Living aid 1,881
 Resources plus aid 4,381

Explain differences between (3) and (4).
Because this family has about 0.5 acres of wheat and vegetable fields.

Difference between recorded requirements and resources plus assistances.
 Total column (1) 4,381
 Greater by _____

Total column (4) 4,744
 Greater by 363

Why is this a public assistance case?

Explain.

This family are almost feeble minded persons, so they can't earn so much money. Also this case is a large family, so the monthly requirements are not covered by their income.

Attitude of Minsei-in, officials:

Frequency of visits: This case has no minsei-in's visiting.
 Regularity of assistance grants: Yes, monthly, at village office.
 Other comments: None

Remarks and Evaluation: Their living is very low and unsanitary. This case is in need of more assistance.

Resources plus aid 3,794 Client 3,494 Explain differences between (3) and (4).
Some foods and vegetables are supplied by themselves.

Difference between recorded requirements and resources plus assistances.
 Total column (1) 3,794 Total column (4) 4,544
 Greater by 750

Why is this a public assistance case? Explain.

Her husband was killed in battle. Afterwards this family had been kept by only Mieko, but at present she can't support this large family because her belongings were all disposed and she must take care her mother.
 Special problems.

She is looking for outside-work.

Attitude of minsei-in, officials: Kind

Frequency of visits: Sometimes she meets minsei-in but he does not visit this family.

Regularity of assistance grants:

Other comments: Assistance money has been given to this case since July monthly

Remarks and Evaluation:

Although according to her, this family's monthly expenses are underbudget, this family live with her mother-in-law, so she seems to be assisted by him when she has difficult living. Official judgment is correct.

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date Aug. 25, 1949 Visited Ojin Village District Itano District
 By S. Takahashi Official interviewed Mr. H. Hida
 Met with: _____

1. No. of cases receiving public assistance 92
 2. Intake and closing during past month _____

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	1	0	1	1	92
Medical Aid	113	0	13	0	25
Birth Aid	0	0	0	1	0
Funeral Aid	2	0	2	1	0
Occupational Aid	0	0	0	1	0
Total	16	0	16	1	117

3. Number of Minsei-iin: Men 7 Women 2
 4. Number of appeals during past two calendar months 1 (a recipient wanted to get his assistance raised but refused)
 5. Number of appeals resulting in case openings 0
 a. Appeal procedure: _____

6. No. of cases reviewed by Minsei-iin or P.W. Official during the past month:
 The chief doesn't know how much cases were reviewed by Minsei-iin last month. He believes that they ~~are~~ are reviewing once in two months. Ten cases were reviewed by the official last month.

7. Number visits properly recorded during past 30 days No visit is recorded.
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget
 Over-budgeted _____ Under-budgeted _____

Why? Explain: The chief states that all cases are properly budgeted according to the 9th revision of the standard. But, checking up the determination sheets, there are some cases which discrepancies.
 9. Are case records kept confidential Yes. _____

10. Number of reviewed cases visited by H.G. investigator 5
 11. Number of cases that agree with records and visits 0
 12. Publicity and understanding of Daily Life Security Law by public.

It is propagated with posters who is Minsei-iin in the village and what are they doing. The chief believes that most of the village-people will be aware of it.

13. How long does it takes to receive public assistance after they have applied for it? About 10 days
 What action being taken during the meantime? If a family cannot get along in the meantime, the money is given immediately.

14. If a case is closed and needs to be opened, how is this done?
There have been no cases of this kind. If there is, it will be handled as a new case.
 15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why?
Yes. They are explained by Minsei-iin, and also written notifications are sent from the office.

16. Community data a. Total population 5,930 b. Total families _____
1,120 c. Total families receiving assistance 92
 d. Percent of families receiving assistance 8.2%
 e. Average welfare payments 336yen f. Relation to prefecture average welfare payments _____
 g. For last fiscal year, amount of money appropriated for public assistance ¥ 1,054,213.00
 h. Amount of money spent for public assistance ¥ 1,053,952.00

17. Are budgets submitted to prefectural fiscal section?
They are submitted to the district office.
 Is money received monthly or regularly?
It is usually recieved for 2 or 3 months at a time, and it is apt to delay.

18. Staff set-up:

Title	Background	Duties	Efficiency
clerk	43 years old. transferred from industry section of this office 1 year ago.	Public Welfare.	Good.

