Voters Approve Bond Issue For Recreation Center by Big Majority

CARL B. METZGAR ELECTED BURGESS, SCHOOL BOARD MEMBERS RE-ELECTED AND TUBERCULOSIS HOSPITAL APPROVED IN BIGGEST VOTE EVER POLLED IN NARBERTH.

The voters of Narberth approved the (Playground Bond Issue by a vote of Two School Board nearly three to one in Tuesday's election. In all, 1005 votes were cast on the question, twenty of which were invalidated because of incorrect or no marking. There were 735 votes east in favor of the loan, and 250 against.

A gross error in the office of the County Commissioner at Norristown, (however, may thwait the wishes of the voters and seriously delay the loan.

A Serious Blunder.

The wording of the ballot supplied to the Borough designated, "To in crease the indebtedness of the School District," instead of the Borough.

Our Town, with the nid of one of its co-operating colitors, is investigating the cause of the error, which may caucel the Playground election, but the paper went to press too early to obtain all the facts.

We are glad to learn, however, that the fault does not lie with our Borough government. The following is a copy of the notification by the Borough Solicitor, on October 17, to the County Commissioners:

October 17, 1921. Mr. Daniel F. Stout, Chief Clerk, County Commissioners,

Norristown, Pa. Dear Mr. Stout:

The ballot for the Borough of Narberth at the coming election must give the voters a chance to vote upon a proposed bond issue of \$30,000 for the purpose of purchasing a public playground. The question is to be stated on the ballot as follows:

"Shall the bonded indebtedness of the Borough of Narberth be increased by the sum of Thirty Thousand (\$30,000) Dollars for the purpose of acquiring a tract of land to be used as a public playground?

No

Will you please see that the ballot is prepared so that this question is stated as above indicated? A copy of the ordinance authorizing the submission of the question to the voters is enclosed herewith.

Very truly yours, (Signed) FLETCHER W. STITES, Borough Solicitor.

We are told that the County Commissioner's office assumes all blame for the error. Chief Clerk Stout excused it on the ground that they had several bond issues of School Districts, and That he inadvertently allowed the words School District to go into the statement of the Playground question. Our Town hopes to publish fuller information next week.

Mrs. Grace C. Batchelor.

The election on Tuesday for two positions on the School Board resulted in the re-election of Robert J. Dothard and Mrs. Grace C. Batchelor, running on the Republican ticket.

Mr. Dothard has been a member of the Board for six years, but this is Mrs. Batchelor's first regular term. She was appointed in June to fill the vacancy caused by the resignation of Walter Y. Shaw.

The centest was a close one. The two Democratic candidates, Harry M. Chalfant and Mrs. Abbie W. Nickerson failed of nomination on the Republican ticket in the primaries, but were nominated by the Democrats, although, of course, running independent of party

The number of votes polled for each candidate was as follows:

The Home and School Association of fected a permanent organization on No. vember 4th, when the second meeting was held in the and torium of the pubtic schools. There were in attendance 165 persons, among whom were the members of the Beard of Directors and the Faculty of the schools.

A Committee on By-laws had been appointed in advance, who prepared a carefully worded set of articles for the guidance of the association. This committee consisted of Professor Leroy A. King, chairman; A. W. Burns, F. C. Patten and Walton M. Wentz.

The by-laws, as drafted by the committee, were ananimously adopted. They provided for a president, vicepresident, secretary, treasurer and one member "at large" to serve on the Executive Committee.

MEMBERS OF PRESBYTERIAN Y. P. SOCIETY JOIN IN INTEREST-ING EVENT-TO LAST TWO MONTHS.

The Senior Christian Endeavor So-Church has begun an interesting contest lasting through November and December and having a half dozen aims in view. Five teams, three composed of the girls and two of the boys, have been entered.

The contest has been arranged on the order of a track meet, each "event" counting for a certain number of points. The team having the highest number of points on January 1st is the winner of the contest. The prize has not yet been announced.

