[29th March 1898.]

WHEREAS the raising or keeping of a standing army within the United Kingdom of Great Britain and Ireland in time of peace, unless it be with the consent of Parliament, is against law :

And whereas it is adjudged necessary by Her Majesty and this present Parliament, that a body of forces should be continued for the safety of the United Kingdom and the defence of the possessions of Her Majesty's Crown, and that the whole number of such forces should consist of one hundred and eighty thousand five hundred and thirteen, including those to be employed at the depôts in the United Kingdom of Great Britain and Ireland for the training of recruits for service at home and abroad, but exclusive of the numbers actually serving within Her Majesty's Indian possessions :

And whereas it is also judged necessary for the safety of the United Kingdom, and the defence of the possessions of this realm, that a body of Royal Marine forces should be employed in Her Majesty's fleet and naval service, under the direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the office of Lord High Admiral aforesaid :

And whereas no man can be forejudged of life or limb, or subjected in time of peace to any kind of punishment within this realm by martial law, or in any other manner than by the judgment of his peers and according to the known and established laws of this realm ; yet nevertheless it being requisite, for the retaining all the before-mentioned forces, and other persons subject to military law, in their duty, that an exact discipline be observed, and that persons belonging to the said forces who mutiny or stir up sedition,

or desert Her Majesty's service, or are guilty of crimes and offences to the prejudice of good order and military discipline, be brought to a more exemplary and speedy punishment than the usual forms of the law will allow :

service, or any part thereof, after the acceptance of such office, or the engagement in such employment, or as to the passing of any examination.

Candidates not to present themselves for final examination till expiration of apprenticeship.

28. No person bound by indentures of apprenticeship to serve as an apprentice to a solicitor shall present himself as a candidate at the final examination until after the expiration of the period for which, under the provisions of this Act, he is required to serve as such apprentice before being admitted a solicitor: Provided that whenever any of the periods of five, four, and three

Provided that any person who but for this Act would have been entitled to apply to the court to strike a solicitor off the roll of solicitors, or to apply to require a solicitor to answer allegations contained in an affidavit, shall be entitled so to apply, although the committee is of opinion that there is no *prima facie* case of misconduct against the solicitor, and shall be entitled to be heard if the Society brings the report of the committee before the Lord Chancellor.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. Section seventy-six of the principal Act is hereby repealed, and in lieu thereof it is enacted as follows :—

From and after the commencement of this Act no person shall be held to have acquired a settlement in any parish in Scotland by residence therein unless such person shall, either before or after, or partly before and partly after, the commencement of this Act, have resided for three years continuously in such parish, and shall have maintained himself without having recourse to common begging, either by himself or his family, and without having received or applied for parochial relief; and no person who shall have acquired a settlement by residence in any such parish, shall be held to have retained such settlement if during any subsequent period of four years he shall not have resided in such parish continuously for at least one year and a day: Provided always, that nothing herein contained shall, until the expiration of four years from the commencement of this Act, be held to affect any persons who, at the commencement of this Act, are chargeable to any parish in Scotland.

2. In any case where the parish councils of two or more parishes in Scotland have differed as to the settlement of a poor person but are agreed as to the facts on which such settlement depends, it shall be lawful for such parish councils to refer the case for determination by the Local Government Board, whose determination shall be final.

3.—(1.) Whenever any parish council shall order the removal of any poor person who shall have applied for parochial relief in any parish in Scotland from such parish to another parish in Scotland, such poor person, if he or she shall have resided continuously in such first-mentioned parish for not less than one year before the date of the application for relief (her deceased husband's residence, if necessary, being reckoned as part of her residence in the case of a widow), may, within ten days after intimation of such order, and of the right to appeal in this section mentioned, appeal to the Local Government Board, which Board shall without delay investigate the grounds of such appeal, and determine whether it is reasonable and proper that such poor person shall be so removed. The inspector of poor of the parish whence the poor person is proposed to be removed shall be bound to intimate to the poor person the receipt of the order and the right of appeal; and no order of removal shall be carried out until the expiry of the

said ten days, or, if an appeal is taken, until it has been disposed of by the Board.

(2.) If the Board are of opinion that, having regard to the whole circumstances of the case, the removal is reasonable and proper they shall dismiss the appeal, and thereupon the order for the removal of the poor person may be carried out; but

(3.) If the Board are of opinion that, having regard to the whole circumstances of the case, the removal should not be carried out, they shall so determine, and if they think fit may fix the period during which such determination shall have effect, and thereupon the provisions of section seventy-two of the principal Act shall apply as if the poor person appealing were, owing to sickness or infirmity, incapable of being removed, in which case the parish in which he is shall be bound to relieve him, and shall be entitled to recover from the parish to which he belongs the amount so expended, provided that such amount has been approved by the Board.

4. Where an English born or Irish born poor person has resided continuously in Scotland for not less than five years (of which not less than one year shall have been continuously in the parish in which he applies for parochial relief) and shall have maintained himself without having recourse to common begging, either by himself or his family, and without having received parochial relief, he shall, on thereafter becoming chargeable to any parish in Scotland, be irremovable from Scotland and shall be maintained by the parish to which he has so become chargeable.

Effect of five years residence on irremovability of English born or Irish born pauper.

Provided that nothing in this section contained shall prevent such poor person from ceasing to be chargeable to such parish, if, as it shall be competent for him to do, he shall have acquired a settlement by residence in any other parish in Scotland in pursuance of section one of this Act.

5.—(1.) Whenever any parish council shall have obtained in terms of the Poor Law Removal Act, 1862, a warrant for the removal from any parish in Scotland to England or Ireland of any English born or Irish born poor person who has not acquired a settlement by residence in Scotland and to whom the immediately preceding section does not apply, such poor person, if he or she shall have resided continuously in such parish for not less than one year before the date of the application for relief (her deceased husband's residence, if necessary, being reckoned as part of her residence in the case of a widow), may, within fourteen days after intimation of the granting of such warrant and of the right to appeal in this subsection mentioned, appeal to the Local Government Board, which Board shall without delay investigate the grounds of such appeal, and determine whether it is reasonable and proper that such poor person shall be so removed. The inspector of poor of the parish whence the poor person is proposed to be removed shall be bound to intimate to the poor person the granting of the warrant and the right of appeal; and no warrant in terms of the Poor Law Removal Act, 1862, shall be carried out until the expiry of the said fourteen days, or, if an appeal is taken, until it has been disposed of by the Board.

Appeal to Local Government Board against removal of pauper to England or Ireland. 25 & 26 Vict. c. 113.

(2.) In the case of a poor person as in the preceding subsection mentioned, the inspector of poor shall also be bound to send by registered letter a notice to the clerk to the board of guardians of the union or parish in England or Ireland named in the warrant of removal, that if they desire they may, within fourteen days after receipt of such notice, appeal to the Local Government Board against the removal, and shall with such notice transmit a copy of the depositions taken before the sheriff granting the warrant; and if the board of guardians shall so appeal, the Local Government Board shall without delay investigate the grounds of such appeal, and determine whether it is reasonable and proper that such poor person shall be so removed. No warrant in terms of the Poor Law Removal Act, 1862, shall be carried out until the expiry of the said fourteen days, or, if an appeal is taken, until it is disposed of by the Board.

(3.) The Board, when deciding as to whether, in the whole circumstances of the case, such removal is reasonable and proper, shall have regard, *inter alia*, to—

- (a) the length and character of the residence in Scotland;
- (b) the causes why a settlement has not been acquired, or, if acquired, has not been retained; and
- (c) any circumstances tending to show that the exercise of the power of removal would unduly injure the interests of the poor person on account of the industrial employment of his children or otherwise.

(4.) If the Board are of opinion that the removal should not be carried out they shall so determine, and their order to that effect shall be binding on any parish council in Scotland.

(5.) If the Board are of opinion that the removal is reasonable and proper they shall dismiss the appeal, and thereupon the warrant for the removal of the poor person may be carried out.

Provided also that if in consequence of a determination of the Board that a proposed removal of a poor person to England or Ireland is not reasonable and proper, such removal cannot be carried out, the Board shall determine, after due inquiry, which parish council or parish councils shall be liable for the expense of the maintenance of the poor person, and, if they think fit, in what proportions and under what conditions, and for what period, regard being had to the length and character of the poor person's residence in one or more of such parishes; and the determination of the Board shall be binding on any parish council in Scotland.

c. 113.

6. The power of granting warrants of removal under the Poor Law Removal Act, 1862, shall in Scotland be exercisable by the sheriff only, and, in the case of a lunatic poor person proposed to be removed to Ireland, the warrant shall order his delivery at the district asylum of the place to which he is to be removed.

[25th July 1898.]

WHEREAS it is expedient that certain enactments which may be regarded as spent, or have ceased to be in force otherwise than by express specific repeal by Parliament, or have, by lapse of time or otherwise, become unnecessary, should be expressly and specifically repealed :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. The enactments described in the first part of the schedule to this Act are hereby repealed, subject to the provisions of this Act and subject to the exceptions and qualifications in the said schedule mentioned ; and every part of a title, preamble, or recital specified after the words "in part, namely," in connexion with an Act mentioned in the said schedule may be omitted from any revised edition of the statutes published by authority after the passing of this Act, and there may be added in the said edition such brief statement of the Acts, officers, persons, and things mentioned in the title, preamble, or recital, as may in consequence of such omission appear necessary. Enactments

Provided as follows :

The repeal of any words or expressions of enactment described in the said schedule shall not affect the binding force, operation, or construction of any statute, or of any part of a statute, whether as respects the past or the future ;

and where any enactment not comprised in the said schedule has been repealed, confirmed, revived, or perpetuated by any enactment hereby repealed, such repeal, confirmation, revivor, or perpetuation shall not be affected by the repeal effected by this Act ;

and the repeal by this Act of any enactment or schedule shall not affect any enactment in which such enactment or schedule has been applied, incorporated, or referred to ;

and this Act shall not affect the validity, invalidity, effect, or consequences of anything already done or suffered,—or any existing status or capacity,—or any right, title, obligation, or liability, already acquired, accrued, or incurred, or any remedy or proceeding in respect thereof,—or any release or discharge of or from any debt, penalty, obligation, liability, claim, or demand,—or any indemnity,—or the proof of any past act or thing ;

nor shall this Act affect any principle or rule of law or equity, or established jurisdiction, form or course of pleading, practice, or procedure, or the general or public nature of any statute, or any existing usage, franchise, liberty, custom, privilege, restriction, exemption, office, appointment, payment, allowance, emolument, or benefit, or any prospective right, notwithstanding that the same respectively may have been in any manner affirmed, recognised, or derived by, in, or from any enactment hereby repealed ;

nor shall this Act revive or restore any jurisdiction, office, duty, drawback, fee, payment, franchise, liberty, custom, liability, right, title, privilege, restriction, exemption, usage, practice, procedure, form of punishment, or other matter or thing, not now existing or in force ;

and this Act shall not extend to repeal any enactment so far as the same may be in force in any part of Her Majesty's dominions out of the United Kingdom, except where otherwise expressed in the said schedule.

