LOUISIANA LEGISLATURE.

FIRST SESSION—SEVENTEENTH LEGISLATURE.

HOUSE OF REPRESENTATIVES.

THURSDAY, 13th, February, 1845.

The House in open session pursuant to adjournment.

On motion, leave of absence for a few days was granted to Messrs Flaujeac, Peck and Moore.

By a message from the Senate, by Mr. S. C. Davis, their Secretary, pro. tempore, the House was informed of their concurrence to a resolution fixing Monday, the 10th of March, at 12 o'clock, at noon, for the adjournment, sine die, of both branches of the Legislature.

ORDERS OF THE DAY.

This day having been fixed by the House as a special day, to take into consideration all bills of local nature, the House resumed the consideration of the bill entitled:

An act to amend an act entitled: An act supplementary to the several acts relative to the Harbor Master, Wardens and Pilots of the Port of Orleans, and for other purposes, approved, 13th March, 1837.

The first section of which had been adopted, and the further consideration of said bill having been postponed to Thursday, 13th instant, to be taken up immediately after the reading of the Journal.

On the motion, the first section of said bill, which had been adopted on Thursday last, was re-considered.

During the discussion on the first section of said bill, Mr. Fluker moved that the same be referred to a select committee composed of three members, with instructions to report to the Balize during the recess of the Legislature and there to examine the operation of the law now in existence, and to report thereon at the next session of the Legislature.

On the adoption of said motion, the yeas and nays were called for, and it appeared that:

Messrs Bickham, Bruns, Carruthers, Cole, Dauney, Day, Deblanc, Davis, Fluker, Fortson, Garrie, Gayarre, Gwynn, Howell, Hebert, Kilgore, Leblanc of Assumption, Leblanc of Lafourche, Marks, May, Morgan, Newport, Strawther, Tebbs, Vantine and Wadsworth had voted in the affirmative—30 yeas: and that

Messrs Benjamin, Barthe, Bush, Campbell, Crusat, Gardere, Lamer, Lavergne, Parham, Perkins, Pilié, Rogers, Stille, Taylor, Van Wickle and Winchester had voted in the negative—16 nays.

Said motion consequently prevailed, and said bill referred to a Select Committee.

The Speaker appointed the following members on said committee:—Messrs Fluker, Crusat and Cole.

On motion, the House went into a recess of a few minutes.

The House having met again, proceeded to the regular orders of the day.

ORDERS OF THE DAY.

The House resumed the consideration of the bill entitled:

An act to amend and extend the charter of the Manchac Gulf Railway.

The several sections of said bill having been adopted and the tenth section of the same being under consideration, when the House adjourned yesterday;

The several other sections having been adopted as amended, together with an additional section, offered by Mr Marks.

On motion, the 25th section was reconsidered, when Mr. Campbell offered the following proviso to the same:

Provided nothing herein expressed shall be so construed as authorizing banking privileges of any kind.

Which being seconded, Mr Gardere offered the following substitute to the same:

Provided nothing herein expressed shall be so construed as authorizing banking privileges of any kind; and should the said corporation presume to exercise any such power, the said company shall forfeit all rights guaranteed by this act, and become null and void.

When Mr Taylor moved an amendment to the same, in the following words:

And that person or persons who shall violate the requisitions herein set forth, shall be further subject to prosecution, and be imprisoned on conviction thereof, to not less than two years nor more than five years.

And on the motion to lay on the table said motion and said amendment, the ayes and nays were called for, when it appeared that

Messrs Benjamin, Brou, Barthe, Bush, Campbell, Cole, Crusat, Davignean, Gardere, Garrie, Gayarre, Lavergne, Leblanc of Assumption, Leblanc of Lafourche, Marks, May, Newport, Parham, Perkins, Pilié, Rogers, Stille, Tebbs and Van Wickle, had voted in the affirmative—17 yeas; and that

Messrs Bickham, Carruthers, Dauney, Deblanc, Fluker, Fortson, Griffin, Howell, Marks, May, Taylor and Texada had voted in the negative—13 nays.

