SCHOOL BONDS GET INDORSEMENT OF LOCAL C. OF C.

UNANIMOUS ACTION TAKEN BY
DIRECTORS; INVITATION TO
HOSPITAL OPENING

Simultaneously indorsing and approving the Glendale city school trustees' call for a \$199,000 bond election on May 24, the board of directors of the Glendale Chamber of Commerce yesterday referred the promotion of the project to the civic committee of which Mrs. M. L. Tigh is chairman.

Secretary James M. Rhoades read a letter from Attorney Oliver O. Clark, chairman of the committee of nineteen which requested action by the Chamber and enclosed a report on the immediate needs of the city school system for facilities to handle the ever-increasing enrollment. Without a dissenting voice, the motion of Peter L. Ferry was unanimously carried, which puts the Chamber of Commerce behind the efforts of the community in attaining sufficient schools.

R. D. White Presides

Richardson D. White, superintendent of the city schools who also is a director of the Chamber, had the pleasure of presiding at the time such favorable action was taken on a proposition in which he is vitally interested.

Director C. D. Lusby called attention to the coming chautauqua, May 11 to 17, and stated that the support of the Chamber of Commerce members in buying season tickets, thereby assuring the financial success of the week of entertainment would be greatly appreciated by the guarantors.

Hospital to Open Sunday

Director Roy L. Kent invited the officials of the Chamber of Commerce to attend the formal opening of the Glendale Research Hospital in Piedmont park next Sunday afternoon from 1 to 5 o'clock.

City Manager T. W. Watson supplemented a report by Secretary Rhoades on a luncheon held at the Clark hotel, attended principally by

Mrs. Emma Sudlow Is R. T. W. Class Hostess

The R. T. W. class of the First Baptist church held its regular meeting yesterday afternoon at the home of Mrs. Emma Sudlow, 212 East Garfield avenue. There were about twenty-five ladies present. A very pleasing talk on the Bible was given by Mrs. Frances L. Neth, who is one of the John Brown evangelistic party. A short business session was held, after which a social hour was enjoyed. Decorations consisted of huge baskets of roses and sweet peas. Dainty refreshments were served at the close of the afternoon. The next meeting will be held June 7 at the home of Mrs. M. L. Russell, 322 Riverside drive.

Literary Section Meets With Mrs. G. H. Rowe

The Literary Section of the Tuesday Afternoon club held its regular meeting yesterday at the home of Mrs. G. H. Rowe, 216 South Orange street. The subject for the afternoon's study was "France." Mrs. C. E. Stanley gave a talk on "The Period of Reconstruction." The book "Understanding the French" was reviewed by Mrs. Frank Ayars. The current events were given by Mrs. Catherine Burnham. All of the reviews were splendidly given and were exceedingly interesting. The next meeting will be the last study meeting of the year. Scotland will be the topic for study.

Miss Ruth Wilson Is Bride Of Louis Lewis

Friends of Miss Ruth Wilson have received word from New York city of her marriage to Louis A. Lewis, Tuesday, April 19, at 4 p. m. in St. Andrew's Episcopal church, Youkers, New York. The attendants were Mr. and Mrs. Myer F. Lewis. Following the ceremony a wedding dinner was enjoyed at Hotel Alexandria.

Mr. and Mrs. L. A. Lewis are now on a honeymoon trip to Washington, Philadelphia, Atlantic City and other eastern points. They will make their home in New York city.

MAKE REPORT TO POLICE

H. V. Andrews of 535 North Kenwood street and Miss Lizzie B. Watley's property at 3449 Castias ave reported marauders around their homes last night.

Rose Bush at Home of Mrs. J. W. Moss Admired

The Cecil Brunner roses are now blossoming in all their glory. There seems to be an unusual profusion of these favorite pink flowers this season. Perhaps one of the most beautiful bushes of climbing Cecil Brunners in Glendale is that of Mrs. J. W. Moss, 120 North Orange street. The vine and blossoms extend entirely across the porch and partially cover the roof of the house. Many strangers in automobiles have stopped to admire this bush.

Guests From Cleveland

Mrs. D. E. Sanker of 328 West Vine street entertained Mr. and Mrs. E. W. Watson of Cleveland, Ohio, last Saturday prior to the return of the latter to their eastern home. Mrs. Sanker is the niece of Mr. and Mrs. Watson, who have spent the winter in Southern California. Heretofore the Watsons have been in the habit of enjoying their winters in Florida and their summers in Canada, but they became so infatuated with the climate and conditions of the south-west during their first visit here that they have practically decided to permanently locate in California.

Entertained at Dance

On Monday night Mr. and Mrs. Robert Danner and Mr. and Mrs. E. S. McKee of this city were guests of Mr. and Mrs. William M. Crawford of 800 South Central avenue, at a dance held at the California Hall in Los Angeles. The affair was given by the Helen Jean Christie Tent Daughters of Veterans. The Glendale guests report that they enjoyed a most wonderful time.

Visitors in Glendale

Mr. and Mrs. Covert Melrose and small son, Clifford, of Bakersfield, have spent the past few days in Glendale, coming here to attend the funeral of Mrs. Melrose's father, Ed Ayers, who died Sunday. Mrs. Melrose was formerly Miss Evalina Ayers, and lived in Glendale about twenty-five years. She has the distinction of being the first girl born in South Glendale, which at the time of her birth was known as Trojico.

Buys Tract of Land

M. Levine, who has been conducting a chicken ranch on East Windsor Road for several years, has given up his lease at that address and has purchased a seven acre tract of land on North Glendale avenue. Mr. Levine will establish a chicken ranch on part of his newly acquired property, while he plans to subdivide the remainder into several residence lots. Mr. and Mrs. Levine and their small son are moving into their new home today.

Enjoy Automobile Trip

Mr. and Mrs. E. C. Hurlburt, their two sons, Russell and Dale, Mrs. Adelaide Imler and Miss Marjorie Imler, all of West Park avenue, enjoyed an automobile trip to Santa Susanna last Sunday. They report perfect weather, good roads and countless motorists taking in the wonders of Southern California.

Will Visit in Alaska

Major and Mrs. McKillip, who have been the guests of Mr. and Mrs. A. L. Baird of 637 North Orange street, left today on their return trip to Chicago. They will stop in the northern part of California and will also visit Alaska before their return to Chicago.