Application of repealed enactments in local courts.

2. If and so far as any enactment repealed by this Act applies or may have been by Order in Council applied to the court of the county palatine of Lancaster or to any inferior court of civil jurisdiction, such enactment shall be construed as if it were contained in a local and personal Act specially relating to such court and shall have effect accordingly.

Provided also that the council of any such county or borough shall not give any such special authority for the use of a locomotive on any bridge except with consent of the person liable to the repair of such bridge, and the council of any such county or borough may with such consent give such special authority subject to payment being made by the person applying for such special authority to the person liable to the repair of such bridge of

(4.) An order of the Local Government Board under this section with regard to any bridge shall not prevent the imposition of any restriction or prohibition with regard to the bridge at a future time, if the authority having power to impose the restriction or prohibition consider that it is necessary to do so, having regard to any change in the circumstances of the bridge or the traffic, but the imposition of any such restriction or prohibition shall be subject to appeal under this section.

(5.) The Local Government Board may refuse to consider any appeal under this section with regard to any bridge if the question raised by the appeal has been already considered by them either on the confirmation of a byelaw or under a former appeal.

(6.) In the case of any bridge which a railway company is liable to repair, the Board of Trade shall be substituted for the Local Government Board, and this section shall be read and construed accordingly.

(3.) The council of a county shall grant a licence under this section on the payment of a fee not exceeding ten pounds if the weight of the locomotive (exclusive of water and coal) is not more than ten tons; with an addition not exceeding two pounds for every ton or fraction of a ton by which that weight exceeds ten tons in the case of a locomotive exceeding that weight.

(4.) The council of a county shall on the grant of a licence provide the person to whom the licence is granted with a licence plate, having marked upon it the date and number of the licence and the name of the council by which it is granted.

(5.) The licence plate shall be fixed in a conspicuous position to the locomotive in respect of which it is provided, and shall not be

removed, whilst the licence is in force, without the consent of the council by whom the licence has been granted.

(8.) Nothing in this Act shall deprive any existing officer of any infirmary or hospital to which this section applies of any privileges enjoyed by him under any Act, and such officer shall not be removed from his office except with the consent of the Local Government Board, but, subject as aforesaid, every officer of the hospital or infirmary may be appointed and removed by the committee appointed under this section.

(3.) Where any expenses so incurred by the council of a county may, by virtue of any enactment or any direction given thereunder, be levied off a barony or other portion of a county, they shall, according as the county council direct, be raised equally over the whole of the county district or districts comprising the barony or portion, or equally over the whole of the county, and shall be district charges or urban charges or county at large charges accordingly.

46.—(1.) The expenses of the council of an urban county district, if incurred in meeting the demands of the county council, or in connexion with the poor rate, shall be defrayed out of the poor rate.

Raising of expenses of council of urban county district and county borough.

(2.) The expenses not above mentioned, but incurred by the council of an urban county district in relation to the business transferred to the council by or in pursuance of this Act or otherwise in the execution of this Act, shall be defrayed out of the fund or rate out of which the cost of paving and cleansing the streets in such district are or can be defrayed, but shall be excluded in ascertaining any limit imposed by law upon any such rate.

(3.) The expenses incurred by the council of a county borough, if incurred in meeting the expenses of guardians or in connexion with the poor rate, shall be defrayed out of the poor rate, and if not so incurred and incurred in relation to the business transferred to the council by or in pursuance of this Act or otherwise in the execution of this Act, or as incidental to their powers and duties as a county council, shall, where the like expenses have hitherto been defrayed out of any rate levied by the council of the borough

other than county cess, or than a rate levied under the enactments relating to county cess, continue to be so defrayed, but in any other case shall be defrayed out of the poor rate.

(4.) Provided that the foregoing provisions with respect to the expenses incurred by the council of an urban county district or county borough shall not extend to the expenses incurred under any provision of this Act amending or extending the Public Health Acts.

County and
borough and
district fund
and raising of
deficiency in
county fund.

47.—(1.) All receipts of a district or county council, whether from rates levied off the whole or any part of the district or county, or from sources other than rates, shall be paid to the treasurer of such council, and the receipt alone of that treasurer shall be a good discharge to the person paying the same; and, subject to the provisions of this Act, all such receipts shall be carried in a county or other borough to the borough fund, and in any other county or county district to the county or district fund, as the case requires, and all payments for any purpose out of any such fund shall be made by the treasurer;

Provided that the receipt given by a collector of rates in the case of payment of rates, or, where the treasurer is a banking company, by the secretary or clerk of the council in the case of any payment unconnected with rates, shall be a good discharge to the person making the payment, but the amount of the payment shall be forthwith paid by such collector secretary or clerk to the treasurer.

(2.) A council shall not directly or indirectly apply any part of their county or district fund, or any moneys under their control, for any purpose not authorised by this or any other Act, or, in the case of money derived from trust funds, then by the specific trusts affecting those funds.

(3.) In the county fund separate accounts shall be kept of all receipts and payments in respect of county at large, union, urban, and district charges respectively; and if the moneys standing to the county fund on account of any of those charges are insufficient to meet the sums payable in respect thereof, including the sums required to reimburse the treasurer for sums by law payable by him thereout, the county council shall raise the deficiency in manner provided by this Act by means of the poor rate; and the poor rate shall be levied, where the deficiency is in respect of union, urban, or district charges, off the union or district as the case requires, and in any other case off the county at large.

Agricultural Grant.

Payment to
and out of
Local Taxation (Ireland)
Account of
agricultural
grant.
59 & 60 Vict.
c. 41.

48.—(1.) As from the twenty-ninth day of September next after the passing of this Act, section one of the Local Taxation (Ireland) Estate Duty Act, 1896, shall be repealed, and there shall be annually paid out of the Consolidated Fund to the Local Taxation (Ireland) Account a sum (in this Act referred to as the agricultural grant) equal to half the amount certified under this Act to be taken for the purpose of this Act as having been raised

in the whole of Ireland by poor rate and county cess off agricultural land, as herein-after defined, during the twelve months ending as regards poor rate on the twenty-ninth day of September, one thousand eight hundred and ninety-seven, and as regards county cess on the last day of June in the same year (which twelve months are respectively in this Act referred to as the standard financial year).

(2.) Such portion of the agricultural grant as is certified under this Act to be payable to each county council shall be issued by the Lord Lieutenant from the Local Taxation (Ireland) Account to that council half-yearly, subject nevertheless to such conditions and provisions as are contained in this Act.

(3.) The first payments under this section to the Local Taxation (Ireland) Account shall be made during the six months ending on the last day of March next after the passing of this Act, so as to make up the sum required to meet the half-yearly payments to the county councils on account of the six months next ensuing on such last day of March, but such half-yearly payments shall not be applied towards the cost of work done or expenses incurred before such six months.

(4.) The provisions of this Act with respect to agricultural land shall extend to every hereditament entered as land in the valuation list within the meaning of the Valuation Acts which is not part of a railway or canal, but shall not extend to any hereditament situate within the boundary of any borough or of any town which is (for the time being) an urban sanitary district.

49.—(1.) Subject to the provisions herein-after contained with respect to excluded charges, the Local Government Board, on the report of the Commissioner of Valuation made in accordance with the prescribed rules, and on taking into account any exceptional circumstances which appear to the Board to have caused a variation from the average, shall, as soon as may be after the passing of this Act, certify as respects the standard financial year,—

PART III.
Finance.

(d) any other matters in relation to the poor rate or county ~~rate~~ levied off agricultural land or other hereditaments that are required by this Act to be certified, or that may appear to the Board to be required for carrying this Act into effect.

(2.) In estimating the sums to be taken for the purpose of this Act as having been raised in any county, or district, or union, or in estimating the standard rate, all sums raised to meet expenses which, if this Act had been in force in the standard financial year would have been raised equally over the whole county or district or union, shall be treated as having been so raised; and any town which is constituted an urban sanitary district or which being an urban sanitary district is added to a rural sanitary district shall, if the order for such constitution or addition was made before the end of six months after the passing of this Act, whether made before or after that passing, and whether confirmed or taking effect before or after the end of such six months, be treated as having been so constituted or added, as the case may be, during the standard year; and where a union is divided between more than one administrative county, the amount which would have been apportioned to each divided part shall be ascertained, and treated as having been so raised over a separate union.

(3.) The sum payable to each county out of the agricultural grant shall be equal to half the amounts so certified as aforesaid to be taken as having been raised in the county off agricultural land in respect of county at large and union and district charges when added together, and shall be certified accordingly.

(4.) For the purpose of certificates under this section the Local Government Board, on the report of the Commissioner of Valuation, shall determine, in the prescribed manner, the adjustments which are to be made in consequence of any difference between the authorities or the boundaries of counties unions or other areas, as existing in the standard financial year, and as they will exist after the appointed day, or in consequence of other changes made by or in pursuance of this Act.