19. Is there regular Minsei-iin's meeting held in the community? **Yes. Monthly.**
 a. Topic of discussion at last minsei-iin meeting ~~and next meeting.~~
Inspection on poor mother and child, Reelection of standing Minsei-
 b. Have they any training program for the Minsei-iin? **iin, About medical aid.**
No plan in the village.
20. Minsei-iin:
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: **The age of Minsei-iin averages around 41. Two out of 7 Minsei-iin are absent from meeting in most cases. About half of them have interest in the public welfare work. But all of them are earnestly fulfilling their duties.**
 Explain Kodomo Minsei-iin's activities:
They are active in the school. Encouragement of non-attending children, etc.
21. Is there any disaster relief plan and disaster relief squad organized in the community?
Although the chief states that he has a detailed plan for possible flood, this is not justified on any record.
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
No homeless person. No any other problem of these kinds.
23. Important Community Data: Economics, etc.
Economical standards of this village are low in the prefecture. Agricultural products are only one sufficiently produced in the village.
24. Additional Data: a. Use of Local Public Employment Security Office **No-use.**
 b. Periodic reporting **None**
 c. Refused employment Local Labor Exchange? **None**
 d. Percent securing jobs through **None**
 e. Use of Social Insurance? **Unknown**
~~Not used.~~ **They want to reconstruct it, but it has not yet been concretely planned.**
25. Misc. **Four women are now on a knitting course in Tokushima Job Training School. They will come back at the end of Sept., and will teach relief recipients knitting so that it will help earn their own livings.**
26. Recommendations:
 a. **Tenth revision of the standard is not used in determining the living expenses. And most of the amount of the assistance, with some exceptions, have been kept unchanged since January of this year. The chief personally believes that it is not necessary to follow the 10th revision because the present amount of assistances are sufficient in this village.**
 c. **The determination sheets should be kept in accordance with the latest standards which has been decide by the Welfare Ministry.**

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date Aug. 15, 1949 Visited Sadamitsu Town District Mima District
 By S. Takahashi Official interviewed Mr. M. Usui
 Met with: _____

1. No. of cases receiving public assistance 44
2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	0	0	0		
Medical Aid	0	0	0	2	44
Birth Aid	0	0	0	0	4 (2 cases are receiving living aid)
Funeral Aid	0	0	0		
Occupational Aid	1	0	1		
Total	1	0	1	2	48
3. Number of Minsei-iin: Men 9 Women 2
4. Number of appeals during past two calendar months 0
5. Number of appeals resulting in case openings 0
 - a. Appeal procedure: No appeal has been done since the official came to the public welfare section.
6. No. of cases reviewed by Minsei-iin or P.W. Official during the past month: All cases by Minsei-iin. The official believes that they have recorded in their hand-book type 2 cases by the official.
7. Number visits properly recorded during past 30 days No visit was recorded.
 Number cases in such poor condition no review possible None
8. Number of cases properly budgeted according to latest family budget 45

Over-budgeted	<u>0</u>	Under-budgeted	<u>0</u>
---------------	----------	----------------	----------

 - Why? Explain: They were made in accordance with the 10th revision of the standards, the latest one.
9. Are case records kept confidential Yes.
10. Number of reviewed cases visited by H.G. investigator 5
11. Number of cases that agree with records and visits 2
12. Publicity and understanding of Daily Life Security Law by public. It was propagated during the Child Welfare Week in May this year. Lecture meeting has been held twice this year. The official believes that all the people in the town will be aware of the Law.
13. How long does it takes to receive public assistance after they have applied for it? 5 days at the longest.
 What action being taken during the meantime? No action is necessary in such a short time, the chief believes.
14. If a case is closed and needs to be opened, how is this done? is a case which If it was a temporary closing, old record is used. When it has been
15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes. Explained by Minsei-iin. And written notification is given by the office. completely closed, it is handled same as a new opening.
16. Community data

a. Total population	<u>6,952</u>	b. Total families	<u>1,490</u>
c. Total families receiving assistance	<u>44</u>	d. Percent of families receiving assistance	<u>2.9%</u>
e. Average welfare payments	<u>¥ 400.10</u>	f. Relation to prefecture average welfare payments	<u>For last fiscal year, amount of money appropriated for public assistance ¥ 484,781.00</u>
g. For last fiscal year, amount of money appropriated for public assistance	<u>¥ 468,354.60</u>	h. Amount of money spent for public assistance	<u>¥ 468,354.60</u>
17. Are budgets submitted to prefectural fiscal section? Report of welfare budgets are not done to the prefectural fiscal section. All the village budgets are submitted.
 Is money received monthly or regularly? Monthly or once for two month.
18. Staff set-up:

Title	Background	Duties	Efficiency
Clerk	Working 2 years in P.W. Section since repatriated from Manchuria. 32 years old.	Public Welfare Election	Good.

