NEW ORLEANS, TUESDAY MORNING: NOVEMBER 10, 1967.

MANUEL OF ANYTHERED the same interest

OFFICE, 83 CHARTES ST.

THE DAILY BEE. TUESDAY MORNING, NOVEMBER 16. THE NORTHERN MAIL came through yeate

CURSORS DEVELOPMENTS.

sands of Democratic votes to the Mack Re-pol Trans.

Whether the dispatch in question was an invention designed to ald in defeating the New York Democracy, or simply an error committed by those indefatigable caterers for the press who pick up every item of Wishington gosein, is not of much real im-portance. Party tricks are so common news days, and are regarded as so venial at the present low ebb of political morality, that even if the Black Republicans were kulty of the offense charged upon them, they did no more than the Democrats would have been delighted to do, had they em-

low a days, and are regarded as eo venial at the present low ebb of political morality, that even if the Black Republicans were surfly of the offense charged upon them, they did no more than the Democrats would have been delighted to do, had they employed their ingennity with the same success. The point in this development which ments a moment's attention is the evidence shown of unconquerable sectional feeting even in that party—the Forthern Democration of the control of the matter. Walking the ments in memorit a tention is the evidence racy—which is ofernally vaunting its nationally. Here is the gist of the matter. Walking re, is the returns from a certain county in Korsan, which gave a heavy pro-slavery magnetic sertificates of election the Freedon candidates for the Legislature, a seging, in justification of the act, that the statements of respectable special transportations as other Northern parties—make a great parade over this transaction, and Lipuda was a freedom to an about the development of the bring the mental server anxieus to conciliate anti-sixvery, and to prevent the transaction, and Lipuda was a freedom to be most received as a great parade over this transaction, and Lawrer, they are as houtile to Sonthern institutions as other Northern parties—make a great parade over this transaction, and Lawrer, they are paid to the law they are as houtile to Sonthern institutions as other Northern parties—make a great parade over their transaction, and Lawrer, they are paid to the law to the same and they continued the surface of the law to th