The events and credits for each are as follows: New members (percentage basis), highest score, 30 points; attendance Sunday evenings (percentage basis), 20 points; special committee work, 15 points; one special "stunt," 15 points; sending delegates to other societies, 10 points; reports at monthly meetings, 10 points. This makes a total of 100 points possible, although an extra 5 points will be allowed for especially good work on any event.

Delegates will be sent to other societies in order to observe in what ways improvement may be made, and these delegates will make suggestions at the monthly business and social meetings. Each team has also taken unto itself the work of a special committee.

Team A is the Missionary Committee, and as such is giving a one-minute talk each Sunday evening on some subject pertaining to missions. The team is

Narberth Choral In **Successful Concert** At the Opera House

HOLIDAY HOUSE BENEFIT TUES-DAY NIGHT OPENS CONCERT SEASON OF LOCAL ORGAN-IZATION.

Before a large audience at the Metropolitan Opera House on Tuesday night, the Narberth Choral Society presented a program which reflected the greatest credit upon itself and upon the town that it represents,

They were assisted in this concert by Lucy Marsh, soprano; John Richardson, violinist, and the Victor Orchestra. The program rendered was one both of technical difficulty and popular appeal, and the appreciation of the audience was manifested time and time again during the evening.

The Inquirer said, in its report of the concert: "In the excellent ensemble singing was discernible the practiced hand of Clarence C. Nice, the director, who has brought the society to a pitch of surety and solicity of tone remarkable in a non-professional group of musicians."

Especially appreciated were the violin solos given by John Richardson, the boy violinist. This youthful prodigy is already well known to Nurberth people from his appearance with the Choral in their June 10th concert in Narberth. His rendition of the last movement of Tschaikowkski's Concerto, a piece of great technical difficulty, brought a great deal of applause from the audience. He was brought back for an encore after his last number, "Gypsy Serenade," by Valdez.

The appearance of Miss Lucy Marsh as soprano soloist was another feature which added a great deal of enjoyment to the program. She rendered several solo numbers, and assisted the Cholus with two numbers, one of which was the Italian Street Song, by Victor Herbert.

In commenting on the concert in its issue of Widnesday morning, the Publie Ledger said: "The work of the chorus displayed a tone quality of refines ent, in volume evenly distributed between the clefs. There was nothing of the explosive agony one often finds among amateurs facing the ordeal of public appearance. Instead, fluency of utterance and self-possession of manner marked the work of the singers, and the audience repeatedly gave assertive evidence of its approval."

Certainly, the work of this splendid ciety of the Narberth Presbytcrian musical organization will do much to develop both community spirit and favorable outside comment for Narberth. This Philadelphia appearance and the concert at Atlantic City earlier in the year have served to spread the reputation of the Narberth Choral Society beyond the boundaries of our little borough. So it will be community pride, as well as a love of good music, which will assure the future success and constant growth of the organization.

The next local concert has been announced for December 16th.

Community Club Notes

The Club will meet on Tuesday afternoon, November 15th, at 2.30. One of the foremost educators of this part of the country will address the meeting. Dr. Lucy Wilson, Principal of the South Philadelphia High School for Girls, will talk on "Intelligence Tests" and other advanced methods used in her school. Teachers, mothers and all who are interested in education should take advantage of this opportunity to learn what Philadelphia is doing for its pupils. Narberth may be able to make use of some methods suggested.

One of the Club members will give a book review of Archibald Marshall.

SOMETHING ACCOMPLISHED.

By a close vote, the citizens of Narberth have decided against a change in the present personnel of the School Board.

But, though in organization the Board has not been changed, the hot fight for the two positions has materially changed the attitude of the community as a whole toward our school problems.

Unfortunately, the publicity during the campaign involved too many exaggerated and overdrawn statements to be taken as a measure of our school efficiency. However, the wide airing of the various phases of school administration has awakened the community to one fact, namely, that our School Board represents the people and should know . the sentiment of the people.