(5.) The Local Government Board and Commissioner of Valuation in acting under this section shall obtain such information and make such inquiries and in such manner as seems fit, and every officer of any local authority shall give the Board and Commissioner such information and reply to such inquiries and in such form as they or he may require.

(6.) The Local Government Board, on the report of the Commissioner of Valuation, may in case of error amend, or for the purpose of meeting any alteration in an area or authority to which a certificate relates vary, a certificate under this section, and any such amendment or variation shall have effect from the date of the original certificate, or any later date fixed by the amending or varying certificate; but, save as aforesaid, a certificate under this section shall be final and binding on all persons.

(7.) Provisional certificates may, if it is thought necessary, be given for enabling the first payments under this Act to and out

of the Local Taxation (Ireland) Account to be made before sufficient information has been obtained to enable final certificates to be given.

PART III.

Finance.

50.—(1.) Where, by virtue of an order respecting the constitution of an urban county district, whether by the constitution of a new or the extension of the boundaries of an old urban county district, any agricultural land in a rural district becomes included within the boundaries of the said urban district, such portion of the agricultural grant payable to the council of the county comprising the district as is proportionate to the rateable value in the standard financial year of that agricultural land shall be applied by the county council in manner directed by the said order for the relief of the said land from rates, whether by the payment thereof to the council of the urban district in exchange for an adequate exemption from rates or otherwise.

Disposal of agricultural grant in case of constitution or extension of urban district.

(2.) This section shall apply to a county borough in like manner as to an urban county district, but in that case the said portion of the agricultural grant shall be paid direct to the council of the county borough instead of to the council of the county at large.

Method of raising Expenses.

51.—(1.) The money required to meet the expenses of a rural district council or of a board of guardians shall be supplied by the county council upon the prescribed demand by the district council or board; and the county council shall pay the money so demanded out of the county fund.

Raising of expenses of district councils, guardians, and county councils by poor rate, and deduction of agricultural grant.

(2.) The county council shall apportion every amount to be raised for county at large charges, and every amount to be raised for union charges, between any urban district situate in the county or union, and the rest of the county or union, in proportion to rateable value, and shall also apportion, in proportion to rateable value, every amount to be raised partly off any urban and partly off any rural district in the county, and any amount apportioned as aforesaid to an urban district, and also any urban charge leviable off an urban district shall be paid by the council of that district to the county council upon the prescribed demand.

(3.) The county council shall divide the amount which is not so apportioned to an urban district and is to be raised either for county at large or union charges, and every amount which is to be raised for district charges, between the agricultural land in the county, union, or district and the other hereditaments therein, in proportion to rateable value.

(4.) There shall be deducted from the amount assigned upon such division to the agricultural land the sum payable out of the agricultural grant to the council—

- (a) where the amount is to be raised for county at large charges, then in respect of county at large charges; and
- (b) where the amount is to be raised for union or district charges, then in respect of union or district charges in that union or district;

PART III.

as certified for the standard financial year, and the balance remaining after that deduction shall be the amount to be levied off the agricultural land in respect of the amount so assigned thereto.

(5.) The council shall raise the several amounts apportioned as above-mentioned to any part of the county which is not an urban district by means of the poor rate, and shall make that poor rate twice a year, and every demand note in respect of that rate shall specify approximately the respective rates in the pound required to raise the several amounts above mentioned, and the rates in the pound to which the sums deducted in respect of the agricultural grant amount.

(6.) Such poor rate shall be made either immediately prior to, or at the beginning of, the first six months of the local financial year and the second six months of that year, and shall be made in respect of the service of such first six months or second six months, as the case may be.

(7.) Every debt, claim, or demand which is directly or indirectly payable out of the poor rate, and becomes due after the passing of this Act, shall be paid within the half year (whether the first or the second six months of the local financial year), in which the same was incurred or became due, or within three months after the expiration of such half year, and not afterwards: Provided that the Local Government Board may, if they think fit, extend the time within which such payment may be made to a time not exceeding twelve months from the date at which the same was incurred or became due.

(8.) If any person claiming any such debt, claim, or demand commences any legal proceedings within the time herein-before limited, or the time to which the Local Government Board may grant extension, and with due diligence prosecutes such proceedings to judgment or other final settlement of the question, such judgment shall be satisfied notwithstanding that the judgment is recovered or the final settlement arrived at after the expiration of the said time, and all proceedings taken by mandamus or otherwise for enforcing such judgment without delay shall be deemed to be within the operation of this enactment.

(9.) This section shall apply, with the necessary modifications—

- (a) to the making of a poor rate by the council of a county borough or other urban district; and
- (b) to a county borough so far as regards the demands of a board of guardians, and the money required to meet those demands or to meet expenses of the council of the borough which under this Act are to be defrayed out of the poor rate: Provided that in a county borough the council may, if they think fit, either immediately prior to or at the beginning of each local financial year, make one poor rate for the whole financial year, and collect the same in equal moieties, one moiety for each half year.

Incidence of Rates.

PART III.

Finance.

52.—(1.) The poor rate shall be made upon the occupier and not the landlord of a hereditament, except where under section four of the Poor Relief (Ireland) Act, 1843, it is made on the landlord as the immediate lessor of a house let in separate apartments or lodgings, and except that if made heretofore in respect of a half rent under section sixty-three of the Poor Relief (Ireland) Act, 1838, and the enactments amending the same, it shall continue to be so made.

Incidence of poor rate as between occupier and landlord.
6 & 7 Vict. c. 92.

(2.) The occupier of a hereditament shall not be entitled to deduct from his rent any part of the poor rate, and any contract to the contrary respecting such deduction shall be void; subject nevertheless to the exceptions in this Act and to the provisions herein-after contained respecting occupiers under existing tenancies.

53.—(1.) Where the council of any borough or other urban district or the commissioners of any town independently of this Act can make any rate in respect of any hereditament upon the landlord or immediate lessor, and not on the occupier of the hereditament, such rate shall be made on the occupier of the hereditament, except where it is a house let in separate apartments or lodgings, and except that if made heretofore in respect of a half rent under section sixty-three of the Poor Relief (Ireland) Act, 1838, and the enactments amending the same, it shall continue to be so made; Provided that the foregoing provisions of this section shall not apply to a rate under a local Act in any county borough, if the council of that borough by a majority of not less than two-thirds of the members present at a meeting specially summoned for the purpose so resolve.

Rates of urban district councils and towns, and power to consolidate rates.

(2.) Where an urban district council independently of this Act—

(a) can raise a sum by a rate upon the same basis as the poor rate, that sum may be raised by means of the poor rate, but as a separate item thereof, and any right to deduct any part of the said rate from rent shall continue as respects that item; or

(b) can make more than one rate upon the same basis, but on a basis different from that of the poor rate, such rates may be consolidated and made, levied, collected, and recovered as one rate, and be made half-yearly, but the demand note shall specify the amount in the pound required for each such rate.

(3.) "The same basis" in this section means the same property, the same rateable value, and subject to the same exemptions.

54.—(1.) Where the poor rate is made upon an occupier of any holding under an existing tenancy, then, until the tenancy is determined or a new statutory term in the tenancy begins, the following provisions shall have effect as from the gale day next after the appointed day:—

Adjustment of rent as between occupier and landlord in consequence of agricultural grant, and change in incidence of rate.

(a.) Where the occupier is entitled to deduct from his rent one-half of the county cess, the rent shall be reduced by half the appropriate standard amount (herein-after defined):

PART III.
 Finance.

(b.) Where the occupier is entitled to deduct from his rent one-half of the poor rate, and the holding is not agricultural land, the rent shall be reduced by half the appropriate standard amount :

(c.) Where the occupier is entitled to deduct from his rent the whole of the county cess or poor rate, the rent shall be reduced, in the case of cess, by the whole of the appropriate standard amount, and in the case of poor rate, where the holding is agricultural land by half, and where it is not agricultural land by the whole, of the appropriate standard amount :

(d.) Where the occupier is not entitled to make any deduction from his rent in respect of poor rate, and the holding is agricultural land, he shall be liable to pay annually to his landlord a sum equal to half the appropriate standard amount, and such sum shall be recoverable as, and be deemed for all purposes to be, part of his rent.

(2.) Provided that where the occupier is entitled to deduct from his rent a sum less than one-half of the county cess or of the poor rate, as the case may be, the foregoing provisions shall apply, with the exception that a sum bearing such proportion to half the appropriate standard amount as the amount he was entitled to deduct bore to half the county cess or poor rate, shall be substituted for a sum equal to half the appropriate standard amount.

(3.) An occupier entitled, whether by law or contract, to deduct a sum from his rent shall be deemed entitled to deduct within the meaning of this section ; and where a person under the law existing at the time of his contract of tenancy, or under his contract of tenancy, is not liable to any cess or rate, he shall be in the same position under this section as if he were entitled to deduct the whole of that cess or rate from his rent.

(4.) Where a person receiving rent in respect of any holding which is not agricultural land also pays rent in respect of such holding, and the rent he receives is reduced by virtue of this section, the rent he pays shall, except where under the terms of his contract he is not entitled to make any deduction from his rent in respect of rates, be reduced by a sum bearing such proportion to the amount of the reduction as the rent he pays bears to the rent he receives.

(5.) Where part of a holding is agricultural land and part is not agricultural land, the foregoing provisions of this section shall apply separately to each such part as if it were a separate holding.

(6.) The "standard amount" for the purposes of this section means, in relation to any holding a sum equal to what is produced by a rate on the rateable value of the holding in the standard financial year, according to the standard rate of poor rate or county cess, as the case requires.

(7.) Where any change of the rent of a holding, whether by way of reduction, payment, or deduction, caused by the provisions of this section, would amount to less than sixpence, no such change shall be made ; and where though exceeding sixpence it would involve a fraction of sixpence, then if the fraction amounts to

threepence or upwards, the change shall include the full sixpence and if the fraction amounts to less than threepence the change shall exclude the fraction.

PART III.
Finance.

