COL. DAYTON, CHIEF OF KANTO CA REGION ISSUES MEMORANDUM TO YAMANASHI PREF. TO TAKE PRECAUTION AGAINST HORSE SLEEPING-SICKNESS

Col. Julian Dayton, Chief of K.C.A.R., has forwarded to Yamanashi Pref. a memorandum which outlined counte rmea sures for stamping out horse encephalitis, according to which, the disease broke out in Nagano Pref. at first and later it flared up again in Yamanashi Pref. recording 4 cases between the period of Jan. I and June I2 '50.

Items of Attention

I. All horses found within the range of probable outbreak of the epidemic shall properly undergo preventive injection.

2. On effectuation of same, mobilize every authorized veterinary practitioner to administer preventive shots to a fullest extent.

3. Cases of genuine or of suspected horse sleeping-sickness should unexceptionally be identified and diagnosed.

4. All animals which are suspected of horse encephalitis should be isolated and secluded.

5. Create immunity zones which may lie between one infested area and another to prevent the epidemic from diffusing with full-scale enforcement of control on all horses located in the affected area.

6. All organic bodies or secreting fluids which were taken out of corpses of horse encephalitis infected animals or of those suspected of it should be sent to Epidemic Research Institute to assure clinic diagnosis. The Pref. Gov't is requested, in this connection, to submit to Kanto CA Region a report per fatal horse encephalitis case with directory of diagnosis countersigned by the Epidemic Research Institute carrying detailed description of symptoms of affiliated diseases attached thereto.

1. Headline: THE CPH'S ON THE INCREASE IN YAMANASHI PREFECTURE. As of October last, Yamanashi Prefecture had only 14 CPH's in its whole area-but probably encouraged by the CPH at Aoyagi which was commended by KaCAR chief, many districts came to set up CPH's with the number increased to 49 as of May 13 1950. Kusakabe-machi has 7 CPH's with one each in its seven buraku, and Higashi Yamanashi Gun as a whole has now 12 CPH's. Minami-Koma-gun has eight, Nishi-Yatsushiro seven, and Naka-Koma six, while Kofu City and Nishi-Yamanashi-gun has none at all. Of all CPH's in the prefecture, those at Fujimi, Higashi-Yatsushiro-gun, at Koguchizawa in Kita-Koma-gun, at Aoyagi and Nagasawa in Minami-koma-gun, at Tomihama in Kita-Tsuru-gun, and at Shimo-Yoshida and Oshino in Minami-Tsuru-gun are counted excellent ones both in their facilities and manner of operation.

2. Headline: Two BABY NURSERIES AND TWO MOTHER AND CHILD HOMES TO BE SET UP IN YAMANASHI. As the Welfare Ministry is going to set up 110 Mother and Child Homes and 213 baby nurseries in all parts of Japan this year, the prefecture will have two more mother and child homes and two more baby nurseries in addition to the current two and 24 respectively. While a Mother and Child home can accomodate 20 households or about 60 at least, a baby nursery is capable of taking care of 70 babies.

1. Headline: "CLEAN UP THE FORESTRY ASSOCIATION" SAY OTHER FORESTRY ASSOCIATIONS IN KUROKOMA-MURA AND OTHERS. The Forestry Association taking care of the forests granted by the Imperial Household covering 670 Chobu area in Karasawayama and others is made a target of attack by other associations in Kurokoma-mura and other districts for the endless irregularities committed. It is said that while the Association must have realized a large amount of profits during past 20 years, no balance sheet of its accountings has ever been made up, keeping the members of the Association in ignorance. The term of office of the executive members is fixed at four years but most of them are said to remain in office for 20 or 30 years. The members of the association has never been benefitted by any dividends payable to them out of the profits realised.

農村における……榮養改善

農村における糖質（含水炭素）の攝取過剰は今事新らしく論議するまでもなく、過去における食生活問題のあらゆる機會に云はれていることであり、厚生省で行はれている全國榮養調査の結果發表された數字によつてもはつきりと示されているその主食の攝取量を農村と都市と比較してみると平均都市では六一〇瓦、農村では六八三瓦である

この間題は經濟的、時間的等の障害を含んで不合理を自覺されつゝもたゞ空腹感を滿たすのみに追はれた食生活が續けられている

榮養ということは良くても、惡くてもその効果影響がすぐ現はれずましてや食事は一日に三度三百六十五日休むことなく行はれるので、つい惰性で改善されないのである

しかし元氣であるという一事のみにて現在の食生活で充分だとはけつしていへない、日本人の特殊に農村における体格とが位までに殆んど全部が結核菌にうつゝてしまうのが現狀です、いくら丈夫な人でもどんな体の立派なのでもうつることを防ぐ方法は現在の醫學では見當りません、しかし結核はうつゝたからといつてそれで病氣になるものではありません、うつゝたゞけでは病氣にならずに完全な免疫をもつて健康になつています、

