Dear Ms. Craighead:

It is a pleasure to acknowledge the donation of twenty-three of your charcoal drawings to the Art Museum at the University of New Mexico.

Your generosity allows us to continue to improve and grow our programs, expand on student opportunities, and further UNM's mission of teaching, research, patient care, and community service. We take pride in knowing that each individual on our campuses and in our hospitals has access to resources that motivate and heal, educate, and empower them to work hard to reach their most ambitious goals. Your kindness plays a key role in our present success, and more importantly, our future.

This letter will serve as your receipt for income tax purposes for 2012, confirming that the merchandise you provided was a gift to the University of New Mexico and you have not received any goods or services in return. The University of New Mexico does not appraise the value of in-kind gifts.

We vow to be excellent stewards of your philanthropy, as it adds to *Changing Worlds: The Campaign for UNM*, where UNM's tradition of academic excellence is at the forefront of our efforts. Please contact me directly at Larry.Ryan@unmfund.org, 505.277.2847 or Jill Slaby, Donor Relations Director, at 505.277.9651 if you have any questions or concerns regarding this gift.

Sincerely,

Larry Ryan
Vice President, University Development
