfulness in tobacco.

Gives Excellent Report

Mrs. I. A. Ford, local superintendent of anti-narcotics, and under whose direction the program was arranged, gave an excellent report of the pledge signing in the Sunday schools of Glendale. Four hundred and two were signed thus far and many more expected.

The musical part of the program was rendered by Mrs. Charles A. Parker, soloist and Mrs. John A. Wright, who accompanied her on the piano. Mrs. Parker sang very beautifully, "Comfort One Another," and graciously responded to an encore entitled, "Shall I Be Forgotten?"

The next meeting will be at the home of Mrs. Floyd Mercer, 319 North Jackson street. The subject will be "Temperance and Missions and World Prohibition."

Mr. and Mrs. S. Roland Have Dinner Guests

Mr. and Mrs. S. L. Roland of 2207 Canada boulevard have as their dinner guests today Miss Eloise Sterling, instructor of dramatic art in the Pasadena High school, and Miss Helen Brown of Pasadena, who is employed by a Los Angeles Lumber company.

Kaighin & Everette Candy For Delegates

Kaighin & Everette, manufacturers of Kaighin's famous Glendale-made chocolates, anticipate the convention visitors will eat a great deal of their candies. Therefore, they are arranging to have special boxes on sale at all of the leading confectionery and drug stores in which there will be neatly-printed slips enclosed advertising the delightful conditions under which this superb sweetmeat is prepared.

As an advertisement for Glendale, it would be wise for those entertaining the delegates to advise their visitors to take a box of Kaighin's chocolates to their homes as a souvenir. In this way many pretty compliments will be paid this city.

'DEAR KATIE' HEARS SWIMMING POOL IS CITY NEED

Put Water in Plunge As Well As Under Bridge, Is Plea To Voters

Glendale, June 24, 1921.

Dear Katie:—Well, today I started out to find out whether Glendale is going to have a swimmin pool or not. And the way I partook of interviews and searched for clues of the matter would of made Sherlock Holmes look like the constable of Squash Center. Eleven outa ten people seems to feel the same as I do about it, so that makes it final.

So if that rainbow shinin over in the region of Kenilworth Park don't turn out to be the Pons Winnie comet there's goin to be a swimmin pool in Glendale in the near future. And the way the kids is boostin and hollerin for one would make a barker at a side show sound like he was deaf and dumb. And why not? A swimmin pool has got Kelly pool beat a mile, ain't it?

Nowadays when the kids in this town want to take a swim they have to go over to Pasadena or 20 miles west to the deep damp Pacific and the toll and expense of gettin there spoils the party. It's like payin a dollar railroad fare to go to another town to use a pass to a circus.

Not Even Good to Taste

All the Pacific is good for anyway is for tourists to look at and to float ships in.

But here in Glendale there is any amount of cold sparklin water that if it was used in a swimmin pool would make the salt water of the Pacific taste like liquid soap. I say it ain't fair. The kids in Glendale have got to have a swimmin pool.

To a kid, in for a Saturday night clean-up, a bath tub has got all the horrors of science and civilization, where if Glendale had a Fountain of Youth he'd take a bath includin his neck and ears, every day in the week.

For keepin clean, he'd make the Turks in the Arabian Nights, (that took a bath every time they thought of it), look like a lot of dirty hoodlums.

If Glendale is goin to be a clean city kept clean, then why not have clean comfort for clever kids.

No, Glendale Isn't Wet

They should know the days of real sport. There's as much water for swimmin purposes in the Verdugo Wash as there is in a package of dried prunes and the wettest place around Glendale at present is the Los Angeles river and that ain't deep enough to float a bar of ivory soap in, and for size—well it looks like somebody's wash boiler had sprung a leak.

And Katie, the warm spell of weather that we are havin these days has someway brung to my mind a sort of sentimental recollections of my own boy hood days, way down east. By which I mean the memories of the ol' swimmin hole down by the saw mill.

Do you remember the place, Katie. And them was the happy days. Ain't it so?

But a swimmin pool for Glendale is no idle dream. And there's no monkey wrench in the official machinery that's working with that end in view. Nuff sed.

Yours till the pool freezes over.

E. C. HALE.

GOVERNMENT DROPS WITHIN INCOME, FIGURES SHOW

Sum of \$600,000,000 To Be
Collected on Profit and In-
come, Is Estimate

WASHINGTON, June 24.—More than \$474,000,000 has been collected in excess profits and income taxes, the second installment of which was payable June 15, according to a treasury statement. The installments will total nearly \$600,000,000 when fully tabulated, it is expected. Total collections this year will be more than \$5,000,000,000, treasury department officials believe, with expenditure running slightly below this amount. The government, these reports indicate, is beginning to live within its income for the first time in several years.

Figures Are Given

Tax collections of all kinds from ordinary sources so far this month total \$513,200,000 as compared with \$795,900,000 for June, 1920.

Customs receipts this month amount to \$16,780,000 or only about \$1,000,000 below the receipts for the same period of 1920. Importations of merchandise and farmer products from abroad thus far seem not to be falling off as a result of the enactment of the emergency tariff bill which opponents predicted would dry up foreign purchases of American goods.

Panama canal tolls during June, 1921, however, total only \$24,382 or about one-third of the tolls for June, 1920. This is one more indication, officials said, of the world commercial stagnation and depression.

MARKET BUREAU HEAD QUILTS

WASHINGTON, June 24.—Secretary Wallace made public the resignation of George Livingston, chief of the bureau of markets. Livingston gave as his reason for leaving the post he has held since July 1, 1919, that he "must give due consideration to my personal welfare."

SAVES CHILDREN; LOSES LIFE

PEORIA, Ill., June 24.—Mrs. Allca Connolly, 44, was drowned in a small creek after rescuing her three small children from drowning. Exhausted by her efforts, the mother fell into the water after the third child had been rescued.

Denby Tells Sims To Give Complete Report

WASHINGTON, June 24.—Secretary of the Navy Denby has ordered Rear Admiral Sims to give him a complete report on his London "Jackass speech."

Any action that Denby may contemplate against Sims will await his formal report on the accuracy of dispatches reporting Sims' remarks concerning Irish sympathizers in the United States.

Denby's instructions were given Sims when the admiral reported to the secretary in accordance with orders cabled him while in Europe.

"Admiral Sims denied the accuracy of the statements attributed to him in dispatches reporting his London speech," Denby said.

"I gave him a written memorandum which amounts to an official order instructing the admiral to inform me in writing wherein he was misquoted and if he could, to state just what he did say in that speech.

"I want an early reply to this order."

Sims was with Denby only a moment. Denby handed him the written order and Sims left almost immediately.

Sims then went to call on Admiral Coontz, chief of naval operations, refusing to comment on his conference with Denby.

Edward Skelley Breaks Arm Result Of Fall

Edward Skelley is a lively youngster who in the east liked to climb apple trees, but when he moved to California last week he found something new to him. That is pepper trees are slippery and when he slipped three days ago he broke an arm. He is living with Mr. and Mrs. C. H. Brainerd who come from Albany, N. Y. The family is establishing a home at 120 East Laurel street and it may be that Mr. Brainerd will engage in the contracting business here.

Henry Johnston Is On His Way To Iowa

Henry Johnson of 111 North Everett street left Tuesday morning for Cedar Rapids, Iowa, where his brother is located. This brother, James W. Johnston, fell about six weeks ago and broke one of his legs and had to be taken to the hospital. His wife was taken suddenly ill and died the next day. Mr. Johnston will bring his brother to Glendale to make his home.

Glendale's Growth Has Startled

And Better Yet GLENDALE Will Continue to Grow

Scores of new homes are being erected each month and yet there is a scarcity of residences.

To keep pace with the residential section Glendale must steadily have more substantial business blocks, schools, churches and public buildings.

It is in the erection of such buildings that we specialize, and in our many years of such work we have built up a splendid organization that is complete in every department.

RIGHT NOW we do not know of any form of investment that pays better returns on the money with a greater degree of safety than well located business property.

To those interested, we can be of invaluable aid in helping to develop and complete ideas for building of business blocks.

In every way we are splendidly equipped to handle all types of heavy construction, such as stores, factories, hotels, office structures, public buildings, etc.

Our reputation is a guarantee of unusual service.

Five Good, Competent Men—All Are for a Clean, Progressive City

DWIGHT W. STEPHENSON—Chairman of the present Board of Trustees. An ex-service man; a rising young attorney; a fine citizen and a most efficient presiding officer. The city needs Mr. Stephenson.

A. H. LAPHAM—A member of the present Board, having been unanimously appointed to fill a vacancy. Mr. Lapham has made good on the Board and has made friends by his evident sincerity, his zeal for the public welfare and his espousal of worthy projects. Mr. Lapham but recently introduced the swimming pool ordinance which will be voted on at this election.

CLARENCE E. KIMLIN—The well-known manager of the Glendale Sanitarium and Hospital. No better man could have been found in Glendale to take a position on the Board. Mr. Kimlin is always active in civic matters and his administrative ability and experience will be a great asset to the city.

SAMUEL A. DAVIS—Mr. Davis is as yet untried in an official capacity, but his many friends are certain that a man successful in business and successful in securing and retaining the respect and confidence of his associates and acquaintances is good council material. Mr. Davis unquestionably has the strength of his convictions.

SPENCER ROBINSON—Member of the present Board. A sincere, honest, successful business man, never neglectful of his civic duties. Safe, sane and progressive. One who is not afraid to back up his convictions. His host of friends will re-elect him.

THE GOOD GOVERNMENT LEAGUE IS PROUD OF THIS STRONG TICKET—The three incumbents being familiar with the city's work is an advantage not to be overlooked and voters who have their own interests at stake will appreciate the necessity of returning these men. Two new members such as Kimlin and Davis, experienced business men, on the Board will be of inestimable value, both to the Board and to the city.

Good Government League of Glendale

Headquarters, 204 East Broadway Phone Glendale 18

RESERVOIR AT VINE STREET REQUIRES COVER, STATED

Protection Will Cost About \$1,000 Is Estimate; Plans Are Ordered Drawn

The Board of City Trustees last night, on recommendation of T. W. Watson, city manager, authorized the engineer of the public service department to prepare plans and specifications for the covering of the Vine street reservoir, the cost of the improvement to be about \$1,000. The city manager's communication on the subject follows:

"We have been advised by Banister & Day that the Vine street reservoir now has water in it and that they will not be responsible for any accidents that may occur as no provision has been made for fencing or covering the reservoir. In the construction of this reservoir provision has been made for covering, that is the footings for the covering supports were constructed as a part of the concrete lining of the sides and bottom.

Ample Funds Available

"At the time the contract was let for this work it was pointed out by Engineer H. B. Lynch that the reservoir should be covered and that provision for the same would be made as stated above. It was thought best at that time, however, to defer the covering until later in order to be sure that there would be funds sufficient to cover the cost thereof. There will be ample funds available from the \$260,000 bond issue to complete all of the work contracted for or authorized for by your board leaving a balance of approximately \$15,000. The covering of this reservoir, we are informed by Engineer Lynch, will cost approximately \$1,000. We would therefore respectfully recommend that provision be made without delay for the covering of the Vine street reservoir and that Engineer Lynch be instructed to prepare plans and specifications therefor."

Chaffee Stores Join In One Large Picnic

"It was a great day!" This was the universal verdict of the employees of the combined Chaffee stores, who, with their families attended the annual outing and picnic, held at Brookside park, Pasadena, yesterday, at which it was estimated there were 1600 present.

These annual picnics are given by the company to show in a slight way their appreciation of the loyalty, faithful service and co-operation of their employees.

And then, too, these picnics have a rejuvenating effect, for every such event makes each one feel several years younger, and in this way maintains the spirit of eternal youth.

Games, foot races, water and other sports were participated in, the employees of Glendale store, No. 20, carrying off five of the prizes.

Those attending from the Glendale stores were as follows: Mr. and Mrs. Robert H. Freeman, Mr. and Mrs. J. L. Totman, Mr. and Mrs. J. H. Jackson, Mr. and Mrs. J. Hunt, Mr. and Mrs. C. Linderman, Mr. and Mrs. A. N. Beeman, Mr. and Mrs. N. W. McBryde, Mrs. Parsons, Mrs. A. J. Raber, Mr. and Mrs. S. Endsley, Carl Wolf, Phillips Henderson, Margaret Beeman, Raber Beeman, Carrol Wolf, O. Hagenjos, David S. Lynd, K. J. Lewis and Ed Larchner.

Dog Kennel Permit Cannot Be Granted

The following communication in reference to an application for a permit to maintain a dog kennel at 500 East Colorado was read from the city manager, T. W. Watson, at the meeting of the Board of City Trustees last night and the city clerk instructed to reply that the city's ordinances prevented favorable action:

"In regard to application of W. H. Knox for permit to establish and maintain a dog kennel at the Red Wing Ranch located at 900 East Colorado street referred to us the 9th instant:

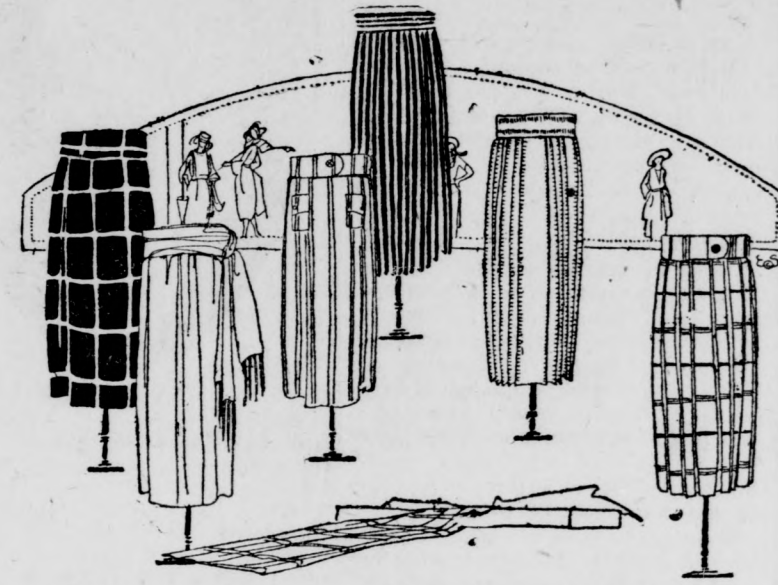

"We find that Ordinance No. 172, Section 1, prohibits the keeping of more than two dogs over the age of three months within a distance of three hundred feet of any private residence. Chief Lampert reports that a dog kennel cannot be established at this location in compliance with Section 1 of Ordinance 172. Section 2 of Ordinance 433 provides that it shall be unlawful to establish or maintain any dog kennel in the City of Glendale unless there has first been procured a license from the city so to do."