Dinner Guests Sunday

Mrs. M. E. Reed and daughter, Miss Mae Reed of Montrose, Colorado, were dinner guests Sunday of Mrs. Adelaide Imler at her beautiful home known as Palm Villa. Mrs. Reed and her daughter are spending several months as visitors in Glendale, having leased an apartment on Belmont street.

Leaves for Bay City

R. C. Chambers, who resides with his family on West Lexington drive when in Glendale, left yesterday for San Francisco after a few days' brief vacation at his home. Mr. Chambers is engaged in business in the northern city.

Motor Trip Is Taken

Last Sunday afternoon Mr. and Mrs. D. C. Judd of Los Angeles, accompanied by Mr. and Mrs. W. M. Crawford of this city, motored to Long Beach and Huntington Beach, visiting friends in both.

Property Is Purchased

Mr. and Mrs. Edward Lane of Los Angeles have purchased H. C. Wesley's home at 3449 Castias avenue through the Charles B. Guthrie agency and are looking for another place here.

Goes on Business Trip

E. C. Hurlburt of 348 West Park avenue, left yesterday for a short business trip to Nevada. He will return to Glendale the latter part of next week.

Inquest Tomorrow For Miss Eugenia Lindsey

Coincidental with an inquest tomorrow morning at 10 o'clock at 1132 South Hill street over the body of Miss Eugenia Lindsey, victim of a street car-auto smashup at Los Feliz Road and Brand boulevard Monday morning, there will be petitions circulated in the South Glendale section requesting the Pacific Electric railroad to afford more protection for motorists at the Los Feliz and San Fernando Road intersections. Mrs. Leigh Bancroft is preparing the petitions today. Many Glendale people have been summoned to appear before the coroner as witnesses tomorrow.

It is understood that Mattison B. Jones, for years attorney for the William Lindsey family, which resides at 426 South Manhattan place, Hollywood, now is busy obtaining evidence for a suit to be filed against the Pacific Electric in connection with Miss Eugenia's death and Miss Sarah Lindsey's serious injuries. It is reported that the latter will live.

H. Walsma Purchases Bakery On Brand Blvd.

Henry Walsma, who returned two weeks ago from an extensive trip through Europe, has purchased the Fancy Bakery at 142 North Brand boulevard from F. W. Fisher and W. H. Cunningham, who established the place about the first of the year. It is understood that \$4600 was the purchase price which includes a five-year lease on the store room at \$100 a month.

Mr. Walsma will be remembered as the proprietor of the Broadway bakery and is one of the best known business men here. After touring across the United States and returning to Glendale to again enter business, it is easy to be seen that he keenly appreciates a live business town.

Even This Stray Pup Is Fond Of The News

Carrier boys for The Glendale Evening News are pretty faithful little fellows and do their level best to get the paper to the subscribers promptly, but sometimes funny things happen after they have done their day's work.

Ella W. Richardson of 317 North Brand boulevard reported last night a stray pup had chewed her copy of The Glendale Evening News.

GENERAL COMMITTEE IN CHARGE OF STATE C. E. CONVENTION IN SESSION

City of Glendale Is Receiving Great Deal of Advertising From Publicity 'Stunts'

The general committee, which has the responsibility of the state Christian Endeavor convention on its shoulders, met Monday night in the bungalow of the Presbyterian church, Howard L. Brown presiding.

A number of Eagle Rock young people were present, as that city is included in the district which is inviting the delegates to attend the convention here.

Robert Rogers of San Pedro, who has been interested in state Endeavor work for fourteen years, was present and stated that as he had been in constant touch with the young people all over the state he has learned that they are all becoming more and more interested in Glendale.

At Monday night's meeting it was decided that Miss Marjory Smith would be at the headquarters in the office of R. L. Kent, 130 South Brand boulevard, from 2 p. m. to 6 p. m. every afternoon. Part of her duties will be to address letters which will go every two weeks from now on until convention time to all of the societies in the state.

Refreshments were served at the close of the meeting by the Senior B society of the church.

Today's World News In Brief (By United Press to Glendale Evening News)

SURVIVORS OF BURNED STEAMER ARE BROUGHT TO PORT
SEATTLE, May 4.—Sixty-five survivors of the Japanese steamship Tokuyo Maru, which burned at sea off the northern Oregon coast Monday night, were safe in Seattle today. They arrived here last night aboard the army transport Buford, which reported eight dead from the disaster.

JURY FAILS TO CONVICT BOY FOR THEFT OF \$772,000
CHICAGO, May 4.—The jury in the case of William Dalton, seventeen-year-old employe of the Northern Trust company, who walked out of the bank with \$772,000 in liberty bonds, reported a disagreement today and was discharged. The jury had been out since 1 p. m. Tuesday. It was understood the jury was evenly divided.

AGREE TO DELAY ACTION ON DISARMAMENT PROPOSALS
WASHINGTON, May 4.—President Harding today won the consent of house leaders to delay action on disarmament proposals pending in congress. Proposed hearings on the Rogers resolution, which proposed an international disarmament conference, will be called off as a result of the agreement between the president and sponsors of the resolution, who will make no attempt to push it until the president indicates he is ready.

STEAMER RUNS AGROUND; CREW NOT IN DANGER, BELIEF
SAN FRANCISCO, May 4.—Trouble with the steering gear caused the steamer Santa Alicia to run aground on Marrowstone Point early today, according to advices to the marine department of the San Francisco Chamber of Commerce. Advices here gave the impression that the crew was in little danger. The message said that lighters would be drawn alongside the vessel today and her cargo taken off, after which it was believed she could be floated. The Santa Alicia had aboard 3000 tons of ore for smelters at Tacoma.

SHIPPING BOARD SEEKS TO SETTLE QUESTION OF PAY
WASHINGTON, May 4.—The question of pay was understood to be practically the only point of difference between striking seamen and ship owners today. Seamen, it was learned, indicated they would agree to proposals by Secretary of Labor Davis on other points in the strike controversy but that they would not agree to a wage cut. Admiral Benson, chairman of the shipping board, today was trying to settle the wage differences by calling owners and union representatives into conference here. It was hoped that the meeting would be held some time today.