分つた人は早速予防ワクチンBCGの注射をうけるようにしましょう

結核はうつゝてからそのまゝ治つてしまうか、それ共不幸にして病氣になつたか自覺的症狀では決し時から大體一年以内にきまつてしまいます

ところで大變重要なことはこの時期にそれを知る方法は自覺症狀や聽診打診ではなく唯一つレントゲン檢査による外に方法はありません、レントゲン檢査によつて不幸にして病氣になつていることが分つた人は早く正しい治療を始めることです

結核は發病しても早いうちなら必ず治ります、このようにしてまだうつゝていない人はBCGの豫防注射を既にうつゝている人はレントゲン檢査を行うことによつて結核は完全に豫防することが出來ます

（結核豫防會廣報）

結核の話　その一

皆さん結核とはどんな病氣でしようか、これから簡單に申上げて見たいと思います

まず最初に結核は傳染病であるということです

結核菌という目に見えないバイ菌によつてうつる病氣です、現在でも結核を遺傳だと思い込んでいる人が一部にいるようですが、これは大きな誤りであります、事實都會に住む人を見ると大抵その半數位の人が小學校を終る頃までにうつゝて了ひ殘りの半分の者も三十歳

結核豫防週間

この五月二十五日から五月三十一日までの一週間は、厚生省　都道府縣、結核豫防會、同都道府縣支部主催による結核豫防週間であり、各々關係機關を總動員して　街頭檢診、集團檢診或はラジオ新聞、其の他を通じての廣報活動が活發に行われることになつている、勿論同時に北巨摩郡に於ても保健所を中心に、全醫療機關、及郡下すべての人々の絶大な協力の下に同樣實施されるのであるが、この結核豫防週間を迎えるに當つて吾々は其の心構えについて一度考えてみておく必要があるのではなかろうか、といふのは、この結核豫防週間は、決して今度初めて迎えるものではなく今まで毎年恒例になつていたことであるに拘らず、吾々の記憶の中には決して鮮かな印象として殘つていないのである

厚生省の發表によれば日本における結核の死亡も保健者は年々十五万人結核患者の數は百五十万人と推定されている、而して、これは結核豫防週間は、まさに國を擧げて最大の努力が結集されなければならないことは明かである

併しそれにも拘らず、上述の如く結核豫防週間の意義が、毎年低調なる一週間として繰り返されている理由は、どこにあるのだろうか

②　先ず予防週間というのは決して獨立して存在するものではないことを考えねばならない

即ち、吾々が五十人集れば、その中には一人の結核患者がいることになり、又、國の損失の額は豫算總額の七分の一强に當ることになる、これ等の數字を見ていると、もはや結核の豫防に對しては、まさに國を擧げて最大の努力が結集されなければならないことは明かである

結核豫防週間の成果へ向つた豫算の計畫の最大の効果へ向つた豫算を準備し、折角のこと後退とすべきといえ一年分まで

併しそれにも拘らず、上述の如く結核豫防週間の意義が、毎年低調なる一週間として繰り返されている理由は、どこにあるのだろうか

②　先ず予防週間というのは決して獨立して存在するものではないことを考えねばならない

これは結核に限つたことでなく、吾々の健康全般についてもいわれることであろうが、一年三百六十五日は、吾々にとつて日々としなければならないのである、かくしてこそ初めて結核豫防週間の存在の意義が生じ、その効果も期待出來るのであり、そしてこのことは、町村の立場に於ても個人の立場に於ても全く同じである

つぎには、結核豫防週間の豫算の問題がある、國の豫算の七分の一という損失を救い、百五十万という傳染源をもつ傳染病を豫防せんとする對策の一つである、殊に豫防事業というのは、豊富な金と物との總和によつて始めて完成されるものであり、又、國の損失の額は豫算總額の七分の一强に當ることになる、これ等の數字を見ていると、もはや結核の豫防に對しては、まさに國を擧げて最大の努力が結集されなければならないことは明かである

併しそれにも拘らず、上述の如く結核豫防週間の意義が、毎年低調なる一週間として繰り返されている理由は、どこにあるのだろうか

てからでなく、その一歩手前でこれを喰い止めることが出來るならば世の悲劇はもつと〳〵減少されると思われます、母子衛生が國家事業として取り上げられているのもこういう理由に他ならないのであります、即ち乳幼兒期に於て最も合理的に