COMMENCEMENT EXERCISES

Before an audience of more than 10,000 persons the commencement exercises of the University of Southern California were held yesterday afternoon at Exposition Park. With Governor William D. Stephens present as one of the distinguished guests, 500 candidates received their degrees.

Doughnuts Delivered Hot To Your Home

Doughnuts delivered hot to your home every half hour is the plan on which Frank Wyman will conduct the Quality doughnut shop, a new enterprise in Glendale which is a made-at-home, trade-at-home business. In addition to installing an \$800 doughnut-hole machine, he has had a neat motorcycle and sidecar arranged for the deliveries.

So thoroughly does Mr. Wyman believe in trading at home that when he found it was impossible to buy sacks here in wholesale lots, he made a flying trip to the next best place—Pasadena. On the way over, however, he forgot about Eagle Rock's speed laws with the result that \$3 worth of sacks cost him \$13.

Finishes High School Course At Age Of 12

NEW CASTLE, Pa.—Betty Jane Hamilton, 12, has been graduated from the New Castle high school.

Betty Jane started her school career when 6 years old. She completed the eight grade classes in three years, and, combining her freshman and sophomore years, she finished the four-year high school course in three years.

Tropico Presbyterian Reception Is Success

The reception Wednesday evening at the Tropico Presbyterian church to welcome new members was a great success. A happy spirit of informality ruled the evening and the guests all showed a hearty appreciation of the program prepared for their entertainment.

Among the musical numbers on the program was a violin solo by Glen Heard, chairman of the Junior Auxiliary, a duet by Mr. and Mrs. Spencer Robinson and a group of Scotch songs by Mr. Robinson. Light refreshments were served at the close of the evening.

IRRELEVANT DETAIL

The Judge (to prisoner)—"When were you born?" (No reply). "Did you hear what I asked? When is your birthday?"

Prisoner (sullenly)—"Wot do you care? You ain't going to give me nothing."

A SPECIALIST

A young man applying for work in a Wichita motor repair shop the other day said that he had worked for three years in the Ford manufacturing plant. "What department were you in?" asked his prospective boss. "I was the man who tightened up the twenty-third bolt," replied the young man.

Mrs. W. W Simpson Of Pittsburg Guest Here

Mrs. W. W. Simpson and her twelve-year-old son, William, of Pittsburg are visiting Mrs. Simpson's mother, Mrs. C. J. Woods of Grand View avenue. They expect to return home in time for the opening of school in the fall and will spend the summer months seeing all they can of beautiful southern California.

Sunday they were the guests of Mrs. Simpson's brother, William Woods of Long Beach, fourteen relatives and friends gathering at Woods' home to greet them. As all the members of their immediate family now reside in southern California it would not be surprising if they decide to make Glendale their future home.

Girl Of Thirteen To Give Violin Lessons

BERLIN, O.—Oberlin conservatory will have one of the youngest, if not the youngest, violin teachers in the world when Kathleen Kinney, 13, daughter of Carl Kinney, editor of the Oberlin Tribune, begins work as an instructor.

Miss Kinney is to have a class of young violin pupils next year and, as a teacher, will be put on the salary list of the conservatory.

HOFFMAN'S MILLINERY
 120 E. Broadway, Glendale, California

Washington Home Now Maintained As Shrine

LONDON—Sulgrave Manor, Northamptonshire, the home for centuries of George Washington's ancestors, was dedicated today after its restoration.

Henceforth the manor will be maintained as a memorial. Its reconstruction was completed recently at a cost of \$160,000, raised by the Sulgrave Institution of America.

The manor, a survival of Tudor days, with Jacobite additions, has been restored to its original state, along with the meadows that surrounded it.

In connection with today's ceremony, a bust of Washington was unveiled at the manor.

WRONG NOTE

He (pleadingly)—Why can't we be married right away?

She (coolly)—Oh, I can't bear to leave father alone just now.

He (earnestly)—But, my darling, he has had you such a long time.

She (freezingly)—Sir!

Given Jail Sentence For Enticing Girl

PENDER, Neb. — Charles Side, charged with enticing and decoying away from her parents Winifred Walters, 14, entered a plea of guilty and was sentenced to ninety days in the county jail. The court later paroled him to Alec George, of Burt county, during good behavior and on condition that he stay out of Thurston county. Side and the girl were arrested at Onawa, Ia., after crossing the ferry at Decatur.

EXTRA TRAFFIC MEN TO BE EMPLOYED JUNE 25 TO 29

City Manager States Added Employees Required For Convention Week

Extra traffic officers to handle the crowds attending the state Christian Endeavor convention in Glendale, June 25 to 29, will be employed, it was decided at the meeting of the board of city trustees last night, following a communication received from T. W. Watson, city manager. The communication:

"The attendance at the Christian Endeavor convention to be held here from the 25th to the 29th, inclusive, is estimated to be from four to five thousand. During this period the police will require a number of extra traffic officers to handle the automobile traffic at a number of the street intersections of our main traffic highways, also extra precaution should be taken in regard to fire protection. There are other matters such as additional street lighting and policing at the automobile park.

Requires Extra Help
"All of these will require extra help as the regular forces employed will not be sufficient to adequately take care of these matters. It is hardly practicable at this time to specify the exact amount of help that will be needed in the several divisions. We would therefore respectfully request authorization to employ such help as may be needed in this connection."

On motion of Trustee Henry, seconded by Trustee Lapham, the city manager was authorized to secure the necessary workers.

Those who plan a vacation on the farm should beware of insects and especially of the humbug who provides factory canned vegetables.

CHAIRMAN OF USHERS HAS WORKERS READY TO DIRECT DELEGATES

H. W. YARRICK

Well known resident of Glendale and chairman of the committee having charge of the ushers for the state Christian Endeavor convention, Mr. Yarrick states that his committee has completed all arrangements for the directing of the delegates. Several novel ideas have been worked out by the ushers' committee and the visitors are certain to be satisfied with the arrangements.

Valley Supply Gives Four Deliveries Daily

The Valley Supply company is established now in its commodious quarters at the corner of Wilson and Maryland avenues where it is equipped to handle grain and feed in car-load lots. The entire plant will be in high speed operation within two weeks, its cleaners and grinders having the capacity of 100 sacks of grain an hour.

Two regular deliveries daily to local customers and a special service which extends as far as Sunland has been established.

ADVANCE GUARD OF C. E. DELEGATES ARRIVES HERE

Five Young Men Make Trip Of 500 Miles By Auto To Attend Gathering

The first of the delegates to the coming Christian Endeavor convention arrived in Glendale last evening when a party of five finished the end of a 500-mile auto trip from Vallejo.

According to Miss Marjorie Smith, the secretary of the general committee, if the first party of masculine delegates to arrive is any criterion of the looks and appearance of those to follow, the youth of Glendale will have to step lively to prevent some of the city's fairest maidens from succumbing to the coming invasion.

Four of the party are: L. C. Post, Armen C. Morgan, Clyde H. Bryan and Finis L. Gillespi.

From San Francisco arrived Miss Edith MacDonald, State Intermediate Superintendent. She will have full charge of the intermediates at the convention.

Prospective delegates from Sherman, Claremont and Santa Ana were also here today, looking over the camping sites with a view of making a selection for their stay.

Girl Singers To Be Vaudeville Feature

The Four American Beauties, better known as the Metropolitan Quartette, celebrated girls' singing organization that has headlined Grauman's Million Dollar Theatre in Los Angeles for the past three months, will be the feature act of the Meiklejohn and Dunn vaudeville road show at the Glendale Theatre tomorrow, Saturday, matinee and night.

This great organization is but one of the special attractions on the big program. The Celebrated Spanish Troubadours, fresh from the Mission Play at San Gabriel, will present their singing and dancing act; Prince and Brown, Pantages favorites, will present their blackface comedy singing and dancing skit and Dan O'Neil, another Pantages favorite known as "the tramp comedian" will offer his act "It's All in Fun."

In addition to the vaudeville the special feature picture "What's Your Reputation Worth" will be presented. This picture is one of the most sensational of the year and has enjoyed phenomenal runs everywhere.

At the matinee tomorrow balloons will be given the children. There will be no raise in prices for the double program, the regular admission price prevailing.

VISITORS AT MT. LOWE

Robert Frazee, son of Mr. and Mrs. A. L. Frazee of 211 Milford street, made the trip up Mount Lowe on Thursday, June 23, accompanied by his aunts, Miss Hope Lytle and Miss Nell Frazee, both of whom are guests in his home.

Eastern Star Picnic At R. A. Bourne Home

Mr. and Mrs. B. F. Bourne of 211 West Colorado street, Eagle Rock, formerly of Glendale, entertained about 75 members of the Eastern Star Matrons' and Patrons' Association of Southern California at their home Monday evening. A short business meeting was held, followed by dancing.

At this time arrangements were made for a lawn party to be held this afternoon, beginning at two o'clock, and continuing during the evening at the beautiful home of Mr. Bourne's brother, R. O. Bourne of 1725 Milan street, South Pasadena. Invitations have been sent out to over 100 Eastern Star chapters and it is anticipated that there will be over 250 matrons, patrons and others in attendance. There will be a picnic lunch at seven o'clock, with dancing following.

First National Bank Gets Cesspool Permit

On motion of Trustee Henry, seconded by Trustee Robinson, the board of city trustees last night acted favorably on the following communication from T. W. Watson, city manager:

"In regard to application attached hereto of First National bank for permission to build and maintain a cesspool under sidewalk at the west side of the bank building at the southwest corner of Brand boulevard and Broadway.
"As there seems to be no other available location for this cesspool I would recommend that permission be granted as requested with the understanding that cesspool will be constructed under the supervision of street superintendent and in accordance with city specifications therefor."

FOUND GUILTY OF MURDER
Raymond W. Smith, charged with murdering his wife, Mary Edna Smith, several weeks ago with cyanide poison, was found guilty by a jury last night in Judge Sidney B. Reeves' court. The jury brought in a verdict of first degree murder with a recommendation of life imprisonment. An appeal will be taken.

To the Fair-minded Voters of Glendale

In these few days before the election various rumors about "BLUE LAWS" and "FANATICAL" legislation are being circulated and some rash statements and harsh insinuations have even crept into the political advertising of certain groups. We regret this tendency to stir up discord and prefer a spirit of harmony, working shoulder-to-shoulder for all things which will build up our beautiful city. To set at rest any misgivings of fair-minded citizens, who do not already know the Municipal League candidates for the city council, all of whom have lived in Glendale twelve years or more) and who may have been disturbed by temporary agitation chiefly for political purposes, we publish the following signed statement on our position:

Statement

We, the undersigned, individually and collectively, do positively affirm that we are not connected with any so-called "Blue-law" movement and have no knowledge of any attempt to enact such laws in Glendale. We believe that every man has the right to worship God when and how he pleases.

We are pledged to no person, group of persons, or selfish interest whatever.

Our only aim is a clean, economical, business administration of city affairs, serving the will of the people, and with our hands absolutely free to do so. The will of the majority of citizens so far as it can be made known should prevail.

CONGRESS LEADERS MAKE PLANS ON LEGISLATION

Seek Firmer Grip on Helm They Make Clear; Give Out Their Program

WASHINGTON, June 24.—Republican leaders in congress, particularly in the senate, have decided to take a firmer grip on the legislative helm, they made clear today.

After conferences participated in by Senators Penrose, Smoot, Watson, Lodge and others, it has been decided, it was learned:

That groups advocating special or class legislation must not be allowed to control.

That the legislative program must be strictly limited, both at the present extra session and at the regular one beginning in December, to matters of first importance.

That restrictive or regulatory legislation affecting business is to be discouraged.

That all "freak" measures are to be set aside.

The economy in legislation is as essential as economy in tax spending.

More Street Lights To Be Placed, Report

The following communication from T. W. Watson, city manager, was read at the meeting of the board of city trustees last night and ordered filed:

"In regard to petition of resident owners on Walnut street between Magnolia avenue and Los Feliz road for street lights that was referred to us the 16th instant.

"I beg to report that we are securing easements for the extension of pole lines on rear of property line of the lots on north side of Magnolia avenue and expect to have all necessary signatures within a few days. The pole line will then be extended along the rear line of these lots from Central avenue to the east side of Walnut street. Street lights will then be installed at the intersection of Magnolia avenue and Walnut street. The lamp at the intersection of Walnut street and Cypress street will be located so as to illuminate Walnut street as well as Cypress street."

ELITE SHOP DECORATES

The Elite Sweet Shop, of which G. W. Biggins is proprietor, has decorated the interior with numerous live ferns which makes it a pleasant place to dine these warm afternoons.

BOOKS FOR SUMMER READING NOW AT LOCAL LIBRARY

Adults and Young People to Be Provided With Plenty of Vacation Books

In order to better take care of the different needs and requirements of the patrons of the Glendale public library, some time ago the work was divided into two branches, one for the young people and the other for the adults. As an inducement to keep the young people in the environment of their own department a splendid assortment of good books have been added to that department. These include some of Bret Harte's stories of adventure and early California history, Rex Beach stories of adventure, Dumas' books, those of Zane Grey, twenty selected stories of the frontier, and a collection of Craig Kennedy's best detective stories.

Books for summer reading are being added to both the young people's and the adults' department. Lists of these books are being prepared and will soon be ready for distribution.

