During this edition of the WikidataCon, we had...

- 3 days of intense and inspiring program
- 11 thematic tracks
- 80 hours of presentations, discussions and workshops
- 700 unique participants, up to 250 in parallel
- 20 organizers and helpers
- Thousands of messages shared on the conference platform
- 600 reactions 
- ...and more data to come in the future documentation :)

What about you?

- What were your **highlights of the event**?
- Most enlightening discussions, surprising presentations, cheerful interactions?
- Feel free to share your highlights and some **thank you messages** in the chat :)

Our highlights of the conference - Érica

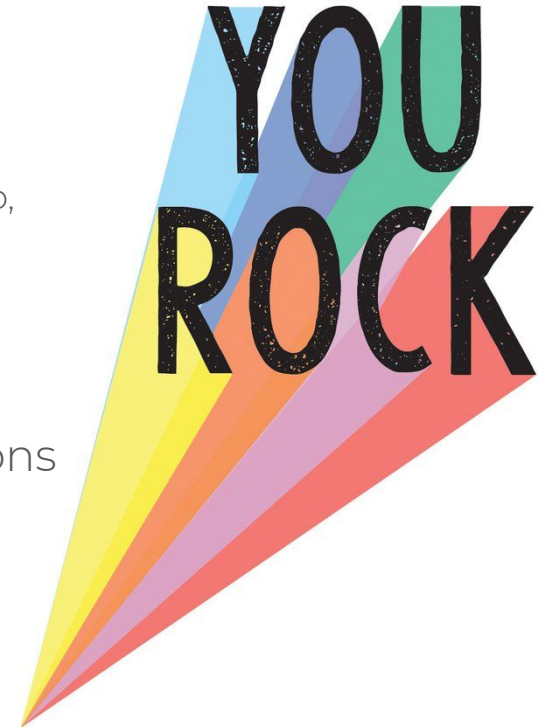

- Getting to see old and new faces from across the globe
- Making room for and embracing students
- The tough love of Reimagining Wikidata from the margins <3
- An empowering experience for my friends in Latin America and Caribbean
- We couldn't ask for better partners in this journey: thanks, WMDE!

Our highlights of the conference - Léa

- Not just “yet another online event”
- Thanks for your engagement, despite the general exhaustion <3
- Reimagining Wikidata track
- Spontaneous language support
- People supporting each other
- Amazing collaboration with Wiki Movimento Brasil

Many thanks for supporting this conference

- Future Wikidata events

In 2022, Wikidata is 10 years old!

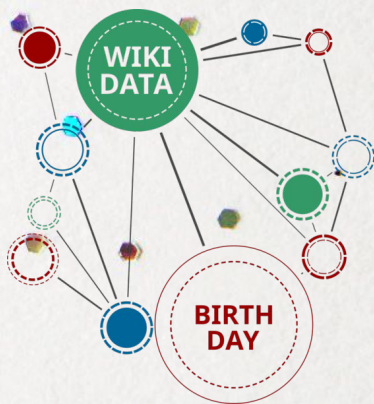

Together, let's...

Celebrate, let's create an unforgettable moment!

Run **decentralised, local, connected events** around the world

Talk about Wikidata to more people, in more languages

[\[\[Wikidata:Tenth Birthday\]\]](#)

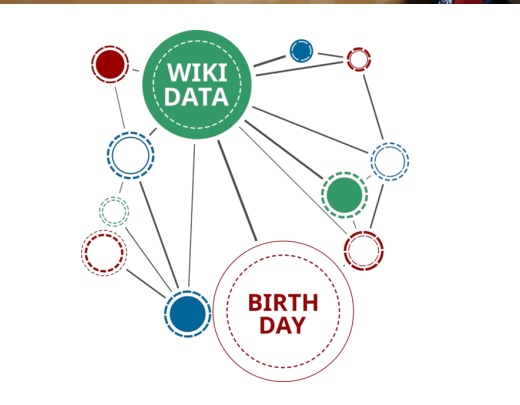

What could it look like?

A network of decentralized events

- Onsite, online and hybrid
- Workshops
- Meetups
- Discussions
- Editathons
- Contests
- Exhibitions
- Podcasts...
- ...and of course, cakes!

Get involved in Wikidata's 10th birthday

- start **talking about it** around you
- get **inspiration** from past events and formats, but also create new ones!
- **share ideas** on the talk page and in the Telegram group [Wikidata events](#)
- Get in touch with your local ecosystem
 - libraries, universities, hackerspace...
- We're in discussion with the **Goethe Institut** network
 - public libraries in various parts of the world
- let's **talk about your ideas**: contact me!
 - WMDE will coordinate the network of events

A sustainable future for WikidataCon

- Next edition in 2023?
- Reimagining the format of the conference
- Adapt to the context
- Continue collaborations between Wikimedia Deutschland and other organizations
- Your ideas are welcome: please fill out the survey!

Time to say goodbye...

- Let's meet in the [Social Room](#) to chat!
- Rooms 1, 2 and 3 will close at 19:00 UTC
- Hacking room and social room remain open until November 1st at 10:UTC
- We will disable the conference platform on November 1st at 10:00 UTC