(8.) Any difference which may arise as to the amount to be deducted or paid by occupiers under existing tenancies in pursuance of this section, shall be referred to the Commissioner of Valuation, whose decision shall be final.

(9.) An occupier of any holding under an existing tenancy shall, until the tenancy is determined or a new statutory term in the tenancy begins, be entitled notwithstanding any provision of this Act, to deduct from his rent the like proportion of any sum paid by him for poor rate or account of any railway, harbour, navigation or public health charge, as he would have been entitled to deduct from his rent on account of any cess or rate to meet the charge, if the provisions of this Act with reference to the deduction of poor rate from his rent had not been enacted, and in the case of existing charges, as if the charge had continued to be raised by the same cess or rate as previously.

(10.) The secretary of the county council, including the town clerk of a county borough, shall, on request by the landlord or occupier of any holding, give a certificate of the rateable value of the holding and of the standard rate in the pound under this Act for the union or district in which the holding is situate, and, where part of the holding is agricultural land and part is not agricultural land, shall distinguish the rateable value of each such part. The said certificate shall be in such form, and contain such particulars, and the said secretary shall be entitled to such payment for each certificate as may be prescribed.

(11.) Where the existing tenancy of a holding in an urban district is constituted by a lease for lives, or a lease of which not less than five years are unexpired on the appointed day, then, notwithstanding anything in the foregoing provisions of this section, the rent of such holding shall be unaltered, but the occupier shall be entitled to deduct from his rent such portion of the amount of poor rate actually paid by him from time to time in respect of such holding as he would have been entitled to deduct if this Act had not passed, or, if he was entitled before the passing of this Act to deduct all the poor rate and county cess, then the whole of the poor rate so actually paid.

(12.) Where the occupier of a hereditament in an urban district becomes, by reason of this Act, liable to pay all or part of any rate made by the council of such urban district, other than the poor rate, and such rate was previously made upon the landlord, or immediate lessor, he shall, until his tenancy determines, be entitled, save so far as his contract of tenancy otherwise provides, to deduct the amount for which he so becomes liable from his rent.

55. After the appointed day a fair rent in a rural district shall be fixed under the Land Law (Ireland) Acts on the assumption that there has been no decrease or increase of the rate in the pound of poor rate as compared with the total rate in the pound to which the standard rates for poor rate and county cess as certified under this Act, when

c. 64.

56.—(1.) In estimating the sums raised by county cess, and estimating the standard rate, the Local Government Board on the report of the Commissioner of Valuation shall exclude such amount as they determine is to be taken as having been raised during the standard financial year in any area for the purpose—

- (a) of expenses in relation to additional constabulary under the Constabulary (Ireland) Acts, 1836 to 1897; or
- (b) of compensation for criminal injuries as before defined; and the amount so excluded is in this Act included in the expression “excluded charges.”

(2.) The amount required to meet any charge in connexion with such expenses or compensation shall be separately estimated and raised by means of the poor rate, but as a separate item thereof, and the provisions of this Act with respect to raising expenses and to the poor rate shall apply with the necessary modifications; Provided that—

- (a) the provisions with respect to the division between agricultural land and other hereditaments, and the deduction in respect of the amount assigned to agricultural land, shall not apply; and
- (b) the amount may be raised as heretofore off any area though less than a district or union, and for that purpose there shall be a separate account in the county fund.

57.—(1.) In estimating the sums raised by poor rate and county cess, and in estimating the standard rate, the Local Government Board on the report of the Commissioner of Valuation shall exclude such amount as they determine is to be taken as having been raised during the standard financial year, in any area for the purpose—

- (a) of any railway or harbour charge, that is to say, any charge in connexion with—
 - (i) any railway or tramway under the Tramways and Public Companies (Ireland) Act, 1883, the Light Railways (Ireland) Act, 1889, or the Railways (Ireland) Act, 1890, or any special Act, whether public or local; or

and the amount so excluded is in this Act included in the expression "excluded charges."

(2.) The amount required to meet payments in respect of any railway or harbour charge, or any navigation or public health charge, shall be separately estimated and raised by means of the poor rate, but as a separate item thereof, and the provisions of this Act with respect to raising expenses and to the poor rate shall apply with the necessary modifications;

Provided that—

(a) the provisions with respect to the division between agricultural land and other hereditaments and the deduction in respect of the amount assigned to agricultural land shall not apply; and

(b) the amount may be raised as heretofore off any area though less than a district or union, and for that purpose there shall be a separate account in the county fund.

(3.) The provisions of this Act with reference to the fixing of fair rents shall not apply in the case of any item of the poor rate raised under this section.

(4.) The expenses incurred by a sanitary authority, in the execution of the Labourers Acts, 1883 to 1896, when incurred in the standard year, shall not be deemed to have been special expenses within the meaning of this section, and when hereafter incurred, whether in respect of transactions begun before or after the passing of this Act shall be expenses incurred in relation to the business of the council of a rural district, and be levied as district charges accordingly.

Licence Duties and Local Grants.

58.—(1.) After the thirty-first day of March next after the passing of this Act there shall be annually paid out of the Consolidated Fund to the Local Taxation (Ireland) Account—

by the Commissioners of Inland Revenue on the local taxation licenses specified in the Third Schedule to this Act, and such amount shall be ascertained in like manner as under section twenty of the Local Government Act, 1888; and

(b) an annual sum of seventy-nine thousand pounds.

(2.) Whereas by reason of this section certain grants heretofore made out of the Exchequer in aid of the rates will cease, the Lord Lieutenant shall cause to be paid in respect of every local financial year, out of the Local Taxation (Ireland) Account, at such times and by such payments as he may direct, the following sums, namely,—

(a) to each county council, on behalf of the guardians of every union, the following amounts towards the salaries approved by the Local Government Board of the following officers, namely,

(i) one-half of the said salaries of the medical officers of the workhouse and dispensaries in respect of their duties under those guardians; and

(ii) one-half of the said salary of one trained nurse in each workhouse, who is actually employed and possesses the prescribed qualifications; and

(iii) the whole of the said salaries of schoolmasters and schoolmistresses in the workhouses;

and also one-half of the cost of such medicines and medical and surgical appliances as are provided in accordance with the prescribed conditions; and

(b) to each county council, on behalf of every rural district in the county, and to each urban district council, one-half of the salaries approved by the Local Government Board of sanitary officers in respect of their duties under the district council; and

(c) to each county council who satisfy the Lord Lieutenant that they have fulfilled their duty with respect to accommodation and buildings for lunatic poor, and that their lunatic asylum is well managed and in good order and condition, and the lunatics therein properly maintained and cared for, sums at the rate for each lunatic in the asylum for whom the net charge upon the council (after deducting any amount received by them for his maintenance from any source other than poor rate) is equal to or exceeds four shillings a week throughout the period of maintenance for which the sum is calculated, of one-half of such net charge, or four shillings a week, whichever is least.

(3.) Where a union is situate in more counties than one, the amount payable as aforesaid on behalf of the guardians of the union shall be divided between the counties in the proportion in which the expenses of such guardians are divided.

(4.) Where the amount required to be raised in any area by a county council in any local financial year, in order to meet any railway or harbour charge connected with any guarantee given or transaction occurring before the passing of this Act, or to meet

two or more such charges when added together, exceeds, or would but for the payments hereinafter mentioned exceed, a sum equal to sixpence in the pound on the rateable value of the area, the Lord Lieutenant, on the report of the Commissioner of Valuation of those facts, may pay to the county council out of the sum paid under this section to the Local Taxation (Ireland) Account a sum equal to one-half of such excess to be applied by that council in reduction of the said amount.

(5.) (11.) The scheme shall provide for the existing officers employed under the scheme receiving remuneration substantially identical with that which they formerly received.

(12.) An existing officer who can be employed under the scheme—

- (a) if he holds a pensionable office, and has within the prescribed time notified his willingness to serve, shall, if he is not continued by the scheme as an officer of the county council, be entitled to receive from the county council the same compensation under this Act as if his office were abolished; and
- (b) if he holds a pensionable office, and has not within the prescribed time expressed his willingness to serve, and is not continued by the scheme as an officer of the county council, shall be entitled to receive from the county council a gratuity; and
- (c) if he does not hold a pensionable office, and either within the prescribed time expresses his unwillingness to serve, or is not continued by the scheme as an officer of the county council, shall be entitled to receive from the county council a gratuity.

(13.) Every such gratuity shall be according to the scale in Part One of the Seventh Schedule to this Act: Provided that, until the expiration of not less than twelve months after receiving a gratuity under that schedule, an officer shall not be qualified to be appointed to any office under the county council, unless he refunds to the county council the gratuity. Of such gratuity, one-half shall be repaid to the county council out of the moneys standing to the Local Taxation (Ireland) Account by virtue of the Local Taxation (Ireland) Estate Duty Act, 1896, and the half of any gratuity so refunded shall be repaid by the council to that account.

(14.) For the purpose of the foregoing enactments a person appointed collector under the County Dublin Grand Jury Act, 1844, shall be deemed to hold a pensionable office.

(15.) The Local Government Board may approve any such scheme with or without modifications; and all officers employed in pursuance of the scheme shall be deemed to be poor rate collectors appointed by the county council within the meaning of this Act.

(18.) Subject to the provisions of this Act, every existing officer transferred under this section shall hold his office by the same tenure and upon the same terms and conditions as heretofore, and while performing the same or analogous duties shall receive not less remuneration than heretofore; and if, by reason of any alteration of boundary or other thing done by or in pursuance of this Act, his duties are increased or diminished, the officer shall be bound to perform those duties, and shall receive such increase or diminution of remuneration in proportion to the increase or diminution of his duties as the Local Government Board may determine, subject nevertheless in case of diminution to such compensation as is provided by this Act; provided that any county or district council may, subject to the approval of the Local Government Board, make a special agreement with any of such existing officers respecting the terms and conditions on which he may continue to hold his office, and the remuneration which he shall receive therefor.

(19.) ## CHAPTER 48.

