INFORMATION CONCERNING (INTERNAL SECURITY)

Synopsis:

Information was received from an additional source that DEL MYERS was a leader of the "Minutemen" in Tucson, Arizona, in 1962-63, but that MYERS was dropped by ROBERT B. DE PUGH, National Commander of the "Minutemen", due to instability. Tucson, Arizona newspapers in June, 1965, news stories, claim a "Minutemen" cell active in Tucson area and training with firearms in Cochise County area. Lt. WILLIAM GILKINSON, head of the Tucson PD Intelligence Unit. and quoted in the newspapers as the source of the reports, advised 6/23/65 that he was misquoted in the newspapers and that he has no knowledge of any current activity of the "Minutemen" in the Tucson or Cochise County areas. DEL MYERS on 3/27/65 volunteered information to the Phoenix Office of the FBI regarding alleged communist activities in the Tucson area and he stated at that time he was a member of the "Minutemen" in 1962, but was not a member at the present time. MYERS indicated that a number had been assigned to him by the "Minutemen" but he could not recall. MYERS further related that the "Minutemen" organization is non-existent in Tucson at the present time. Other investigation also indicates subject organization no longer in existence or known to be operating in Arizona.