19. Is there regular Minsei-iiin's meeting held in the community? Yes. (5th of every month)
- a. Topic of discussion at last minsei-iiin meeting and next meeting.
No special topic in last meeting, lecture was given by a district official. Plan as a model town. (designated as a welfare experiment)
- b. Have they any training program for the Minsei-iiin? official. (none)
A lecture on various laws was planned on July 21. No other program.
20. Minsei-iiin: on July 21. No other program.
Impressions and comments on age, ability, interest, attendance at meetings, attitudes: Average age of Minsei-iiin is about 55, somewhat older than other town or village. But they are very active. All of them are positively fulfilling their duties with much interest. Attendance at meeting is more than 90%.
- Explain Kodomo Minsei-iiin's activities:
They will be more active in the school than in the communities.
21. Is there any disaster relief plan and disaster relief squad organized in the community? All the members of the squad are in the fire brigade, except some staffs. Disaster plan has not yet been made.
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
No homeless persons. No any other problems.
23. Important Community Data: Economics, etc.
This town has been designated as a experiment of the welfare work.
24. Additional Data: a. Use of Local Public employment Security Office. Not so effectively used.
b. Periodic reporting No reporting.
c. Refused employment None
d. Percent securing jobs through Local Labor Exchange? Unknown (Very few)
e. Use of Social Insurance? National Health Insurance is not functioning. A committee and doctors are now studying it.
25. Misc.
Disaster by gloria typhoon in the town: 3 embankment breaked, 5 bridge were destroyed, road damaged in 200 places, 233 acres were flooded.
Mothers' Club is going to be organized in next month. It will be one group of the women's association which is organized simultaneously.
26. Recommendations:
a. Disaster plan should be made in the town.
b.
c.

CASE REVIEW CHECK LIST

Municipality Sadamitsu Town

(Minsd -iin)

Living aid	¥280	1,280	TOTAL	2,390	1,488	
Resources plus aid	1,480	1,280				

Explain differences between (3) and (4).
Foods, especially other foods are recorded less than the standard because the chief believes that they don't need so much money in this town.
 Difference between recorded requirements and resources plus assistances. much money in this town.
 Total column (1) ¥1,480 Greater by _____
 Total column (4) ¥1,488 Greater by ¥8

Why is this a public assistance case? Explain.
The householder cannot work hard as she is suffering from neuralgia. Her only son died from a train accident Last January.

Special problems.
They has repatriated from Korea immediately after the end of the war.

Attitude of Minsei-iin, officials: Kind
 Frequency of visits: Once or twice a month.
 Regularity of assistance grants: Money is brought by Minsei-iin every month.
 Other comments:

Remarks and Evaluation:
The householder doesn't know how much they spent even for staple foods. Minsei-iin should give them proper guidance to let them make efforts to establish livelihood.

File

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date Aug. 11, '49 Visited Hinotani Village District Naka-gun
 By S. Takahashi Official interviewed Mr. Fujizawa
 Met with: _____

1. No. of cases receiving public assistance 18
 2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Discontinued	Present case
Living Expense	1	0	1	0	18
Medical Aid	1	0	1	0	0
Birth Aid	0	0	0	0	0
Funeral Aid	0	0	0	0	0
Occupational Aid	0	0	0	0	0
Total	2	0	2	0	18

3. Number of Minsei-iin: Men 8 Women 0 6 recipients claimed that they want more aid
 4. Number of appeals during past two calendar months 6 recipients claimed that they want more aid
 5. Number of appeals resulting in case openings All of their amount of aid were raised in July.
 a. Appeal procedure: _____

6. No. of cases reviewed by Minsei-iin or P.W. Official during the past month:
The chief states that all cases were reviewed by Minsei-iin, but no visiting has been recorded.
No cases were visited by the official.