An Act to amend the Law relating to the Patronage of Benefices, and to their avoidance on Sequestration, and to amend the Pluralities Acts, 1838 and 1885.

[12th August 1898.]

**B**E it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Transfer of  
patronage  
rights.

1.—(1.) A transfer of a right of patronage of a benefice shall not be valid unless—

- (a) it is registered in the prescribed manner in the registry of the diocese within one month from the date of the transfer, or within such extended time as under special circumstances the bishop may think fit to allow; and
- (b) it transfers the whole interest of the transferor in the right, except as herein-after provided; and
- (c) more than twelve months have elapsed since the last institution or admission to the benefice.

(2.) It shall not be lawful to offer for sale by public auction any right of patronage, save in the case of an advowson to be sold in conjunction with any manor, or with an estate in land of not less than one hundred acres situate in the parish in which the benefice is situate or in an adjoining parish and belonging to the same owner as the advowson, and any person who offers any right of patronage for sale by auction in contravention of this section, or who bids at any such sale, shall be liable, on summary conviction, to a fine not exceeding one hundred pounds.

(3.) Any agreement for any exercise of a right of patronage of a benefice in favour or on the nomination of any particular person, and any agreement on the transfer of a right of patronage of a benefice—

- (a) for the re-transfer of the right; or
- (b) for postponing payment of any part of the consideration for the transfer until a vacancy or for more than three months; or

- (c) for payment of interest until a vacancy or for more than three months; or
  - (d) for any payment in respect of the date at which a vacancy occurs; or
  - (e) for the resignation of a benefice in favour of any person,
- shall be invalid.

(4.) For the declaration set forth in section two of the Clerical Subscription Act, 1865, shall be substituted the declaration set forth in the schedule to this Act which shall be taken in the prescribed manner, and if any person knowingly makes any false statement in this declaration he shall be guilty of a misdemeanour, and shall be liable to the punishment attaching by law to perjury. 28 & 29 Vict.  
c. 122.

(5.) If any clergyman is knowingly party or privy to any transfer, presentation, or agreement which is invalid under this section, or commits any breach of the promissory part of his declaration, he shall be guilty of an offence in respect of which proceedings may be taken under section two of the Clergy Discipline Act, 1892. 55 & 56 Vict.  
c. 32.

(6.) The expression "transfer" in this section shall include any conveyance or assurance passing or creating any legal or equitable interest *inter vivos*, and any agreement for any such conveyance or assurance, but shall not include—

- (a) a transmission on marriage, death, or bankruptcy, or otherwise by operation of law; nor
- (b) a transfer on the appointment of a new trustee where no beneficial interest passes.

(7.) Nothing in this section shall prevent the reservation or limitation in a family settlement of a life interest to the settlor, or in a mortgage the reservation of a right of redemption.

2.—(1.) A bishop may refuse to institute or admit a presentee to a benefice— Grounds for  
refusal to  
institute.

- (a) if, at the date of the vacancy, not more than one year has elapsed since a transfer, as defined by the first section of this Act, of the right of patronage of the benefice, unless it be proved that the transfer was not effected in view of the probability of a vacancy within such year; or
- (b) on the ground that at the date of presentation not more than three years have elapsed since the presentee was ordained deacon, or that the presentee is unfit for the discharge of the duties of the benefice by reason of physical or mental infirmity or incapacity, pecuniary embarrassment of a serious character, grave misconduct or neglect of duty in an ecclesiastical office, evil life, having by his conduct caused grave scandal concerning his moral character since his ordination, or having, with reference to the presentation, been knowingly party or privy to any transaction or agreement which is invalid under this Act.

(2.) A bishop shall not collate, institute, or admit any person to a benefice until the expiration of one month after notice, in the prescribed manner, that he proposes to collate, institute, or admit such person has been served on the churchwardens of the parish, who shall publish the notice in the prescribed manner.

Appeal  
against  
refusal to  
institute.

3.—(1.) Where a bishop, on any ground included in section two of this Act or of unfitness or disqualification of the presentee otherwise sufficient in law, except a ground of doctrine or ritual, refuses to institute or admit a presentee to a benefice, he shall signify the refusal in writing together with the grounds thereof to the person presenting to the benefice and to the presentee in the prescribed manner, and within one month after the signification either of those persons may, in the prescribed manner, require that the matter be heard by a court consisting of the archbishop of the province and of a judge of the Supreme Court, who shall be nominated by the Lord Chancellor from time to time for the purposes of this Act, and the bishop shall be made a party to the proceedings. The court constituted under this Act shall be a court of record and shall be held in public, and at any hearing the legal rules of evidence shall prevail.

(2.) The judge shall decide all questions of law and find as to any fact alleged as reason of unfitness or disqualification and his decision on such questions of law and his finding as to any such fact shall be binding on the archbishop, who shall thereupon—

- (i) if the judge finds that no such fact sufficient in law exists, direct institution or admission; or
- (ii) if the judge finds that any such fact sufficient in law exists, decide if necessary whether by reason thereof the presentee is unfit for the discharge of the duties of the benefice and determine whether institution or admission ought, under the circumstances, to be refused,

and in either case the archbishop shall give judgment accordingly, and that judgment shall be final.

(3.) The court shall have the same powers of administering oaths and of requiring the attendance of witnesses and the production by them of documents, and as to the payment and recovery of costs and expenses, as are exerciseable by the High Court of Justice.

(4.) If, within one month after a judgment of the court in favour of a presentee, the bishop fails to institute or admit him, the official principal of the archbishop shall institute or admit him if there is no other impediment.

(5.) If in any case to which this section applies the bishop signifies his refusal in manner provided by this section, no proceeding in the nature of *quare impedit* or *duplex querela* shall be taken in any other court in respect of the refusal.

(6.) Where the presentation is made to an archbishop, the archbishop of the other province, whether Canterbury or York, and such judge as aforesaid, shall constitute the court.

Provision as  
to grounds  
of refusal.

4. The bishop may, on the hearing of any case under section three of this Act, rely on—

- (i) any ground included in his signification of refusal; and
- (ii) by the leave of the judge (on such terms as to notice, costs, adjournment, or otherwise, as the judge thinks fit), any other ground sufficient in law (not being of doctrine or ritual).

5. In reckoning the date for lapse, no account shall be taken, in the case of the first and second presentations by a patron in respect of the same vacancy, of the period between a presentation by the patron and the refusal by the bishop to institute or admit the presentee, or of the period between the refusal of the bishop to institute or admit and the decision of the court upon such refusal; nor in case of a bishop having a right to collate to a benefice of the period between the service of the notice on the churchwardens under the provisions of this Act and the expiration of a month from the said service.

Provision  
as to lapse.

6.—(1.) A patron may not present again a person who has been refused by the bishop in respect of the same vacancy, and any such second presentation shall be void.

Right of  
presentation.

(2.) In the event of the presentee of a clerical patron being refused institution or admission by the bishop, and of such decision being upheld, the patron shall have the same right of further presentation as though he were a lay patron.

7. So much of the statutes 3 and 4 James I., cap. 5, sect. 13, and i. William and Mary, cap. 26, sect. 2, is hereby repealed as prevents the Chancellor and Scholars of the Universities of Oxford and Cambridge from presenting or nominating to the benefices and livings there mentioned persons already holding any benefice with cure of souls, provided that nothing be done in contravention of the other Acts regulating the holding of benefices in plurality. And further the said Universities shall be permitted to elect to such benefices, and to any other benefices or livings that are or may hereafter be in their patronage, and to exercise any other rights that they may possess in respect to them in any way that they may hereafter, by statute or ordinance of the University made in the ordinary manner, from time to time determine to be expedient.

Presentation  
by Universities  
of Oxford and  
Cambridge.

8. To the Commission appointed in pursuance of section seventy-seven of the Pluralities Act, 1838, as amended by the Pluralities Acts Amendment Act, 1885, there shall be added two other commissioners, being either laymen in the commission of the peace for the county in which the benefice is situate, or barristers or solicitors of not less than ten years' standing, nominated by the person who has presided as chairman of the last preceding quarter sessions for the county or division of the county in which the benefice is situated, or, failing him, by the lord lieutenant of the county.

Constitution of  
Commission  
under Pluralities  
Acts.  
1 & 2 Vict.  
c. 106.  
48 & 49 Vict.  
c. 51.

Provided that the secretary of the bishop or the registrar of the diocese shall not be qualified as a commissioner.

9.—(1.) Where a commission appointed in pursuance of section seventy-seven of the Pluralities Act, 1838, as amended by the Pluralities Acts Amendment Act, 1885, and by this Act, reports that the ecclesiastical duties of a benefice are inadequately performed, and that this is due to the negligence of the incumbent of the benefice in the performance of those duties (which report the Commission is hereby empowered to make), the bishop, if he thinks

Power to  
inhibit on  
report of  
negligence in  
discharge of  
duties.

the appointment of a curate desirable, shall himself appoint a curate or curates, as in the said section mentioned, without requiring the incumbent to do so, and may also, if in his opinion the adoption of such a course is expedient in the interests of the benefice, inhibit the incumbent from performing all or any of those duties.

(2.) The power conferred by the said section amended as aforesaid, and by this section, of appointing and requiring the appointment of a curate, may be exercised from time to time in case of any vacancy in the curacy.

(3.) Where a curate has, before the commencement of this Act, been appointed under the said section, or the said section as amended by the Pluralities Acts Amendment Act, 1885, the bishop may, if he sees reason to believe that the incumbent is negligent in the performance of the ecclesiastical duties of the benefice, issue a commission under the said section as so amended and by this Act to inquire into the facts of the case, and if that commission reports that the incumbent is so negligent, the bishop may inhibit him from performing all or any of the said duties.

(4.) When an incumbent is inhibited under this Act, he shall not interfere with or control any curate in the performance of the ecclesiastical duties of the benefice, and any right of patronage vested in him by virtue of his incumbency shall, while he is inhibited, vest in the patron of his incumbency, or, if the incumbent be the patron, then in the archbishop of the province.