Deal with Camp Fire

Camp Fire Girls will be interested in learning that a number of books and booklets dealing with subjects of the Camp Fire have been added to the young people's department. These include the following:

"A Book of Symbolic Names for Camp Fire Girls."

"The Shulutamna of the Camp Fire Girls."

"A Book of Symbols for Camp Fire Girls" (Charlotte Gulick).

"Vacation Book of the Camp Fire Girls."

"Camp Fire Girls' Equipment."

Camp Fire Songs, with music, which have been added to the library include "Mystic Fire," "Boo-Ga Man," "Work Song," "Burn, Fire, Burn," "Mammy Moon," "Walking Song" and "Boating Song." These all give gestures to be used.

Story Hour Saturday

The regular story hour will be conducted in the young folks' department Saturday afternoon at 3 o'clock by Miss Leone Shattuck.

Mrs. J. C. Danford, librarian, states that it has been a matter of gratification and encouragement to the members of the library force to have their interest in the library recognized by the substantial contributions which have come to the library recently.

Good Government League Pleads Guilty!

Before the true object of the alleged "Good Government" league was revealed an effort was made to have this organization endorse a certain excellent candidate in order that the People might be represented by a majority of the council. Officers of this so-called "Good Government" organization had publicly represented that no endorsements had been made. They now confess that "the League had already endorsed!" (See Good Government league ad in Thursday's News.)

By their own CONFESSION this League was formed in the SECRET interest of Stephenson and Lapham. We condemn such machinations.

We pointed out the corporation affiliations of their leaders. They now confess their subservience to the "corporations they so creditably serve." (See Good Government league ad in Thursday's News.)

VOTERS. Do you think the Southern California Gas Company, the Telephone Trust or the Railroads allow their employes to be thus active in local politics unless their activities are perfectly safe, not to the people but to the "corporations they so creditably serve?"

VOTERS. Under Section 62-A of the Penal Code of California which is designed to discourage anonymous political circulars it has become customary

for all such circulars to be signed by the officers of the organizations issuing them. Why doesn't the Good Government league thus publish the list of its officers?

Mr. Stephenson in his published letter of June 22 significantly fails to mention that he himself introduced the graveyard extension ordinance against the passage of which it was necessary to present the irate protests of 766 of his constituents! Mr. Stephenson admits by his failure to deny that he "continued to justify" this unjust ordinance. We can produce numerous affidavits to this effect if desired.

Mr. Stephenson brings the record into his confessions and demonstrates that the sum total that the 766 protesting constituents accomplished was delay.

Mr. Stephenson, why was this ordinance not put to a vote and unanimously defeated?—and put definitely into the discard?—by a showing of official hands, yours included?

Please note that Mr. Stephenson is significantly silent upon the subject of nepotism in our city government.

Respectfully submitted,

Better Council Campaign Committee

Men's Store 103 S. Brand Blvd.

PUBLIC INVITED TO SAM SEELIG CO.'S FORMAL OPENING

People Urged To Attend And Inspect Departments Of Well Arranged Store

The Sam Seelig company throws open the doors of the Glendale public market tomorrow morning at 7 o'clock. It is located in the most massive store building in the city, covering 50 by 126 feet at 131 and 133 North Brand boulevard.

At a reception, which will be featured by an orchestra from 9 o'clock in the morning until 6 o'clock in the evening. Sam Seelig, president of Los Angeles' most rapidly-growing chain-store system, Ed Dale, former resident of Glendale, who is vice-president of the concern, G. E. Alexander, the local manager, and Mr. Manchester will greet the public.

The grocery department will be under the direction of Sam Seelig's company and it will have a complete line of staple groceries at the lowest cash prices,—the same as prevail in the Los Angeles stores. Truckload upon truckload of supplies have been received during the last three days.

Complete Departments
H. C. Wilcox has charge of the delicatessen concession and he will deal in butter, eggs, milk, cheese, pickles, smoked meats and similar goods. A complete refrigerating system has been installed for the perishables.

G. H. Smith is conducting the fountain lunch which will accommodate a score of people at one time—the largest soda fountain in Glendale. He also will handle candies, cigars, chewing gum and peanuts.

Ahrens & Neilund are the Bread Box Bakers who have installed a sanitary kitchen and bake shop where customers can see the dough mixing and baking through screened windows. Display cases complete their equipment.

Fine Market Equipment
The Ideal Meat Company, Store No. 3, will handle meats, fish and poultry in their \$10,000 glass-topped refrigerator counters. It is one of the most adequate market equipments in southern California.

The Coast Fruit & Vegetable company will handle the seasonable garden and orchard delicacies in a large stand which opens onto the boulevard.

The entire interior of the big building is done in white with plentiful aisle space and cooling ceiling fans which will make trading at home a pleasure.

Miss Gladys Sharpe Is Given Surprise

Miss Gladys Sharpe, who was the class teacher of the A-8-2 class of 1921 at the Glendale Intermediate school, was the surprised honoree at a very charming tea Thursday, June 23. Mrs. Thomas G. McDougall of 128 West Elk avenue being the hostess and the guests including a group of the mothers of the boys and girls who lately graduated. Mrs. McDougall's lovely home was decorated with great bowls of Shirley poppies, and after a pleasant afternoon under the pergola the guests drank their tea in the cool drawing-room. Mrs. A. A. Barton poured.

At the close of the afternoon Mrs. Barton, on behalf of the assembled mothers, presented Miss Sharpe with a beautiful string of La Tosca pearls as a token of their appreciation of her work with their children. The invited guests included Mrs. Wm. N. Reed, Mrs. P. A. Beach, Mrs. Clarence C. Kalbaugh, Mrs. A. A. Barton, Mrs. John W. Sharpe, Mrs. P. M. Hatch, Mrs. Mary H. Carpenter, Mrs. Alton R. Goodale, Mrs. Louis A. Hart, Mrs. Ed M. Lee, Mrs. Clarence H. Crawford, Mrs. H. W. Timothy, Mrs. S. E. Brown and Miss Sharpe.

Mr. and Mrs. M. Paul Jones of 311 East Elk avenue, Paul Murdy and Miss Bessie Mock are among those who will take part in a musical program to be given tomorrow night at Trinity auditorium, Los Angeles. The American Guild of String Instrumentalists will hold their twentieth annual festival concerts tonight and tomorrow night.

The selections to be given by the local people include "Chimes of Normandy" (Planquette), "Moment Musical" (Schubert), "Pastel" (Paridis), "Valse in C Minor" (Original), by M. Paul Jones; "Big Chief Battle-Axe" (Indian novelty by Allen), "Characteristic Selections," by the Dixie Trio, M. Paul Jones, Mrs. M. Paul Jones and Paul Murdy; selections on steel guitars and other string instruments by C. S. DeLano and players, including Miss Bessie Mock of Glendale.

The twentieth annual convention of the Guild is now being held at Hotel Clark, with delegates attending from all parts of the United States and Canada.

A HELPFUL SUGGESTION
President Harding is being criticized because he splits his infinitives, and a lady writes from Delaware asking us why he doesn't get his tailor to measure him again and make them larger.

GRAND OPENING

FREE EXCURSION

Sunday, June 26

For a Few Days Only

\$200

Only a Limited Number at This Low Opening Price

Buy a Lot Under Lease for a One-Sixth Royalty to STANDARD OIL CO. on the BOLSA CHICA DOME Right in Line With Big Production Overlooking the Great Huntington Beach Oil Field

The Greatest Geologists, the Most Prominent Practical Oil Men Have Placed Their Unqualified Approval on This Property.

THOSE WHO OWN THE LAND AND GET THE ROYALTY MAKE BIG MONEY IN THE OIL GAME

WHY THESE LOTS AT \$200

Our experience in selling a 50-acre tract adjoining this new 30-acre tract has made us realize a popular demand and the advisability of plating this tract into the same size lots as are being offered by our would-be competitors and enabling us thereby to undersell any and all competition. Please understand that there is nothing else on the market to compare with our lots at any price. Our land is leased to the great Standard Oil Company. The Long Beach Trust & Savings Bank handle all funds and the Great Bolsa Chica Dome is located northwest of the Bolsa Chica Gusher and in direct line to Signal Hill of Long Beach.

The lots in the 50-acre tract which we have sold out within the past few weeks were opened at \$250 and closed out at \$350, and were sold, we believe, at but a fraction of their value. It is our opinion that expected developments on Bolsa Chica Dome will justify a great advance at an early date over the low opening price of \$200. The owners reserve the right to advance the price at any time without notice or to withdraw entirely from the market. This is undoubtedly the fairest and safest proposition on the market with possibilities of greatest quick profits. If you wish a clean oil speculation buy as many lots as you can afford, but act quick. WHEN THIS UNIT OF LOTS ARE SOLD—WE HAVE NO MORE LOTS LEASED TO THE STANDARD OIL CO. AT ANY PRICE.

Royalty on oil land has made more money for more people than any other form of investment. Play the oil game to win—the way the big fellows play it. This is an opportunity to get into the greatest money-making business in the world—the SAFE WAY.

SEE IT---BE OUR GUEST

We take you through the great Huntington Beach oil field. This trip is of wonderful educational value, passing through California's most interesting and beautiful sections. Big roomy, luxurious autos make the trip a pleasure. Luncheon served on the Bolsa Chica Dome. Interesting and educational lecture on "How to Play the Oil Game to Win."

EXPLANATION SOUGHT
Capt. Thomas E. Halls of the United States secret service, being by birth an Englishman, is partial to English soaps for his bath. Thereon hangs a tale.

The captain bought some delicately perfumed soap of the finest oils, etc., the bars of which were of unusual design and were tagged thus: "Patent applied for."

As soon as he arrived home the captain tried a bar of the new soap in washing his face. Then he seated himself at the dinner table.

"Will you please explain why you have tagged your head?" asked Mrs. Halls.

"I don't understand you," replied the captain.

"Well, you have a tag on your forehead that says 'Patent applied for,'" explained Mrs. Halls.

THE BAROMETER
Ethel—How do you know the Dobsons have patched up their quarrel?
Clara—Oh, I saw Mrs. Dobson this morning in Bimbles. She was trying on one of those \$25 hats!

A MORNING'S WORK
While shopping one morning Mrs. Rushton thoughtlessly picked up an umbrella belonging to another woman and started to walk off with it. Its owner stopped her and the absent-minded one returned the umbrella with many apologies.

This little incident served to remind Mrs. Rushton that umbrellas were needed by several different members of her family, so she purchased two for her daughters and one for herself, and, as it was the holiday season, she took the articles with her instead of ordering them to be sent.

As she entered a car, armed with the three umbrellas, she chanced to observe that exactly opposite her sat the woman to whom she had had to apologize a short while before. After staring at the three umbrellas for several minutes the woman smiled, leaned across the aisle and said in an icy tone: "I see you've had a successful morning?"

What some people live on isn't half as distressing as why they live on.

Miss Sinclair Is Host To Humdingers' Team

One of the Intermediate School Indoor baseball teams, which proudly calls itself the "Humdingers," celebrated the closing of school with an outdoor party at the home of Miss Vera Sinclair, 245 Sinclair avenue, on Monday evening. Games were played and a delicious picnic supper spread on a large table under the oak trees. Assisting Miss Sinclair was Miss Alice Lookabough. The guests included the following: John Lovell, captain of the team; Norman Nelson, Eugene Drury, Harry Chassee, Harry Reedy, Kenneth Lee, Robert Hatch, Clarence Albach, David Roberts, William McClammy, Frederick Whittaker, Dorothy Young, Marjorie Hart, Donna Wilson, Eula Linkogel, Georgia Young, Elizabeth Brewer, Winifred Brewer, Velma Pierce and Irma Lucas.

Harold Young Guest Of Seymour Smith

Mr. and Mrs. Seymour Smith of 416 West Wilson avenue entertained during the past week Mr. Smith's cousin, Harold Young of Palo Alto. Mr. Young has recently completed his course at Stanford university, and is now on his way to Ithaca, New York, where he will enroll in Cornell university.

Local Girls Attend Banquet By Sorority

On Thursday evening Misses Martha Ray and Eunice Peart, both of this city, attended the annual banquet and "get-together" of the Beta Tau Alpha sorority, which was held at the beautiful Vista del Arroyo hotel in Pasadena. More than sixty members of the famous Greek letter organization were present at the affair, which was probably the most successful in the history of the sisterhood.

THOSE FOOLISH QUESTIONS

A big, powerful motor slowed up as the occupants perceived a car of very modest proportions standing by the roadside in a rather battered condition. The owner of the car was on his knees, endeavoring to straighten out some parts.

"Have an accident?" queried the man in the big car.

"No, thank you," grimly returned the other, "just had one."

A. W. Calahan Opens Oil Office In City

A. W. Calahan has opened offices here at 107 West Broadway for the Bolsa-Chica Oil and Gas Syndicate of Long Beach, which is selling oil lots in the Huntington Beach oil fields. According to Mr. Calahan the property is under lease to the Standard Oil company on a one-sixth royalty basis.

SIGNS AND ADS

Milwaukee advertisement: "Try out pigs' feet. We pickle our own." Sign in Ripon, Wis.: "We stand behind everything we push." Advertisement in Chicago Tribune: "Lost, strayed or stolen, toy Boston bull, with four feet."

Theatrical paper, London: "Engagement wanted. Small part, such as dead body or outside shouts."

Country Newspaper: "For sale, a second-hand monument, slightly used. Great bargain for a family by the name of Duffy."

Gag Rule In Navy Is Removed By Secretary

WASHINGTON—Secretary of the Navy Denby has issued a general order lifting the so-called "gag rule," which prevailed in the navy during the war. Under the new rule naval officers will be permitted to write as they please, except on subjects involving foreign policies and war plans.

For guidance of the naval officers desiring to write, the order sets forth the limitations which come under the naval regulations as follows:

- 1—Articles bearing on foreign policies of the government.
- 2—Articles offensive to foreign governments.
- 3—Open discussion of war plans, proposed or approved, strategic plans, or of new developments in naval material not yet made public.

"Any communication intended for the public should be composed only after mature reflection, in a spirit of good taste and good temper, and in a seemly and proper manner," was the advice contained in the order.

