

They can be used to show a pause in a sentence.

# Ellipses:

By: Hannah Lowry

## Correct:

- Didn't you just get back together with her ... ?
- Did he really ... say that out loud?
- I ... don't believe that's true.

## Incorrect:

- Henrietta ..... you are the worst.

A series of 3 periods used to show an omission of text.  
(Ex: ..., ...)

## Fun Fact:

MLA and APA both agree that an ellipsis should have spaces between each period, but other organizations may not.