(5.) An incumbent so inhibited shall not be liable to any penalty or forfeiture for non-residence, but section ninety-three of the Pluralities Act, 1838, shall apply as if the incumbent were not resident as therein mentioned, and thereupon section ninety-four of the same Act shall apply as in the case where the curate's stipend is not less than the whole value of the benefice. The incumbent shall remain liable for repairs, but shall be entitled to retain out of the curate's stipend such amount in respect of repairs during the curate's occupation, and shall be entitled to such facilities for executing repairs, as the bishop may, in case of difference, decide to be reasonable.

(6.) The incumbent may appeal against the appointment of a curate by the bishop under this section and against any such inhibition to the court constituted under this Act within one month after such appointment or the issue of such inhibition. On any such appeal the judge shall determine whether the incumbent has been negligent as aforesaid, and the archbishop shall thereupon—

(i) if the judge finds that the incumbent has not been negligent as aforesaid, rescind the appointment and inhibition, if any;  
or

(ii) if the judge finds that the incumbent has been negligent as aforesaid, decide whether by reason thereof the said appointment should have been made, and also whether the incumbent should be inhibited from performing any and what ecclesiastical duties of his benefice;

and shall give judgment accordingly, and that judgment shall be final. Subject as aforesaid the provisions of section three of this

Act with respect to procedure shall apply to proceedings under this sub-section.

**10.** In the case of incumbents presented or collated after the commencement of this Act, if, on bankruptcy, or in aid of any writ of execution against property, the benefice of any such incumbent is sequestrated within twelve months after his institution, or if such sequestration, if issued after that period, continues for the space of one whole year, or if any such incumbent incurs two such sequestrations in the space of two years, the benefice shall, unless the bishop in the manner and within the time to be prescribed otherwise direct, become void, and section fifty-eight of the Pluralities Act, 1838, shall apply in like manner as if the benefice had become void under that section.

In certain cases of sequestration benefice to become void.

1 & 2 Vict. c. 106.

**11.** The rule committee, as defined by section nine of the Clergy Discipline Act, 1892, may make rules for prescribing anything which, under this Act, is to be prescribed, and for defining the duties of the officials by whom registration is to be effected, and with respect to the inspection of the register and the fees payable on registration and inspection under this Act, and the application thereof for the remuneration of the officials in the registry in respect of such registration and inspection, and for regulating the procedure on and incident to the hearing and determination under this Act of any question as to a refusal to institute or admit, or of an appeal against an inhibition or appointment of a curate, and the fees payable in respect thereof, and the appointment and duties of officers of the court, and otherwise for carrying the purposes of this Act into effect, and the provisions of that section shall apply in the case of any rules so made. For the purpose of framing rules under this section the judge nominated by the Lord Chancellor for the purposes of this Act shall be added to the said Rule Committee if not already a member thereof. In framing rules under this Act regard shall be had to making the procedure and practice as simple and inexpensive as possible. The fees paid in respect of proceedings in the court under this Act shall be paid over to the common fund of the Ecclesiastical Commissioners, who shall, out of such common fund, defray all the expenses of and incidental to the sittings of the court and the remuneration of its officers, and all expenses which are necessarily incurred in the execution of this Act in such proceedings: Provided that no portion of any fund destined for the relief of necessitous incumbents shall be applied to the payment of the aforesaid expenses.

Power to make rules. 55 & 56 Vict. c. 32.

**12.** Every benefice with cure of souls which at the commencement of this Act is donative shall as from that date be presentative.

Abolition of donatives.

**13.—(1.)** In this Act the expression "benefice" comprehends all rectories with cure of souls, vicarages, perpetual curacies, endowed public chapels, and parochial chapelries, and chapelries or districts belonging or reputed to belong, or annexed or reputed to be annexed, to any church or chapel, and districts formed for

(2.) In section two of this Act the expression "duty" shall mean ecclesiastical duties as defined by section two of the Pluralities Acts Amendment Act, 1885, omitting the following words therein "and the performance of which shall have been required of him in writing by the bishop."

48 & 49 Vict.  
c. 84.

(3.) In section nine of this Act and in the Pluralities Act, 1838, and the Pluralities Acts Amendment Act, 1885, the expression "ecclesiastical duties" shall, in all respects, include those duties mentioned in section two of the Pluralities Acts Amendment Act, 1885, and also the observance of all the promises as to conduct which every clergyman of the Church of England solemnly makes at the time of his ordination; and the expression "negligence" in the performance of ecclesiastical duties shall include wilful default in the performance of such duties.

Commence-  
ment.

14. This Act shall come into operation on the first day of January one thousand eight hundred and ninety-nine.

**CHAPTER 50.**

An Act to provide for the Supply of Seed Potatoes, Seed Oats, and Spraying Machines and Material to Occupiers and Cultivators of Land in Ireland, and for the employment of Instructors in the use of such Machines and Material. [12th August 1898.]

**B**E it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Powers of guardians to supply seed, spraying machines, and material, and to employ instructors.

1.—(1.) Where at any time before the first day of September, one thousand eight hundred and ninety-eight, the guardians of any poor law union satisfy the Local Government Board that the occupiers of land in any electoral division of their union are generally unable through poverty to procure an adequate supply of seed potatoes, seed oats, spraying machines, or spraying material, the guardians, with the sanction of the Local Government Board, may provide the same for the use of that electoral division, and employ, upon such terms and conditions as that Board may approve, persons to act as instructors in the use of such machines and material.

(2.) The expenses of the execution of this Act by the guardians shall be defrayed out of the poor rate, until the thirty-first day of March, one thousand eight hundred and ninety-nine, of the said electoral division, and afterwards of the union.

Power of guardians to borrow.

2.—(1.) The guardians may apply to the Local Government Board for a loan under this Act for the purpose of providing such seed, machines, or material, and the Local Government Board may approve of the application, and in that case shall transmit it to the Board of Works, who may, with the consent of the Treasury, make, out of any moneys at their disposal for the purpose of local loans, a loan to such board of guardians on the security of the poor rate without requiring any further or other security.

(2.) Such loan shall be repayable by the guardians to the Board of Works by two equal instalments, the first of which shall be paid on the first day of September, one thousand eight hundred and ninety-nine, and the second on the first day of September, one thousand nine hundred.

(3.) The interest, at the rate of two and three quarters per cent. per annum, on such loan, or on so much as is for the time being not repaid, shall be paid by equal half-yearly payments to the Board of Works out of the Irish Church Temporalities Fund.

(4.) When any such loan is made the poor rate leviable in the union shall become forthwith charged, without any deed of mortgage or other instrument, with the repayment of the loan by the said instalments.

(5.) If at any time the Board of Works certify that any sum is payable to them by the guardians of any union on account of any loan under this Act the Local Government Board shall, by order under their seal, assess that sum on the union and send copies of the order to the guardians and to the treasurer of the union; and within one month of the receipt of the copy of the order the treasurer of the union shall, out of any money then in his hands to the credit of the guardians, or if such money is insufficient, then out of all moneys subsequently received by him on account of the guardians, pay the amount mentioned in the order to the Board of Works.

3. The guardians may apply the whole or any part of a loan obtained under this Act in defraying all expenses incurred for the purchase of seed potatoes, seed oats, spraying machines, or spraying material, or for carriage, storage, and otherwise in providing the same for sale or hire, and shall when required by the Local Government Board repay to the Board of Works any portion of the loan which is not so applied.

Application of  
loans.

4. The guardians shall sell the said seed and material and shall sell or hire the said machines purchased by them under this Act, subject to the following provisions:—

Sale of seeds,  
spraying  
machines and  
material.

- (1.) Such sale shall not be made to a person unless he is either a small occupier, that is to say, an occupier of land the rateable value of which does not exceed fifteen pounds, or a cultivator, that is to say, a person who cultivates for his own use any land under a contract made by him with the occupier of the land.
- (2.) The price shall not (save as respects the abatement hereinafter mentioned for cash payment) be less than the price paid by the guardians for the articles sold, including all expenses incurred for carriage, storage, or otherwise providing the same for sale.
- (3.) The quantity of seed sold to a small occupier shall not exceed—
  - (a) if potatoes, twelve hundredweight; and
  - (b) if oats, three hundredweight.
- (4.) The quantity of seed potatoes sold to a cultivator shall not exceed six hundredweight, and the sale shall only be made on the guardians obtaining such security as they think sufficient for the payment of the price, and no seed oats shall be sold to a cultivator.
- (5.) Seed shall not be sold to any person unless the guardians, or such persons as the Local Government Board may nominate in that behalf, are satisfied that the land into which it is to be put has been properly prepared, and is ready for sowing.
- (6.) The amount of spraying material sold shall not exceed the amount which, subject to the prescribed rules, appears to the guardians sufficient for the spraying, if the sale is to a small occupier of one statute acre, and if the sale is to a cultivator of half a statute acre.
- (7.) A spraying machine shall only be sold upon payment in cash on delivery.

- (8.) Where the price of the article sold is paid for in cash on delivery, an abatement shall be made therefrom of one-fifth, or in the case of a spraying machine of one-tenth, from the price, and any loss occasioned by such abatement shall be paid out of the Irish Church Temporalities Fund to the prescribed board or person.
- (9.) The charges for the hire of a spraying machine shall be such as are estimated to be sufficient to prevent any loss to the guardians from the purchase, carriage, or storage of the machine, or otherwise providing the same for hire, or from the delivery thereof to the hirer and the repair thereof, and the charge for the hire shall be paid in cash on delivery.
- (10.) Upon a sale under this section of an article, all sums received in cash on delivery shall, where a loan has been made under this Act for the purchase of the article, be paid by the guardians to the Board of Works at the prescribed times, and be applied in repayment of the loan.

Recovery of  
price from  
purchasers.

5.—(1.) The amount due to the guardians on account of any seed or spraying material sold by them, and not paid for in cash on delivery, shall be paid by two equal instalments.

