# WikiWomen Prize (2015-2016)

WikiWomen Prize was a (3 month) monetary prize given to the top contestants that made the best contributions about women in Arab World for four rounds (1 Dec 2015- 30 Nov 2016). This contest aimed to develop WikiWomen Project on Arabic Wikipedia.

# Outcomes

Increasing female content and participation on Arabic Wikipedia & Commons mainly and decreasing gender gap to one or more Arabic-language-related Wikimedia projects during the specified period.

Promoting the quality, quantity and credibility of Female contents within the scope of Wikimedia Foundation projects.

Promoting competition among contributors to reach the best quality of contents.