②

先ず知つて居かければならない事は、胎兒より乳兒幼兒に至る過程でありそしてそれに對する正しい知識です、具体的にいうと、姙娠時の生活循生、食物、睡眠、入浴、運動衣服、休養、精神狀態等凡ての面に亘つての衛生知識であります次に乳兒には既に新生兒期に生活の良習慣の基礎を作る事が肝要でありますので此の期に於て乳兒の生活習慣に万全を期すべきであります　又育兒の中で榮養は最も重要なことに屬します、お母さん方は普通の大人の食事と同じ樣に考え泣いたからといつて時間にはお構いなしにお乳さへやれば好いと考え、少しでも子供が泣くと、もうお乳が足りないと決めてしまい或は唯單に、子供が外の子供と比べて小さいからお乳が足りないと考える方がありますが、これは間違つた考え方です、そこでおすゝめしたい事は月に一度醫師又は保健婦に相談したり、指導を受けて子供の月々の体重發育狀態或は健康度を知りその子供に適した育兒方法を行つて行くことであります

次に離乳でありますが農村に於ては滿一年位まではお乳で育てると云う考え方が普通で、又その事が正しいと信じているのの理想的食べものゝ攝取はけつして高價でも贅澤でもない、そしてあくまで理想として敬遠される學ぶことである（尾澤）

育兒小片

育兒に對する衛生知識が何の程度かという事であります、云いかえると母親が子供を育てるために乳は、六ヶ月頃よりその離準備を初め七ヶ月より十一ヶ月頃には遲くも完全に離乳しなければならないのです、離乳して初めて人工混合母乳榮養がなくなつて一樣に、力強い成長を初めるのであります、要するに母親は子供を丈夫に育てるべく研究し勉強する事が必要であります

それには今度皆樣の友達となり、相談相手となり又時に子供は病氣に罹りやすくなります、正しい離お母さん達が先ず育兒というものがどんなに大切な事であるかを理解して下さい、深い愛情をもつて下さい理解し愛情をもつていただくこれだけで正しい育兒がもう初められているのです、又そうすれば私のこんな拙いものも讀んで戴けると存じます、然し農村のお母さん達は忙しくてそんな暇はない、そんな事はとても出來ないといわれるでしようこゝに健康というものに對して深い理解が强く要請されるのです

樣ですが、こんな事では發育は十分に出來ないし又時に子供は病氣に罹りやすくなります、相談相手となり、相談相手となるべく保健所、町村保健婦等により、各所に母親學級を設けて女子皆年一般婦人等に對し定期的にあらゆる面より衛生知識の普及を計ることになつて居ります、農村保健衛生の一助とし健康な明るい社會を作るべく此の母親學級を通じて母子衛生の問題も力强く取上げて下さる樣お願い致します（山田）

保健婦の記錄 ①

功刀久代

快い朝風が靜かに頬を撫でる、目にしみるような青い麥がさらさらと小さく波打つて陽に輝いている
いつもより遲く家を出た私が役場への道を急いでいると、向うから何時か家庭訪問したAさんが來るのに出會つた
まだ私が就職して間もない寒い頃であつたAさんは産後でひどい脚氣におかされ、大變衰弱していたし又赤ちやんも吐乳、絲便に惱まされていたので、一度保健所へ相談に行くよう進めたが歩くのに大變だというので、開業醫を紹介してあげた
その頃から毎日ビタミンB劑を注射していたようであつたが、訪問のたびに
「どうしても手がしびれて困ります、それに身体がだるくて歩くのもやつとです」
力ない蒼白な顔を私に向けて小聲で寂しそうに云つていた
幾日か經つてから訪問すると、もう治療を止めたという、私は、驚いて「この狀態ではもつと氣長に治療しなければ」と、何氣なしにいうと、何か困惑したようにやゝ暫く默つていたが、ふと口をひらめて「實は私も今少し治療をしたいのですが、お姑さんがあまりいろ〳〵いうものですからこれ以上つゞけるのも氣がひけるし、身体がだるくて思うように仕事が出來ないと、「遊んでばかりいる、仕事をしなさい」といつて叱られるものですからこんな身体にどうしてなつてしまつたのかと情なく思います」と涙ぐんでいた
Aさんの家は相當大きな農家でした
こゝにもやつぱり頑固な姑に對する農家の嫁の人知れぬ苦勞があつた
この前のお產の時も充分の休養を取る間もなく、働らかねばならなかつたという、近所の人も無慘な位で
私はじめてAさんの暗い寂しい顏の原因がわかつた
私はわざと大きな聲で「どうもまだ回復していない樣ですから、もつと治療を續けて下さいね」といつた、しかしお姑さんは顏を動かしもしない
「ね、お母さん」と私は遂にたまりかねて、お姑さんの方へ向いたそして「いろ〳〵とお願いして來たのであつたが……
次の訪問に「どうですかこの頃は、少し良いですか」と聞いて見ると、「子供の吐くのはよくなりましたが、私の方は身体がだるくて」というので、「お姑さんはんどうですか」と聞くと、「相變らずで……働けばそんなもの自然に治るといつていますわ、この頃は田圃の仕事かぼつ〳〵はじまりますので、昨日も野良へ行きましたが分吐くようですからお母さんはあまり無理しないで下さいね」といつた、しかしお姑さんは「えゝその方がいゝですよ、それは仕事も大事かもしれませんが、身体あつての仕事ですものね、何を言はれても舌にしないで精々身體に注氣して下さい」と大いに慰め、味方となつたつもりで歸つたが……
世間では盛に民主々義というが、しかし農村にはまだ〳〵こんな不合理が澤山のこされているのです、私達が保健婦として保健衛生の指導に一生懸命になれば、同時に、私達は農村の民主化のために、有力に働くことになると私は思はず憤笑んだことでした

