The first time a man wants a heater, he buys "any old thing," whatever is recommended. The next time he investigates, and ten to one, he chooses a "Winchester," for steam or hot water.

Was your house cold last winter? If so, it can be made perfectly comfortable by installing a

PREFACE.

We herewith present to the attention of our patrons Volume Fourteen of the series of Brookline Blue Books. Allston and Brighton have been included as in former editions, making the book larger and more valuable.

As this is the only BLUE BOOK of BROOKLINE we hope to merit a share of the advertising patronage which is designed to reach Brookline society. Some advertisers labor under the impression that there is another one.

We thank our many patrons for their orders in the only exclusive BROOKLINE BLUE BOOK, and hope to enlarge and improve it each year as the population increases.

Respectfully,

EDWARD A. JONES.

Interesting to Ladies —————

Ladies should learn what a treasure a "DRESS FIGURE" FORM is made EXACTLY one's style and size. Hundreds of references could be furnished, if it were our custom, from ladies who have favored us with their orders. With it dress fitting is made a pleasure.

☞ UFFORD'S NEW PAT. EXTENSION FORMS are the delight of dressmakers. 3 sizes, each making 10 or more changes. Send for illustrated circular of this new one.

OUR NEW PATENT 1897-8 EXTENSION DRESS-FORM, with and without skirt, is a new departure. No cut can adequately represent it. Do not fail to see it or send for the New Circular.