With our Home and School Association on an active basis, and with par-, block has its leader was heartily ap ents awake to the problems presented, proved by the members. This will a more general interest in our local schools may be looked for-and this is just what our School Board desires and

Communications

To the Editor of Our Town:

The writer would like to have an expression from parents with children in the Nurberth Public Schools as to whether or not they are perfectly satisthe lowerh the present arrangement which gives the children werely thirty minutes' time for lunch, compelling them to est their bunch at school. It is, of course, optional whether the children shall bring bunch or buy it, but this new and arbitrary ruling of the School Board appears to me to be an annovation to make the lunch room pay and not gotten up for the convenience of the scholars.

Mrs. Wohlert complains about this arrangement, as she feels that the children get improper nourishment. The hinch may be good, had or indifferent for all I know - the children seem to like it - but it is fairly expensive and apparently unnecessary. We live only a short distance from the school, and if the children had forty-five minutes for lunch they could go home. If the lunch period were prolonged to an hour I think nearly all the children could get home for lunch. It is claimed by the School Board that this thirty-minute lunch period is all the time they can spare, for if fifteen or thirty minutes were added to the lunch period the scholars would come home so late in the evening that the objections from the parents would be serious.

I wanted to take this matter up long ago, but did not want to bring this before the public while the fight for School Director was on. However, I must say that I feel that the School Board is remarkably arbitrary- not to say contrary -- in this matter, and as near as I can see the feeling existing among them seems to be "the public be dannel.

LEAGUE OF WOMEN VOTERS TO HOLD MONTHLY MEETINGS.

The November meeting of the Narberth League of Women Voters, held at the home of Mrs. Hugh W. Brown, 204 Woodside avenue, on Friday, November 4th, was well attended and, judging from the many questions asked, aroused a keen interest in matters with which the League is concerned.

The meeting was called to order, and after some discussion by-laws were adopted. The annual election of officers followed, with the following resuit: President, Mrs. C. P. Fowler; vice-president, Mrs. A. B. Ross; secretary, Miss Anna MacKeag; treasurer, Mrs. Edgar Cockrill. The suggestion to district the town until practically every mean that the League can be pressed into service on a comparatively short

Mrs. A. C. Martin, of Wayne, in her address spoke with the highest approval of this system, citing an incident in a nearby township to demonstrate how efficiently it can operate in an emergency. The particular case referred to was that of a man who had committed a most atrocious performance upon a small child, and had, after a hearing, been paroled by the judge. The women, resenting the judge's decision, put the block system into operation, and in a few hours held an indignation meeting, resulting in a petition, with an overwhelming number of signatures, to the judge to remove this man from the streets and send him to his justice, thereby securing the safety of the other children. Needless to say, it had the desired results. The women

Mrs. Martin is a very enthusiastic supporter or the League and dwelt upon its service and opportunities to inform women on political matters. Mrs. Martin also spoke of her experience at the Williamstown College of Polities.

The Nurberth League will hold its meetings the second Monday in each month. The next one, on December 12, will be held at the home of Mrs. Samuel Z. Shope, 108 Iona avenue. Outline of program will appear in these columns.

The above department should be of the greatest use to the community, the list contains the name of every professional man tradesman, machanic, shopkeeper, etc., whe does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as fellows: 10 cents each issue for a line; 5 cents for each additional line.

Robert A. Mueller (R) 783 Edw. U. Smith (D) 192 A Large Vote.

There were 999 ballots cast in the election, the largest number ever polled in Narberth. When one considers that this is an "off" election, the large poll shows considerable interest in the ques-

tions to be decided, but, on the other hand, there are close to 1900 registered voters in Narberth. Where were the other 900 voters? Is it sufficient that, in a town as closely organized as Narberth, few more than half of those eligible to vote should turn out?

The women are not the slackers, for the figures show that 404 women voted, as against 595 men. There are fewer women registered than men, so that they exercised their right of suffrage in as large proportions as did the men. Certainly there is an opportunity for a closer perception of civic duty.