A WOMAN'S ANSWER
Willie couldn't understand the theory of evolution, so he questioned his mother.

"Mamma, am I descended from a monkey?"

"I don't know, son," she replied. "I never knew any of your father's people."

It seems almost impossible for editors and owners of umbrellas to save anything for a rainy day.

Robert M. McGee

Independent Candidate For City Council

Business man, resident of the city for 12 years, not tied up with any faction, Federation, league or otherwise. Member of Freeholders' committee that framed the new charter. A believer in Glendale and its possibilities. If elected, will give the city business the same careful, considerate attention that I give my own business.

Your vote and support as an independent, thinking voter is earnestly solicited.

Lumber

Is the Only Commodity That's Bought "Sight Unseen"

However exacting a man may be in his demands for quality and value in merchandise, when he comes to lumber he apparently forgets his buying principles and spends hundreds of dollars without once seeing what he has bought.

Is it because he figures that lumber is lumber and that what he buys at one yard he will get at another? Then why not figure clothes, shoes, automobiles, hats and furniture on the same basis?

We Invite You to Our Yards

Before you buy from us or from any other yard we should like for you to visit us and personally inspect the lumber we offer in the grades and dimensions you need. QUALITY CAN BE RECOGNIZED. It is as definite in lumber as in any other commodity.

Compare, Then Buy the Best

It is no more than fair to yourself to see lumber before buying it. Why should you buy from us if you are afforded better value elsewhere? By the same token, why buy elsewhere if we can supply you materials of better quality?

But you won't know where the best value is offered until you have SEEN the lumber. That's why we urge you to see before you buy—then buy the best you see.

HAVE YOU TAKEN ADVANTAGE OF OUR FREE AND HELPFUL SERVICE? IF NOT, COME IN—WE CAN BE OF SERVICE TO YOU.

In Southern California

Boy Wizards to Clash
When Sam Rzeschewski, the Polish 9-year-old chess champion, comes to Los Angeles, Donald H. Mugridge, 16, will meet him in battle. Both are boy wizards at the game, it is said, and there should be a close contest if not a draw.

Crowds to See Miracle Man
Thousands of people are crowding into Exposition Park this week where "Brother Isaiah," so-called miracle man, is reported to be healing the sick. How effective his cures are cannot be told, but he certainly is creating enough excitement among Southern California people, including those in Glendale, to be worthy of comment.

Thomas Gibbon Is Dead
Thomas Edward Gibbon, Los Angeles pioneer and for several years former editor of the Morning Herald, died Wednesday at his home in Los Angeles. Gibbon recently suffered a stroke of apoplexy. He was a member of the Commonwealth club of San Francisco, the Groller of New York, and the City University Athletic, Jonathan, County and Bolsa Chica clubs of this city.

Anybody Lose Pulpit
Perhaps some preacher lacks a pulpit today and doesn't know that it is at the Upland station of the Pacific Electric. The pulpit was found on the right-of-way near there without a scratch, but with a bible on it.

Talented Woman Arrested
Mrs. Leone Esmond, daughter of Leonidas Dunbar of Van Nuys, talented musician and accomplished business woman, has been arrested in San Francisco and charged with treasonable acts. Her husband is serving in Leavenworth, Kans., federal penitentiary for violation of the espionage law.

Land There, House Gone
George H. Thompson, real estate man of Los Angeles, owned a ranch in Antelope Valley with a house as one of its improvements. He visited the place yesterday and found that the land was there but the building wasn't.

Leatrice Joy Is Bride
Movieland's latest bride is Leatrice Joy. She has been missing from the film colony for some days. So has Jack Gilbert, her "leading man." They are honeymooning "somewhere in California," friends admitted today.

Music Teacher Ends Life
Mrs. Pauline Jensen, 37, a music teacher, committed suicide in Los Angeles by firing a bullet from a .32 caliber revolver through her heart. Ill-health is said to have been the cause. She was the wife of John Jensen, Vermont avenue jeweler.

Ready for Long Flight
The big Clouster biplane, in which Eric Springer and David Davis will attempt a non-stop transcontinental flight, was moved from Good-year field, Los Angeles, to March field, Riverside.

The hop-off will be taken from the latter field this morning. "March field is larger and will give us a better chance for a successful start," Springer said. "Once we're in the air, we expect to make New York in thirty—possibly twenty-four—hours."

The biplane which Springer and Davis will fly is the holder of the Pacific coast altitude record, 19,600 feet.

HIS ADVICE
Wife—One afternoon I win at bridge and the next I lose.
Hub—Then why not play every other afternoon?

An Arkansan has patented a swimming pool in which a gentle current of water carries bathers through long and narrow parallel channels, one after another, until the start is reached again.

United Press Briefs

KILLS WIFE, THEN HIMSELF
CHICAGO, June 24.—Cries of an 8-year-old girl attracted police to a flat. The bodies of John Lahoda and his wife, Katherine, were found. Both had been shot to death. "Papa killed Mama and then killed himself," the child explained.

REAL CHICKEN FOR BROADWAY
SAN FRANCISCO, June 24.—A. G. Hinshaw is going to introduce some real chickens to Broadway.

He was en route to the Dempsey-Carpentier fight today carrying a basket of eggs from which the first peeps of new-born chicks were emerging. "They'll be full of pep when I hit New York," Hinshaw said, "and I'll show those easterners that in California our chickens are born with their summer furs all on them." The eggs were from Petaluma, "the world's egg basket."

HOPES FOR BROAD POWERS
WASHINGTON, June 24.—Hope that congress will grant Secretary of the Treasury Mellon broad powers in adjusting foreign loans was expressed by President Harding in a note transmitting to committees of the house and senate a letter from Mellon asking for authority to refund the foreign debt.

FAVORS PIGLESS PUBLICITY
WASHINGTON, June 24.—"Pitiless publicity" for war profiteers as well as war slackers is provided in a resolution introduced in the house by Representative Beck, Wisconsin. His measure calls on the secretary of the treasury to make public the names of all individuals or corporations who made a profit of more than 25 per cent during the war. Beck charges that profiteers are holding back more than a billion from the federal government in taxes.

DEFENSE CLOSES TESTIMONY
CHICAGO, June 24.—The defense closed its testimony in the case of Mrs. Cora Orthwein, charged with murdering Herbert P. Ziegler, Good-year Tire & Rubber company executive.

THE ETERNAL FEMINE
"Oh," cried Mrs. Gush, "what a darling blouse! How much is this gorgeous creation?"
"Fifteen dollars, madam," was the answer.
"Fifteen dollars, and so sweet for the price," continued Mrs. Gush. "It's a dear; just exactly what I want. The color and everything just as I like it. I think I will take it, though \$15—"
"Pardon me, madam," said the assistant, "I have made a mistake. This is marked only \$5, not \$15."
"Oh, I see; well, show me something a little better."

PATTERSON AVENUE PARK AND SWIMMING POOL IS CITY NEED

BY T. W. WATSON
City Manager of Glendale

A proposition will be on the ballot June 28 to authorize \$22,000 for the purpose of completing the payments for the purchase of Patterson Avenue park and constructing thereon a swimming pool. This matter has been under discussion by the people of Glendale for a considerable time. The board of trustees in response to numerous requests from individuals and civic organizations has placed this matter before the electors of the city now for the third time. On November 20, of last year, a proposition to authorize \$17,000 for the purpose of constructing a swimming pool on Patterson avenue was placed on the ballot and approved by more than two-thirds majority of the votes cast on that proposition in that election. Legal technicalities developed, however, that made it inadvisable to issue the bonds, and the matter was again submitted in a slightly different form on March 29, last. The proposition then was to issue \$66,000 of bonds to be issued for the purchase and improvement of three parks. Twenty-two thousand dollars of this issue was to be used to complete payments on the purchase price of the Patterson Avenue park and to construct thereon a swimming pool. Twenty-two thousand dollars was to have been spent for the purchase and improvement of a park in the southern part of the city, and the other twenty-two thousand dollars was intended to be used for the same purpose in the central eastern part of the city. This proposition did not receive the required two-thirds majority.

Again on Ballot

In response to a petition signed by more than 600 voters, the board has again placed the matter of authorizing funds for the construction of a swimming pool in Patterson Avenue park before the voters in the form of a proposition to issue \$22,000 of bonds, \$5000 of which will be used to finish paying for the Patterson Avenue park and \$17,000 to construct a swimming pool.

We have received a number of questions concerning the Patterson Avenue park and plans for constructing thereon a swimming pool in response to which the following is submitted:

This park is situated at the northwest corner of Patterson and Kenilworth avenues; it has an address of 814 feet on Patterson avenue and its area is about equal to two city blocks. The ground was purchased a little over a year ago from J. R. Gray, the price being \$10,000 which was to be paid in four equal annual payments of \$2500 each. Mr. Gray donated the first payment of \$2500. It should be stated here that this was a real gift on the part of Mr. Gray as the ground was worth at that time every cent of the \$10,000 purchase price and has increased in value since that time. There was also applied on the purchase price a sum of \$2,056.45 that was raised by a tax on the Valley View, Kenilworth and Grand View annexation districts. This was a duplicate tax paid by those districts in the first year after annexation to the city and was in addition to the regular city tax. Deducing this as well as the \$2500 donated by Mr. Gray leaves a balance of \$5,443.55 as the

amount of the purchase price of this park site that is to be paid for from the general funds of the city.

Site Is Close-in

When it is considered that this park is situated within three-fourths of a mile of the center of the city, that it can be reached by the Pacific Electric car line within one block and that it contains an area equal to two large city blocks, it will be readily appreciated that the city is getting a bargain in this park site. This site has been carefully laid out. Provision has been made for tennis courts, children's playgrounds, swimming pool, picnic grounds and all the features that go to make up a real public park and playground. Over one thousand trees have been planted on this park site. At the rate of growth these trees have made during the last year and a half, it will be only a short time before the city of Glendale will have a beautiful, shaded park and picnic grounds that will be an asset to the city worth many times its cost.

It is here that it is proposed to build the swimming pool. It is planned that this swimming pool shall be of the most modern design and construction and strictly in accordance with state requirements as to sanitation. The dimensions will be approximately 30x90 feet. It is possible that the price of material will come down sufficiently that the pool may be larger. The plans call for all the necessary dressing rooms, rest rooms, etc., that should accompany an institution of this kind. When in operation it will be under supervision at all times.

Small Investment Necessary

Glendale, in order to keep pace with the splendid municipalities of Southern California will have to have parks, playgrounds and recreation centers. These are indispensable to a city of homes.

It would seem that having this splendid and convenient site available the voters of the city might well afford this small investment that will secure for the boys and girls of Glendale and older people as well a swimming pool and recreation center of their own rather than to depend on our neighbors for these facilities.

I wish that every voter and taxpayer of Glendale might have heard Master Donald McMillian's address on this subject at the graduation exercises of the Intermediate school at the Palace Grand last Friday evening. Among other things he said:

"Swimming is the best form of exercise for physical development. The boys and girls of Glendale need clean, wholesome, recreation and opportunities to develop physically. There is nothing that affords a better opportunity for this than a swimming pool. Of course, we can and do use the swimming pool at Brookside, but that is a long way off, and when a fellow rides over there on a hot day on a bicycle he is almost too tired to swim when he gets there and when he gets back home again he is hotter than before he started." "On behalf of the boys and the girls of Glendale I appeal to the voters of our city to provide for us a swimming pool. We will do our part." "T. W. WATSON, City Manager."

What Is Reputation Worth? Picture Tells

Sentiment is the cause of making many unprofitable investments. This point is adequately illustrated in "What's Your Reputation Worth?" a Corinne Griffith production, which will be shown at the Glendale Theatre today and tomorrow. In the story, Anthony Blake, a prosperous business man who has made a comfortable fortune, holds on to a deserted farmhouse for reasons of family sentiment. It was here that the Blakes for several generations back were born and bred. Anthony keeps the farm up and employs a housekeeper the year around. The entire farm is a liability rather than an asset, but for reasons of sentiment the young business man continues to hold on to his purchase. The farm serves him a good purpose, however, when he seeks to give his wife her freedom by allowing her a divorce.

He sends his stenographer, a role assumed by Corinne Griffith, to the farm-house in the care of his housekeeper. Several times they are seen riding together through the village and enjoying other winter sports. The wife, who has a detective following her husband in hope of securing evidence that will enable her to secure a divorce, arrives at the farm house at the time when Blake is becoming attached to his stenographer. A dramatic scene follows which changes the course of three lives and nearly proves disastrous for the heroine.

"Tough Luck," a Century comedy; current news and scenic reels complete the program. Saturday the great Meiklejohn & Dunn vaudeville road show and the same feature film will be the attractions.

Fire Of 32 Years Ago Is Recalled By Scene

SEATTLE, Wash.—Right where Seattle's great fire started thirty-two years ago, and at precisely the same moment—at 2:45 p. m., at Fifth and Madison streets, came the cry of: "Fire!"

Now, as in 1889, the people filled the streets. The crowd parted. The same old "Sacramento" hand-pump water squirter, in those days called an engine, today a "relic," again made its famous run.

It came from its old fire headquarters at Third avenue S. and Main streets, and behind it two carts of hose.

The men in the fire helmets and red and blue shirts are the remnants of the "100 laddies," the crack company of the old volunteer fire guard of 1889.

As the grim old fire fighters, the handful that are left of them, arrived at the scene where thirty-two years ago the flames were starting which wiped the embryo Seattle all but off the map, a cheer was heard, just as in 1889.

The man at the head of them is W. H. Clark, now an assistant fire chief of the regular force, but in '89 the foreman of Engine company No. 2. And the men about him are the members of the old guard who have come to Spokane to attend the reunion and the celebration attending the placing of a tablet at First and Madison streets, where the fire had started, to commemorate not so much the fire, but the heroism of these same men, and the spirit of the people which rebuilt Seattle with courage and optimism.

The soul of a poet may dwell in a scullion—but did you ever know it to?

