Propaganda Index towards the White Russians

16 June 1943
Kwantung Army
Intelligence Bureau.

Contents :

I Preface

II An Attitude of Propaganda towards the White
Russians

III Items of the Principal Propaganda

IV Explanation and Operation gist concerning
the principal propaganda items

I Preface

- 3 -

{I} This index, based upon the propaganda essentials towards ~~the~~ Soviet and also the policy on leading the White Russians, indicates a standard of propaganda for them through the time of peace and war

{II} In carrying out propaganda according to this index, its contents & means under the circumstances require a cautious selection and measure within the fixed scope.

Chapter II An attitude of propaganda towards the White Russians.

{1} The Propaganda Towards the White

Russians, aims at a strategic propaganda
towards the Soviet Union ~~with the assistance,~~ ^{through white Russians}
and the assistance, for leading them,
~~of leaderships for them and also~~
~~through the White Russians~~

[II] We ^{shall} prevent them from running to ~~the~~ ^{an}
unsound racial sentiment such as fostering
~~a~~ defensive thought for their fatherland.

[III] ^{When making} ~~Regarding the~~ propaganda on ~~the~~ Soviets'
defects and distressed circumstances, our
leadership for them requires a consideration
so as not to give them an adversely effective
influence.

A substantial effect of propaganda is expected
[IV] ~~by~~ abolishing pure theory and the game
of empty words, and ~~must~~ ^{carry} out ~~the~~
proper propaganda towards its focus,
and expect a substantial effect of

~~propaganda~~

[V] In propagand^{izing} towards the minority races
among the white Russians besides the Great Russians,

their characteristics are taken into consideration.

However, we must be careful not to breed

a conflict between them.

[VI] A policy of transaction for Russia
followed by the Russo-Japanese war

-6-

should not be touched ^{on} towards the white
Russians.

III. Items of Principal Propaganda

- (1) The theory on leading the white Russians must be complete.
- (2) Make the white Russians grasp a definite recognition ^{on} for the actual state of ~~the~~ Soviet.
- (3) ~~Make~~ ^{not only} the white Russians perceive the reason for inevitability of losing a war but also for impossibility of seeking peace under the Stalin Regime.

- (4) Let the White Russians realize that ~~the~~ Soviets' Russi-anized policy is deceptive
- (5) The feeling of hatred and antipathy towards the White Russian ~~and~~ communists and Stalin should be aggravated.
- (6) The White Russians' anti-action ^{Towards} ~~for~~ communism should be accelerated by means of propagandizing Japanese power, her firm determination for anti-communism, ^{the} peaceful living of various nations and races, ^{under} Japanese ^{guidance} ~~leads~~, and the actual state and process of establishment.

- 8 -

Chapter IV ^{Just} Explanation and operation ~~of~~

concerning the principal propaganda items

[I] The theory on leading the white Russians ^{is}
must be complete.

(1) ~~Make~~ the white Russians have the first aim be

~~the~~ cultivation of anti-communistic idea and ~~the~~

overthrowing of the communistic government so that

their desire to go back to their father-land

can be achieved. Thus, ^{their} fierce fighting spirit

~~is~~ ^{shall be} cultivated

(2) We ^{will} endow the white Russians with the

belief of sharing happiness and hardship

with Japan and Manchukuo,

as well as life and death. On this account,

let the White Russians fulfil their duty as

those applied to the Manchukuo people and

at the same time let them acquire the theory

of ^{the establishment of} a new order ~~establishment~~ for a Greater

East Asia, based upon ^{the great} Japanese ~~got~~ spirit

of "Universal Peace" (HAKO ICHIU)

[II] Make the White Russians grasp a definite recognition for the actual state of ~~the~~ Soviet

(1) Explain the main points of I and II in ~~the~~

Chapter IV according to I of ~~the~~ Chapter III

of the propaganda essentials towards ~~the~~ Soviet

(2) The white Russians, especially the younger generation, ^{are} being influenced by ^{Soviet} propaganda ~~for the Soviet~~ ^{and are} overvaluing the actual state of ~~the~~ Soviet far better than its reality ^{condition} as a result of ^{blindly} believing ~~blindly~~ the fundamental theory of communism.