Judge of Elections William J. Kirkpatrick added to the voting list 73 names by affidavit. These voters, whose names were not on the list, were obliged to swear that they had been residents of the State for at least two years, and of the county for at least two months. They also stated that they had paid a State or county tax in the last two years.

The figures also showed that there were 353 straight Republican, 90 straight Democratic and one straight Socialist ballots cast. There were also 551 split tickets. Because of the difficulty of counting this large number of split ballots, the election tellers, who usually finish their work at about 12.30, did not complete the count until 4.20 A. M. Anybody who thinks the election officials have a snap job, just try to run an election for twelve hours, and then tabulate for nine hours more. The officials greatly appreciated the thoughtfulness of Mrs. C. P. Fowler, who sent around a basket of first-class doughnuts during the evening.

Mr. Metzgar polled the highest number of votes with 966, and Mr. Kirkpatrick second with 965. Someone wrote the name of Robert E. Pattison in as Minority Inspector, giving him one vote. This means that if Mr. Smith is unable to serve at any election, Mr. Pattison will get the job. If doughnuts are always the order of the evening, he may never get a

been elected by the people of the town to serve as a Director on the Board of Education. Mrs. Batchelor is the first woman in Narberth to serve in this capacity. She is now filling an unexpired term as director. Upon the expiration of her present appointed term, she will then continue her services as an elected member of the Board.

Due to unfavorable weather conditions, the drive to Bryn Athyn was postponed to Wednesday, November 16th. Members may make their reservations at the meeting next Tuesday.

Those who attended the Montgomery County Federation of Women's Clubs, at Conshohocken, heard Miss Esther Grimes talk on the work of the Council for Nursing Education. Anyone who considers studying to be a nurse may apply to this Council in Philadelphia and receive any information concerning any hospital regarding its nursing

Miss Myrtle Barger spoke on the treatment used for children who are undernourished. Many of these cases are among children apparently well fed. Miss Alice Campbell spoke on "Occupational Therapy as Applied at the Mt. Alto Tubercular Sanatorium."

The County Commissioner, Mr. Roy A. Hatfield, told of the great need of a County Hospital for Tuberculosis. Other addresses, reports and entertainment made a full program.

JUNIOR SECTION COMMUNITY CLUB MEETING.

The Junior Section of the Community Club held their meeting on Thursday evening, November 3rd, at the home of Helen Jones. As a usual thing, the program is given by the members of the Club, but at this meeting the Juniors were entertained by three of Narberth's well-known men. Mr. Fletcher W. Stites gave a very interesting talk, Mr. Sebastian Rudolph sang, accompanied by Madeline Me-Coy, and Mr. Robert H. Durbin gave several recitations. The program was most novel and interesting and the girls enjoyed every bit of it. The Club is growing rapidly and we are glad to see new faces at each meeting.

Christian Endeavor Has Spirited Contest

composed of Helen Keim (captain), Solveig Knutzen (lieutenant , Dorothy Wilson elleutemants, Frances Keim, Dorothy Knatzen, Helen Moran and Elizabeth Metzgar.

Tenn B is the Refreshment Committee, and has promised to provide for the "eats" for all socials, special meetings, etc. Dorothy Bottoms is the captain of this team, with Lois Smith and Mabel Kirkpatrick as lieutenants. The other members are Martha Martin, Louise Freena, Elizabeth Jones and Mabel Haney.

Team C, the Information Committee, will give the society a weekly one-minute talk about Christian Endeavor news all over the world, together with items about its history and origin. Last Sunday evening the chairman of this committee told about the great convention held last July in New York City, to which over 20,000 Christian Endeavorers, coming from all parts of the world, were in attendance. A parade, with 15,000 in line, was held on Fifth Avenue, and President Harding, Postmaster General Will Hays and other notables were made honorary members of the society. William Jennings Bryan made a wonderful address.

Louise England is captain of Team C. She is assisted by Lieutenants Ethel Banfield and Faith McAuliffe, with May Banfield, Anna Sell, Helen Caldwell, Gladys Weiss and Minnie Heard forming the rest of the squad.