Timely warning to prospective home-builders

We cannot guarantee present low list prices of Pacific Ready-Cut Homes later than July 1. Several weeks ago our prices reached the bottom, but present market conditions will probably force a substantial increase in prices on or about July 1.

5 REASONS WHY PACIFIC READY-CUT HOME PRICES WILL PROBABLY INCREASE JULY 1

1. All Saw Mills are actually selling lumber at a loss.
2. Shipments of Pacific Coast lumber to Eastern States are commencing. This demand will force Pacific Coast prices upward.
3. Marine strike is causing severe lumber shortage here. In order to adequately supply local home-builders, lumber must be shipped by rail—the most expensive transportation.
4. Increased demand for new homes. The entire country is awakening to a greater home-building era. Higher prices invariably attend increased demand.
5. Our present lumber prices are based on obsolete market prices. Many grades of lumber have increased several dollars per thousand since our present price list went into effect.

We Advise Immediate Placing of Your Order

Mrs. J. L. Massie Is Hostess To Club

Mrs. L. J. Massie of Long Beach, who has leased the home of Mrs. James Tabour at 1315 North Louise street for the summer, entertained the Wednesday club of Long Beach at her home, June 22. Mrs. L. H. Nelson and Mrs. Young, both of Long Beach, assisting the hostess. Luncheon was served at 1 o'clock, thirty-four guests being seated at the pretty tables, and during the afternoon the club was entertained by Mrs. J. W. Julian, who gave several readings and Mrs. William Porterfield, soprano. Pink sweetpeas were used very effectively in decorating the luncheon tables and pink gladiolus gave a charming touch of color to the drawing room.

CLERGYMAN PAYS TRIBUTE TO FOUR HORSEMEN PICTURIZATION

Scene from "The Four Horsemen of The Apocalypse," starting Sunday at the Palace Grand.

One of the most remarkable tributes ever paid to a film production from a Los Angeles pulpit has been tendered Metro's "The Four Horsemen of the Apocalypse," which opens a three-day run at the Palace Grand theatre on Sunday, by the Rt. Rev. William MacCormick, dean of St. Paul's Pro-Cathedral, and one of the best known clergymen on the Pacific coast.

Taking Rex Ingram's picturization of Vicente Blasco Ibanez's widely-read novel as the subject of a sermon, Dean MacCormick classed it as the greatest motion picture ever produced, and urged every member of his congregation to see this magnificent production.

"I am talking to you today about 'The Four Horsemen of the Apocalypse' because it has a message for everyone of you," said Dean MacCormick. "It is a production that has something to say to you and something for me.

"Those who have read Blasco Ibanez's novel, and those who have seen the picture, know that Julio Desnoy-

ers was a blackguard. Marguerite Laurier's trend was in the same direction, but she lacked the nerve to carry out her plans.

"Then comes the great white purifying flame of a crucial moment, which lifts them out of themselves and prompts them to make the greatest sacrifices of their lives. The transformation is glorious—inspiring. You can see there as in no other piece of literature the proof that in every one of us there is a divine spark, which, if fanned into flame, will carry us to the very heights of self-sacrifice.

"I want every man and woman in my congregation to see this picture."

"The Four Horsemen of the Apocalypse" is enacted by a cast of 50 principals, including Alice Terry, Rudolph Valentino and Wallace Berry, while more than 12,500 people appear in the supporting cast. There will be but one matinee and one evening performance of "The Four Horsemen" at the Palace Grand, with a slight increase in admission prices for this picture only.

'People Back Home' Are Demanding Action

WASHINGTON, June 24.—"The people back home" are flooding congress with demands that immediate action be taken toward international disarmament.

A survey of the record during the last three weeks reveals ninety-three petitions for disarmament as compared with 156 for thirty or forty other legislative measures. Many of these come from churches but others are from various groups of citizens.

Indications now are that congress will meet this demand by passing the Borah disarmament amendment to the naval appropriation bill. Sentiment for it is growing in the house in preference to the Porter resolution.

The record gives an index of what the country is demanding of congress. With disarmament far in the lead, recognition of the Irish republic comes second with thirty-one petitions. Greater aid for wounded soldiers is third with thirteen while next in order are relief for the Near East and the Smith-Towner education bill with twelve and eleven each respectively.

United States Given Task to Prevent War

GENEVA, June 24.—The league of nations council has entrusted the United States with the task of preventing another Balkan war. The league declined to consider Albania's request to fix her boundary lines and compel the withdrawal of Serbia and Greece from her territory.

An Albanian delegation which appeared before the council declared another Balkan war would result if Greece should be given a piece of Albanian soil to reimburse her for withdrawing from Smyrna. The delegation made the war threat openly and stated freely that it understood the council was considering some such settlement of the near east problem.

The Albanians consented to the council's passing the problem along to the ambassador's council when it was urged that the United States is represented on that body. The league council will pass along to the ambassadors a number of telegrams from Albanians in America, urging that there be no partition of their mother country.

WOULD WATCH IT

"Well, Pat," said Bridget, "what kind of a bird have you brought home in the cage?"

"Well, it's a raven," replied Pat. "A raven. And what did you bring home a bird like that for?"

"Well, I read in a paper the other night that a raven has been known to live for 300 years. I don't believe it, so I am going to put it to the test."

Vivid Story of Wall Street, Palace Grand

George Walsh, starring in the William Fox production, "The Plunger," which tells a vivid and romantic story of Wall Street, will be the attraction at the Palace Grand today only. The picture, from an original story by Thomas F. Fallon, was made under the direction of Dell Henderson. It has a most capable supporting cast and is lavish in production. Virginia Valli, often described as the girl with the perfect profile, plays opposite the star.

"The Plunger" concerns the adventures of "Take a Chance" Schuyler, an erstwhile office boy turned millionaire stock broker. It is said that his career as pictured in this production is typical of several cases well known on the Stock Exchange. His battle to win Alice Houghton, daughter of a veteran fellow broker who has been made a financial pauper by the clever manipulation of the stock market by a rejected suitor, is the theme of the story.

Charlie Chaplin in "One A. M." and other pictures will round out the big bill while tomorrow "The Rent Collector," "The Man Who Dared" and "Catching a Coon" is the big triple bill.

Chance to Talk, But She Prefers Silence

WASHINGTON, Jun 24.—A woman who has every opportunity to talk and does not believe in doing it has been found. She is Miss Alice Robertson, congresswoman from Oklahoma. Miss Robertson says that she proposes to talk as little as possible in congress and urged other members to cut out unnecessary words as a means of reducing the expense of publishing the congressional record.

"I am not going to talk very much, for silence is truly golden now," said Miss Robertson. "I realize that every extra word we speak in congress means that much more expense to the United States government. Some of us in congress might begin—as I shall begin right now—to save money by stopping useless talking."

Who Caught Gardner? May Decide Himself

CENTRALIA, Wash., June 24.—The United States government is confronted with the problem of deciding not "who killed Cock Robin?" but who captured Roy Gardner?

Mrs. Marian Howell, manager of the Hotel Oxford, where Gardner was captured, claims the reward because she voiced her suspicions and called in the officers. Officer Louis Sonny claims the reward because he made the arrest.

There is a feeling here that the decision should be left to Gardner himself.

MILITARY PAGEANT ONE OF FEATURES BURBANK SHOW

Mass Production To Be Big Attraction; Parade Will Contain Many Floats

Surpassing in mass production anything of the kind ever attempted on the Pacific Coast, California's greatest spectacle, to be held at Burbank, Calif., July 2, 3 and 4, will have an attendance of 150,000 persons, according to reports reaching the Burbank Memorial association.

Orders have been issued sending federal troops, bluejackets and four battalions of the National Guard to Burbank for the big military pageant, which will form a part of the program. Governor Stephens and Adjutant General Boree will review the troops.

Secretaries of the Chambers of Commerce throughout Southern California will be delivered at the grounds by aeroplanes, this being the first time in history that this has been done.

There will be an air carnival, in which 350 planes will participate. This will include an air battle, the transfer of passengers from one plane to another, parachute drops and acrobatic stunts of all kinds.

\$10,000 in Prizes
Following the air stunting and patriotic parade of planes the big rodeo, in which 500 of the most daring riders of the world, will compete for \$10,000 in cash prizes.

One of the most impressive features will be the great production, "The Building of An Empire," in which 2000 actors will take part. This stupendous pageant is being directed by the Actors Equity Association of America and will consist of twenty episodes covering the history of California from the time of the Aborigine Indians down to the present. Frank A. Newbury and Jack Conolly have arranged the book for this gigantic masterpiece.

Another big number will be the first showing of the magnificent sacred film, "The Visualized Version of the Bible," which is to be projected upon six huge screens at the same time. This is being done so that every person in the enormous grandstand, which will seat 25,000 persons, can have an unobstructed view of the picture. The picture is later to be shown throughout the civilized world.

Electrical Parade
There will be an electrical parade, with floats entered from all sections of Southern California. Mrs. Dorothy Shindler, who is to direct this part of the program, has visited all of the larger cities and communities to enlist support and she has just reported that there will be upwards of 200 entries. The illuminated floats are to be drawn by persons instead of by horses or power vehicles and are limited in size to from four to ten feet.

Community singing by a chorus of 5000 trained voices, a street Mardi Gras, the big Midway with all of its attractive shows and exhibits, the military encampment, a playground for children, the five or six bands providing music continuously, the safe and sane Fourth of July celebration, are some of the other features that will make up "California's Greatest Spectacle."

"Follow the Star"
All of the highways leading to Burbank have been posted with guide signs, bearing the line "Follow the Star to Burbank" so that motorists will have no difficulty in finding the way. A forty-foot star, illuminated by hundreds of electric lights, has been erected at the grounds, and this may be seen for miles around.

Because of the patriotic nature of the Burbank celebration, which is sponsored by the National Guard, American Legion, Red Cross, G. A. R., Spanish War Veterans, Boy Scouts of America, Women's Relief Corps, Actors' Equity Association of America and kindred patriotic bodies, the citizens having the affair in charge have had the co-operation of newspapers and public officials everywhere.

The funds derived from the celebration will be used to build a Memorial Hall for "Those who have served and those who will serve." The building, which will also serve as an armory for the California National Guard troops, will cost nearly \$125,000.

There will be something worth while doing at Burbank every minute of the time, July 2, 3 and 4. The association urges those attending to remain over the three days if possible. Temporary housing accommodations have been provided in a huge tent city for 10,000 and there will be ample free camping grounds.

LEARNING FAST

Three negroes got mixed up in a quarrel and were locked up. Next morning they appeared before the judge. The first was given three months, and becoming abusive upon hearing his sentence, the judge increased it to six months. The second was given six months, because he, too, was abusive. The turn of the third man came.

"Now," said the judge, "what have you got to say?"
"I sure ain't got nuffin' to say, judge," he said. "Three months plenty nouf for dis lil nigger."

Hist! Pirates Busy In San Diego Harbor

SAN DIEGO—Piracy is going on in San Diego harbor.

The victims are the fishermen and owners of small craft, whom a band of petty bay pirates have apparently singled out as their prey.

When the first few thefts occurred the boat owners did not think much about it, believing that the jobs were done by the usual occasional petty criminal who infests all walks of life.

When the depredations continued, however, the small boat owners began to look into the matter and become seriously alarmed. Several motor boats were stripped by the pirates of all their spare parts. Another boat was taken out, completely stripped, and then three holes were stove in her hull and she was left to sink near one of the buoys in the outer harbor. Several fishermen had valuable nets stolen from their boats after the locks had been broken. One fisherman had a special pouch cut out of his net and stolen. The pouch weighed seventy-five pounds and was worth \$300. The manner in which it was cut loose from the net proved, he said, that the work was done by someone versed in the arts of fishing. He calculated that it took two or three men several hours to cut the pouch loose. A few days ago the pirates hacked their way into three power boats with axes and rifled them.

Boats in the past have always been particularly free from thefts here. Hence the boat owners and the police are becoming alarmed.

A vigilance committee of boat owners has been formed among the Italian fishermen, with the vowed intent of wreaking personal violence on any pirate found tampering with or looting a boat. To aid in the situation, the police department has established a regular night patrol, the policemen making special rounds along the waterfront and personally investigating the condition of every boat during the night.

CLOSE TO THE LIMIT

"To think that acting should ever come to this!"

"To what?"
"Just now I heard a blooming moving picture star refer to the stage as 'the speakies.'"

