Lloyd's Register of Shipping.

Port TRIESTE

15th March 1949

This is to Certify that I have

Surveyed the Boiler and Machinery of the M/V "DUNDALK BAY"

7105 tons gross of Belfast, for proposed classification

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

recommendations made by me in connection therewith have

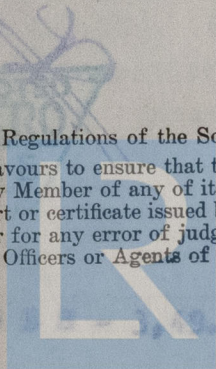

been carried out to my satisfaction, and that I have

Recommended that the record of LMC - 3,49 and DBS - 3,49

be made in the Register Book in the case of this vessel.

John McAfee
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