7. Number visits properly recorded during past 30 days The records are almost proper
 Number cases in such poor condition no review possible None
 8. Number of cases properly budgeted according to latest family budget _____
0 Over-budgeted 13 Under-budgeted 5

Why? Explain: There are some discrepancies between income and requirements

9. Are case records kept confidential Yes

10. Number of reviewed cases visited by H.G. investigator 8
 11. Number of cases that agree with records and visits 1

12. Publicity and understanding of Daily Life Security Law by public.
Leaflets have been circulated some times through Minsei-iin, (latest one was done in June.) The official believes about 80% of the Village people will know the outline of the Law.

13. How long does it takes to receive public assistance after they have applied for it? About 10 days
 What action being taken during the meantime? No action is taken.

14. If a case is closed and needs to be opened, how is this done?
Investigation is done by the official. Old record is used.

15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why? Yes. Explained by Minsei-iin. A written notification is sent to the family only when it is considered to be necessary.

16. Community data a. Total population 1770 b. Total families 311
 c. Total families receiving assistance 18
 d. Percent of families receiving assistance 5.7%
 e. Average welfare payments ¥387 f. Relation to prefecture average welfare payments _____
 g. For last fiscal year, amount of money appropriated for public assistance ¥ 117,174.50
 h. Amount of money spent for public assistance ¥ 108,645.50

17. Are budgets submitted to prefectural fiscal section?
It is submitted to the district office.
 Is money received monthly or regularly?
It is received for 2 or 3 months at a time.

18. Staff set-up:

Title	Background	Duties	Efficiency
Clerk	Working in P. W. about 8 months. Before coming P.W., he was a farmer.	Public Welfare Public Health	Although he has not received any special education for P.W., he seems to be pretty earnest.

19. Is there regular Minsei-iin's meeting held in the community? **Yes, monthly.**
 a. Topic of discussion at last minsei-iin meeting and next meeting.
Explanation of the 10th revision of the standard. (last)
 b. Have they any training program for the Minsei-iin? **Discussion of new applicants. (next)**
No program in the village.
20. Minsei-iin:
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: **The age of Minsei-iin averages around 45. Those who have leisure are nominated as minsei-iin, so that they can positively do the public welfare work. All of them are earnestly fulfilling their duties. Attendance at meetings are almost 100%.**
 Explain Kodomo Minsei-iin's activities:
They have not any special activities in the community.
21. Is there any disaster relief plan and disaster relief squad organized in the community? **The chief of P.W. doesn't know about disaster plan, since he has heard nothing from the former official. They don't seem to have any plan.**
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
No special problem of these kinds.
23. Important Community Data: Economics, etc.
This village is a rural communities surrounded by mountains.
24. Additional Data: a. Use of Local Public employment Security Office **No use, the office is too far.** b. Periodic reporting **No reporting.**
 c. Refused employment **None** d. Percent securing jobs through Local Labor Exchange? **Unkn** e. Use of Social Insurance?
National Health Insurance is not used in the village.
25. Misc.
Mothers' Club, having 120 members, is contained in the Women's Association.
No welfare institutions in the village. No foster parents.
26. Recommendations:
 a. **Disaster plan should be made in the village office. And the chief of public welfare should be well aware of the plan.**
 b. **Although the chief states that the school expenses are included in the living expenses, it is not clear how much money is given as school expenses. School expenses should be recorded in the determination sheets.**

Differenece between recorded requirements and resources plus assistances.
 Total column (1) 1,760 Total column (4) 1,860
 Greater by _____ Greater by 100

Why is this a public assistance case? Explain.
 The householder, Fusae has been suffered from spinal trouble and Yoshiko is school girl so they have no income. Also this family recieved war-suffer. At present they are assisted by her elder sister's family, but Special problems. they are not so easy. Her elder brother-in-law works as acharcoal maker but his incom is meager to support this family.

Attitude of Minsei-in, officials: Good
 Frequency of visits: Twice or three times a manth.
 Regularity of assistance grants: Yes, monthly at the village office.
 Other comments: Nile.

Remarks and Evaluation: Properly aided.