MRS. PEETE BEGINS HER FINAL FIGHT FOR FREEDOM
LOS ANGELES, May 4.—Mrs. Louise L. Peete's final fight for freedom was under way today. Attorneys for the woman, convicted slayer of the wealthy Jacob C. Denton, have filed a brief in the district court of appeal here. Various grounds for a new trial are cited and particular emphasis is placed on what Mrs. Peete's attorneys term improper conduct at her trial on the part of District Attorney Woolwine, who prosecuted her. Mrs. Peete was sentenced to life imprisonment in San Quentin penitentiary. Arguments on the petition for a new trial probably will not be heard until late this summer.

HIGH QUOTATIONS SHOWN IN UNITED STATES STEEL
NEW YORK, May 4.—Wage reductions by the United States Steel corporation were reflected today in higher quotations on the New York stock exchange. United States Steel was up 1/4 to 1/2 at 84 3/8 to 84 5/8 and later sold up to 85. The latter price equals the high for the year. Crucible was up 1/2 at 84 and Republic was 1/2 higher at 65 1/2. Studebaker was fractionally higher at 89. Oils were strong, Mexican Petroleum responding with an advance of 1/2 to an optimistic statement by President E. L. Doheny. Rails were steady. American Woolen was 3-8 up at 80 3/8.

EXPECT REVOLUTION TO START IN LOWER CALIFORNIA
SAN DIEGO, May 4.—American residents of Tia Juana, Lower California, plan to be on American soil tomorrow, "Cinco de Mayo," (May 5) for the start of a revolution favoring Esteban Cantu for president of the republic is expected to break on that day. The small military force that now garrisons Tia Juana is preparing for trouble. If the party of raiders that shot up the town early Tuesday morning returns tomorrow, as expected, a combined force of civilians and soldiers will meet them in battle. The San Diego representative of the Obregon government, Senor F. Verdugo, said today that the reports of a Cantu uprising are greatly exaggerated. It is known, however, that there is a large group of Mexicans in San Diego and in Tia Juana that favor placing Esteban Cantu, deposed governor of the northern province of Lower California in the chair of the president of Mexico.

SEWERAGE PROBLEM IS DISCUSSED BY CITY MANAGER

STATEMENT IS PREPARED BY
T. W. WATSON IN WHICH
PLANS ARE OUTLINED

T. W. Watson, city manager, has prepared a statement on sewage disposal. A portion of it appears herewith; the remainder will be published Thursday.

By T. W. WATSON
City Manager of Glendale
A great many people are inquiring as to what is being done in regard to sewage disposal system for the city of Glendale. The fact that Glendale has reached a population of nearly 20,000 and has no general sewer system is a great surprise to the new people that are rapidly establishing their residences in Glendale and of course it is natural that they should ask why this unusual situation and to inquire as to the reasons for this apparent neglect on the part of those who have responsibility for such matters and also to inquire as to what steps are being taken to provide sewage disposal for the city. These are questions upon which all the citizens of Glendale should have such information as may be placed at their disposal. To the end that the people of Glendale may be informed as to what the present situation is in regard to this matter and as to what is being done to solve the problem of sewage disposal for Glendale the following statement is issued:

Notwithstanding the fact that Glendale has no sewer system and that sewage is taken care of by cesspools located on the private premises there is nevertheless no unsanitary condition in the city of Glendale at the present time by reason of that fact. Individual cesspools here and there fail to care for all the sewage at the premises they serve and have to be rebuilt or other cesspools constructed to supplement them. These matters are incidental, however, and are taken care of promptly when the necessity therefor is reported.

In Business Center
The nearest approach to any unsanitary condition by reason of the disposal of sewage in cesspools will be found in the main business center. This is caused mostly from the concentration of a larger volume of sewage at certain locations than the underground gravels will carry off from the cesspools in that vicinity.

Special conditions exist in the Verdugo Canyon or Verdugo Woodlands district that would result in unsanitary conditions if it were attempted

E. V. Jellison's Mother Summoned By Death

E. V. Jellison of the J & K service station, which has just recently opened at 1006 South Brand boulevard, received a telegram Monday morning from Eastbrook, Maine, notifying him of the sudden passing of his mother, Mrs. E. A. Jellison, aged 69 years. Mr. Jellison had been planning to visit his mother in June, when she would have celebrated her 70th birthday. He will be unable to attend the funeral services. Mr. Jellison had just received a letter from his mother a few days ago in which she discussed plans for his visit.

Girls' Society Meets To Talk Bazaar Plans

The Girls' Friendly Society of St. Mark's church held its regular meeting in the guild hall of the church last night. Miss Louise Ayala presiding. Plans were discussed for the candy and fortune-telling booths which are to be in charge of the Girls' Friendly society at the bazaar which the ladies of the church are going to give at La Ramada early in June. Work of the society was also discussed. It was announced that Miss Jacobs, vice-president of the National Girls' Friendly society, would be present at the next regular meeting, Tuesday, May 10.

Mrs. Crawford Hostess To Nimble Finger Club

The Nimble Finger club, of which Mrs. J. V. Griffin is president, held its regular meeting last night at the home of Mrs. W. M. Crawford, 800 South Central avenue. There were fifteen ladies present. The evening was devoted to sewing for the Red Cross drive for garments for European children. Light refreshments were served at the close of the meeting.

UNANIMOUS ACTION TAKEN BY DIRECTORS; INVITATION TO HOSPITAL OPENING

(Continued from Page One)
National Guard officers anxious to see a military tourney carried out on July 4, somewhere in the San Fernando valley between Glendale and Burbank.

While the government will pay rent for an armory, there are no funds available for the construction of such. Glendale and Burbank guard commanders want to raise \$250,000, he said. The plan to date, however, is so incomplete that the Los Angeles Chamber of Commerce and the Southern Pacific railway or other interests said to be vital for the success of such an immense undertaking have taken slight interest.

This matter will be referred to a special committee by the Chamber of Commerce, it was decided by the board.

SEWERAGE PROBLEM IS DISCUSSED BY CITY MANAGER

STATEMENT IS PREPARED BY T. W. WATSON IN WHICH PLANS ARE OUTLINED

(Continued from Page One)

to dispose of sewage in that section by means of cesspools such as are used in other portions of the city. This is by reason of the fact that a portion of the city's water supply is derived from that section. For that reason that portion of the floor of Verdugo Canyon upon which the water rises and is collected for domestic use has been included in a district in which sewage disposal by cesspools is prohibited.