HER TROUBLE

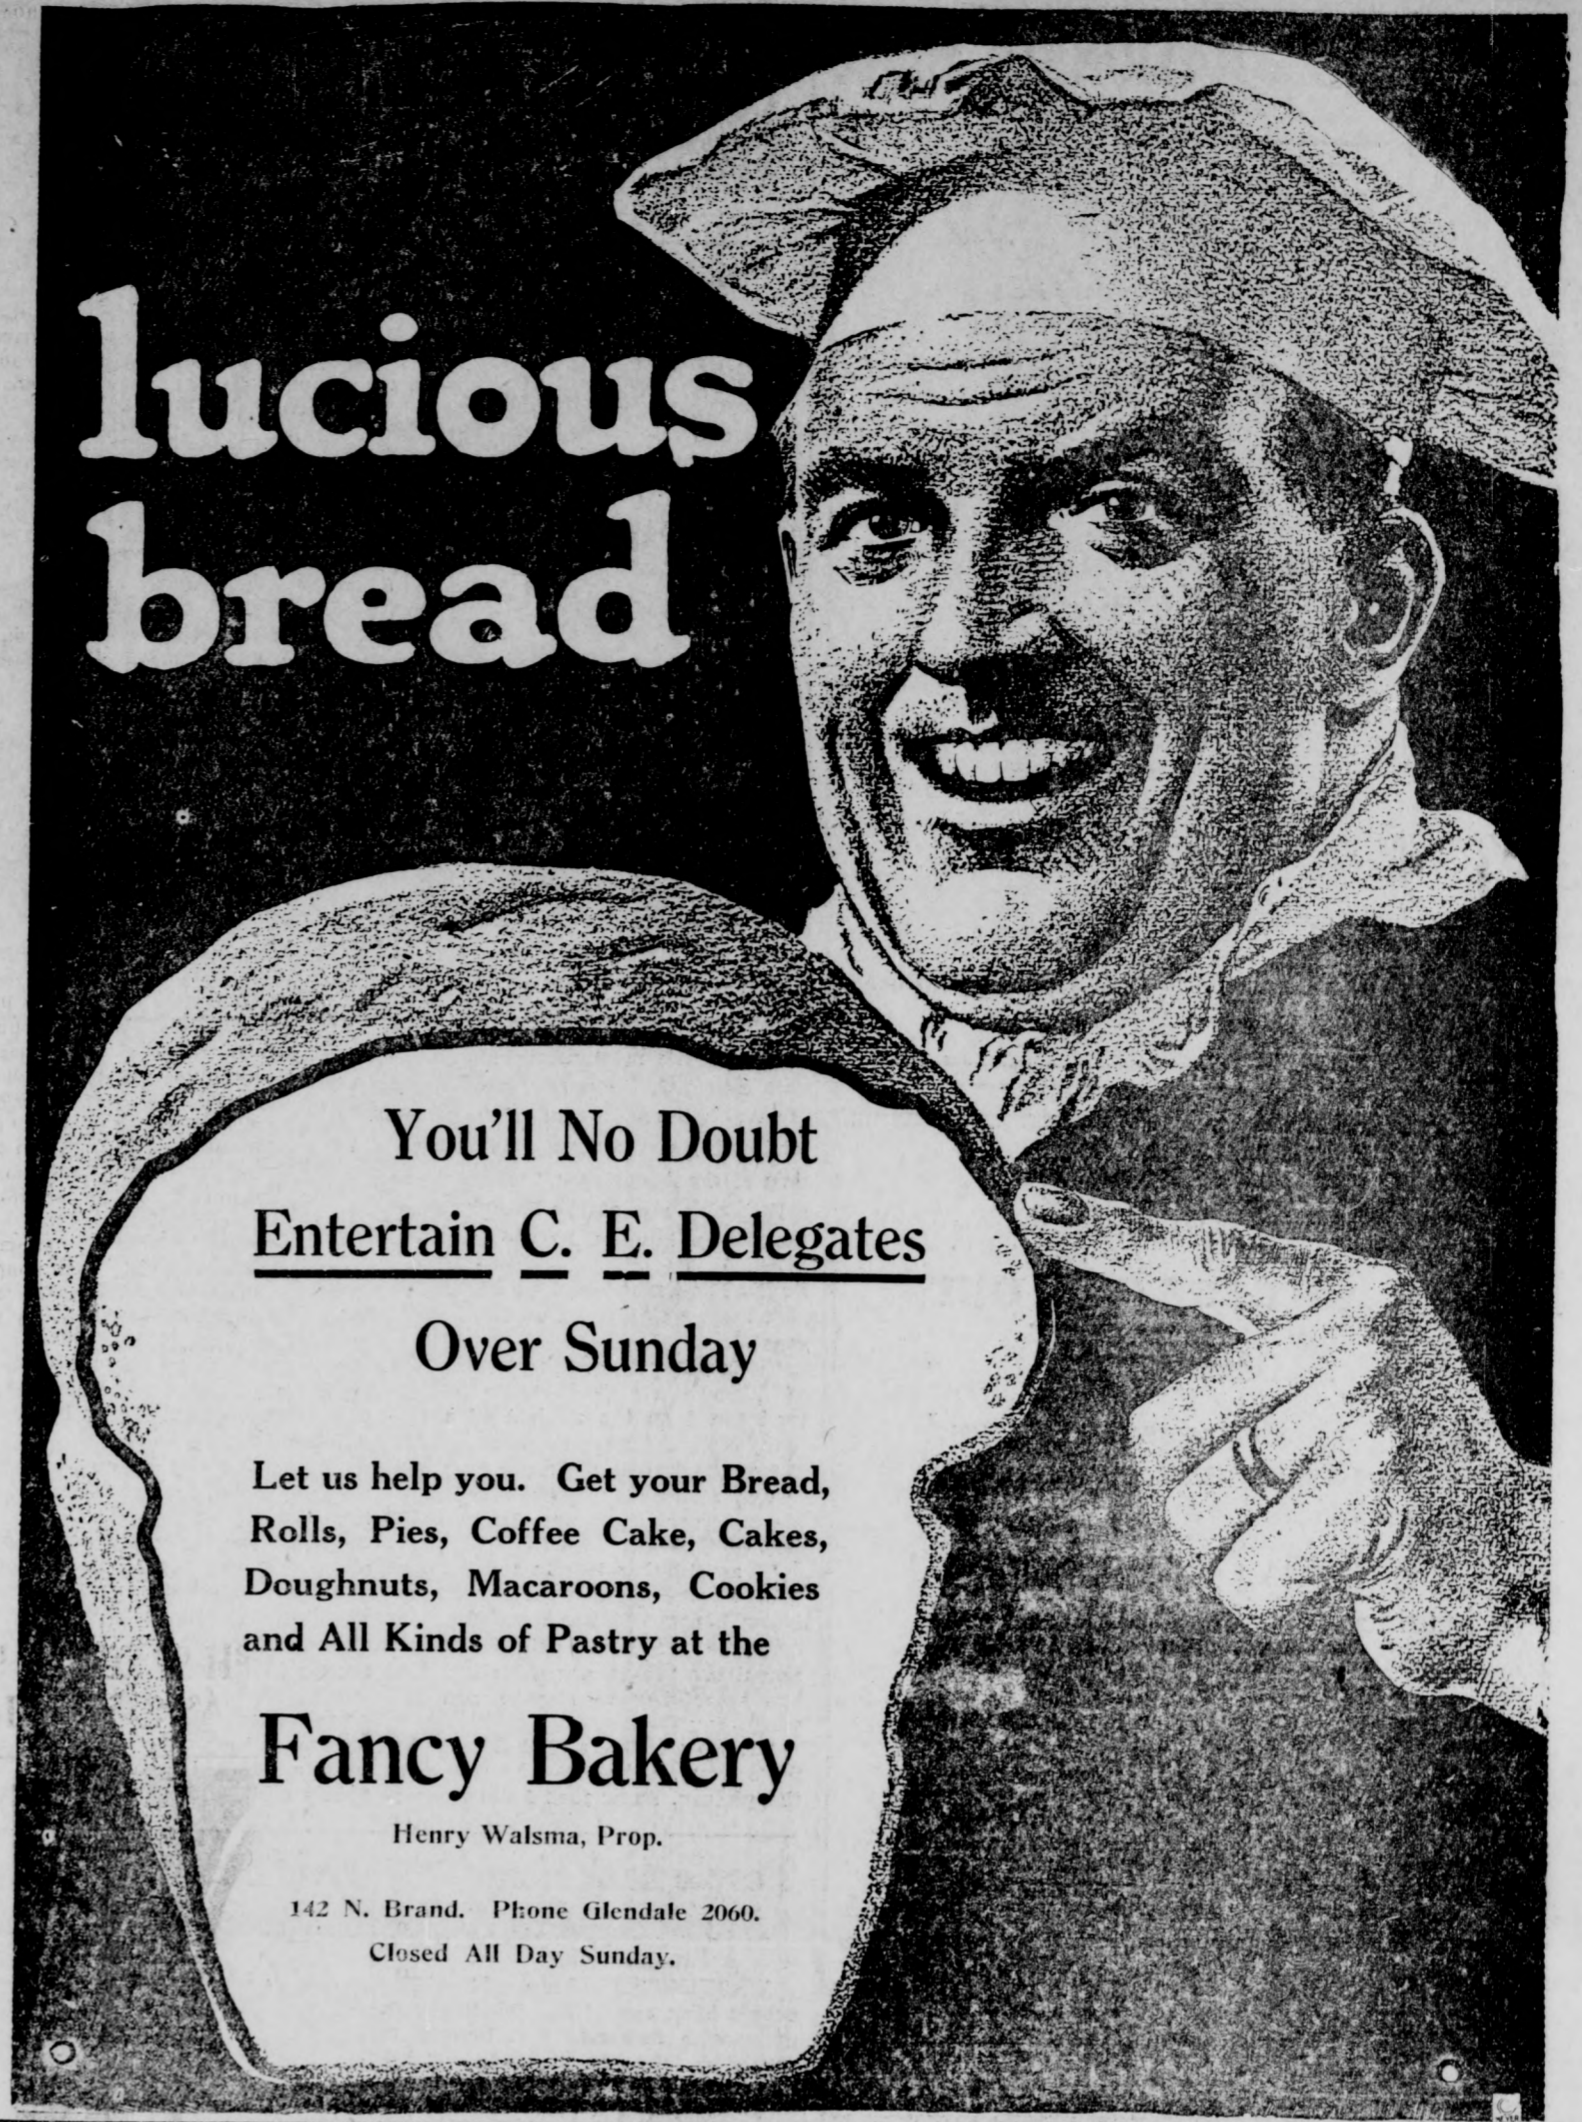

"Do you have any trouble breaking in your new shoes?"
"Not at all. My trouble comes in getting my husband to provide them."

Ancient Dentist Did Some Lasting Bridging

LONDON—Evidence of the lasting quality of the work of some master dentist of 3,000 years ago was revealed by the finding of an interesting Etruscan relic which has just been received in London to be placed in the historical medical museum. It is a fine example of gold bridge work and was found in an Etruscan tomb in Italy. The place and circumstances of its long burial indicate that it was worn in the mouth of a high personage who lived and died eleven centuries before the Christian era. Drugs and toilet preparations recovered from another grave must have been in use 3,500 years ago.

Look into his history a little and you will find that the man who boasts he is self-made is woman-made.

A great man is one who is able to conceal the fact that he is common-place.

CONVICTED

Sandy entered the grocer's shop. "Ah want a ounce of tea and a pound o' sugar," he ordered, adding, "an' me mither says ye're ta gie better weight than ye've dun lately."

"Whaat!" exclaimed the indignant grocer. "Dis your mither think Aa dinna gie weight?"

Sandy: Ah dinna ken.

Grocer: Weel, tell your mither that if Aa thocht Aa was'n't gien' weight Aa couldna' sleep at nights, an' that Aa's very vexed at sich a message.

Sandy returned to the shop the next day later, and the grocer asked him what his mother said about the weight.

"Weel," replied Sandy, "she says ye must ha' lost a lot of sleep lately."

Golf knickers are seen at the fashionable resorts. They are generally made of plain tweed or knitted wool.

SOME COMPENSATION

Surgeon-General Ireland of the army was sitting in his office with a long row or two of colonels and majors and lesser fry cooling their spurs waiting to see him, when a dapper little man with big horn-rimmed glasses walked into the ante-room.

"I'd like to see the Surgeon-General," said the little man to a messenger.

"Yas-suh. Yas-suh," said the messenger bowing profoundly. "Go right in, suh. The genril will be glad to see you Mistah Secretary."

It was Newton D. Baker, former secretary of war. The whole office from the surgeon-general to the messengers turned a couple of flipflops and did a few handsprings for him.

"Well," said a major whose spurs had been cooling a long time, "it isn't so bad being a Democrat, if you are only high enough up."

LOCAL ELKS MAKING PREPARATIONS TO GREET VISITORS

Plans Being Completed For Lodge Gathering; City Gives Sum Of \$500

(Continued From Page 1.) The 600 marchers, who will participate in the parade, have already arrived and are being distributed. The entire drill team, of which W. C. Wattles is captain, will march. It has been stated that Glendale lodge is the only one in southern California to have their badges made in Los Angeles, all the other lodges having placed their orders with eastern manufacturers. Glendale Elks' badges were made by the firm of a member of No. 1289, James A. Apfel. They are very clever, indeed, and will compare well if not excel those of the other lodges.

Big Elephant Is Secured

Several surprises are also in store, which will not be made public until the week of the convention. There will be a twelve-piece bugle and drum corps in the parade, with Earl R. Steele in command.

Through the courtesy of the Universal City studios, where a number of the members of No. 1289 are employed, an elephant has been secured for the parade, the trainer of which is C. E. Stecker of the Glendale lodge. There is being considerable discussion over the question as to who is to ride the elephant. The present officers insist that the past exalted rulers should ride it, and they, in turn, politely insist that the present officers shall ride it. The elephant will have a group of twelve members in Oriental costumes as escort.

An old-time '49 stage and suitable background for same will be entered by Hoose Steelman. Hoot Gibson, of Universal City, is to enter a mounted squad of twelve, all of whom will be in white uniforms.

Many Visitors Expected

Special committees will be in attendance all during convention week at the local clubhouse to entertain the visitors, open-house continuing during the entire week. This committee will look after the entertainment of the visitors, provide automobile rides through the valley, etc. It is expected that 50,000 visitors will visit Glendale during this week.

The convention program for the week, beginning Monday, July 11, includes the following:

- Monday, July 11. Redondo Beach day. Many special features during entire afternoon and evening, one of which will be the bathing girls' parade. The Glendale Elks' drill team is to act as escorts during this parade. There will be dancing in the pavilion during the entire day and a barbecue at noon and night.
- Tuesday, July 12. Santa Monica day. Similar special features afforded by a beach town will be given.
- Wednesday, July 13. Grand lodge business session in Los Angeles.
- Thursday, July 14. Big parade. All of the parade program given above, with the exception of the float, will be entered in this parade. Thursday afternoon and evening will be Long Beach day.
- Friday, July 15. Floral parade. Alhambra day. Aerial parade and circus and other features.
- Saturday, July 16. General wind-up of week's convention. Grand ball at Ambassador in the evening.

RACE GOING AHEAD

In all history there is hardly anything to compare with the progress of the American negro in the little more than fifty years since emancipation.

An article in the current number of the Commercial and Financial Chronicle says there are now in the United States 12,000,000 negroes. They constitute one-seventh of the working force of the country. Of the 3,000,000 men, 800,000 are farmers and 1,000,000 farm laborers. Eighty per cent of the women are in necessary home and industrial life.