DIGEST

Yamanashi Prefecture Yomiuri, Yamanashi Section 14 April 1950 Circulation: 31,000
Translated by: Y. Imatsuki Checked by: S. Izawa

1. Headline: REAPPLICATION SUBMITTED. On 22 March, Mr. Reboru Fukayama, prefectural assemblyman and manager of Self-Government Hall at Hyakkoku-cho, Kofu city, had to retract his application for permission to operate eating and drinking business within the Hall amidst ever growing criticisms. On 10 April, he reapplied for the permission in the name of Tadanosuke Kitamura, Ogasawara Town, Naka-Koma-gun.

2. Headline: AMOUNT OF ALLOWANCE SUPERCEDES PREMIUM PAYMENT. Yamanashi Ken goes ahead to sweep away a bulk of ¥1 million unemployment insurance premia not paid-in as yet. At present 1,438 businesses with 29,875 insureds are being subject to unemployment insurance benefits in Yamanashi Pref. In March this year, number of persons out of employment reaching 2,652 (men: 1,293 and women: 1,359) owing to stoppage of reeling and weaving industries, the sum total of allowances of unemployment insurance during March surpassed premia by ¥¥. ¥2,200,000. As to levying of premia, some ¥1,047,000 was outstanding surveyed as at the end of same month.

3. Headline: ALL APPLICANTS PROVED UNSUCCESSFUL FROM KITA SHIN MACHI AREA KOFU CITY, EXCEPT CHILDREN OF SCHOOL STAFF. The Primary School attached to Yamanashi University held a physical examination and mental test on 170 applicants on 25 and 26 Mar. allowing 100 children into school. 23 kids living at Kita-Shin-machi Area, Kofu city, where live war-sufferers and repatriates, were not admitted excepting 3 of families of school staff. In this connection, a resident of Kita Shin-machi told: "This is quite a hard blow for small kids who are trying to find out future in their life. We'd like to see the school-principal." School authorities put it this way: "It may have been a coincidence, even if children of educational staff had priority to others. We destroyed the achievement cards to avoid encumbrances in the future. Their assumption is based on some misunderstandings."

Asahi, Yamanashi Section 14 April 1950

1. Headline: 4TH IN THE LIST THROUGHOUT JAPAN BRILLIANT RESULT OF RICE DELIVERY ATTAINED. Yamanashi Prefecture ranked 4th in the list throughout Japan in rice delivery with 109.6 % or 134,820 Koku turned in as at 5 April.

Mainichi, Yamanashi Section 14 April 1950

1. Headline: 3 PREFECTURAL STAFF SUMMONED. In connection with a swindle case of Sadayoshi Hosaka, 49, head of Agricultural Coop. Association at the farm settlement at Teshigawara, Minamoto-mura, Naka-Koma-gun (amounting to ¥1,600,000) 3 staff of Land Reclamation Section of Kencho were summoned by National Police Headquarters on 13 April on charge of abuse of office.

2. Headline: AN ENDEMIC DISEASE EXTERMINATION COOPERATIVE SOCIETY ORGANIZED. On April 6, a "Endemic Disease Extermination Cooperative Society" was organized in Kofu city. Mr. Ono, deputy mayor, assumed the chairmanship.