With the above conditions before us the efforts of the city to solve the sewer problem are being directed along three specific lines, namely: General disposal for the entire city, temporary disposal for the business district, and disposal for Verdugo Canyon. The working out of a general plan or method of sewage disposal for the entire city is now receiving the attention of sanitary engineers employed by the Board of Trustees. These engineers have submitted a general report to the Board of Trustees, containing a lot of general information on the subject, setting forth tentative plans for taking care of the sewage of the entire city. This report has been accepted by the Board of Trustees. The engineers have been paid \$500 therefore in accordance with agreement. The plans submitted, however, have not been adopted. The board felt that these plans and possibly additional plans should have careful consideration before any plan was adopted. Accordingly the board has secured the services of a commission consisting of twelve citizens of Glendale who are now engaged with the sanitary engineers in the consideration of these and other plans that may be presented either by members of the commission or the engineers with the view of reporting to the Board of Trustees at the earliest time a plan with their recommendations; such plan to be submitted later to a mass meeting for approval and if approved thereby an election will be called to authorize funds therefor. This commission has been working faithfully since their appointment and it is confidently expected that they will report a feasible and practicable plan for sewage disposal to the Board of Trustees within one year from the date of their appointment. The matter of working out a general plan for sewage disposal for Glendale will not permit of haste and it would seem that one year's time is none too long a period for this commission to devote to the study of this important proposition.

Facts Are Obtained
There are those in our city who believe that this problem can only be solved by connection with the Los Angeles outfall sewer and that all Glendale has to do is to annex to Los Angeles and connect up and the problem is solved. That is a mistake. Pursuant to authorization by the Board of Trustees Frank Olmsted, W. E. Hewitt and myself investigated this very thoroughly and ascertained the following facts:

First. No relief could possibly be had by means of Los Angeles' sewer system for at least three years inasmuch as that system will be overtaxed to take care of the Los Angeles sewage during that period.

Second. Before the Los Angeles sewers will be adequate to take care of the sewage of Los Angeles and before Glendale would be permitted to connect its sewer system thereto, a bond issue of \$14,000,000 will be

BERLIN, May 4.—Seventeen persons were killed at Antonienhuette, Upper Silesia, yesterday by Polish rioters, according to reports here today.

submitted to the voters of the city of Los Angeles and if these bonds are authorized it will require three years for the construction of trunk lines and disposal works contemplated thereby and then Glendale may connect if the conditions are met.

Half Million Dollars
Third. The city of Glendale's proportionate part of the cost of these proposed disposal works including trunk line to connect with the Glendale system would be approximately one-half million dollars.

Fourth. In addition to paying its proportionate part of the cost the city of Glendale would be required to annex to the city of Los Angeles and thereby assume a portion of the outstanding bonded indebtedness of the city of Los Angeles in accordance with the respective assessed valuation of the two cities.

The above is an outline of the steps that would have to be taken by the city of Glendale in order to avail itself of sewage disposal by means of the sewer system of the city of Los Angeles. I am quite sure that our commission will give this careful consideration in their investigations and will compare it carefully with any other plan that they may have under consideration.

This should not be considered, however, as the only means of sewage disposal for Glendale. Experts who have reported to the Los Angeles Chamber of Commerce committee on sewers state that that city is now wasting \$50,000 worth of fertilizer, \$150,000 worth of irrigation water and a valuable ammonia by-product yearly in running its sewage into the sea.

City Manager Watson's statement will be included in The Evening News of tomorrow afternoon's issue.

J. F. STANFORD WILL BUILD FLATS ON HAWTHORNE

BUILDING WILL COST \$14,000 AND CONTAIN VARIOUS MODERN FEATURES

J. F. Stanford of 112 1/2 South Brand boulevard, in addition to having several residences under construction in various parts of the city, announces that he will construct a 16-room flat building at 212 Hawthorne street. The building will cost about \$14,000, will include oak floors, tile baths and sinks and otherwise meet every modern requirement, according to Mr. Stanford.

Patrick Conway, who recently has come from Detroit to be associated with the Pacific Telephone & Telegraph company offices in Los Angeles, has purchased a home from Mr. Stanford at 519 West Myrtle street. Several more are nearing completion and it is reported that several contemplate having Mr. Stanford build for them this month and will keep his carpenter crews active.

Penalties Faced By Germany, Is Warning

LONDON, May 4.—The allies today prepared to submit a final proposal to Germany for settlement of the world war.

With a demand that Germany pay \$32,750,000,000 to the allied countries, the supreme council notified Berlin that penalties will be exacted if the terms are not accepted by midnight of a certain day, believed to be May 12.

The supreme council's note providing for payment of bond issues and exacting an export tax, was to be transmitted to Berlin by the allied reparations commission which conferred with the supreme council today.

It was reported that Germany had submitted a new offer approximating the allied demand. This was denied by the foreign office. The report was characterized as "a German invention."

Berlin, it was stated, realizes that the new allied terms are more favorable than those proposed at the first Paris conference on reparations. It was believed by attaches that Germany started the rumor of a new offer to conceal what satisfaction she feels in the new allied proposals.

A copy of the allied ultimatum will be sent to Washington simultaneously with its dispatch to Berlin. The supreme council's labors were reported to have been completed except for a decision on naval action in case of Germany's rejection of the ultimatum. It was stated that Washington will be consulted before war craft are sent to blockade German ports.

Germany Will Yield To Demands, Is Belief

BERLIN, May 4.—Germany will yield to allied indemnity demands before submitting to further invasion, it was believed in well informed circles today. If the present government will not sign, a government will be found which will sign.

There were numerous declarations that Germany will reject the allied demands. Her capitalists were among those determined to refuse to pay. Hugo Stinnes, recognized as the real leader of this faction, was reported to have been approached by French agents, who wished to learn his attitude on the threatened invasion of the Ruhr valley. Stinnes was said to have rebuffed the agents with the assertion:

"You will have to come and see me later. Anyway you will find that American coal will put the Ruhr mines out of business just as they have the Saar coal."