In 1866 negroes in this country owned 12,000 houses, operated 20,000 farms, conducted 2100 businesses and had \$20,000,000 of accumulated wealth. In 1916 the number of houses had increased to 600,000, the operated farms 981,000, the businesses to 45,000 and the wealth to \$1,110,000,000.

Seventy banks are directed by negro financiers. Over 400 periodicals are owned by negroes. They even conduct an "Associated Negro Press."

Four hundred thousand negroes were called to the colors during the recent war and 200,000 of them saw service overseas.

There is less illiteracy proportionately, the Chronicle says, among the negroes in 1921 than there was among the white population of the United States at the time of the Civil War. In Alabama the colored population contributed \$430,000 toward the \$1,133,000 cost of establishing 720 Rosenwald schools.

Miss Lon Alta Melton, a University of Colorado graduate, is assistant bridge engineer of the United States department of public roads, and is attached to the headquarters office at Missoula, Mont.

MINUTES OF CITY TRUSTEES

The proceedings of the Board of City Trustees in session at the city hall last night, as taken from the official minutes compiled by J. C. Sherer, city clerk, are as follows:

The board assembled at 8 o'clock p. m., all members present. Minutes of the regular meeting of June 16, 1921, were read and approved.

Sierra Avenue Annexation

A communication addressed to the president of the board was read from P. S. McNutt, urging that the board do not delay the calling of an annexation election of the Sierra avenue district.

In this connection Mr. Parratt, one of the signers of the petition asking that an election be called, addressed the board, requesting that the action of the trustees at the meeting of June 16, postponing any further action in regard to the matter until July 7th, be rescinded. The city attorney stated that some doubt existed as to the correctness of the description of the district as outlined in the petition and on motion of Trustee Lapham the petition was referred to the city attorney for report.

From A. G. Hinckley

A communication was read from A. G. Hinckley in reference to the removal of pepper tree on San Fernando road, and same was ordered to be filed.

From W. H. Thompson

W. H. Thompson in a communication to the board desired information as to whether the board had received his letter of April 11th in reference to water system on Grand View district. Referred to the city manager for report.

Change Walnut Street

A petition was presented, signed by Martha Y. Salyer and eleven other residents of Walnut street, requesting that the name of that thoroughfare be changed to South Orange street. Referred to the city engineer.

Applications to Do Work

Applications to do street work by private contract were presented from B. W. Sherwood and from John W. Henderson, both of which being approved by the street superintendent, were granted.

Villa Shaw Rest Home

A communication was read from the health officers reporting that he had investigated the premises at 400 Palm Drive and reports they are satisfactory as to sanitary conditions, and that the neighbors have no complaint in regard to them.

On motion of Trustee Henry the application of Villa Shaw to maintain a rest home at 400 Palm Drive, was granted, subject to the usual restrictions, by the following roll call: Ayes, Bartlett, Henry, Lapham and Stephenson; noes, Robinson.

Dog Kennel License

The city manager reported in regard to the application of W. H. H. Knox for permit to conduct a dog kennel at 500 East Colorado boulevard, previously referred to him, that the same is apparently prohibited by the provision of Section 1 of Ordinance No. 172, which prohibits the keeping of more than two dogs at any one place within 300 feet of the residence. Referred to the city attorney.

Committee From Elks' Lodge

A committee was present representing the Elks' lodge, No. 1289, of the city of Glendale. Albert Pearce addressed the board, requesting that the city make as liberal donation as possible for the purpose of assisting the local lodge in defraying the expenses of a float which is to take part in the parade to take place in Los Angeles during the week beginning July 11, 1921.

A motion of Trustee Henry was adopted ordering that the sum of \$500 be appropriated for the purpose mentioned by Mr. Pearce, by the following roll call: Ayes, Bartlett, Henry, Lapham, Robinson, Stephenson; noes, none.

Lights on Walnut Street

The city manager reported that easements are being secured for the extension of pole lines on the rear property lines of lots on the north side of Magnolia avenue and that when this is completed the pole line will be extended from Central avenue to the west side of Walnut street and a light installed at the intersection of Magnolia avenue and Walnut street, and that a lamp at the intersection of Walnut street and Cypress street will be located so as to illuminate both of these streets. Communication ordered filed.

Vine Street Reservoir

The city manager reported that the Vine street reservoir now has water in it and that as yet no provision has been made for covering the reservoir. He recommends this work be provided for without delay, estimated cost, \$1000.

On motion of Trustee Bartlett it was ordered that the engineer of the public service department prepare specifications for covering the Vine street reservoir.

Christian Endeavor Convention

The city manager made a report in regard to the Christian Endeavor convention to be held in Glendale from the 25th to the 29th instant, and stated that from four to five thousand visitors are expected to be in the city during that time, and that this will require a number of extra traffic officers, extra precautions in regard to fire protection, etc., all of which will require extra help, as the regular force will not be sufficient to attend to the same.

On motion the city manager was authorized to employ the necessary help recommended by him in the communication.

the rear of the bank building or under the sidewalk at the west side of the same. In this connection, the city manager recommended that a permit be granted as requested with the understanding that cesspool be constructed under the supervision of the street superintendent in accordance with the city specifications therefor, and on motion it was so ordered.

Application of Edwin Pierce

Edwin Pierce was present and renewed his application for water service presented at a previous meeting of the board, and on motion the following resolution was presented by Trustee Henry and adopted, all voting aye:

"That the public service department be authorized to supply water to the property of Edwin Pierce, lots 13 to 18, inclusive, tract 2134, and to yaw 350 feet of pipe on Randolph street for that purpose, on condition that Mr. Pierce pay for the pipe and the cost of laying the same; pipe to be as required by the public service department."

From Engine Company

A communication was read from the American-LaFrance Fire Engine company acknowledging receipt of contract for a combination pumper and hose motor car, and the same was ordered to be filed with the contract. (Trustee Robinson was excused at this time, 9 p. m.)

Permit Granted C. E. Committee

The executive committee of the Christian Endeavor convention asked permission to erect tabernacle tents for temporary use on certain lots in tract 1735, and Central avenue block and on motion of Trustee Henry same was granted.

Auto Camping Ground

Earl Welch made application for a permit to establish an auto camping ground for auto tourists on four acres of land owned by him at 920 East Palmer avenue. Mr. Welch was present and urged action by the board. The matter was referred to the city manager, Trustee Henry making a motion that the permit be granted, the same having no second.

Map of Tract 4289

The city engineer presented a map of tract No. 4289, which was on motion approved by resolution No. 1208, all voting aye.

Demands

Demands were presented and referred to the finance committee. The finance committee reported back the following demands approved and on motion of Trustee Lapham same were ordered to be paid by the following roll call: Ayes, Bartlett, Henry, Lapham, Stephenson; noes, none; absent, Robinson.

Ordinance Proposed

Trustee Lapham presented an ordinance "prohibiting the standing of carts, wagons and other vehicles in certain public streets of the city of Glendale for the purpose of selling merchandise from them," which was read and laid over.

Protests Against Opening

The time having expired for the filing of protests, the clerk reported a number of protests against the opening of Garfield avenue and the same were on motion of Trustee Henry referred to the city engineer to check and report.

Buttons to Be Installed

On motion of Trustee Lapham, it was ordered that a button be installed in the street at the intersection of Broadway, west of Central avenue, and on motion of Trustee Henry one was ordered to be installed at the crossing of Acacia street and Glendale avenue. Adjourned.

Applications On File For Service By City

Requests for transfer of installation of light or water service filed at the public service department yesterday, follow:

- Mrs. C. M. Burke, from 336 West Windsor to 615 South Glendale; C. E. Hutchinson, from 246 North Orange; V. W. Prosser, from 356 Ivy to 204 East Broadway; P. A. Black, from 440 West Broadway to 113 West Harvard; Mrs. Sternberg, from 111 1/2 South Brand to 411 East Palmer; F. C. Butterfield, from 410 East Colorado to 246 North Orange; L. Tinning, 141 North Kenwood; B. Johnson, 1143 East Elk (rear); E. Kretzmer, 317 North Orange; S. J. Gibbons, 1320 Stocker; H. M. Potter, 911 East Lexington; Zeeheli Bros., 524 West California; L. W. Butler, 1212 South Maryland; G. M. Hall, 611 South Louise; H. E. Herman, 473 West Windsor; M. E. Canfield, 440 Salem; P. A. Black, 423 East Colorado; C. A. Bunting, 464 Salem; W. J. Eckles, 122 West Winchester; F. C. Butterfield, 246 North Orange.

HAPPY DEATH

There had been a certain amount of breeziness in the discussion which centered around the relative virtue and accomplishment of the two sexes.

"You men," said the advanced young woman, "think a great deal of yourselves because you think there is a shortage of your kind. Personally, I should not mind in the least living in a world where the men and girls were separated by an ocean."

The daring bachelor smiled at her. "I dare say you're right," he agreed. "Still, in the event you mention, I'm certain that there would be a large number of women drowned."

Flag Burners Hanged For Sailor's Murder

CHICAGO, June 24.—Two murderers of a sailor, who was slain in an attempt to save an American flag from being burned were hanged.

The state avenged the death of Robert L. Rose, young sailor, when the noose was slipped around the necks of Grover Redding and Oscar McGavick and the trap sprung.

Rose was killed in the bloody "Abyssinian" riots here a year ago. Redding and McGavick, both negroes, attempted to foment rebellion among blacks in this country and lead them back to Abyssinia.

An anti-American demonstration was staged, during which the American government institutions were ridiculed. The climax of the demonstration came when Redding and McGavick unfurled an American flag, threw it on the ground and applied the torch. Rose, in uniform, rushed from the sidewalk and commanded "don't."

A. F. of L. Postpones Electing Of Officials

DENVER, Colo., June 24.—Election of officers which had been scheduled for this afternoon, was postponed today by the American Federation of Labor.

Officials ruled that, in accordance with the constitution, the election must be the last matter of business to come before the convention. The election will be held tomorrow night or early next week.

With Samuel Gompers taking the offensive in his battle to retain leadership of the federation, his opponent for the presidency, John L. Lewis, head of the United Mine Workers of America, was expected to issue a statement on his position.

In a speech late yesterday Gompers declared that William Randolph Hearst, a newspaper publisher, is responsible for the campaign to prevent his re-election. He said Hearst was trying to "get him" because he had not supported Hearst's effort to bring about an invasion of Mexico.

MRS. J. C. DANFORD, LIBRARIAN, TELLS ABOUT STATE CONVENTION

Returns From Gathering Held at Lake Tahoe; Many Matters of Interest Discussed.

Mrs. J. C. Danford, Glendale city librarian, has just returned from Lake Tahoe, where she attended the twenty-sixth annual meeting of the California State Library association. She reports a splendid representation present from all parts of the state and a most enthusiastic convention.

Librarians of southern California felt very proud to have one of their number, Miss Althea Warren of San Diego, elected president of the State Library association for the coming year.

In an interview with a Glendale Evening News reporter Mrs. Danford gave the following interesting extracts of happenings at the convention.

"Arthur C. Pillsbury, who has lived in the Yosemite valley for a number of years, gave a talk on 'Wild Flowers of the Yosemite,' with motion pictures showing the flowers actually opening and growing. These pictures were made by having the flowers transplanted to a room having surroundings as near like nature as possible, having focused upon them a strong electric light to take the place of the sun, and by an electrically-operated motion picture camera obtaining films showing the actual opening and growing process, of the flowers.

Would Purchase Direct
"There is considerable agitation among libraries everywhere to purchase books directly from the publisher, in this way getting better books at closer prices. George T. Clark of Stanford gave a talk on 'Book Buying Abroad,' touching upon the subject of purchasing directly from the publisher.

"The state librarian, Milton J. Ferguson, gave a very interesting talk on 'Library Legislation in 1921.'

"Topics dealing with various phases of library work were taken up at different sessions. One very interesting session was that dealing with 'Library Work with Children,' the discussion of which was led by Miss Alice Blanchard, of the Los Angeles public library, with other delegates entering into the discussion.

"Since the Glendale library is on the verge of increasing the music department it was of especial interest to hear the different phases of music in the library discussed by different librarians. The main feature of the discussion of 'Public Library

Work with Music' was led by Miss Jessie M. Fredericks of the San Francisco public library.

Departments Considered
"Different sections of library work taken up at various sessions also included the following: Cataloguing, children's libraries, college libraries, county libraries, high school libraries, municipal libraries, special libraries, etc., certification of librarians.

"Miss Faith Smith was the main speaker on the subject of 'Educational Standards for Librarians.'

"The Library at Large' was the topic led in discussion by George T. Clark of Stanford university.

"Another topic under discussion, which was also of interest on account of the work of the drama section of the Tuesday Afternoon club, was that on 'Tendencies in Modern Drama,' led by Irving Picher.

Exhibit Book Plates
"Sadie Brown of the Long Beach public library conducted the municipal library symposium. Various phases taken up were co-operative advertisement and preparation of lists.

"Adjustment of salaries according to training, experience and ability was the subject of discussion led by Miss Janet M. Drake of the Pasadena public library.

"An exhibit of book plates from different libraries was also of interest. One very beautiful feature of the convention was the vocal selections rendered at each session by Mrs. Jack of Fresno. Altogether it was a most successful, busy and worth-while convention."

Ralph Farmer Visits School Friends Here

Dropping in on several local friends last night Ralph L. Farmer, former Glendale resident and high school student, made his first appearance in this city since last year, when he left for Golden, Colorado. During the past year he has attended the Colorado School of Mines, which is located in that city.

Young Farmer's parents, Mr. and Mrs. F. C. Farmer, formerly lived on South Central avenue of this city, but are now residents of Los Angeles. They are planning on moving back to Glendale in the near future.

New England People To Picnic July 2

A communication from C. H. Parsons, secretary of the Federation of State Societies of Southern California, has been received by The Evening News announcing the annual picnic and reunion of the New Englanders, which will take place on Saturday, July 2, at Sycamore Grove, Los Angeles. All former residents of the quaint old northeastern section, their friends and descendants, are invited and urged to attend the affair, which promises to be one of the largest similar reunions ever held in Los Angeles county.