(2.) For obtaining payment of each such instalment due from any person the guardians shall levy the amount, where the person is rated to the poor rate, either as part of the poor rate payable by such person, or by a special rate to be added to the poor rate assessed on the tenements occupied by such person, and to be collected therewith.

(3.) Where such person is not rated to the poor rate the guardians shall make a special rate for the purposes of this Act to which he shall be rated.

(4.) Every such special rate shall be recoverable in the same manner and with the same remedies by the collectors of the poor rate as if it were poor rate, and shall be lodged to the credit of the guardians with the treasurer of the union.

(5.) Provided that no person shall be entitled to make any deduction from his rent on account of any such special rate.

(6.) The first of such special rates shall be made at the same time as the first ordinary poor rate made after the first day of July, one thousand eight hundred and ninety-eight, and the second of such special rates shall be made at the same time as the first ordinary poor rate made after the last day of March, one thousand eight hundred and ninety-nine.

(7.) The first instalment payable by each purchaser of seed or spraying material shall be due on the day on which the first of such special rates is made, and the second instalment shall be due on the day on which the second of such special rates is made. Any such instalment may be paid to the guardians at any earlier date.

(8.) After the election of a county council for any county, all the powers and duties under this section of the board of guardians

as respects any electoral division in that county shall vest in that council, and the guardians shall certify to that council the sums of which payment is to be obtained.

**6.**—(1.) The Lord Lieutenant, on the application of the Local Government Board, may, with the consent of the Treasury, appoint inspectors to assist the guardians in the purchase of seed under this Act, and in all arrangements for the inspection, storage, and distribution of the same. Power to appoint inspectors, and approval of purchases.

1. A clause to be inserted in the Bill, transferring to the Company, solely for the purpose of widening and improving the Kingstown Station and the approach to the Carlisle Pier, so much of the Crofton Road as may be required for the erection of a second platform and new lines of rail at Kingstown, not exceeding in breadth at any point eleven feet, measured from the north face of the Company's boundary wall, and so much of the Harbour Road (upper level) as may be required for widening the approach to Carlisle Pier and laying down additional lines, not exceeding in breadth at any one point twelve feet measured from the inside face of the Company's wall.

2. Detailed plans and drawings of the works and buildings required for the above purposes to be submitted to the Commissioners for approval, and in case of dispute as to suitability, nature, and extent of the works and buildings, and the actual widths of the roads required, or with regard to any other provision in this Agreement, the questions in dispute shall be determined by the award of a single arbitrator to be appointed by the Board of Works, whose decision shall be final, binding, and conclusive on both parties, and whose award may be made a Rule of Court at the instance of either party.

3. In case of arbitration, it is to be an instruction to the arbitrator that as little encroachment as possible shall be made on the roads consistently with the necessity of giving to the Company proper facility for the mail and passenger traffic, and that the proposed platform at Kingstown, so far as it is under the existing footway of the Crofton Road, shall be covered with a roof, supported by cantilevers, such roof to be so constructed that when covered with asphalt or concrete it may form part of the footpath on the north side of the Crofton Road. The Company may also raise the level of the footpath on Crofton Road, next the railway, to a reasonable extent, not

Any railing to be erected on the Crofton Road to be placed as near the north-east edge of the new wall as possible, and, if necessary, on cantilevers, so as to avoid encroaching unnecessarily on the Crofton Road.

4. In any arrangement the Company may make with the Commissioners of Kingstown Harbour for increased accommodation on the Harbour Road (lower level) at Carlisle Pier, the level crossing there shall be preserved with a minimum width of twelve feet.

5. In the event of the Company herein-after seeking power by a private Bill or otherwise to close the level crossing referred to in paragraph 4, this Agreement shall not be in any way relied upon or used by the Commissioners in opposing any application for such power.

6. In case it shall be found necessary, for the purpose of making the alterations contemplated, to divert the sewer, known as the Board of Works sewer, on the Crofton Road, such diversion shall be carried out by the Company at their own expense, and they shall make such diversion, and all new and proper connections for it, to the satisfaction of the Commissioners.

7. Any new building that may be required to be erected by the Company shall be granite faced, and in keeping with the present buildings at Kingstown Station, opposite the Town Hall.

8. The Company shall, when carrying out the widening and improvement of the Kingstown Station aforesaid, place a suitable footbridge over their line from Crofton Road to the Harbour Road near the Royal Irish Yacht Club, provided that the Commissioners first convey or cause to be conveyed free of all cost to the Company so much of the site of such roads respectively as will be required for the approaches to, and erection of, the said footbridge.

9. The Company shall at their own expense provide an entrance from the east end of the station to the new platform when constructed.

10. The Company shall supply all information, and do every act within their power, to assist the Commissioners in getting possession of ground now occupied by Mrs. Synnott, boat builder, and the plot adjoining same, required for the new road proposed to be made between Crofton Road and the road at the railway crossing near the shore end of the West Pier of Kingstown Harbour, and in order thereto shall use their influence to obtain from the Dublin and Kingstown Company information as to any documents in the possession of that Company relating to the plots of ground in question.

11. The Company hereby undertake to facilitate the Commissioners by every means in their power in making the proposed road aforesaid, and in constructing such retaining wall or walls alongside the railway as may be necessary for the purpose of supporting or retaining the said road.

12. These Heads of Agreement are subject to such alterations as Parliament may think fit to make therein, but if the Committee on the Bill

make any material alteration in these Heads it shall be competent to either of the parties to withdraw the same.

## CHAPTER 57.

An Act to provide for Superannuation and other Annuities and Allowances to Elementary School Teachers certificated by the Education Department.

[12th August 1898.]

**B**E it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Elementary school teachers certificated after commencement of the Act.

**1.**—(1.) A teacher certificated after the commencement of this Act shall not be recognised by the Education Department as a certificated teacher until the Department are satisfied in the prescribed manner of his physical capacity.

(2.) In the case of a teacher who becomes a certificated teacher after the commencement of this Act, the following provisions shall, subject to rules under this Act, apply:—

(a.) His certificate shall expire on his attaining the age of sixty-five years, or if the Education Department, on account of his special fitness, allow his service to continue for a further limited time, then on the expiration of that limited time;

- (b.) The teacher shall, while serving in recorded service, contribute to the deferred annuity fund under this Act at the rate, if a man, of three pounds, and if a woman, of two pounds, a year, or at such increased rate as may for the time being be fixed by the Treasury in accordance with this Act;
- (c.) On his attaining the age of sixty-five years, or on any later date at which his certificate expires, he shall be entitled, out of the deferred annuity fund, to such annuity for the remainder of his life in respect of his contributions to that fund as may be fixed by the tables under this Act, but he shall not be entitled to any return of contributions or to any benefits in respect of his contributions other than that annuity;
- (d.) On his attaining the age of sixty-five years, or on any later date at which his certificate expires, if he has contributed to the deferred annuity fund in accordance with this Act, and his years of recorded service are not less than half the number of years which have elapsed since he became certificated, the Treasury may grant to him, out of moneys provided by Parliament, an annual superannuation allowance calculated at the rate of ten shillings for each complete year of recorded service.

(3.) If at any time the Education Department find that the average salaries of the certificated teachers calculated in the prescribed manner exceed by ten per cent., in the case of men one hundred and nineteen pounds thirteen shillings and threepence, or in the case of women seventy-six pounds eleven shillings and ninepence per annum, they shall certify accordingly to the Treasury, and the Treasury may by warrant, in the case of either sex, increase the rate of contribution to the deferred annuity fund under this Act by an amount not exceeding five shillings a year for each full ten per cent. of the excess.

(4.) Any such certificate may be given and warrant made from time to time, and if in any year the Education Department consider that the average emoluments have been so reduced as no longer to justify any increase of contribution made by any such warrant, they may certify the same to the Treasury, and the Treasury may cancel their warrant accordingly.

(5.) "Recorded service" for the purposes of this Act shall be such service in the capacity of certificated teacher in a public elementary school, not being an evening school, as is recorded by the Education Department, and may include such service as is so recorded in the capacity, within the meaning of the Education Code, either of a teacher in a training college, or of organising teacher, or of teacher of a central class for pupil teachers, or in such other capacity in or connected with public elementary schools as may be for the time being prescribed, or in the capacity of a certificated teacher in a certified reformatory or industrial school; but no service after the teacher attains the age of sixty-five years, shall be recorded service for the purpose either of

contribution to the deferred annuity fund, or of determining the amount of any allowance under this Act.

Allowances  
to incapacitated  
teachers.

2.—(1.) Where a teacher satisfies the Treasury in the prescribed manner that he—

- (a) has served a number of years of recorded service not less than ten and not less than half the years which have elapsed since he became certificated; and
- (b) has not at the date of the application been for more than the prescribed time unemployed in recorded service; and
- (c) has become permanently incapable, owing to infirmity of mind or body, of being an efficient teacher in a public elementary school; and
- (d) is not excluded by the prescribed disqualifications;

the Treasury may, subject to the prescribed conditions and to the provisions of this Act, grant to such teacher out of moneys provided by Parliament an annual allowance (in this Act called "a disablement allowance") not exceeding—

- (a) if the teacher is a man, twenty pounds for ten complete years of recorded service, with the addition of one pound for each complete additional year of recorded service; and
- (b) if the teacher is a woman, fifteen pounds for ten complete years of recorded service, with the addition of thirteen shillings and fourpence for each complete additional year of recorded service; and
- (c) in any case, the total annual sum which the teacher might obtain from an annuity and superannuation allowance under this Act by continuing to serve until the age of sixty-five years.

(2.) If the grantee of a disablement allowance attains the age of sixty-five years, any annuity which would otherwise be payable to the grantee out of the deferred annuity fund shall, except where the allowance has ceased by reason of the grantee being again employed as a teacher in recorded service, be paid to the Treasury and applied as they direct towards the payment of disablement allowances, and, in that case, the Treasury shall not award any superannuation allowance to the grantee.