Real Estate Is Active On San Fernando Road

O. E. Von Oven of Guthrie Center, Brand boulevard and Los Feliz Road, reports that since he has established the office there that he has sold 1140 consecutive lineal feet on San Fernando Road frontage with the exception of 126 feet, all of which the new owners plan to improve. P. F. Wilcoxen of Los Angeles is establishing one of his chain of coffee stores at San Fernando and Windsor and Roy Nuby, who came to Glendale from the San Joaquin valley, has found the fruit and vegetable business so good in the same vicinity that he is adding a grocery stock to his store. An apartment house for this section also is in sight, according to Mr. Von Oven.

If You Were to Follow Your Washing Through Our Laundry
Follow your family bundle through our laundry; trace all of the interesting operations required to return to you clothes so sweetly clean, so beautifully ironed. You'll find the secret of our magic in simple, homely methods, coupled with thoroughness and a scientific knowledge of fabrics and their treatment. We resort to no short-cuts to produce the effects you so greatly admire. There's no mystery in pure, rainsoft water and mild, white soap; in repeated rinsing in crystal-clear water; in the choice starches and careful finishing processes we use. They are methods your mother and your grandmother knew. Only we have systematized and refined them; replaced guess work with certainty, and substituted ingenious modern equipment for the back-breaking, clothes-wracking washboard, wringer and clothes line. If you can't come to see for yourself, send your bundle—it will tell you of all these things when it comes home, sweet and clean. Give our better wash-way a trial this week. FOLLY OF EXCUSES HIGH SCHOOL'S GLEE CLUB TAKES PART IN FEDERATION POINTED OUT BY EVANGELIST

MOST DANGER OF SIN, SAYS REV. BROWN IN SERMON AT TABERNACLE LOCAL ORGANIZATION ONE OF FEATURES OF PROGRAM; BANQUET IS HELD

(Continued From Page 1.) be a relief to me to really hear a new excuse why, Christ is not accepted. First man in parable had bought some land and hadn't time—today it's orange groves; second man had bought a yoke of oxen—today it's a Ford or automobile; third man had married a wife, and we are blaming the women today for our shortcomings. A wife was in the San Francisco earthquake—she enjoyed it; said it was the first disaster in twenty years of married life that her husband did not blame her for. Let me mention a few of the many absurd excuses that men are trying to hide behind.

"Too many hypocrites in the church. A failure is not a hypocrite; a weakling is not a hypocrite; God knows that we have too many of that kind in the church. But a hypocrite is one who represents that he is something for a sinister purpose that he is not, or would not be; and we have very few of them in the church. Furthermore, I would despise the thought of hiding behind someone else. There are so many good, whole-souled, up-standing men and women in the church that I have no time to look at the runts.

"Another lying excuse is, 'I have no feeling.' I would just love to be a Christian, but have no feeling. Nowhere in the Bible does it say that we must have feeling. It is mainly a matter of duty. Your first duty to yourself, to your family, to your friends.

"Don't Stay Put Down" "Another excuse is, 'I am afraid I won't hold out.' You hold onto Christ and he will hold on to you; Christ is just as great a keeper as a savior. But if you stumble, get up and try again; look at the business men who failed; got to their feet and made a greater success than ever. Don't be a weakling; don't fall and stay down like a Judas, as bound up like a Peter. Scores here tonight who have tried and failed. The question is not, 'Did you fail?' but 'Did you get up?'"

"Then there are the two excuses representing the extremes. 'I'm too bad; gone too far; can't get back.' and the other excuse, 'I am good enough; honest and upright.' Both classes are invited. The prodigal is near to God's heart; has a compassion for every wayward child. Morality is commendable, but will not save. Outside of Christ there is no hope. Our only hope is a heart washed in His most precious blood. The invitation is for all. The door is open; the table is set. Come! for all things are now ready; come to life usefulness, influence, holiness."

A large number took the evangelist by the hand and retired to the inquiry room.

The California Federation of Music Clubs' convention will come to a close tonight with a benefit program to be given in Trinity auditorium. Yesterday's sessions were devoted to music in the schools. The program was featured with the presentation of difficult orchestral selections and sketches from operas by students of the musical departments of public schools of Los Angeles county. Yesterday afternoon's session was opened with selections by the Glendale high school glee club, which rendered under the direction of Mrs. Dora Gibson "The Moon Drops Low" (Cadman) and "Sweet Sweet Lady" (Spross). One of the points that was strongly emphasized at yesterday's sessions was that of co-operation between the public schools and private music teachers.

A banquet was held at the Ebell club last night, which was attended by several hundred members of the federation. During the evening two one-act plays, "Broken Idols" and "The Bear," were presented by the Drama League Players. The program tonight at Trinity auditorium will include selections by the Women's Symphony Orchestra, vocal solos by Mme. Sprotte, the cantata operetta "Hiawatha's Wedding Feast," "White Chrysanthemum" and other splendid numbers.

German Imports Into U. S. Show Big Gain

WASHINGTON — Imports from Germany last year were nearly nine times as great as in the previous calendar year and approximately nearly half the average of trade for the two years immediately preceding the war, according to a summary issued by the Department of Commerce.

During 1920 imports from Germany were valued at \$88,838,230, as compared with \$10,608,141 in 1919, and with \$184,211,352 in 1918, and \$186,042,644 in 1917. Imports for the first two months of 1921 averaged \$4,790,000 a month, the summary said.

Of the 1920 German imports, potash fertilizer materials with 452,085 tons, valued at \$21,042,623, formed the largest group. Chemicals valued at \$6,797,843, of which \$2,110,025 consisted of coal tar dyestuffs, stood second.

A professor of the University of Wisconsin describes selenium oxychloride, a liquid obtained from electrolytic copper refining, as a solvent for rubber, enamels, glues, hydrocarbons and many other substances which have hitherto been regarded as resistant to all chemical solvents.

Metcalf-Hinckley Oil 10c Per Share

One company at Huntington Beach—with only a fraction of Metcalf-Hinckley's acreage—has already sold at many times its par, on the strength of just one producing well!

With Metcalf-Hinckley's announced policy of drilling only on PROVEN GROUND, the same thing is due to happen in an even larger way!