So the motion to lay on the table said motion and said amendment was consequently lost on the table indefinitely.

On motion, said sixth section was adopted as amended.

The several sections having been adopted as amended.

On motion, ordered, that said bill be engrossed for a third reading on to-morrow.

The House then took up for a third reading, the bill from the Senate entitled:

An act making appropriation for the use of the companies of Native American Artillery.

The Clerk was directed to inform the Senate thereof, and request their concurrence to the same.

On motion, the rules were dispensed with, and the House took up for a second reading the bill entitled:

An act to incorporate the First Baptist Church of New Orleans.

The several sections having been adopted,

Mr Fluker offered the following additional section:

Be it further enacted, &c. That nothing contained in the provisions of this act shall be so construed as to prevent or restrict the exercise of the right of said act by any subsequent legislature, provided it should be found necessary.

On the motion to lay the same indefinitely on the table, the ayes and nays were called for, when it appeared that

Messrs Benjamin, Brou, Bush, Campbell, Cole, Crusat, Fortson, Garrie, May, Newport, Parham, Perkins, Pilié, Rogers, Stille, Texada and Van Wickle, had voted in the affirmative—17 yeas; and that

Messrs Bickham, Barthe, Carruthers, Dauney, Davignean, Deblanc, Fluker, Fortson, Gardere, Gayarre, Griffin, Howell, Kilgore, Leblanc of Assumption, Marks and Taylor, had voted in the negative—15 nays.

Said motion having prevailed, said additional section was laid on the table subject to the call of the House.

On motion, the rules were dispensed with, and said bill read a third time.

On motion, ordered that the same do pass and retain its title.

The Clerk was directed to request the concurrence of the Senate thereto.

Mr Dauney moved an adjournment to to-morrow morning, at 10 o'clock.

On said motion, Mr Pilié called for the ayes and nays, when it appeared that

Messrs Brou, Barthe, Bush, Campbell, Carruthers, Cole, Crusat, Dauney, Davignean, Fluker, Fortson, Garrie, Gayarre, Griffin, Howell, Kilgore, Leblanc of Assumption, May, Newport, Rogers, Stille, Taylor and Texada, had voted in the affirmative—25 ayes; and that

Messrs Benjamin, Bickham, Garrie, Marks, Parham, Perkins, Pilié and Van Wickle, had voted in the negative—9 nays.

Said motion having prevailed, the House adjourned to to-morrow morning, at 10 o'clock.

NOTICE TO EMIGRANTS—The emigrants brought to this country by Mr Cazaux, are hereby notified that a Certificate has been formed on the 9th basis of the 160 acres of land to which each head of a family is entitled, and that in addition to the lands secured to them by their contract, they will be entitled to town lot in the above settlement of Centreville. They are further notified that if they do not appear to obtain their lands within four months from this date their contracts will be null and void.

Any other persons desirous of settling in this healthy and favorable section of the country are invited to convince themselves by personal inspection of the advantages of the site chosen for the town of Centreville, where a population of nearly two hundred souls is already settled, and 50 houses erected since the 1st of September last. They are offered a town lot for building, with a farm lot of 50 acres on the East bank of the river, on condition that they will build a house or hut and place under cultivation 10 acres in the course of three years, when their final titles will be delivered to them. Building materials of every description and of the best quality, are to be found in great abundance at the spot, and timber of all kind is abundant. In addition to the river Medina, numerous and permanent springs furnish a constant supply of the purest water.

The most unfounded and absurd rumors having been circulated respecting the Colony, by persons unfriendly to it, those who are in any way interested in its progress, may obtain information respecting it by application at the State Department office, where the certificate of Plan of the town is deposited, or to John W Smith, senator, Colonel Cooke and Capt Ogden, representative of Bexar county; Hon G W Smyth, senator, and Colonel Wm G Hill, representative, of the authorities of Bexar county, San Antonio.