Therefore, we must not concentrate on denunciation and ridicule against the

distressed and defective state of ~~the~~ Soviet, but ^{we must make them grasp both sides of the} ~~examining closely:~~ ^{theory and reality of Soviet's real circumstances by} ~~examining~~ ^{closely} ~~essentials of phenomena based on a~~ ^{examining} ~~definite anti-communistic theory, such~~ ^{ing the essentials of phenomena based on a definite}

anti-communistic theory ~~supra~~,
~~Stalin's~~ political changes, deceit,
inconstancy, and discord between its
ideal and reality ^{and} ~~we must clear up~~
~~reasons. clear,~~ ^{make the}
~~the reason for them so that they may~~
~~grasp the both sides of the theory and~~
~~reality under the Soviet's real~~
~~circumstances~~

[III] ~~Make~~ the White Russians perceive the reason
not only ~~the~~ inevitability of losing a war
but also ~~the~~ impossibility of seeking peace
under the Stalin Regime.

(According to the propaganda essentials towards ~~the~~ Soviet in II of ~~a~~ Chapter III, Inevitability of ~~a~~ Soviet's defeat should be emphasized. ↓

[IV] Make the white Russians realize that ~~a~~ Soviet's Russianized policy is deceptive.

(1) According to the propaganda essentials towards ~~the~~ Soviet in IV of ~~a~~ Chapter III, The main points of III of ~~a~~ Chapter IV is explained. ↘

(2) Under the circumstances we must be careful not to ~~cause~~ ^{raise} the White Russians'

defensive thought for their fatherland
by giving them the impression that the
Soviet communism has been weakened
and their race consciousness has been
aroused.

[V] ~~The feeling of hate and antipathy~~
~~towards~~ ^{hated and antipathy towards} the White Russians' communists
and Stalin ^{shall} ~~should~~ be aggravated

(1) It ~~should~~ ^{shall} be done according to ~~the~~ ^{art. 3 of}
~~Chap. II~~ in the
propaganda essentials towards ~~the~~ Soviet,
~~III~~ of the Chapter ~~IV~~

(1) Stalin should be treated as ^{the} typical

defensive thought for their fatherland
by giving them the impression that the
Soviet communism has been weakened
and their race consciousness has been
aroused.

[V] ~~The feeling of hate and antipathy~~
~~towards~~ ^{hated and antipathy towards} the White Russians' communists
and Stalin ^{shall} be aggravated

(1) It ^{shall} be done according to ^{art. 3 of} ~~the~~
Chap. II in the
propaganda essentials towards ~~the~~ Soviet,
~~III of the Chapter IV~~

1) Stalin should be treated as ^{the} typical

representative ~~from~~ ^{of} communism and ^{we shall emphasize the} ~~even if~~ ^{fact that}
his place would be replaced by another leader,
~~the fact~~ he would be one and the same as
Stalin, ~~should be emphasized.~~

[VI] The White Russians' anti-action for
communism ~~should~~ be accelerated by
means of propagandizing, ^{the} Japanese power,
her firm determination for anti-communism,
peaceful living ~~of~~ various nations and
races, ^{under} Japan's ^{guidance} leadership, and the actual
state and process of establishment of

(1) Japan shall ~~let~~ ^{make} the white Russians

perceive more strongly ^{the actual} ~~the correct~~ ^{circumstances} ~~circumstances~~ ^(more strongly) that Japan is more powerful and righteous) ~~stances~~ than she does to the Soviet, and thus, ~~she~~ ^{make} it a stimulative dose to their anti-action.

(2) ^{Make} ~~Let~~ the white Russians believe that all the countries and races under ~~the~~ Japanese leadership are against communism and they are gradually on the way to the establishment ~~of~~ ~~the~~ security of living from exploitation and disorder, due to her proper guidance.

Under the circumstances ^{make} ~~let~~ the white Russians realize, ⁱⁿ ~~that~~ ^{circumstances} that they can safe-guard

their life and property and also can
maintain their hope for the future only
under the condition of depending upon
Japan.
