Dear Jennie's Great Grand daughter,

First I must introduce myself. I am signed Jennie Abel - I am Uncle Ossie's great-grandmother Jennie's cousin and it was said, I looked more like Jennie than her sister Harriet. I loved them both so very much.

The family moved from Forsun to Stavanger - and left several times until they came to America around 1870 - the children were Maria (Jennie's + Aunt Gussie's mother) Katerina - Tillie - Hans - John - Andrew - Heroy - and my father Jens - they all sang beautifully - It was a warm loving family and I loved my Santa Katerina + you both Ossie so very much, I was six when my father died and I he when Santa died - but I would have more to tell. My sister Myrtle her husband were in

Norway two years ago - and  
went to Farsen, to see if they  
could find out any thing about

good family - and though I was  
only six - I have kept my father

will miss him to end of my days -  
Essie & Gussie - Oh! they are marvelous

These are all Uncle  
 3 names I believe taken  
 about 15 years or more ago  
 since that time - Agnes's wife  
 and Goldy have died -  
 The others are the husbands  
 Don & I were very close to  
 all these cousins -  
 when I look at them, it  
 must be more than 15 years  
 ago. In the book, much  
 of all now
