The Borles special from Dale say.

The French recaptured Dijon after a builtant engagement, the Prussians setreating northeast.

A special of the same journal from London says that it is understood there that the reply of England to Russia's demand for the abeliation of the treaty of 1856 is weak and deprecating in tone.

London, Nov. 13—Mulnight.—Additional reports continu the recapture of Dijon by the French. Morgan's "Louisians and Terms DEALERS IS PITTS.

Bismarck said it was better not to discuss these questions, and that he, if not admitting the electoral agitation in said provinces, would not irefuse that they be represented in the future National Assembly by a notable, free in opinion, as other representatives.

After a pause we then arranged as to the conduct of the armise. Bismarck referred this to the Generals and the King. This was the conclusion arrived at, vis: The belligerents were to stop where they were on the day of the signing of the armistice. Lastly came the question of revietualing, and here again Bismarck wished to consult the military commanders; so matter were differed to the next. respondent sole arbitrarily to the injury of relator, it may be good cause for a suit for damages.

New Orleans and Jackson Estirad vs. Samuel Smith et als.—In this case, luvolying the right of the patention of the Jackson Railroad through 8t.