Well Site 200 Feet From a Well Now in Oil—Over 80 Acres at Huntington Beach

Metcalf-Hinckley has ONE property less than 200 feet from a well whose sump is filled with three feet of oil—in the proven section of the field, where oil-sands are a practical certainty!

Another great lease—probably the largest single holding except those of the Standard and Union—lies in the northern section of the field—and it is on the north slope that Western Union's giant well is flowing 2400 barrels daily!

Metcalf-Hinckley's "10-cent shares" are yours today at par value—they give you the same opportunity at tremendously advanced price! Make it your business to find out how your own financial interest is linked with Metcalf-Hinckley! Just send the coupon—that's all.

MARRIED HERE AND DEPART IN AUTO ON TRIP NORTH MAUDE E. M'CABBE IS BRIDE OF ELMER W. EYSTER; BOTH ARE MICHIGAN RESIDENTS To avert the danger of forest fires caused by sparks from locomotives, the officials of the Kushequa railroad of Pennsylvania announce that no trains will be run over that road during dry weather. Inhabitants of the danger zone welcome this decision. He who cannot keep his mouth shut must keep his purse open. A little carelessness is all one needs to invite great disasters. Forest Service laboratory workers at Madison, Wisconsin, have discovered that kiln-dried timber is fatal to some if not all of the wood-boring grubs. This fact is of special importance to users of hickory, ash and certain other woods which are subject to attacks from these insects. Under normal conditions the death rate for adults is lowest in June. One pound of phosphorus will supply the heads for a million matches.

New Way To Reduce Fat And Finances Is Being Tried on Lawns

According to a Glendale employe of a certain Los Angeles sporting goods store who resides here, the latest in the way of divertimento is:
African golf a la bowling green.
It is said that from the slang phrase, "African golf," the maker of this latest game believed that prominent clubmen who boast of bay windows where they display their jewelry would like to make the dominoes dance if they could be easily handled.
So he has diced a bunch of cracker tins which may be tossed around the lawn and picked up by an Ethiopian caddy, with the same results as cruet little cubes.

Snyder and Cryer Nominated
Mayor M. P. Snyder and George E. Cryer were nominated for mayor in the Los Angeles city primaries yesterday.

Returns from 654 out of 738 precincts today gave the incumbent a lead of 2432 over Cryer. Boyle Workman was hopelessly out of the running. The figures tabulated up to 8 o'clock this morning:
Snyder, 29,390.
Cryer, 26,958.
Workman, 11,666.

Swimming in Brookside park is going up a nickel, if the recommendation of Jacob Albrecht, park superintendent, is adopted. Although 96,000 people "dove in" with a dime last year, Pasadena lost \$1000, principally because children get in for half price, or nothing at all.

Not Permitted at Pomona

Claude R. Monckton, a wounded veteran of the world war testifying before Judge Rex Goodcell in San Bernardino yesterday, declared that he suddenly became aware of the fact that he had been married twice. While doctors say he may be an amnesia victim, the fact that he suddenly was enlightened is not strange if the two wives met for their first time in his presence.

Colored Photography In 'Way Down East'

For the first time in his career D. W. Griffith has turned his hand to colored photography in the production of "Way Down East," to be seen at the Glendale Theatre, Sunday and Monday, May 8 and 9. Under the direction of Mr. Griffith the gowns and furnishings of the prologue are brought forth in all their richness and delicate shadings by Photographers Bitzer and Sartov. While this is a departure for Griffith he has utilized the color scheme in photography in a manner that sets at naught efforts by others in this line.

Watching Scoreboard

Yesterday's hero—Joe Judge. The little Washington first baseman tripled in the tenth inning with two on and the Athletics lost 4 to 2.

Rube Benton pitched his first game of the season and allowed the Braves only three hits, the Giants winning 7 to 2. Kelly got a single.

Piercy, Yanks' rookie pitcher, singled in the third inning and scored a run that helped beat the Red Sox 2 to 0.

The Tigers knocked Faber out of the box in the first inning and beat the White Sox 13 to 1.

Second Team Defeated By Burbank Battlers

In its first appearance of the season the second baseball team of the local high school was defeated yesterday afternoon in a practice tilt with Burbank.

The game was called at the end of the fifth inning, the lads from Burbank being in the lead, 7 to 0.

The contest might have been a much closer affair if Chester Green, who pitched the last four innings after six runs had been scored in the first period, had started the game.

Seals Take Hold Of First Place—Lightly

SAN FRANCISCO, May 4.—The Seals had a precarious hold on first place in the coast league percentage column today as a result of their victory yesterday over Sacramento. The score was 6 to 2. The Seals won in spite of errors they made. Heavy hitting did the work.

Portland fattened up its rather lean percentage a little at the expense of Oakland, 3 to 0.

Vernon and Seattle and Salt Lake and Los Angeles failed to get started, as Salt Lake and Vernon were traveling.

Pitcher Scott Perry Suspended Ten Days

PHILADELPHIA, May 4.—Pitcher Scott Perry of the Athletics has been suspended for ten days and fined \$100 by Manager Mack for breaking training rules. Connie said he has no intention of selling or trading Perry.

Publicity Car Bought By Glendale Theatre

For the purpose of providing additional publicity, Manager William A. Howe, of the Glendale Theatre, has purchased a light car which his house man, Al Cawood, will drive to Los Angeles for films and use about town. CHANDLER SIX

Famous For Its Marvelous Motor

High Quality at Low Price Has Put Chandler in First Place

\$1930

Cord Tires Standard Equipment

WHAT are you going to drive this year, and for several years to come? We want to tell you why it should be a Chandler. There are a hundred thousand Chandlers on the road now. From a modest beginning eight years ago, but with the pioneer idea of a six to sell for less than two thousand dollars and with a really good car and an organization that knows how to build good cars, the Chandler has gone steadily into a position of leadership.

And 1921 will be no exception in Chandler progress. For the Chandler never occupied a more distinctive position than it does today. Chandler price sets the Chandler apart from competition and Chandler resale value is relatively higher than that of any car, after a like period of service.

The Chandler Offers You Unmatched Value

THE Chandler motor, which, in the early days, was named "The Marvelous Motor" by Chandler owners, has always been thought of as the prime feature of the Chandler car, and it probably is. But all the other units and equipment of the Chandler chassis are of the same high quality, the same splendid character of design. The whole chassis is of fine, sturdy construction.

