PART IV.

ARABIANS, BARBS, AND TURKS.

THE HELMSLEY TURK was an old Duke of Buckingham's, and got Bufler, &c.

PLACE'S WHITE TURK was the property of Mr. Place, stud-master to Oliver Cromwell, when Protector, and was the sire of Wormwood, Commoner, and the great grand dams of Windham, Grey Ramfden, and Cartouch.

ROYAL MARES. King Charles the Second sent abroad the master of the horse, to procure a number of foreign horses and mares for breeding, and the mares brought over by him (as also many of their produce) have since been called Royal Mares.

DODSWORTH, though foaled in England, was a natural Barb. His dam, a Barb Mare, was imported in the time of Charles the Second, and was called a Royal Mare. She was sold by the Stud-master, after the King's death, for forty guineas, at twenty years old, when in foal (by the Helmsley Turk) with Vixen, dam of the Old Child Mare.

The **STRADLING** or **LISTER TURK** was brought into England by the Duke of Berwick, from the siege of Buda, in the reign of James the Second. He got Snake, the D. of Kingston's Brisk and Piping Peg, Coneyskins, the dam of Hip, and the grand dam of the Bolton Sweepstakes.

The

The **BYERLY TURK** was Captain Byerly's charger in Ireland, in King William's wars (1689, &c.) He did not cover many bred mares, but was the fire of the D. of Kingston's Sprite, who was thought nearly as good as Leedes; the D. of Rutland's Black-Hearty and Archer, the D. of Devonshire's Basto, Ld Bristol's Grafshopper, and Ld Godolphin's Byerly Gelding, all in good forms; Halloway's Jigg, a middling horse; and Knightley's Mare, in a very good form.

GREYHOUND. The cover for this foal was in Barbary, after which, both his sire and dam were purchased, and brought into England by Mr. Marshall. He was got by King William's White Barb, Chillaby, out of Slugey, a natural Barb Mare. Greyhound got the D. of Wharton's Othello, said to have beat Chanter easily in a trial, giving him a stone, but who, falling lame, ran only one match in public, against a bad horse; he also got Panton's Whitefoot, a very good horse; Osmyn, a very fleet horse, and in good form for his size; the D. of Wharton's Rake, a middling horse; Ld Halifax's Sampson, Goliah, and Favourite, pretty good 12 stone Plate horses; Desdemona, and other good mares; and several ordinary Plate horses, who ran in the North, where he was a common stallion, and covered many of the best mares.

The **D'ARCY WHITE TURK** was the sire of Old Hautboy, Grey Royal, Cannon, &c.

The **D'ARCY YELLOW TURK** was the sire of Spanker, Brimmer, and the great great grand dam of Cartouch.

The **MARSHALL, or SELABY TURK**, was the property of Mr. Marshall's brother, Stud-master to King William, Queen Anne, and King George the First. He got the Curwen Old Spot, the dam of Windham, the dam of the Derby Ticklepitcher, and great grand dam of the Bolton Sloven and Fearnought.

CURWEN'S BAY BARB was a present to Lewis the Fourteenth, from Muly Ishmael, King of Morocco, and was brought into England by Mr. Curwen, who, being in France when Count Byram, and Count Thoulouse (two natural sons of Lewis the Fourteenth) were, the former, master of the horse, and the latter, an admiral, he procured of them two Barb Horses, both of which proved excellent stallions, and are well known by the names of the *Curwen Bay Barb*, and the *Thoulouse Barb*. Curwen's Bay Barb got Mixbury and Tantivy, both very high formed galloways, the first of them was only thirteen hands two inches high, and yet there were not more than two horses of his time that could beat him, at light weights; Brocklesby, Little George, Yellow Jack,
Bay

Bay Jack, Monkey, Dangerfield, Hip, Peacock, and Flatface, the first two in good forms, the rest middling; two Mixburys, full brothers to the first Mixbury, middling galloways; Long Meg, Brocklesby Betty, and Creeping Molly, extraordinary high-formed mares: Whiteneck, Mistake, Sparkler, and Lightfoot, very good mares; and several middling galloways, who ran for plates in the North. He got two full sisters to Mixbury, one of which bred Partner, Little Scar, Soreheels, and the dam of Crab; the other was the dam of Quiet, Silver Eye, and Hazard. He did not cover many mares except Mr. Curwen's and Mr. Pelham's.

