

# How to build corporate communication that is mindful of an LGBTT+ agenda

WIKIMEDIA  
ARGENTINA

**Wikimedia  
Argentina has  
decided to focus  
on reducing the  
gender gap, not  
only on women,  
but also on the  
whole of the queer  
community.**

# Commu -nica- tion.

This included changes in the way of communicating:

we created a specific agenda for the LGBT community on Wikipedia

# Communication.

Other examples of communication materials and distribution

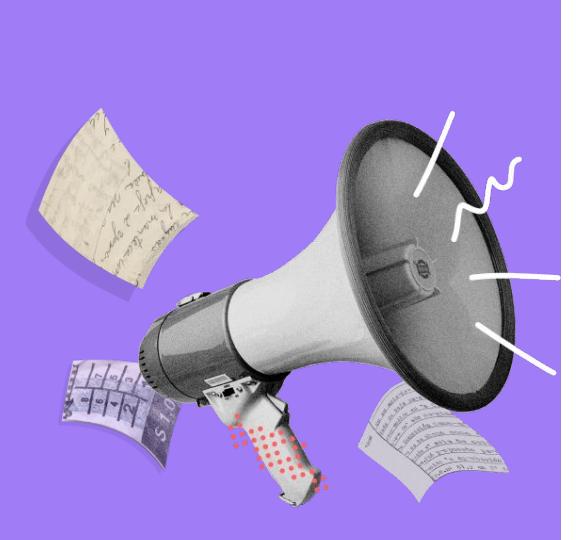

We enable a friendly space with active listening for the entire LGBTT+ community.

# Which are the meaningful dates for the LGBTT+ community locally? How are these identities represented visually?

**Tener en cuenta no solo la agenda de efemérides sino también qué palabras usamos**

**Para cuidar que nuestros mensajes no resuenen con fobias sociales hacia la comunidad LGBT**

**Se trata de entender que TODO comunica**

# Thank you!
