S-PER VELL TURDAY MORNING, DEC. A. 1870.

HA HOUSE-"Lucio de Lapmermetr." engement." In the evening the same,
(HARLES TERRATES—At noon, "Relate." In the evening, "The Duke's Rette," WARMSTH'S MISSION TO WARRESTON,

The Prussians Routed Everywhere. The Siege of Paris Effectually The insertant () announcement comes us by telegraph that the Geverner of emisians is in Washington—that he has mad with that other dignitary? called rant at the White House-that Pustima-r Lowell, of this city, has been removed and one Blasshard appointed to the same the Warmoth's object in visiting the Fedral capital gat this fine is explained. It comes that there is a split in the Redical arty of Louisians, and the cause of it is struggle for the Senstorial social matter. outry of Louisians, and the cause of it is a struggle for the Senatorial momination, and Harris, whose, term of office will thortly expire: The rival caucidates are and to be Michael Hain, editor of the Republican of the Sty, and thus colored midvidual came Pinchback, who was muce a barber on some incomboat on the Mississippi, but is now a member of the Louisians Ranals (so-theff) and correctly the color of the Sanals (so-theff) and correctly the state of the Sanals (so-theff) and so the state of the Sanals (so-theff) and so the state of the Sanals (so-theff) and so the state of the idual cashed Pischbook, we a barbor see issue iscamboat on the seisaippi, but is now a member of the mulaiana Senate (so-delled) and engaged to a travesty of the business of legislation. Mr. Hahn is said to be Warmosh's candidate (for the United States Marshal, Jounett, Allessor of Internal Revenue, and Levell, Postmaster, favor the nomination of Pinchbook. At they, Warmosh's issuance, Gen. Grant for the commonwhile issuance, Gen. Control of the people of the peopl

a power in the land and boasts of ng the great commonwealth of an in his breeches pocket, just as arrivers of Parliantesset in England sortain boroughs in that esquirry, cannot afford to treist Warmoth hat contempt which he-come mantowards him. His own nominor the Presidency in 1878 is not as as to enable him to despise, even cidental Governor of Lectelams or the treisdency in 1878 is not as as to enable him to despise, even cidental Governor of Lectelams or the invitation to disneer, and in Postmaster Lewell's removal location. Whether Mr. Lowell llanchard he Postmaster of this fy very little connegarance to us of acquainted with either party, after cannot speak of their qualifor the office. Nor do we supt anch qualifications had any do with the change which as a we been made solely, for party of mess have hoosed carlous ta, the military display in New he stuffing of the ballet-boxes, is equinitated by the Radical in, and the other means em-

pperain, and the other means em-ed by Radical engineers to secure the mph of the party. Grant, no doubt, profuse in his expressions of gusti-for the effective services rendered by moth and his associates, and imme-ely assented to the measures they pro-vide in view of carrying the State for two nomination to the Presidency for cond term. probably the first time in the his-