DIGEST

Yamanashi prefecture Yamanashi Nichinichi 6 April 1950 Circulation: 40,000
Translated by Y. Iwatsuki Checked by S. Takei

1. Headline: ON FORMATION OF BUDGET (EDITORIAL) The much-disputed budget for the fiscal 1950 was finally passed by both Houses. Facing irksome problems of switch-over of food policy and promotion of medium-small enterprises, the Government is required to draw up a consolidated economic policy instead of a makeshift one.

2. Headline: PREFECTURAL LIBRARY TO BE EXPANDED The Yamanashi Prefectural Library is likely to be moved to its main building now being occupied by Occupation Forces by May or June, which the prefectural government is planning to extend so as to make it a cultural center of the prefecture.

3. Headline: CHECKUP OF STAPLE FOODSTUFFS DURING MARCH On April 5, the Crime Prevention and Statistic Section of the National Police Hq. in Yamanashi-ken disclosed blackmarket cases of staple foodstuffs during March: 632 cases,(675 blackmarketeers), and 680 bales seized.

Asahi Yamanashi Section 8 April 1950

1. Headline: CITIZENS PUBLIC HEARING Centered around institution of city managed bicycle race course by Kofu City Office, there are pros and cons. In this regard, representatives of each category of work will be urged to attend a Citizens Public Hearing which will be sponsored by municipal authorities in the near future.

2. Headline: IMPOSSIBLE TO PAY MONTHLY SALARIES ? Yamanashi Prefectural Employees and Yamanashi Schoolteachers Unions protest against budgetary blank. As reported already, the Yamanashi budget for the fiscal 1950 has been deadlocked owing to blank page in budget deliberations. On 8 April, usually pay day, the allowances will not be given out. Yamanashi prefectural employees union held a mass meeting in front of Kencho on 7 April and carried a resolution that Governor should assume responsibility for payment of salaries on the schedpled 8 without fail.

3. Headline: PESO AT UENOHARA TOWN Give-us-job demonstration at Uenohara Town by Day Laborers Union was staged on 7 April at Asama Shrine inspite of drizzling rain attended by approx. 200 jobless coming from a town and 5 neighboring villages. They demanded the town office to set up a public employment security office at Uenohara.

1. Headline: WISHES TO USA AND SOVIET RUSSIA (EDITORIAL) It is of common occurrence that after a big war, some sort of strife or the like would come up among winning parties. 5 years have already passed since the first sign of dissension between USA and Soviet Russia. In recent times, it is dubious if we have been showing a fervent will to avoid further disasters of mankind. Mr. Churchill motivated a tripartite conference participated by Big 3 powers. This must have been uttered by Mr. Attlee because of his political propinquity which lies between the extreme left and capitalism (he is midway between Soviet Communism and American Democracy). We conclude that a most serious commitment is being assigned to these two conflicting Nations.

1. Headline: A STRIDE TOWARD UNIFICATION OF SOCIALISTS (EDITORIAL) The Socialists who were split into the right and left has been regarded cracked for good. However, as a result of talks among the left, the middle-of-road and the right factions, they came to a temporary accord and the unification problem will mark a step forward. They should have done it earlier. In this sense, notwithstanding indelibe stigma which was brought about by a too roundabout way, the fact that it strode toward hope of unification is worthy of felicitation. This is the point most essential to achieve parliamentarism. They must answer to the wishes of working masses by a single political front.

2. Headline: PREFECTURAL HOSPITAL GASPS ABOUT DEFICIT IN ACCOUNT BOOK. Yamanashi Prefectural Hospital which removed to the present location (in the ground of former 63 Corps, Japanese Army) has been complaining about ¥ 2 million deficit in its finance. Especially, ever since the opening of Medical Clinics at Nishiki-cho, Kofu city, consultants are amazingly on the decline. The number once recorded above 5,000. Now the average of 1,600-some consultants. In the meantime, those visited the above-mentioned Medical Clinics reached 7,000 in Sept. last year. The only way out will be to unify the two hospitals and improve efficiency of management. The prefectural authorities has a plan to have the Institute operated as heretofore and to use Prefectural Hospital mainly as wards.

1. Headline: CLUE TO WORLD PEACE (EDITORIAL) It is opined that relations between USA and Soviet Russia are extremely intense. It is noteworthy that inside the camp of Western Europe there has been cry calling for a clue to alleviate the current crisis. However, this will take lots of time before it materializes. According to foreign dispatches, the Soviet Bloc is on the point of moving toward a Peace Offensive. The USA does not place much confidence in this move. In view of the present critical condition in world affairs, it might possibly be difficult to solve all the problems at one time. Therefore, it is most urgent to work out atmosphere in which the two big powers can talk with each other at ease. This will be a clue to future solution of the main issues.