The motor has won supremacy in its constant performance in the hands of its owners. It has a dependability of service under any and all conditions that not many other cars can show.

Distinguished Chandler Motor Features

AMONG distinctive motor features are the solid cast aluminum motor base extending from frame to frame, the magneto equipment, the heavy counterbalanced crankshaft, extra large bearings, silent chain drive for auxiliary motor shafts, the combination manifold and a cooling system which makes it impossible for the motor to overheat if there is water in the radiator and oil in the crankcase.

Clara Kimball Young Featured At Glendale

That Clara Kimball Young is a screen actress whose art attains new heights with each successive vehicle, instead of exhausting her versatility—a fact that is so sadly true of so many other motion-picture stars, is brought home with telling force in her latest six-reel production, "Straight from Paris," at the Glendale Theatre again tonight.

The action of "Straight from Paris" is in tune with its environment. Set in the gaiety and whirl of high society life, the plot starts off with a brilliant romance in which the cross-currents of human passion and jealousy are painted to a fault. The story of this sparkling love-triangle centers about the adventures of an unassuming milliner in the person of Lucette Grenier—the part played to perfection by Miss Young. Despite her humble calling, she is thrown, by dint of her personal charm, into the most aristocratic circles of the Parisian salons, and from that moment magnetizes the attentions of the grandees of high society. The thrilling love episodes that pursue our pretty heroine and their novel development form an exciting and scintillating tale that holds the spectator's interest from beginning to end.

"The Battle of Elderbush Gulch," a reissue of one of David Wark Griffith's early masterpieces, refreshed many memories of the days when Lillian Gish and Mae Marsh were playing together. A Pathe Review and Rolin comedy round out the bill. Madame Clement plays "Till We Meet Again" as the special organ number. Tomorrow's feature is "The Spenders."

Hundreds of Glendale people are now clipping the valuable theatre coupons being published in The Glendale Evening News each night, six consecutively numbered slips entitling the bearer to a free admission to the Glendale Theatre.

Married Men Safer Than Single, Claimed

MILWAUKEE, Wis.—Single men get into more trouble than married, but married women are more likely to run afoul of the law than single ones, according to the annual report of H. G. Moomsen, superintendent of the Milwaukee house of correction.

Also, widowers and divorced husbands stand a good chance of looking out from behind the bars, while the much maligned divorcee is perfection, as far as law violations are concerned, according to the report.

There were 734 guests of Milwaukee county last year, the report shows, 683 men and 51 women. Of these 500 were single men, 169 married, six widowers and eight divorced men. Of the women 28 were married, 22 single and one a widow, but not a divorcee.

The report indicates most of those caught in law's dragnet are between the ages of 20 and 30. The next most dangerous period is between 30 and 40.

HERE'S ONE METHOD TO STOP GOPHERS FROM INVADING

ELDER J. O. CORLISS TELLS OF HAVING FURROW PLOUGHED ON PROPERTY LINE

Elder J. O. Corliss, a Civil War veteran, has found out how to fight the gophers successfully, he says. Adjoining his residence at 235 North Verdugo Road, there are three vacant lots from which the rodents have been infesting his lawn and destroying shrubs. When Japanese truck gardeners came there to farm, Elder Corliss had an understanding with them that after plowing they would plow a deep furrow, about two feet down, along the property line. This they did and as time passed, not a gopher was to be found in either the field or lawn, for they had no place for their runs.

Captain C. S. Conner Selected As Secretary

Captain Charles S. Conner, member of the news staff of a Pasadena newspaper for the past two years, has accepted the position of secretary of the Chamber of Commerce and Community Council of San Fernando. He has already entered upon his duties. Captain Conner has had a great deal of experience in newspaper work, publicity and sales management throughout the east. He has been in California for ten years and has worked on San Francisco and Los Angeles newspapers. He has been publicity director of the National Cash Register company at Dayton, Ohio, also advertising manager of the International Time Recorder company and superintendent of the Bundy Adding Machine company at Endicott, N. Y. He served in the Spanish-American war, being commander of the Sixth Company, United States Signal corps, and was also chief signal officer of the Second Army Corps at Camp Meade, Penn.

Only One Smith For This Girl; He's Crook

There was only one Smith in the world for Annesley Grayle. It was nothing to her that the city directory was populated and overcrowded with Smiths from whom she might make a reasonable choice. No. She had to marry Nelson Smith and he was a crook of such a violent deviation from "straight" that he had the police of two continents trying to catch up with him and give him board and lodging for life. In a world full of gentle Smiths, wealthy Smiths, Smith brothers and kind Smiths, poor innocent carefully guarded Annesley Grayle found herself bound at the matrimonial altar to the naughtiest, crookedest, smoothest, "darkest" and "darkest" Smith that ever wrote his name on a police blotter. Annesley Grayle is the role that will be played by Katherine MacDonald in Associated First National's release of "My Lady's Latchkey" the story of which is from the co-operating genius of C. N. and A. M. Williamson. This feature will be seen at the Palace Grand theatre tonight only. "Torchy's Big Lead" is the comedy on the program while the music is equal to the pictures. Tomorrow "Cinderella's Twin" is the feature.

OREGON PEOPLE TO PICNIC
All who ever lived in the state of Oregon are invited to a great picnic to be held Saturday, May 14, in Sycamore Grove park, Los Angeles. There will be a brief program at 2 o'clock. President Dudley W. Evans will preside.

Opportunity doesn't tarry, because it has too many visits to make.

Author Of Famous Story On Tournament Of Roses Lands Position On The Evening News And Promptly Tells 'Dear Katie' About It

Dear Katie: Here is real news for you today. I take pleasure in telling you that at least I have been discovered. My light under the bushel has been found, or words to that effect.

The boss of The Glendale Evening News sent me word for me to come and see him for an interview today. So I did. I couldn't guess what he wanted to see me for, but I kinda suspected something, anyway.

You know, Katie, I wrote a newspaper article about the Pasadena floral parade which was on New Year's. Well, I was kinda skared that somebody might of had took offence at somethin' I wrote and maybe I was goin' to be sued for scandal.

