DIVISIONS:

Two Members appointed as Tellers for the Ayes, but no Members being willing to act as Tellers for the Noes, Mr. Speaker declared that the Ayes had it, 245.

(*Number incorrectly reported*); Mr. Akers-Douglas and Mr. Provand, the Tellers in the No Lobby in the Division on the Question, "That Clause 3 stand part (of the Customs and Inland Revenue Bill)," came to the Table, and stated that they had, through inadvertence, reported the number of the Noes as 164 instead of 156, which corresponded with the Division List, and was the proper number upon which they were both agreed:—Whereupon the Chairman directed the Clerk to correct the number of the Noes in that Division accordingly, 298.

In Committee of the whole House, a Member appointed one of the Tellers for the Ayes, but no Member being willing to act as the second Teller for the Ayes the Chairman declared that the Noes had it, 342.

A Committee of the whole House proceeded to a Division, and the Chairman stated that he thought the Noes had it, but his decision was challenged; and, it appearing to the Chairman that the Division was vexatiously claimed, he directed the Ayes to stand up in their places, and Sixteen Members having stood up the Chairman declared the Noes had it, 580.
