1884, No. 1.—*Local.*

AN ACT to remove Doubts whether the Board of Governors of the Auckland College and Grammar School has Power to grant Free Education, Prizes, Exhibitions, and Scholarships to other Students than those educated at the said School. [16th October, 1884.]

WHEREAS doubts have been raised whether the Board of Governors of the Auckland College and Grammar School has power under "The Auckland College and Grammar School Act, 1877," and the deed of trust referred to in the preamble of the said Act, to grant free education to any other scholars than those attending the Auckland College and Grammar School; and also whether the said Board has power to admit other than their own students to compete for the prizes, exhibitions, and scholarships mentioned in the fourteenth section of the said Act: And it is desirable that the Board should have power to grant free education, if they think fit, to any students whomsoever, and to admit any students whomsoever to compete for and win the said prizes, exhibitions, and scholarships:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act is "The Auckland College and Grammar School Act 1877 Amendment Act, 1884."

2. The Board of Governors, notwithstanding any restrictions that may be imposed or seem to be imposed by "The Auckland College and Grammar School Act, 1877," or the trust deed referred to in the said Act, shall, under such regulations as they may make for that purpose, have full power to grant free education in the Auckland College and Grammar School to all students, whether they have received their previous education in the said school or elsewhere, and also to allow all students, whether educated in the said school or elsewhere, to compete for, win, and hold such prizes, exhibitions, and scholarships as the said Board may offer for competition: Provided that nothing in this clause shall restrain the Governors from establishing or sanctioning the establishment of special prizes, exhibitions, or scholarships exclusively for the students attending the said school.
