SERVICE FOR ALL

Mr. Farmer, the country is calling upon all its citizens to perform their duty in this crisis. The men and women in the industrial centers will soon be called upon to furnish munitions, clothing and supplies for the men at the front. Your duty is to furnish food, which is just as necessary as munitions and other supplies.

Will you not attend the meeting in your county seat to hear patriotic men discuss the seriousness of the situation and to confer with you as to the manner in which you may best serve your country?

The slogan adopted by the Commission for Civic Preparedness for War, appointed by our Governor, is SERVICE FOR ALL. The date of the meeting in your county will be found in the list following:
