My dear Mr. Rice,

The catalogue arrived this morning. Thank you. Looked on the table for the Scott No. 9 but did not see it. Will keep on the lookout for it. I have a recollection of putting it in an envelope. Did you by any chance put it in your coat pocket. If I locate it will send it to you, otherwise take it off the bill.

The Maryland notes are worth \$1. each. The Penna. 50 shilling 1775 is \$2. New Jersey, March 25th, 1776 price \$1.50. Will send them if you wish.

Thanking you for sending the book and sorry I had to bother you about it,
we are,

Yours very truly,

Rice, E. A.

My Dear Mr. Rice,

As the weather does not seem any more promising I am sending herewith the 1935 S Mint Texas half dollar herewith. Hope it will reach you safely.

You will be surprised no doubt to learn that Mrs. Chapman decided to liquidate the stock and has sold all of the coins. Are you still interested in the large cabinet which had the ~~Kinging~~ Washington medals in. As you know it is a beautiful cabinet and belonged to Mr. C. S. Bement who had it made. If you are interested in it at \$75. we will sell it to you at this price. Shall be glad to hear from you.

We want you to know we appreciated your business and hope you will continue your interest in Numismatics.

With best regards to you and Mrs. Rice whom I did not have the pleasure of meeting, I am,

Yours very truly

My Dear Mr. Rice,

Mrs. Arndt and Mrs. Judson were in to-day and we went over the matter of the catalogues you are interested in/ In sorting them out we found a number of very beautiful ones with plates together with a number of priced catalogues and altogether we found them to be a very interesting lot.

We have tried to keep the price moderate and will sell the lot of books and catalogues for \$275, which together with the lot of medals in the cabinet at \$24. makes a total of \$300. for the entire lot.

Hoping this will meet your views, we are,

Yours very truly,

P. S. If this is satisfactory you might let us know when you will be down for them.