Team D is the Publicity Committee. Its intention is to let the work of the society be known and to boost it in every way possible. The members of the team are James MacNevin (captain), Philip Knutzen (lieutenant), Donald Hoffman (lieutenant), John MacNevin, Donald Murphy, Thomas McAuliffe, Richard Odiorne, Horace Wanamaker, Edwin Martin, Richard Blessing, Willard Weld, Herbert Me-Carter, and Douglas Odiorne.

Team E is the Lend-a-Hand Committee. It hopes to be a band of willing helpers wherever its assistance is needed in Christian Endeavor Society or Sunday School. This is an important team and its work will be appreciated. The team is composed of Edwin Gilfillan (captain), Herbert Burrell (lieutenant), Clarence Metzger (lieutenant), Robert Gilfillan, Wells Wanamaker, Kenneth Keim, Dunwoody Zook, Alexander Burt, Christopher Herron and Donald Brown.

All the teams are thoroughly interested and each met last week at the homes of various members to organize and make arrangements. All are working hard to get up a special "stunt." Team B already announces a Thanksgiving social for Tuesday evening, November 22d, to which the whole society and friends will be welcome. Team C will invite the society to a Sunday evening sermon, which it expects to deliver jointly with the pastor in the near future. The other teams have not yet announced their intentions, although it is rumored that an auto ride and a famous speaker are under consideration. Every one in the society is keenly interested and there is fine promise of a larger and better society in every respect. The membership numbers over forty and many new members are in sight.

The officers of the society are Solveig Knutzen, president; Dorothy Bot-

toms, vice-president; Donald Murphy, secretary; May Banfield, assistant secretary; James MacNevin, treasurer.

The society meets at the Presbyterian Church at seven o'clock Sunday evening, and a cordial welcome is extended to all young people who do not attend

The vote, which was then taken, to sulted in the selection of Walt is M. Wentz, president; H. R. Hillegas, vices president; Mrs. J. W. McAuliffe, seere a tary; W. J. Bailey, treasurer, and La roy A. King, "at large."

President Wentz continued in charge of the program, which was so planned as to give the residents of Narberth an idea of the possibilities of a Home and School Association.

Mrs. W. E. Greenwood, of Coatesville, treasurer of the State Association, gave a stirring talk on what the Narberth Association could and should do in order to be of practical value in further. ing the interests of the schools of the borough. Her talk was very beneficial to the newly-elected officers in giving them an insight into their responsibilities. The members, as well, were told in no uncertain terms that co-operation must at all times exist on the part of

Her talk was followed by Professor George H. Wilson, who gave an instructive discourse on the schools of ioday, and expressed the pleasure of the faculty in the fact that the parents of the school children of the borough were , showing keen interest in the work of the schools.

The recreation centre project was discussed by Hon. Fletcher W. Stites, following which there was a general discussion of the subject, led by Mr. Stites. This matter had been brought the attention of the association through a suggestion from the State Department of Public Instruction. It was acted upon at once, and through the kindness of Mr. Stites, several important points concerning the project were made clear to the audience.

Throughout the entire program, Miss Elizabeth Speakman, music instructor at the public school, conducted the singing by the audience. Mr. Peter Stam presided at the piano. Mrs. Peter Stam sang "The Bird with the Broken Pinion" and "Behold the Lilies."

Professor Leroy A. King was the last speaker. In a forceful address he spoke very highly of the new association and its possibilities for good in the borough. He touched on the value of the recreation centre, and of the co-operation necessary to make the Home and School Association a real factor in the community. Having had experience with such associations elsewhere, his remarks were most helpful in creating in the minds of his audience the spirit of "boosting," instead of "knocking," in all matters pertaining to the welfare of the borough.

The meeting adjourned at. 10.40. Regular meetings will be held on the second Thursday of each month. The meeting on November 4th was the only one, however, to be held in November.

There are 132 homes represented in the charter membership of the Home and School Association. In many cases the husband and the wife are each members of the association.
