Free Federal Resume Workshops

Applying for federal jobs is different than applying for jobs in almost any other business or industry. Join representatives from Acadia National Park for a two-hour workshop to learn about employment opportunities at Acadia, how to write a federal resume, and the application process.

Acadia National Park hires more than 100 seasonal and many permanent employees each year into jobs that have great potential for developing into exciting careers. Careers in maintenance, fee collection, education, interpretation, resource management, law enforcement, and more are available.