The THOULOUSE BARB became afterwards the property of Sir J. Parsons, and was the sire of Bagpiper, Blacklegs, Mr. Panton's Molly, and the dam of Cinnamon.

DARLEY'S ARABIAN was brought over by a brother of Mr. Darley, of Yorkshire, who, being an agent in merchandize abroad, became member of a hunting club, by which means he acquired interest to procure this horse. He was sire of Childers, and also got Almanzor, a very good horse; a white-legged horse of the D. of Somers's, full brother to Almanzor, and thought to be as good, but meeting with an accident, he never ran in public; Cupid and Brisk, good horses; Dædalus, a very fleet horse; Dart, Skipjack, Manica, and Aleppo, good Plate horses, though out of bad mares; Ld Lonsdale's mare in a very good form; and Ld Tracy's mare in a good one for Plates. He covered very few mares except Mr. Darley's, who had very few well bred besides Almanzor's dam.

SIR J. WILLIAMS'S TURK (more frequently called the HONYWOOD ARABIAN) got Mr. Honeywood's two True Blues, the elder of them was the best Plate horse in England, for four or five years; the younger was in a very high form, and got the Rumford Gelding, and Ld Onslow's Grey Horse, middling horses, out of road mares. It is not known that this Turk covered any bred mares, except the dam of the two True Blues.

The BELGRADE TURK was taken at the siege of Belgrade, by General Merci, and sent by him to the Prince de Craon, from whom he was a present to the Prince of Lorraine; he was afterwards purchased by Sir Marmaduke Wyvill, and died in his possession about 1740.

CROFTS' BAY BARB was got by Chillaby, out of the Moonah Barb Mare.

The GODOLPHIN ARABIAN was imported by Mr. Coke, at whose death he became (together with *Cade*, *Regulus*, &c. then young) the property of Ld Godolphin. His first employment was that of Teazer to Hobgoblin, who refusing to cover Roxana, she was put to the Arabian, and from that cover produced *Lath*, the first of his get. He was also sire of *Cade*, *Regulus*, *Blank*, &c. &c. and what is considered very remarkable, as well as a strong proof of his excellence as a Stallion, there is not a *superior* horse now on the Turf, without a cross of the Godolphin Arabian, neither has there been for several years past. He was a brown bay, with no white except the off heel behind, and about fifteen hands high (a picture of him in the Library at Gog Magog, Cambridgeshire) it is not known of what particular race of the Arab breed, indeed it has been asserted that he was a Barb. He died at Gog Magog in 1753, in or about the 29th year of his age.

The story of his playfellow, the Black Cat, must not be omitted here, especially as an erroneous account has got abroad, copied from the first Introduction to the present work.—Instead of *his* grieving for the loss of the Cat, *she* survived him, though but a short time: she sat upon him after he was dead in the building erected for him, and followed him to the place where he was buried under a gate-way near the running stable; sat upon him there till he was buried, then went away, and never was seen again, till found dead in the hay-loft.

The CULLEN ARABIAN was brought over by Mr. Mosco, and was sire of Mr. Warren's *Camillus*, Ld Orford's *Matron*, Mr. Gorges's *Sour Face*, the dam of *Regulator*, &c. &c.

The COOMB ARABIAN (sometimes called the *Pigot Arabian*, and sometimes the *Bolingbroke Grey Arabian*) was sire of *Methodist*, the dam of *Crop*, &c. &c.

The COMPTON BARB, more commonly called the *Sedley Arabian*, was sire of *Coquette*, *Greyling*, &c.

The following Mares, with their Produce, were accidentally omitted in Part I.