An excellent program has been arranged for the occasion, which is to be an all-day affair. A number of well-known speakers have been obtained, and this in addition to a musical program and several athletic events should be sufficient inducement for all former New Englanders to attend.

The principal speaker of the day will be Governor W. D. Stephens, who will give an address at 2:30 in the afternoon. Hon. Charles J. McCormick will preside over the program of addresses and music.

During the day former residents of each county will be requested to enroll at their respective headquarters, which will be located on the grounds. All are expected to bring basket dinners with cup and spoon. Hot coffee will be provided for all.

Glendale Elks Roll At Anaheim Tonight

If the enthusiasm which the delegation of Anaheim bowling fans brought with them when the Elks' team of that city played the Glendale Elks on the local alleys is taken as a barometer, there are promises of one lively time at Anaheim tonight when the Glendale Elks will play there. The Glendale team includes Joe Fortunato, captain and manager; James Apfel, Claude Caswell, Fred Huesman and William Violi.

Employees Of M'Gee's Store Given Surprise

The eight employees of McGee's Dry Goods store on East Broadway were treated to a pleasant surprise yesterday afternoon when Mrs. McGee, in celebrating her birthday, entertained them at the store with light refreshments. The clerks' only regret was that Mrs. McGee's birthday doesn't come more often than once a year.

STATEMENT ISSUED ON POSITION OF ORGANIZATION

Better Council Campaign Committee Tells About Candidates' Pledges

Definitely defining their attitude toward, orderly observance of the Sabbath and inviting the co-operation of church members in guiding government by public opinion rather than by restrictive and regulatory local legislation, the Glendale Better Council Campaign committee, over the signatures of A. A. McDonald, president, and Stuart M. Street, secretary, today made public a statement on this issue.

Their candidates, W. E. Anderson, S. A. Davis, C. E. Kimlin, William C. Mabry and Spencer Robinson, are pledged, according to President McDonald, to this stand expressed as follows:

"We oppose all other candidates because they have avoided any public pronouncement against 'blue laws' and Sunday closing. There are some who have declared for submitting the matter to a special election. Such a course is not in the interest of economy and would be wasteful of the city's funds. The issue is now clearly drawn and can be settled by the vote next Tuesday.

"The members of the Better Council Campaign committee believe in decency, quiet, law and order. We do not believe in the disturbance of Sunday worship. We believe in pursuing the peaceful, cordial attitude heretofore evidenced by one religion toward another in this city. But we also believe in the constitutional right of religious freedom and the only way in which we can be protected is by eternal vigilance against fanatical and oppressive Sunday legislation. We are confident that this represents the view of the great majority of church members and we earnestly invite their hearty co-operation."

Other Planks in Platform

Other planks in the Better Council platform to which the candidates are pledged, are made public as follows: "Economy in Expenditures—Our city now has a monthly salary aggregating \$10,000 per month.

"Efficiency in Administration—Nepotism has insinuated itself into various departments of our city government. This does not make for efficiency.

"Progressive Improvements—Until the close of the readjustment period, essential and substantial improvements should be made, but all luxuries should be postponed.

"Minimum Taxation—By efficiency and economy our taxes can be held at the minimum.

"A Clean City—High moral, ethical standards should prevail. Our city is a city of homes and our children must be protected.

"Religious Freedom—Blue laws and Sunday closing interfere with religious liberty, the most sacred right of the American people. The candidates of the Better Council Campaign committee will strictly enforce law and order and the highest standards of purity and decency will be carefully safeguarded.

Not in Same District

"Representative Government—It will be noted that no two of the Better Council Campaign committee candidates live in the same district of the city, and that they are widely representative.

"A Square Deal to All—The names of the men endorsed by the Better Council Campaign committee are a sufficient guarantee of their honesty and fairness."

These doctrines are indorsed by the names of these Glendale citizens:

A. A. McDonald, Mrs. S. C. Leppleman, Col. James W. Evrington, Mrs. Kemper Campbell, Emma V. Bacon, Stuart M. Street, Kemper Campbell, J. A. Starr, Irving Fisher, Mrs. G. W. Reaser, Dr. C. A. Burrows, Mr. Johnston, C. A. Clough, E. Culver, Byron Dart, E. Franklin, Mrs. A. E. Hansen, H. J. Eggers, A. A. Livingston, Philo Nelson, E. L. Rombaugh, Mrs. M. Schultz, Mrs. E. V. Bacon, J. B. Treadwell, William C. Harris, Frederick Hayes, Dr. and Mrs. James L. Flint, Mr. and Mrs. H. Oliver, Mr. and Mrs. E. E. Brown, Frank Spring, Mr. and Mrs. Charles M. Turk, Mr. and Mrs. S. N. Clark, Mrs. Frank Monaghan, John F. Hearnshaw, Charles White, Mrs. V. Maxwell Miller, Thomas J. Hammond, G. H. Weihe, Mr. and Mrs. Elmer E. McQuivy, Miss Nellie Rice, Mrs. Thomas Drinkwater, Mr. and Mrs. Charles A. Martin, Mr. and Mrs. A. M. Yale, A. C. Phillips, Myron A. Griswold, Morris M. Cook, Mrs. M. J. Miner, Walter D. Nickum, Mrs. H. M. Barber, Mrs. Francis B. Cash, Mrs. A. W. Carlton, Misses Emma and Pauline Ruprecht, Mr. and Mrs. Roy C. Spillsbury, Mr. and Mrs. George A. Marek, Wayne Frank.

Big Handkerchief Is Latest Fad In Paris

PARIS—A voluminous handkerchief, a yard square and of the same color and design as the blouse and veil, is the latest Paris fad. The women tuck or pin the center of the handkerchief in a side pocket, not a breast pocket, leaving the long ends of the handkerchief hanging out six or eight inches.

CROWN CITY SQUAD AND LOCAL ELKS CLASH SUNDAY

Second Baseball Game In League Series Will Be Played In Glendale

The schedule for the coming Sunday in the Southern California Elks' Baseball association shows that Glendale will play the Pasadena lodge men on the local grounds in the second game of the season. The Crown City aggregation is composed of a bunch of sterling performers, and the Glendale players will have their hands full to come out on top.

Manager Salmacia is so intent upon putting a winning combination in the field that he has called for a practice period on Friday afternoon on the high school grounds. The practice will be settled principally on the infield and also on batting.

The fans who have been keeping in touch with the local squad will be treated to a pleasant surprise Sunday afternoon, as it has been announced that several shifts will be made to strengthen the line-up.

EXPLANATIONS IN ORDER

"If you kiss me again," declared Miss Lovely firmly, "I shall tell my father."

"That's an old tale," replied the bold, bad young man. "Anyway, it's worth it," and he kissed her.

Miss Lovely sprang to her feet. "I shall tell father," she said and left the room.

"Father," she said softly to her parent, when she got outside, "Mr. Bolder wants to see your new gun."

"All right, I'll take it in to him," said her father, and two minutes later he appeared in the doorway with his gun in his hand.

There was a crash of breaking glass, as Mr. Bolder dived through the window and departed in haste for the railway station.

To soothe the Harvard undergraduate who may have been nervous over the approaching examinations, music in ten-minute doses was provided each morning in the university chapel. The choir-master made the announcement that a program of light classical selections was offered.

SEVEN BOUTS WILL BE HELD TONIGHT, LEGION HALL

Plenty Of Action Assured Fight Fans; Exhibitions Are Open To Public

Big preparations are being made for the feature boxing bouts which are scheduled to take place tonight at the American legion hall, 610A East Broadway. This is the regular "fight night" of the legion, and although the three shows that have already been staged by the former service men have been excellent exhibitions, tonight's card promises to overshadow them all.

Instead of having five bouts as has been announced, the committee in charge reports that seven, and perhaps eight, different "mills" will make up the attraction of the evening. They claim that each bout will be a real fight, and that there will be no frame-ups, stalling or anything else that will make these matches unpopular in Glendale.

The committee, which is composed of Charles Potter, Al Bullis, Jesse Smith, Dr. Kaemmerling and Gerald Delgado, has been working hard on tonight's affair, which gives promise of attracting 500 local fight fans. Definite matches have not yet been made, due to the fact that the weights of the different men have not been sent in.

These to Go Into Action

However, those who attend the event will be more than repaid when they see the following men in action: R. M. Yates, Oscar Jungbluth and A. J. O'Toole of the Pacific fleet, eight battlers from the Arcadia balloon school and four local sluggers. The card will be a "humdinger" from start to finish, as each of the above-mentioned boys have reputations of being aggressive fighters from the word go.

The three sailors mentioned above

Watching Scoreboard

Yesterday's hero: Dicky Kerr. The miniature White Sox left-hander held the champion Indians to five hits and blanked them 6 to 0 for his fourth straight win.

Babe Ruth got his 25th home run with one on but it wasn't needed, as his team mates hit, too, and the Yanks took the Red Sox 6 to 1.

The Tigers carried the Browns along for 12 innings only to lose, 6 to 4. Williams got his eleventh homer.

Bunched hits gave the Athletics a 5 to 3 victory over the Senators. The Cards walloped the pace-making Pirates twice, 3 to 2 in 12 innings and 4 to 3 in nine.

The Giants had a field day at battling the Braves, ten to three. Homers by Griffin and Johnson provided the margin for the Dodgers 6 to 4 win over the Phils.

The Cubs were easy winners over the Reds 6 to 3.

Sacramento dropped behind another notch in the Coast league pennant race yesterday when the Solons lost a tight game to Vernon, 2 to 1.

San Francisco, the league leaders, beat Portland 5 to 3.

Oakland won from Salt Lake 7 to 6 and Los Angeles beat Seattle 12 to 7.

Prehistoric ruins of what is believed to have been a different race of cliff dwellers from those who inhabited the ruins in the Mesa Verde national parks have been discovered in an almost inaccessible region north of the Navajo mountains in Colorado. The discoverer believes he was the first white man to view the ruins, many of which are larger and better preserved than those in the Mesa Verde national park.

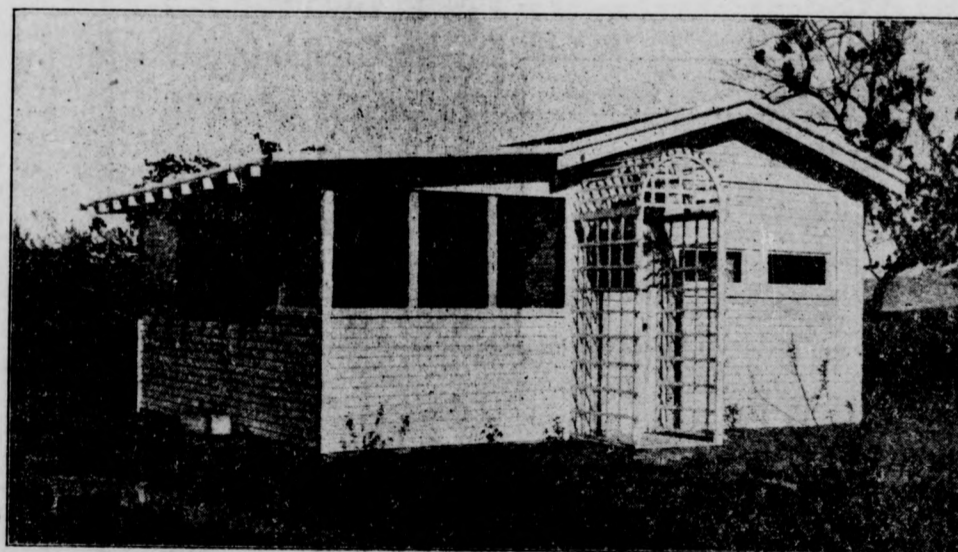

are members of the crew of the destroyer Wood, which is stationed at San Diego. While in Glendale the boys are guests of Dr. Gerhard Kaemmerling of 340 North Orange street.

The show will start promptly at 8 o'clock and those who desire a ringside seat should be there a half hour earlier. The public is permitted to attend the fights.

We back this assertion by the facts that six already built were sold before completion, and four more are contracted for to be built immediately. Mr. MacGregor, the head of, and general manager of the MacGregor Realty Co., believes that worthy would-be citizens and others, having but a few hundred dollars to invest as a down payment, would welcome the opportunity to purchase this kind of a home. He backed up his belief, and judgment, with his money. Results: Ten couples have been made happy and twenty more contented. Good citizens have been added to the cleanest, fastest growing and best city on earth. We have twenty more lots left in this subdivision. Be one of the other twenty couples who will soon become members of this already happy, contented family at MacGregorville, Glendale, California, STRAIGHT AHEAD.

VERY NOVEL

Many have noticed the resemblance of Secretary Denby of the navy to Secretary Weeks of the war department. When they were posing for a picture in front of the White House, some one recalled that in the days when these two were colleagues in the house of representatives, Mr. Weeks, Mr. Denby and Ollie James of Kentucky formed a third member of a trio that looked remarkably alike when it came to headpieces.

Weeks and James and Denby were standing in the lobby of the house one day when J. Adam Bgde, one of the famous wits of that body, came strolling up. It was about the time that Ellinor's Glyn's best-known novel for the young was getting popular and stepping along in the forefront of the best sellers.

Bede stopped and looked the group over carefully. The similarity in domes seemed to impress him greatly. "Do you know," he asked, "what this reminds me of?"

Nobody answered. "Three Weeks."

Why Thermometers Fail

Even thermometers become old, and consequently inaccurate with age, mercurial instruments reading too high and spirit instruments too low. In the former case the bulb appears to shrink, thus forcing the quicksilver too far up the stem. This gradual shrinkage is supposed to be due to the fact that the external pressure on the bulb may be considerably higher than the internal pressure, the air as far as possible, having been removed before the glass is sealed.

On the other hand, the spirit thermometer is sealed with the bulb covered in a freezing mixture, in order to lock up in the glass as much air as possible. The instrument thus starts with the internal pressure, which in time appears to be reduced either by expansion of the glass under the internal pressure or by leakage.

The Bore—"I think this weather is awful!"
The Girl—"You shouldn't grumble at the weather. If it wasn't for that you would have nothing to talk about."