(3.) A disablement allowance shall be reconsidered by the Treasury at intervals not exceeding three years; and the rules shall provide for the suspension, cessation, or reduction of the allowance in whole or in part, if the prescribed conditions are not complied with or the prescribed disqualifications apply, and those disqualifications shall deal with the cases of persons who have caused or increased their infirmity by their own misconduct or default, or who marry or cease to be incapable, or become in such a position as not to be in pecuniary need of the allowance.

Collection of  
contributions  
and deferred

3.—(1.) The contributions under this Act from certificated teachers shall be paid to the Education Department at the prescribed time

and in the prescribed manner by the teachers or their employers ; and the receipt of the Education Department for the amount of a contribution paid by the employer of a teacher shall be a good discharge for the like amount of remuneration otherwise payable to the teacher. annuity fund arising therefrom.

(2.) The contributions so received by the Education Department shall be paid to the National Debt Commissioners, and be invested by them so as to form a fund, in this Act referred to as "the deferred annuity fund."

(3.) The National Debt Commissioners shall pay out of the fund to the Treasury the sums required by the Treasury for the payment of annuities under this Act, but otherwise shall invest the contributions, and all income of the fund for the time being, in any securities in which money held by the Commissioners on account of savings banks may be invested.

(4.) Separate subsidiary funds shall be kept in respect of the contributions and annuities of men and women teachers respectively, and any part of the assets of one subsidiary fund may be used for meeting the liabilities of the other, and in that case the amount lent by the one to the other shall be a debt bearing interest at the rate used for the computation of the tables for the time being in force under this Act.

(5.) A return showing the state of the fund at the end of every financial year, distinguishing the said accounts, shall be annually laid before Parliament.

(6.) At the end of every seven years an actuarial inquiry into and report upon the assets and liabilities of the fund shall be made under the direction of the Treasury and the Education Department, and the report shall be laid before Parliament.

4.—(1.) The Treasury shall cause tables to be constructed, showing the amount of annuity payable out of the deferred annuity fund to men and women teachers respectively in respect of the contributions made by them from time to time under this Act, and so framed as to secure the fund against loss. Tables of deferred annuities.

(2.) If it appears from any actuarial report under this Act that the assets and liabilities of either account of the fund are such as either to require a reduction or to justify an increase of the annuities, the Treasury may cause fresh tables to be constructed, and those tables, when approved by the Treasury, shall come into force and shall be laid before Parliament, and the former tables shall cease to be in force, and so on from time to time as occasion requires.

5. With respect to the application of this Act to certificated teachers who became certificated before the commencement of this Act (in this Act referred to as "existing teachers") the following provisions shall have effect:— Application of Act to existing teachers.

(1.) The Education Department shall, in the prescribed manner, give to each existing teacher the option, within the prescribed

time, not being more than one year after the commencement of this Act, of accepting, in the prescribed manner, this Act.

- (2.) If an existing teacher does not so accept this Act, it shall not apply to him. If an existing teacher does so accept this Act, it shall apply to him with the following modifications ; that is to say:—
- (a) The rate of ten shillings upon which the superannuation allowance is calculated may be augmented in the case of a man by threepence, and in the case of a woman by twopence, for each complete year of recorded service served before the commencement of this Act ;
  - (b) If the teacher has at the date of the acceptance attained the age of sixty-five years or any greater age, and has served in recorded service throughout the seven years next before the commencement of this Act, the provisions with respect to the expiration of the certificate shall apply as if the date of the acceptance were substituted for the date at which the teacher attained the age of sixty-five years ;
  - (c) If the teacher has not at the date of the acceptance attained the said age, he must serve in recorded service after the commencement of this Act, and where, during any part of the seven years next before the commencement of this Act, he was not in recorded service, the duration of the recorded service after the commencement of this Act must not be less than the said part of the seven years.

*Grant out of Consolidated Fund.*

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and ninety-nine, the sum of forty-two million nine hundred and sixty-eight thousand four hundred and seventy pounds. *Appropriation of Grants.*

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said schedule, in the aggregate, to the sum of eighty-two million one hundred thousand nine hundred and sixty-one pounds seventeen shillings and one penny are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the services and purposes expressed in Schedule (B.) annexed hereto.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

4. be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

5. Whereas the Treasury, under the powers vested in them by the Appropriation Act, 1896, have authorised expenditure not provided for in the sums appropriated by the said Act to certain votes for naval and military services for the year ended on the thirty-first day of March one thousand eight hundred and ninety-seven to be temporarily defrayed out of surpluses effected by the saving of expenditure on other votes for naval and military services for the said year; viz.,

Declaration required in certain cases before receipt of sums appropriated.

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of a misdemeanor.

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1.—(1.) There shall be a body of Commissioners styled the University of London Commissioners, and consisting in the first instance of the following persons; namely,—

(3.) The Commissioners may, with the consent of the Treasury as to number, appoint or employ such persons as they may think necessary for the execution of their duties under this Act, and may remove any person so appointed or employed.

2. There shall be paid to the secretary to the Commissioners, and to any person appointed or employed by the Commissioners, such remuneration as the Treasury may assign, and that remuneration and all expenses of the Commissioners incurred with the sanction of the Treasury in the execution of this Act shall be paid out of moneys provided by Parliament.

Expenses of  
Commission.

Duration and  
proceedings of  
Commissioners.

3.—(1.) The powers of the Commissioners shall continue until the end of the year one thousand eight hundred and ninety-nine, and no longer; but it shall be lawful for Her Majesty the Queen, from time to time, with the advice of Her Privy Council, on the application of the Commissioners, to continue the powers of the Commissioners for such time as Her Majesty thinks fit, but not beyond the end of the year one thousand nine hundred.

(2.) The Commissioner first named in this Act shall be the Chairman of the Commissioners; and in case of his ceasing from any cause to be a Commissioner, or of his absence from any meeting, the Commissioners present at each meeting shall choose a chairman.

(3.) The powers of the Commissioners may be exercised at a meeting at which three or more Commissioners are present.

(5.) The Commissioners shall have a common seal which shall be judicially noticed.

(6.) Any act of the Commissioners shall not be invalid by reason only of any vacancy in their body; but if at any time, and as long as, the number of persons acting as Commissioners is less than five, the Commissioners shall discontinue the exercise of their powers.

Powers and  
duties of  
Commissioners.

4.—(1.) The Commissioners shall make statutes and regulations for the University of London in general accordance with the scheme of the report herein-before referred to, but subject to the modifications specified or indicated in Part I. of the schedule to this Act, and to any other modifications which may appear to them expedient after considering the changes which have taken place in London education of a University type since the date of the said report and any representations made to them by or on behalf of the Senate or Convocation or any fifty graduates of the University of London, or by or on behalf of any body or person directly affected.

(2.) In framing such statutes and regulations, the Commissioners shall see that provision is made for securing adequately the various matters specified or indicated in Part II. of the schedule to this Act.

(3.) The Commissioners shall take such steps as are in their opinion best adapted for facilitating the making of such representations before any such statutes or regulations are framed.

(4.) The statutes or regulations, whether they are made by the Commissioners or by the Senate as herein-after provided, shall not authorise the assignment of money for any purpose in respect of which any privilege is granted or disability imposed on account of religious belief. Provided that they shall not prevent the University from allocating funds, on such conditions as it thinks fit, for the payment of any person appointed or recognised by the University as a University teacher, or for his laboratory expenses, or for apparatus to be used by him, notwithstanding any conditions attached to any office held by him in any school of the University.

(5.) Statutes and regulations made under this Act shall have effect notwithstanding anything in any Act of Parliament, charter, deed, or other instrument.

5.—(1.) When any statute or regulation has been made by the Commissioners, a notice of its having been made, and of the place where copies of it can be obtained, shall be published in the London Gazette, and the statute or regulation shall be laid as soon as may be before both Houses of Parliament, and shall not be valid until it has been approved by Her Majesty the Queen in Council.

Approval of statutes and regulations.

(2.) If either House of Parliament, within forty days, exclusive of any period of prorogation, after a statute or regulation has been laid before it, presents an address praying the Queen to withhold Her assent from the statute or regulation, or any part thereof, no further proceedings shall be taken on the statute or regulation, or on the part thereof to which the address relates, but this provision shall be without prejudice to the making of a new statute or regulation.

(3.) The Senate or Convocation of the University of London, or any other person or body directly affected by any such statute or regulation, may, within three months after the notification thereof in the London Gazette, petition Her Majesty in Council to withhold Her approval of the whole or any part thereof.

(4.) Her Majesty in Council may refer any such petition to a committee of the Privy Council, with a direction that the committee hear the petitioner personally or by counsel, and report specially to Her Majesty in Council on the matter of the petition.

(5.) Thereupon it shall be lawful for Her Majesty, by Order in Council, either to declare Her approval of the statute or regulation in whole or in part, or to signify Her disapproval thereof in whole or in part, but any such disapproval shall be without prejudice to the making of a new statute or regulation.

(6.) The costs of any petition under this section may be regulated by the committee to which the petition is referred.

6. The Commissioners may, if they think fit, take evidence upon any of the matters hereby directed to be dealt with by them; and may, if they think fit, from time to time make a report or reports to Her Majesty containing any recommendations which in their opinion ought to be made for the purpose of better enabling them to carry out any of the powers hereby entrusted to them.

Power to Commissioners to take evidence and to make recommendations.

7. After the expiration of the powers of the Commissioners the Senate of the University shall have power to make statutes and regulations for altering or supplementing any of the statutes or regulations made by the Commissioners. Provided as follows:

Power to amend statutes and regulations.

(1.) A statute made under this section shall be subject to the provisions of the foregoing sections, with the substitution only of the Senate for the Commissioners;

(2.) Before any statute is made under this section the draft thereof shall be communicated to Convocation, whose opinion thereon, if returned to the Senate within two months, shall be taken into consideration. In computing this period of two months any part of the months of August and September shall not be counted;

(3.) A regulation made under this section shall be invalid so far as it is inconsistent with any statute made under this Act and for the time being in force.
