1. It has been brought to the attention of this headquarters by our Regional Post Engineer, that villagers in the Chara, Nagahama, and Okushoji areas have removed numbered concrete landmarks installed by the former Japanese Navy and members of this organization. These concrete markers were specifically installed for boundary identification purposes and will not be removed or tampered with. Discrepancies noted will be reported to this headquarters for investigation and necessary action.

2. It is requested that this information be disseminated to all villagers concerned.