TOKUSHIMA PREFECTURE ADMINISTRATIVE REVIEW

Date *July 25, 1949* Visited *Swakura Village* District *Nima District*
 By *Investigators* Official interviewed *Mrs. R. Sato*
 Met with: _____

1. No. of cases receiving public assistance *81 74*

2. Intake and closing during past month

Type of Assistance	Applications Received	Applications Rejected	Applications Approved	Aid Dis-continued	Present case
Living Expense	<i>2</i>	<i>0</i>	<i>2</i>	<i>0</i>	<i>77</i>
Medical Aid	<i>0</i>	<i>0</i>	<i>0</i>	<i>0</i>	<i>2</i>
Birth Aid	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>
Funeral Aid	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>
Occupational Aid	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>	<i>1</i>
Total	<i>2</i>	<i>0</i>	<i>2</i>	<i>0</i>	<i>81</i>

3. Number of Minsci-*in*: Men *11* Women *1*
4. Number of appeals during past two calendar months *0*
5. Number of appeals resulting in case openings *0*
- a. Appeal procedure: _____

6. No. of cases reviewed by Minsci-*in* or P.W. Official during the past month:
The official states that minsai-in visited all cases but actually they didn't. By type *11 cases by the official*

7. Number visits properly recorded during past 30 days *no visit was recorded*
 Number cases in such poor condition no review possible *all cases are very poor.*

8. Number of cases properly budgeted according to latest family budget
 Over-budgeted: _____ Under-budgeted: _____
 Why? Explain: *The case records are very old ones which was not made in accordance with the recent standards*

9. Are case records kept confidential *yes.*
10. Number of reviewed cases visited by H.G. investigator *17*
11. Number of cases that agree with records and visits *0*

12. Publicity and understanding of Daily Life Security Law by public.
Minsai-in is the only one who propagates the law. The official believes that most of the village peoples are aware of it, though he has no ground for this.

13. How long does it takes to receive public assistance after they have applied for it? *about 20 days*
 What action being taken during the meantime? *no action is taken*

14. If a case is closed and needs to be opened, how is this done?
It will be handled as same as a new opening.

15. Are cases closed properly, with explanatory remarks as to why the case is closed? If not, why?
all the reasons of the closing cases are either removal of the family or death of 1-member family. Therefore, no explanation has been

16. Community data a. Total population *1503* ~~1503~~ *8274* b. Total families _____
 c. Total families receiving assistance *81*
 d. Percent of families receiving assistance *5.4%*
 e. Average welfare payments *¥ 240* f. Relation to prefecture average welfare payments *¥ 60 less than it* g. For last fiscal year, amount of money appropriated for public assistance ¥ *312,000*
 h. Amount of money spent for public assistance ¥ *387,643.50*

17. Are budgets submitted to prefectural fiscal section?
They are submitted to the district office.
 Is money received monthly or regularly?
It is usually received every other month for the 2 month.

18. Staff set-up:

Title	Background	Duties	Efficiency
<i>clerk</i>	<i>47 years old. Transferred from the general affairs sec. last Feb. graduated from a senior primary school.</i>	<i>Public welfare Public Health General Affairs</i>	<i>Although he has not technical knowledge for P.W., he seems to be pretty earnest in his work.</i>

needed since the official came to the P.W. section.

19. Is there regular Minsei-in's meeting held in the community? *yes, monthly.*
 a. Topic of discussion at last minsei-in meeting and next meeting.
Discussion on applied cases. (last) Explanation on the 10th revision
 b. Have they any training program for the Minsei-in? *of standards (next)*
no program in the office.
20. Minsei-in:
 Impressions and comments on age, ability, interest, attendance at meetings, attitudes: *The age of minsei-in averages around 46. Attendants at meeting is almost 100 percent. The official states all minsei-in are earnestly fulfilling their duties.*
 Explain Kodomo Minsei-in's activities:
The official has not heard any information about Kodomo minsei-in.
21. Is there any disaster relief plan and disaster relief squad organized in the community?
The official in charge of disaster is absent. The chief of P.W. doesn't know about disaster plan.
22. Special problem handling: Relatives, bank accounts, occupational, housing problem, homeless persons, etc.
Four houses for repatriates are going to be constructed in this year. Two families in the village are especially in
23. Important Community Data: Economics, etc. *need of houses.*
This village is in a rural district, and it has no special products.
24. Additional Data: a. Use of Local Public Employment Security Office *no use*
 b. Periodic reporting *no reporting.*
 c. Refused employment *very few*
 d. Percent securing jobs through Local Labor Exchange?
 e. Use of Social Insurance?
A conference on establishing the National Health Insurance is going to be held on 26th of July.
25. Misc.
There is a mothers' club which contains 35 members.
26. Recommendations:
 a. *The records are too old to be available. They are reinvestigation records which were made more than half year ago. They should be made in accordance with the recent revision of the standard.*
 b. *Although the official states that all minsei-in visit the recipients, this is not justified by case review by us Civil Affairs Team Investigators. Some of the families don't know minsei-in.*
