ower.

A beautiful Pelican flag was unfueled on t

men winter the president, Aux as Given, Kag.
reported to the stockholders as follows:

The rapid giowth of our city, for some yensel the demand for waler, until it exceeded the capacity of our present course and pumps; to remedy this, as well as to relieve the Company from great loss, and the public from the Judians, who reported the capacity of our present course and pumps; to remedy this, as well as to relieve the Company from great loss, and the public from very great inconvenience, in case of an accedent to our machinery, I have with the consent of the directors, constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors, constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors, constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors constructed with the Novelly Works, of New York, for an engine of double the force and pamping capacity of the consent of the directors constructed with the Novelly Works, of New York, for an engine of five things and the public form the ladians of Novelly Works, of New York, for an engine of five little sand of Kickapoo capacity of the consent of the little band of Kickapoo capacity of the consent of the little band of Kickapoo capacity of the little band of the li

Bates.
Washington, January 26.—In the House to-day, Mr. Grow, of l'ennsylvania, gored a resolution asking a select committee of the to introduce the select committee of the to introduce the select committee of the total washington hould to the Pederal Government, and whether any Government employee are members thereof.
Cousiderable colloquial excitement enneed between Mesars. Grow, of Pennsylvania, Burnett, of Kentucky, Kunkie, of Delaware, and others. between Burnett, of Kentucky, Kunkie, va.

Mr. Craig, of North Carolina, added an amendment saking by what authorisy troops are stated on the Southern side of the Capiare stated.

tol.

Kr. Grow's resolution was finally adopted.
The President vetoed the bill for the relief of Hocaday and Leggett.
The House subsequently took a vote to pass he bill, it being formail service.
The result was—ayes 81, nays 67. The bill was declared lost, a two-thirds majority not usering been obtained. The Tennesser Convention Bill.—The Manayille Patron says:

It provides for a State Convention, to convent in the cross of the Convention of the Convention of the Convention of the Convention of delegates the same as those prescribed for members of the Legislature, the qualifications of delegates being the same as those prescribed for members of the Legislature. The voters are also required to express their wishes in regard to the calling the same as those prescribed for the Legislature. The voters are also required to express their wishes in regard to the calling the same as those prescribed for the convention—those favoring it to place to express their wishes in regard to the calling the same as those opposing "An Convention." The bill actions opposing "An Convention." The bill action shall be submitted to the people for their radication.