Well, I put on my new suit and collar and I made quite a nice expression. I put on that necktie which you sent me for Xmas. I been keepin' it for some extra occasion like this, cause a pretty necktie is more important as a cultivated conscience, sometimes.

Well, I went down to The News office and walked in kinda absent minded, like I wasn't goin' to let anybody think I acted nervous anyway.

The boss himself come up smilin' and spoke to me real optimistic like, and I begun to feel better right away.

I was chewin' a 5c cigar and I tossed it into a waste basket, which was ment like a hint, but when he didn't offer me another cigar I begun to get nervous again.

Well, I won't tell you the details about our interview, 'cause interviews is always about private matters you know. But the substance of the total of our interview was that the boss wanted me to take

a job on this paper as a feature writer, whatever that is.

When he told me this, Katie, I held back my self-possession and I didn't show any surprise. I looked out at the sky casually, and kinda indifferent like, just to hide my excitement.

I begun to have future visions of our little home in the west and contracts and big wages.

But opportunity knocks but once and it wasn't necessary for him to rap on the windows or holler down the chimney at me in this case and when the boss offered me \$2 more than I been gettin' at the gas works, excepted the job and I've quit the gas works for good. I don't have nothin' to do with the advertisements and the weather reports is given out by the puzzle department.

All I got to do is to try to look respectable and walk around like a policeman and just wait for somethin' to happen and then I write a article on whatever it is and take it to the office.

Then I can go to the movies free of gratis, cause newspaper men don't have to pay nothin'.

Then I have to go to fires, hold-ups and funerals and every thing else excitin' and write articles about 'em.

This is to be a swell job Katie, and nobody ever before has realized that I got literary ambitions till now and the secret of my success so far is—well it's still a secret.

I can't write any more tonite cause I bought a dictionary today and I got to read it thru so as I can learn to spell better.

Will write again soon in haste. As we go to press I remain,

Very truly yours,
E. C. HALE.

SPLENDID PROGRAM IS PLANNED FOR THORNYCROFT

MUSICAL NUMBERS, COMEDY, DANCING TO BE FEATURED NEXT THURSDAY NIGHT

The boys at Thornycroft enjoyed a splendid musical program which was given them last week. The entertainment included pianologues, solo numbers and duets by Miss Laser and Miss Harvey, readings by Miss Genevieve Hubbard, baritone solos, gobs of joy by Bert Williams, black-face comedian; interpretative dances and novelty dances. The entire program was splendid and greatly enjoyed.

Another splendid program is being planned for Thursday night of this week. The entertainment will include musical numbers which will be in charge of Mrs. Terry of the Thursday Morning club of Eagle Rock.

There will be vocal solos, duets and violin solos furnished by professional artists, also a dancing sketch, solo dances, and a one-act comedy, "The Florist Shop," which will be put on by pupils of the College of Oratory of the University of southern California.

Miss Gladys Usher, whose dancing made such a hit with the boys, will again be included among the artists on the program.

Flood Control Money Needed By Southland

Los Angeles county officials state that the work of flood control in Los Angeles county is to be assisted by an appropriation of \$3,000,000 from the state, according to a bill just passed by the house and senate. This sum will, however, extend over a period of ten years, making the annual appropriation \$300,000. This sum, it is stated, will greatly assist the board of supervisors in making plans for future extensions of the present work and will especially assist in procuring the completion of the two large control dams in the mountains, the one at San Dimas now under construction at a cost of \$600,000, and one in the Pacoima Canyon, not yet started, but estimated to cost \$1,500,000.

County officials say that nothing is of more importance to the county than the protection and preservation of the rich alluvial soil of this coastal plane, from which was produced last year more than sixty-two million dollars of products.

All that remains to make this law effective is the signature of Governor W. D. Stephens, and with his long familiarity with conditions, he will doubtless approve the bill as soon as it reaches his desk, officials state.

Mr. and Mrs. Van Cleave Will Return To This City

Those citizens of Glendale who have lived in the central part of the city for the past few years will be glad to hear of the contemplated return to Glendale of Mr. and Mrs. A. S. Van Cleave. Since leaving Glendale three years ago the Van Cleave have been living in Arcadia, where Mr. Van Cleave has been employed.

They have just purchased the house owned by James W. Begg at 212 South Jackson street, but will not take possession of their new home for some time. The Chandler Real Estate company closed the deal.

Potato Growers Will Hold Session In June

State Director of Agriculture George H. Hecke has consented to attend the spring field trip of the Potato Growers' Department of the Los Angeles County Farm Bureau. The potato growers are planning to hold their meeting the second week in June.

Much interest is being manifested in standardization and grading and it is the purpose of the Potato Growers' Department of the Farm Bureau to present to the growers a definite plan of standardizing, grading and marketing in order to place Los Angeles county potatoes on the market so that they will bring a premium over the product that has been marketed in the past.

MICHIGAN STATE SOCIETY
The Michigan State society will hold a meeting in Forum hall, 203 Mercantile Place, Los Angeles, next Thursday night. President J. W. Wetmore says that a pleasing program has been arranged. Dancing will follow. All Michigan folk are invited.

A Quick, Efficient Way to Kill Gophers---

—Considerable publicity has been given the Gopher problem in Glendale recently. Many remedies have been suggested, but all points considered, poisoning, without doubt, is the most efficient method of gopher control.

—A sure, convenient poison, advised by the government and other authorities, is to mix strychnine nine parts and saccharine one part and put in bait the gophers like, such as carrots, parsnips, sugar beets, sweet potatoes or raisins or dried prunes. For example, prepare four quarts of cut baits, put them in an old bucket or collander, rinse them with water and allow to drain. While they are yet damp, from a spice can or pepper shaker, slowly sift one-eighth ounce of powdered strychnine (alkaloid) and one-eighth ounce to one-fiftieth ounce of powdered saccharine (insoluble) that has been thoroughly mixed, stirring your baits so that each one will receive some of the poison. Allow the baits to dry for an hour or so and they are ready for use.

—The next step is to locate the gopher runway with a probe, reverse the probe and enlarge the hole, drop in one of the baits and close the hole with a pebble or bunch of grass.

—For those who do not care to bother preparing this poison we prepare this formula, all ready to use, in a convenient size at 50c. Also our Ant Formula in 50c bottles.
