- 1,541** destroyed or damaged shelters

Source: [UN News](#) as of 23 May

**20 May 12:00 UTC**  
139 km/h sust. winds

**20 May 06:00 UTC**  
157 km/h sust. winds

### EU Response

A total of EUR 1.5 million, through the Acute Large Emergency Response Tool (ALERT), was allocated on 21 May to respond to the humanitarian needs (WASH, food, shelter, NFIs and livelihood support) of the most affected population, specifically:

- EUR 500,000 in West Bengal State (India);
- EUR 1 million in Bangladesh.

In addition, EUR 100,000 replenishment was allocated to the Forecast-based Action by the Disaster Relief Emergency Fund (DREF) through the IFRC and the Bangladesh Red Crescent Society. [Copernicus](#) was activated on 20 May: 2 delineation maps and 1 grading map produced.
